INTERSTATE 80 SIX BRIDGES
PROJECT IN VALLEJO

INTERSTATE 80 SIX BRIDGES PROJECT IN VALLEJO PUBLIC INFORMATIONAL MEETING

Starts Wednesday, July 29, 2020 at 4:30 PM

Caltrans has scheduled to begin work on increasing the vertical clearance on six bridges that cross over Interstate 80 (I-80) in the City of Vallejo just north of the Carquinez Bridge.

The bridges are on I-80 in this order going north: Magazine Street, Benicia Road, Georgia Street, Springs Road, Tennessee Street and Redwood Street.

The six bridges do not meet the current vertical clearance design standard of 16 feet 6 inches.

Caltrans will increase the vertical clearance at each bridge one at a time, starting with Springs Road. The work will take about four months per bridge.

A complete 4-month closure of Springs Road at I-80 is anticipated to start sometime in late Fall 2020.

YOUR ARE INVITED TO ATTEND THE ON-LINE PUBLIC MEEETING VIA ZOOM.

ALL ARE WELCOME.
Public Meeting:
July 29, 2020/STARTS AT 4:30 VIA ZOOM
