Vallejo Police Department Cell Site Simulator (CSS) Deployment Log Calendar Year 2026

The Vallejo Police Department recognizes the public interest in ensuring that cell site simulator technology is appropriately used and monitored and seeks to be transparent with its usage. Please note that the cell site simulator is merely an investigative tool to find a cell phone. Results from the cell site simulator alone are never used establish probable cause for an arrest or search.

A deployment is defined as any time the cell site simulator is turned on and used to find a target phone. The cell site simulator might be deployed several times to find the same phone even if previously successfully located. Each deployment in the log is not necessarily a separate phone that was searched for. An arrest is not necessarily effected even if a phone is located. There are many factors that determine when and arrest will be effected.

Authorized Purpose Codes:

- (A) Locate missing persons
- (B) Locate at-risk individuals
- (C) Locate victims of mass casualty incidents
- (D) Assist in felony investigations
- (E) Apprehend fugitives

****In the event a search warrant is (N*) NOT obtained due to special circumstances, an explanation will be provided in a separate attachment****

DATE: September 17, 2026
TO: Surveillance Advisory Board Chair and Members of the Board
FROM: Lance David, Board Secretary
SUBJECT: **CONSIDER THE ESTABLISHMENT OF A FACIAL RECOGNITION AD-HOC SUBCOMMITTEE AND DETERMINE, MEMBERSHIP, SCOPE, AND RESPONSIBILITIES.**

RECOMMENDATION

Consider and vote on the appointment of a third member to the Facial Recognition Ad-Hoc Committee.

BACKGROUND AND DISCUSSION

At the SAB may 21st meeting, Board Member Owen requested that an item be placed on the agenda to consider whether the board should move forward with discussing the development of a facial recognition policy. The board has since agendaized this item. At this meeting the board will recommend the establishment of a facial recognition ad-hoc committee and determine, membership, scope, and responsibilities.

At the July 16th Surveillance Advisory Board (SAB) meeting, two members were appointed to the Ad-Hoc Committee. However, because Board Members Naran and Cohen-Thompson were absent, the Board agreed to provide them with the opportunity to participate before filling the remaining positions on the Ad-Hoc Committee.

TO: Surveillance Advisory Board Chair and Members of the Board
FROM: Lance David, Board Secretary
SUBJECT: **CONSIDER AND DIRECT STAFF TO AGENDIZE A FUTURE DISCUSSION REGARDING A SAB RECOMMENDATION CONCERNING THE POTENTIAL RESCISSION OF THE FLOCK SAFETY TECHNOLOGY AGREEMENTS. STEP 1 OF 2.**

RECOMMENDATION

Staff recommends that the Surveillance Advisory Board direct staff to place a future discussion item on a Board agenda regarding a SAB recommendation concerning the potential rescission of the Flock Safety technology agreements. The future agenda item should include relevant information regarding the existing agreements, the City's surveillance use policy, legal and operational considerations, and any other information necessary to assist the Board in determining whether to make a recommendation to the City Council regarding the potential rescission of the agreements.

BACKGROUND AND DISCUSSION

At its July 16, 2026, meeting, Board Member Bras requested that a future agenda item be scheduled for the Surveillance Advisory Board to discuss the City's existing Flock Safety agreements. The purpose of the discussion is to provide the Board with an opportunity to review the current agreements, evaluate their implementation and effectiveness, and determine whether it wishes to make any recommendations to the City Council regarding the agreements, including their continuation, modification, or rescission.

Consistent with its advisory role under the City's Surveillance Technology Ordinance, the Surveillance Advisory Board may review the use and governance of surveillance technologies and provide recommendations to the City Council. Any decision regarding the approval, amendment, or termination of City agreements remains within the authority of the City Council and must be carried out in accordance with applicable City policies, procedures, and contractual obligations.

TO: Surveillance Advisory Board Chair and Members of the Board
FROM: Lance David, Board Secretary
SUBJECT: **CONSIDER AND DIRECT STAFF TO AGENDIZE A FUTURE DISCUSSION CONCERNING POTENTIAL OPPORTUNITIES FOR INTERESTED SURVEILLANCE ADVISORY BOARD MEMBERS TO VOLUNTEER IN SUPPORT OF POLICE DEPARTMENT STAFF, CONSISTENT WITH APPLICABLE CITY POLICIES AND BOARD RESPONSIBILITIES. STEP 1 OF 2.**

RECOMMENDATION

Staff recommends that the Surveillance Advisory Board direct staff to place a future discussion item on a Board agenda concerning potential opportunities for interested Board members to volunteer in support of Police Department staff. The future agenda item should include information regarding potential volunteer activities, applicable City policies, legal considerations, and any safeguards necessary to maintain the Board's independence and advisory responsibilities.

BACKGROUND AND DISCUSSION

Chair Lee requested that the Surveillance Advisory Board consider agendizing a future discussion regarding opportunities for Board members who are interested in volunteering in support of Police Department staff. The purpose of the discussion is to explore whether there are appropriate volunteer opportunities that are consistent with the Board's advisory role and applicable City policies.

Any potential volunteer activities would need to be clearly defined to ensure they do not create conflicts with the Board's oversight responsibilities, compromise the Board's independence, or involve access to confidential information beyond what is authorized. The future discussion would allow the Board to identify potential volunteer roles, review any legal or policy considerations, and determine whether a formal volunteer framework should be developed. Step 1 of 2.
