This AGENDA contains a brief general description of each item to be considered. The posting of the recommended actions does not indicate what action may be taken. If comments come to the Planning Commission without prior notice and are not listed on the AGENDA, no specific answers or response should be expected at this meeting per State law.

Agenda Items: Those wishing to address the Commission on a scheduled agenda item should fill out a speaker card and give it to the Secretary. Speaker time limits for scheduled agenda items are five minutes for designated spokespersons for a group and three minutes for individuals.

Notice of Availability of Public Records: All public records relating to an open session item, which are not exempt from disclosure pursuant to the Public Records Act, that are distributed to a majority of the Planning Commission will be available for public inspection at City Hall, 555 Santa Clara St., 2nd Floor, or the Vallejo Public Library, 505 Santa Clara St. at the same time that the public records are distributed or made available to the Planning Commission. Such documents may also be available on the City of Vallejo website at www.cityofvallejo.net subject to staff's ability to post the documents prior to the meeting.

Disclosure Requirements: Government Code Section 84308 (d) sets forth disclosure requirements which apply to persons who actively support or oppose projects in which they have a "financial interest", as that term is defined by the Political Reform Act of 1974. If you fall within that category, and if you (or your agent) have made a contribution of \$250 or more to any commissioner within the last twelve months to be used in a federal, state or local election, you must disclose the fact of that contribution in a statement to the Commission.

Appeal Rights: The applicant or any party adversely affected by the decision of the Planning Commission may, within ten days after the rendition of the decision of the Planning Commission, appeal in writing to the City Council by filing a written appeal with the City Clerk. Such written appeal shall state the reason or reasons for the appeal and why the applicant believes he or she is adversely affected by the decision of the Planning Commission. Such appeal shall not be timely filed unless it is actually received by the City Clerk or designee no later than the close of business on the tenth calendar day after the rendition of the decision of the Planning Commission. If such date falls on a weekend or City holiday, then the deadline shall be extended until the next regular business day.

Notice of the appeal, including the date and time of the City Council's consideration of the appeal, shall be sent by the City Clerk to all property owners within two hundred or five hundred feet of the project boundary, whichever was the original notification boundary.

The Council may affirm, reverse or modify any decision of the Planning Commission which is appealed. The Council may summarily reject any appeal upon determination that the appellant is not adversely affected by a decision under appeal.

If any party challenges the Planning Commission's actions on any of the following items, they may be limited to raising only those issues they or someone else raised at the public hearing described in this agenda or in written correspondence delivered to the Secretary of the Planning Commission.

The Vallejo Room in the JFK Library is ADA compliant. Devices for the hearing impaired are available from the City Clerk. Requests for disability related modifications or accommodations, aids or services may be made by a person with a disability to the City Clerk's office no less than 72 hours prior to the meeting as required by Section 202 of the Americans with Disabilities Act of 1990 and the federal rules and regulations adopted in implementation thereof.

11. PUBLIC HEARING

A. Project Title: Mid-Year Supplementation of FY19-20 Capital Improvement Program (CIP)
Applicant: City of Vallejo
Location: City-wide
Project Description: The Water Department seeks to supplement the 2019/2020 – 2023/2024 Capital Improvement Program (CIP) by adding three (3) projects during the City's Mid-Year Budget Amendment Process. The CIP represents the City's five-year planning document for major infrastructure and facility needs. The Water Department has identified three operationally-critical projects to be completed during FY19/20:

Jameson Pump #7 VFD Replacement Project, WT7112
Mare Island Booster Pump(s) Installation Project, WT7115
Large Equipment Portable Generator Purchase, WT7113

There is no fiscal impact to the General Fund with finding the project in conformance with the General Plan 2040. There is sufficient funding in the Water Enterprise Fund to cover the cost of the Projects.

Proposed Environmental
Determination:

The afore-mentioned projects are exempt from the California Environmental Quality Act (CEQA) under the general rule (Section 15061.b.3) that CEQA applies only to projects that have the potential for causing a significant effect on the environment. The Mid-Year Supplementation of the CIP does not have a direct impact on the environment.

Staff Recommendation:

Adopt a resolution recommending City Council adoption of the proposed Capital Improvement Program (CIP).

Project Manager:
