SUBJECT: **ADOPT A RESOLUTION RECOMMENDING OR, IN THE ALTERNATIVE NOT RECOMMENDING, THAT THE CITY COUNCIL AUTHORIZES \$1,501,862 OF MEASURE P FUNDS TO PARTIALLY FUND AN AGREEMENT WITH FELTON INSTITUTE FOR THE IHART PROGRAM.**

RECOMMENDATION

Adopt a resolution recommending or, in the alternative, not recommending, that the City Council authorize \$1,501,862 of Measure P funds to partially fund an agreement with Felton Institute for the Integrated Health and Resource Team (“IHART”) Program, fiscal year 2025-2026.

BACKGROUND AND DISCUSSION

In 2022, CRISIS Consulting conducted an official needs assessment for Vallejo. The assessment revealed that the demand for field-based programs and mental health services (where law enforcement may not be the appropriate first response) has outpaced the resources available through Solano County. VPD, in partnership with community members, local non-profits, and many other stakeholders, worked to develop a new mobile community crisis intervention team to address specific and urgent mental and behavioral health needs in Vallejo via trauma-informed responses and linkages for mental and behavioral health and social services. This team was designed to reduce – and has reduced – the need for police presence at certain non-violent calls for service.

Felton was selected as the IHART provider after a competitive bidding process and community outreach. Felton’s response to City’s May 2023 Request for Proposals was ranked highest (of three proposals) by VPD staff and stakeholders based on a number of factors, including background and capacity, scope of services, and budget. VPD also hosted a community town hall in November 2023 to receive community feedback about the vendors to inform the selection process.

In January 2024, City Council authorized execution of a one-year Consultant and Professional Services Agreement (“Original Agreement”) with Felton to provide IHART Program services for 12 hours every day for a total not-to-exceed budget of \$912,463. The Original Agreement is funded by two federal grants: (1) Fiscal Year 2022 Byrne Discretionary Community Project grant (\$900,000 total grant award, with \$626,607 available for Felton’s scope of work), and (2) Fiscal Year 2022 Crisis Intervention Teams (“CIT”) Community Policing grant (\$301,800 total grant award, with \$247,965 available for Felton’s scope of work).

On December 31, 2024, the City exercised its option to extend the Agreement for one year, resulting in a term extension to January 31, 2026.

On May 13, 2025, the police department presented to the Vallejo City Council to obtain gap funding for the IHART program through May and June 2025.

VPD was awarded – and City Council accepted via Resolution 25-009 – a third federal grant (BJA Connect & Protect grant) for the IHART Program that provides some funding to Felton for the IHART Program. The

Subject: ADOPT A RESOLUTION RECOMMENDING OR, IN THE ALTERNATIVE NOT RECOMMENDING, THAT THE CITY COUNCIL AUTHORIZES \$1,501,862 OF MEASURE P FUNDS TO PARTIALLY FUND AN AGREEMENT WITH FELTON INSTITUTE FOR THE IHART PROGRAM.

amount of funding available to Felton in Fiscal Year 2025-2026 is uncertain due to a pending budget modification and changes occurring in the federal government.

On May 6, 2023, Felton staff presented the IHART Program to the Measure P Oversight Committee. The IHART Program is popular in the community; however, it is costly and only being funded by federal grants obtained and managed by Vallejo Police Department (“VPD”) and an assortment of other City resources. Specifically, VPD is piecing together three federal grants, Fund 151 (SLEF), and opioid funding to fund Felton’s IHART Program services. These funding mechanisms are potentially inconsistent to maintain this vital Program. Accordingly, VPD respectfully requests this Committee recommends City Council authorizes \$1,501,862 of Measure P funds for a new Agreement with Felton for services in Fiscal Year 2025 – 2026 (i.e., July 1, 2025 through June 30, 2026).

FISCAL IMPACT

The City will use Measure P funds to supplement available grant funding for Felton’s services. The ultimate fiscal impact will depend upon several factors, including: (a) the final terms of any new Agreement with Felton, and (b) whether the DOJ accepts VPD’s request to modify the BJA Connect & Protect grant.

VPD also recently applied for a California State Crisis Intervention Program (SCIP) grant. If awarded, that grant will provide some funding for Felton’s services after Fiscal Year 2025-2026.
