SUBJECT: CONDUCT A PUBLIC HEARING AND ADOPT A RESOLUTION APPROVING THE ANNUAL PUBLIC HOUSING AGENCY PLAN OF THE HOUSING AUTHORITY OF THE CITY OF VALLEJO FOR FISCAL YEAR 2026-27 COVERING THE PERIOD OF JULY 1, 2026, THROUGH JUNE 30, 2027, AND AUTHORIZE ITS SUBMISSION TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT OFFICE OF PUBLIC AND INDIAN HOUSING

RECOMMENDATION

Conduct the public hearing and upon its conclusion, adopt a Resolution approving the Annual Public Housing Agency (PHA) Plan of the Housing Authority of the City of Vallejo (HACV) for Fiscal Year (FY) 2026-27 covering the period of July 1, 2026, through June 30, 2027, and authorize its submission to the U.S. Department of Housing and Urban Development (HUD) Office of Public and Indian Housing.

REASONS FOR RECOMMENDATION

Submission of the Annual PHA Plan and required certifications is a HUD requirement for continued funding of the Housing Choice Voucher (HCV) Program (formerly known as the Section 8 Program) for extremely low and very low-income households.

BACKGROUND AND DISCUSSION

The Annual PHA Plan is a plan that informs HUD, residents, and the public of the HACV's mission for serving the needs of low- and very low-income families and provides a strategy for addressing those needs. The PHA Plan consists of two components: the 5-Year Plan, which each PHA submits to HUD once every fifth PHA fiscal year, and the Annual Plan, which is submitted to HUD every year.

The 5-Year Plan is a comprehensive guide to public housing agency policies, programs, operations, and strategies for meeting local housing needs and goals. It informs HUD, residents, and the public of the HACV's mission for serving the needs of low-income and very low-income families and strategy for addressing those needs. The 5-Year Plan describes the PHA's mission, goals, and objectives for the next five years, including a summary report on the progress the PHA has made in meeting the goals and objectives, and any significant amendments or modifications described in the previous 5-Year Plan. The current 5-Year Plan expires on June 30, 2025.

The Annual PHA Plan covers any revisions to PHA Plan Elements, new activities undertaken by the PHA, and a progress report on the agency. With over 2,200 vouchers authorized, HACV's Housing Choice Voucher (HCV) Program provides housing subsidies to low-income families, and an additional 81 vouchers are set aside for homeless veterans. These vouchers provide eligible households with monthly subsidies and are paid directly to the homeowner to help provide a stable housing situation conducive to self-sufficiency. Housing units assisted by these vouchers are disbursed throughout the City with their location being determined primarily by the participant family's choosing as required by fair housing laws. The HACV has a policy to encourage participant families to search for housing outside of areas of high poverty or minority concentration. The HACV does not own or operate any public housing units; therefore, participant families must rent directly from private homeowners. Assisted units must meet basic health and safety requirements as determined by

HUD, known as National Standards for the Physical Inspections of Real Estate (NSPIRE), at all times while occupied by participant families.

The HACV received an allocation of 2,358 vouchers from HUD to provide housing subsidies to low-income families, to provide homeownership opportunities, and support to families under the family self-sufficiency program (FSS). The HACV also received an additional 81 special purpose vouchers for homeless veterans under the Veterans Affairs Supporting Housing (VASH) Program. The vouchers provide eligible households with monthly subsidies and are paid directly to the landlord to help provide housing in areas of opportunity and conducive to promote self-sufficiency.

Housing units assisted by these vouchers are disbursed throughout the City with their location being determined by the participant and units contracted under the project-based vouchers program. The HACV has a policy to encourage participant families to search for housing outside of areas of high poverty or minority concentration and does not own or operate any public housing units. Therefore, participant families must rent directly from private homeowners or the Project-Based Voucher Program. Assisted units must meet basic health and safety requirements as determined by HUD, known as Housing Quality Standards (HQS). All units under the HCV Program must be occupied by current participants.

Through HUD PIH implementation notice 2024-38 issued on December 17, 2024, PHAs are required to comply with all regulatory and discretionary policies mandated through the Housing Opportunities Through the Modernization Act (HOTMA) no later than July 1, 2025.

The Annual PHA Plan, shown in Attachment 2, covers the period from July 1, 2026, through June 30, 2027 (FY 2026-27), and must be submitted to HUD by April 17, 2026. HUD requirements state that a draft plan must be available for a public comment period of at least 45 calendar days, prior to holding a public hearing. The HACV posted the Annual PHA Plan for public comment on February 5, 2026, and will close the comment period on March 24, 2026. The Notice of Public Hearing is shown in Attachment 3.

As part of the PHA Plan process, a Resident Advisory Board (RAB) provides the HACV and the program participants with a forum to share information about the agency's Annual PHA Plan. The role of the RAB is to assist the PHA in developing the Annual PHA Plan and to offer recommendations on any significant amendments or modifications to the Plan. The HACV's RAB consists of Tenant Commissioners who are members of the HACV Board of Directors, HCV Program participants who attended the previous RAB meetings in 2022 or earlier, and HACV staff persons. A meeting of the Resident Advisory Board to receive comments on the Annual PHA Plan was scheduled for March 19, 2026.

The Housing and Community Development Commission reviewed the PHA Plan at its regular meeting on March 5, 2026, and unanimously recommended its approval through a formal resolution.

FISCAL IMPACT

The HCV Program is federally funded and has no direct impact on the General Fund budget. Submission of the Annual PHA Plan enables the Housing Authority of the City of Vallejo to maintain its eligibility for federal housing program funding.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably

DATE: March 24, 2026
TO: Chair and Members of the Vallejo Housing Authority Board
FROM: Alicia M. Jones, Housing Director
SUBJECT: **ADOPT A RESOLUTION AMENDING THE FISCAL YEAR 2025-26 ADOPTED BUDGET OF THE HOUSING AUTHORITY OF THE CITY OF VALLEJO**

RECOMMENDATION

Adopt a Resolution (Attachment 1) amending the Fiscal Year 2025-26 Adopted Budget of the Housing Authority of the City of Vallejo, as set forth in Attachment 2, also shown as Exhibit 1 to Attachment 1.

REASONS FOR RECOMMENDATION

The Housing Authority of the City of Vallejo annually reviews revenues and expenditures at the middle of the fiscal year (Mid-Year) to adjust budgeted revenues, expenditures, and transfers based upon actual experience during the first six months of the fiscal year and updated projections for anticipated revenues and expenditures during the second half of the year.

This mid-year review is a prudent fiscal practice that promotes transparency, accountability, and responsible financial management. It ensures that budgeted revenues, expenditures, transfers, and staffing levels accurately reflect operational needs and current fiscal conditions, as well as any changes identified since the approval of the FY 2025–26 Adopted Budget in June 2025.

This item was presented to the Housing and Community Development Commission at its regular meeting on March 5, 2026. The Commission unanimously recommended the approval by the Board of Directors of the Housing Authority of the City of Vallejo of the amendments to the Adopted Budget.

BACKGROUND AND DISCUSSION

This report formally presents proposed mid-year budget amendments to address operational needs identified since the adoption of the FY 2025–2026 Budget in June 2025. The proposed amendments reflect updated financial projections and program requirements to ensure continued fiscal stability and effective service delivery.

Other Professional Services

Staff recommends increasing the Professional Services line item by \$150,000 to ensure operational continuity and maintain service delivery standards during a period of staffing shortages. The Department has experienced sustained vacancies and is actively recruiting one Housing Specialist and two Administrative Clerks; however, recruitment, onboarding, and training for both newly hired and recently onboarded staff require time before full productivity is achieved.

To prevent service delays, ensure regulatory compliance, and minimize impacts to program participants and property owners, staff has expanded the scope of services with the Housing Authority’s consultant, Allecca Inc. This temporary investment will stabilize operations, protect program performance, and provide staff with the necessary time to build internal capacity without compromising customer service.

While the Housing Authority has allocated funding for two administrative clerk positions, the agency has

**Subject: ADOPT A RESOLUTION AMENDING THE FISCAL YEAR 2025-26 ADOPTED BUDGET
OF THE HOUSING AUTHORITY OF THE CITY OF VALLEJO**

historically struggled to maintain both positions due to budget limitations, personnel challenges, and noncompetitive salary levels. These staffing gaps have reduced administrative capacity and increased workload pressures on existing staff, limiting the Authority's ability to operate at full efficiency and respond to resident needs. Most recently, the sole remaining clerk departed the agency, leaving both positions vacant. The administrative clerk role is integral to the agency's operations, serving as the primary point of contact for reception and performing critical back-end functions that support the Housing Authority's day-to-day operations. While recruitment for two permanent Administrative Clerk positions is underway, the Housing Authority has taken interim steps to maintain essential operations by hiring a temporary extra-help Administrative Clerk to provide general clerical support and by securing an additional clerk through a staffing agency. These temporary measures help ensure continuity of administrative functions while permanent positions are filled.

Augmented professional support will enable the department to manage caseloads effectively, process transactions in a timely manner, and maintain established performance standards while recruitment efforts are underway. Inspection services will continue to be provided through a separate contractor to ensure uninterrupted compliance with federal Housing Quality Standards and program requirements.

Software Programs

Staff recommends increasing the Software Programs expenditure budget by \$50,000 to strengthen the HACV's operational efficiency, compliance capacity, and long-term sustainability. Enhancements to the existing housing software system, PHA Pro, will add critical functional features designed to streamline workflows, improve reporting accuracy, and support evolving regulatory requirements.

Investing in system improvements will reduce manual processes, minimize the risk of errors, and enhance data integrity, ultimately resulting in more timely and accurate service delivery to program participants and property owners. The proposed additional funding also includes comprehensive staff training to ensure full utilization of system capabilities, with a strong emphasis on onboarding and equipping new personnel to perform their duties effectively and consistently. This investment positions the HACV to operate more efficiently while maintaining high standards of compliance and customer service.

Training & Conferences

Staff recommends increasing the Training line item by \$10,000 to ensure that both current and newly hired staff are fully prepared to implement significant regulatory changes affecting the Housing Choice Voucher Program. These changes, resulting from the Housing Opportunity Through Modernization Act (HOTMA), substantially modify income calculations, asset limitations, program eligibility requirements, and administrative procedures.

Comprehensive training is essential to ensure accurate and consistent application of these new requirements, minimize compliance risk, and prevent errors that could result in audit findings, funding impacts, or disruption of assistance to program participants. Investing in targeted training will strengthen staff competency, support smooth implementation of HOTMA provisions, and reinforce the Authority's commitment to regulatory compliance, operational excellence, and high-quality customer service.

FISCAL IMPACT

The total proposed amendments to the FY 2025-26 Expenditure Budget for the Housing Authority of the City of Vallejo amount to \$210,000, to be funded through available fund balance and/or salary savings. There is no impact to the General Fund as the Housing Authority is funded through HUD.

Increase for Other Professional Services

This increase is necessary as the scope of the current consultant, Allecca Inc., needs to be expanded to further support the Housing department which is currently operating with limited staffing.

Increase for Software Programs

This increase is requested as the goal is to expand the current Housing software with additional features. This funding would also provide comprehensive training for all staff.

Increase for Training & Conferences

This increase is requested as there is an influx of new Housing staff with limited experience in the Housing Choice Voucher Program and will require extensive training to insure that all staff are fully equipped to handle the needs of the community.
