City of VALLEJO California

PROCLAMATION

DECLARING THE WEEK OF JUNE 19, 2022, AS "JUNETEENTH WEEK" IN THE CITY OF VALLEJO

WHEREAS, Juneteenth is the oldest known celebration commemorating freedom from slavery in the United States; and

WHEREAS, on June 19, 1865, more than two years after President Lincoln signed the Emancipation Proclamation, word finally reached Galveston, Texas that slaves were free; and

WHEREAS, on June 18, 2021, President Joe Biden proclaimed Juneteenth as the 12th federal holiday to be observed on June 19th; and

WHEREAS, President Biden called upon Americans to recommit together to the work of equity, equality, and justice; and commit together to eradicate systemic racism that still undermines our founding ideals and collective prosperity; and

WHEREAS, Juneteenth is an observance celebrated with traditions handed down through many generations, including family gatherings and picnics, music, stories told by elders and local historians, speeches, and recognition of prominent individuals who have made significant achievements and contributions to the community; and

WHEREAS, it is a time for reflection and rejoicing, a time for assessment, self-improvement and for planning the future; and

WHEREAS, residents are encouraged to join together in celebration of freedom, family and community by embodying a spirit of peace, respect, and brotherly love, and to honor and salute our City's rich cultural legacy and diversity.

NOW, THEREFORE, BE IT PROCLAIMED, that I, Robert H. McConnell, Mayor of the City of Vallejo, and the Vallejo City Council, declare the week of June 19, 2022, as ***Juneteenth Week*** in the City of Vallejo and urge all residents to commit to rededicating ourselves to the ongoing work of guaranteeing liberty and equal rights to all Americans.

PROCLAMATION

RECOGNIZING LESBIAN, GAY, BISEXUAL TRANSGENDER, QUEER PRIDE MONTH JUNE 2022

WHEREAS, fifty-two years ago, in June 1969, a riot at a Manhattan gay bar, the Stonewall Inn, in retaliation to a police raid, precipitated the modern fight for Lesbian, Gay, Bisexual, Transgender, Queer (LGBTQ) rights, and

WHEREAS, because of acts of courage from those who demanded justice and from those who quietly pushed for progress, our Nation has made great strides in recognizing what these brave individuals long knew to be true in their hearts – that love is love and that no person should be judged by anything but the content of their character, and

WHEREAS, the 2015 landmark Supreme Court decision was a historic victory for LGBT Americans, guaranteeing marriage equality in all 50 States, ensuring dignity for same-sex couples and therefore all couples, and for every partnership that was not previously recognized under the law and for every American who was denied their basic civil rights, this monumental ruling instilled newfound hope, affirming the belief that we are all freer when we are all treated as equals, and

WHEREAS, despite this extraordinary progress, LGBTQ Americans still face discrimination simply for being who they are, and there remains much work to do to extend the promise of our country to every American, and

WHEREAS, in memory of the 49 victims of the 2016 Pulse Nightclub massacre in Orlando, Transgender individuals murdered for who they are, and a history of violence against our community, it is ever more important that we continue to push for equality, protections and acceptance of LGBTQ people everywhere, and

WHEREAS, in 2022, the LGBTQ community has seen a rise in the attempts to remove the parental rights of transgender youth to provide physical and mental care as they see fit, to remove the rights for these youth to participate in life as the youth identify, and to remove the possibility that youth have the right to flourish and be their true selves, and

WHEREAS, 2022 marks the 24th year that the Solano County LGBTQ Community has come together to show pride in Solano County through service and support of the LGBTQ community, in the organizations known as Solano Pride Center, and Vallejo Gay Network, and

WHEREAS, during Lesbian, Gay, Bisexual, Transgender, Queer Pride Month, as we wave our pride flags high and march boldly forward, let us celebrate how far we have come and reaffirm our firm belief in the equal dignity of all Americans, and

WHEREAS, the City of Vallejo proudly stands with the LGBTQ community and with all communities who struggle for basic human rights, for acceptance, visibility, safety, acknowledgement, and equitability, in the quest for full equality under the law.

NOW, THEREFORE, BE IT PROCLAIMED, that I, Robert H. McConnell, Mayor of the City of Vallejo, and the Vallejo City Council do hereby recognize the month of June 2022 as Lesbian, Gay, Bisexual, Transgender and Queer Pride Month.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF VALLEJO ADDING CHAPTER 7.72 TO THE VALLEJO MUNICIPAL CODE PROHIBITING THE UNLAWFUL POSSESSION OF CATALYTIC CONVERTERS IN THE CITY

WHEREAS, the citizens of Vallejo have been plagued with hundreds of catalytic converter thefts from automobiles over the past several years; and

WHEREAS, catalytic converter thefts are the number one property crime in Vallejo in terms of increase over last year, including a 426% increase from 2020 to 2021, bringing the total to over 687 reported incidents of theft since the beginning of 2020; and

WHEREAS, there is currently no City, State, or Federal legislation applicable within the City of Vallejo to define and punish catalytic converter thefts absent an identifiable victim; and

WHEREAS, there is currently no City, State, or Federal legislation applicable within the City of Vallejo requiring individuals to provide proof to law enforcement as to how they obtained catalytic converters, thus limiting law enforcement's ability to protect the public by preventing catalytic converter thefts and preventing law enforcement from seizing suspected stolen catalytic converters when no victim is present; and

WHEREAS, catalytic converter thefts are on the rise because individuals are incentivized to commit catalytic converter thefts for multiple reasons including, but not limited to: (1) the ease and undetectable nature of committing the thefts in a matter of seconds using common tools such as a reciprocating saw, (2) the ability to recycle catalytic converters at scrap metal yards for high dollar returns ranging from $200 to $1,200 per catalytic converter, and (3) loopholes in legislation protecting criminals from prosecution unless a victim can be identified; and

WHEREAS, finding a victim of these crimes is nearly impossible due to the undetectable nature of the catalytic converter thefts and catalytic converters being untraceable to link back to a victim (no identifying markers on the catalytic converters); and

WHEREAS, due to lack of legislation defining and prosecuting these thefts, 99% of all catalytic converter theft cases in the City of Vallejo have gone unsolved, which is fundamentally unacceptable for the citizens of the City of Vallejo; and

WHEREAS, the citizens of Vallejo and the Vallejo Police Department are in need of legislation for multiple reasons including, but not limited to: (1) deterring criminals by establishing zero-tolerance for catalytic converter thefts, (2) punishing the possession of stolen catalytic converters, (3) preventing criminals from profiting from the sale and recycling of stolen catalytic converters, (4) providing justice to the victims of catalytic converters whose cases would otherwise go unsolved, (5) reducing Part I crime statistics which have been substantially negatively impacted by catalytic converter thefts, and (6) minimizing the fiscal and personnel impact on the City of Vallejo invested in deterring and investigating catalytic converter thefts; and

WHEREAS, individuals who are in possession of stolen catalytic converters recycle them for substantial profit while victims of these thefts suffer tremendous consequences of paying thousands of dollars in repairs, the inconvenience of repairing their vehicles, and feeling unsafe in the community; and

WHEREAS, this Ordinance is necessary to provide the City of Vallejo Police Department clearly established legal authority to protect the public and deter this criminal activity.

NOW THEREFORE THE COUNCIL OF THE CITY OF VALLEJO DOES ORDAIN AS FOLLOWS:

SECTION 1. A new Chapter 7.72 is hereby enacted to read as follows:

Chapter 7.72
PROHIBITING THE UNLAWFUL POSSESSION OF USED CATALYTIC CONVERTERS

Section 7.72.010 Unlawful Possession of a Used Catalytic Converter.

A. It shall be unlawful to possess any used catalytic converter that is not attached to a vehicle unless the possessor has valid documentation or other proof to verify, they are in lawful possession of the catalytic converter.

B. A used catalytic converter is any catalytic converter that has at any point been installed in a vehicle.

C. For purposes of this section, a lawful possession includes being the lawful owner of the catalytic converter or in possession of the catalytic converter with the lawful owner's written consent. It is not required to prove the catalytic converter was stolen to establish the possession is not a lawful possession.

D. For purposes of this section, documentation or other proof means (i) a certificate of title or certificate of registration showing the possessor's legal interest in the vehicle from which the catalytic converter was detached that matches the vehicle identification number permanently marked on the catalytic converter; (ii) written authorization,

including the vehicle identification number, from the person or entity that holds the certificate of title or certificate of registration of the vehicle from which the catalytic converter was detached; or (iii) evidence the catalytic converter was acquired in a lawful transaction pursuant to the requirements of Section 21610 of the Business and Professions Code.

Section 7.72.020 Violations; Penalty.

A. Each and every violation of this section shall constitute a separate violation and shall be subject to all remedies and enforcement measures authorized by the Vallejo Municipal Code. Each and every catalytic converter unlawfully possessed is a separate violation of this section.

B. Violations of any provisions of this chapter shall constitute a misdemeanor.

SECTION 2. Severability.

If any section, subsection, sentence, clause, phrase or word of this Ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have passed and adopted this Ordinance, and each and all provisions hereof, irrespective of the fact one or more provisions may be declared invalid.

SECTION 3. Effective Date.

This Ordinance shall take effect and be in full force and effect from and after thirty (30) days after its final passage.

PASSED and ADOPTED by the City Council of the City of Vallejo at a regular meeting held on the 25th day of April 2022.

CONSENT CALENDAR 8.D.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Dawn G. Abrahamson, City Clerk
SUBJECT: **ADOPT A RESOLUTION CALLING FOR THE NOVEMBER 2022 GENERAL MUNICIPAL ELECTION AND CONSOLIDATING SAME AND ADOPT A RESOLUTION ADOPTING REGULATIONS FOR CANDIDATE STATEMENTS**

RECOMMENDATION

Adopt two resolutions:

1. A resolution calling for a General Municipal Election for purposes of electing municipal officers and requesting consolidation of the election, and
2. A resolution establishing regulations for the filing of candidate statement of qualifications.

REASONS FOR RECOMMENDATION

In order for the City Council to call for the general municipal election on November 8, 2022 they must adopt a resolution (Attachment 1) requesting that the General Municipal Election be conducted and requesting the Solano County Board of Supervisors to consolidate the election to be held on the same date, and requesting that the Solano County Registrar of Voters provide election services.

The second resolution (Attachment 2) establishes regulations for candidates for elective office pertaining to candidate statements to be submitted to the voters, including the cost of candidate statements.

BACKGROUND AND DISCUSSION

Pursuant to Charter section 1000, the City's General Municipal Election is to be held on the first Tuesday after the first Monday in November of each even-numbered year. On November 8, 2022 the City will be conducting its second district-based election. On July 23, 2019 the City Council adopted Ordinance No. 1817 N.C. (2d), an ordinance providing for the election of six members of the City Council by Districts and the election of the Mayor city-wide, establishing the boundaries and identification number of each district, establishing the election order of each district (Map 616, sequence option 1) (Attachment 3). Elections Code section 21620 et. seq. requires the City Council to adjust the boundaries of each City Council district following each decennial federal census. Following the completion of the federal census in 2020, the City Council completed the redistricting process and adopted Ordinance No. 1862 N.C. (2d), adopting a new district map (Draft Map B). Electors will be three members to the City Council, one each from Districts 2, 4 and 5. The councilmembers representative of each of the three districts will all be elected for a term of four years . The City Charter and the California Elections Code require that the City adopt a Resolution at each election requesting that the General Municipal Election be conducted, requesting the Solano County Board of Supervisors to consolidate the election to be held on the same date, and requesting that the Solano County Registrar of Voters provide elections services.

In addition, Vallejo Municipal Code section 2.56.060 states that each candidate submitting a candidate statement shall pay the cost of printing, handling, translating and mailing the candidate statement as set forth by a resolution of the City Council, and that the Council has the discretion to charge all, none, or only a portion of the cost. Staff is recommending that the City Council adopt a Resolution requiring the candidates to pay the full cost of the candidate statement and that the word limit be set at 200 words for the candidate's education and qualifications as expressed by the candidate himself or herself.

FISCAL IMPACT

The estimated $ 250,000 cost of services provided by the Solano County Registrar of Voters for the City's General Municipal Election has been included in the Fiscal Year 2022-23 Budget.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

ORDINANCE NO. 1817 N.C. (2d)

ADDING CHAPTER 2.01 TO THE VALLEJO MUNICIPAL CODE PROVIDING FOR THE ELECTION OF SIX MEMBERS OF THE CITY COUNCIL BY DISTRICTS AND THE ELECTION OF THE MAYOR CITY-WIDE, ESTABLISHING THE BOUNDARIES AND IDENTIFICATION NUMBER OF EACH DISTRICT, AND ESTABLISHING THE ELECTION ORDER OF EACH DISTRICT [MAP 616 – Sequence Option 1]

WHEREAS, the City of Vallejo ("City") is a charter city, duly organized under the Constitution and the laws of the State of California; and

WHEREAS, pursuant to the City Charter, the City Council is comprised of seven elective officers, the Mayor and six Councilmembers, (Charter section 300), who are all currently elected in at-large elections, in which each City Councilmember is elected by a vote of all registered voters of the entire City, with the Mayor being separately elected by all registered voters of the entire City; and

WHEREAS, on September 17, 2018, the City received a notice of violation letter from attorney Kevin Shenkman on behalf of the Southwest Voter Registration Education Project, asserting that the City's at-large councilmember election system violated the California Voting Rights Act ("CVRA") and threatening litigation if the City declines to voluntarily change to a district-based election system for electing councilmembers; and

WHEREAS, the City denies that its at-large electoral system violates the CVRA or any other provision of law and asserts the City's election system is legal in all respects and further denies any wrongdoing whatsoever in connection with the manner in which it has conducted its City Council elections; and

WHEREAS, despite the forgoing, the City Council has determined that the purposes of the CVRA and the public interest would be best served by transitioning to a district-based election system and avoiding the risks and costs associated with defending against a CVRA lawsuit; and

WHEREAS, on October 23, 2018, the City Council adopted a Resolution of Intent to transition to district-based elections in response to the demand letter issued by attorney Kevin Shenkman; and

WHEREAS, the Elections Code requires that the transition be completed within ninety (90) days of the adoption of the Resolution of Intent; and

WHEREAS, the City received an extension from attorney Kevin Shenkman to adopt an ordinance transitioning to district-based elections no later than July 31, 2019; and

WHEREAS, the City has retained an experienced demographer to assist the City with transitioning to a district-based electoral system; and

WHEREAS, under the provisions of the Elections Code section 10010, a political subdivision that changes from an at-large method of election to a by-district method of election shall hold at least two public hearings over a period of no more than thirty (30) days, at which the public is invited to provide input regarding the composition of the districts; and

WHEREAS, pursuant to the requirements of Elections Code section 10010, the City Council held public hearings on November 27 and December 19, 2018, prior to drawing draft maps of the proposed district boundaries to receive input from the public regarding the composition of the districts; and

WHEREAS, despite not being required under the Elections Code, the City also held community meetings on November 8, 2018, and January 5, 2019, and a Map-Drawing Workshop on April 8, 2019, to receive additional public input regarding the districting process, answer the public's questions regarding the transition to district elections, and give technical assistance to those residents who are submitting maps; and

WHEREAS, the City, with the assistance of its demographer, provided resources to the public for drawing and submitting proposed maps; and

WHEREAS, under the provisions of Elections Code section 10010, a political subdivision shall hold at least two additional hearings over a period of no more than 45 days, after draft maps are drawn, at which the public is invited to provide input regarding the content of the draft maps and the proposed sequence of elections; and

WHEREAS, pursuant to the requirements of Elections Code section 10010, after the maps were drawn, the City Council held public hearings regarding the proposed draft maps on May 14, 2019 and June 18, 2019 to receive public input regarding the draft maps and sequencing of elections; and

WHEREAS, on July 9, 2019, the City Council selected one of the proposed district maps establishing the district boundaries and identification number of each electoral district, which is attached hereto as **Exhibit "A"**; and

WHEREAS, pursuant to Government Code section 34886 and Elections Code section 10010, the City Council votes to approve the change to a district-based election system for the members of the City Council whereby six members of the City Council shall be elected by the voters of six City Council districts and the Mayor shall be elected city-wide; and

WHEREAS, pursuant to Government Code section 34886, it is declared the change in the method of electing members of the City Council of the City of Vallejo made by this Ordinance is made solely in furtherance of the purposes of the California Voting Rights Act of 2001; and

WHEREAS, nothing in this ordinance is meant to contradict or repeal any section of Article III of the City of Vallejo Charter.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VALLEJO DOES HEREBY FIND AND ORDAIN AS FOLLOWS:

SECTION 1. CEQA. The City Council finds that the proposed amendments to the Vallejo Municipal Code are exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Title 14 of the California Code of Regulations, section 15061(b)(3) because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

SECTION 2. Title 2 of the City's Municipal Code is hereby amended by adding Chapter 2.01 titled "City Council District Elections" to read as follows:

Chapter 2.01
CITY COUNCIL DISTRICT ELECTIONS

Sections:

2.01.010 By-District Electoral System
2.01.020 Vacancies, Filling of
2.01.030 City Council District Boundaries
2.01.040 Election of Six Councilmembers of the City Council By-District
2.01.050 Commencement of District Elections
2.01.060 Adjustment of Boundaries
2.01.070 Vacancies

2.01.010 By-District Electoral System.

A. Pursuant to California Government Code sections 34886 and 34871(c), councilmembers shall be elected by districts in six (6) single-member districts.
B. Except as provided in subsections (D) and (E) hereof, the councilmember elected to represent a district must live in that district and be a registered voter in that district, and any candidate for councilmember must live in, and be a registered voter in the district in which he or she seeks election at the time nomination papers are issued pursuant to California Government Code section 34882 and Elections Code section 10227.
C. The mayor shall be the only elective member elected by means of a city-wide election of eligible voters residing in Vallejo.
D. Any elective member in office at the time this ordinance takes effect shall continue in office until the expiration of the full term to which he or she was elected or appointed and until his or her successor is qualified. If vacancies in elective member offices elected at-large occur before expiration of the full term thereof, such vacancies may be filled according to law from the city at-large.
E. Upon expiration of the full term of each councilmember elected at-large, that councilmember's successor shall be elected on a by-district basis in the districts established in section 2.01.030 and as provided in section 2.01.040.

2.01.020 Vacancies, Filling of.

Any vacancy in an elective office shall be filled in accordance with section 303 of the Charter. If the previous incumbent was elected at large, section 303 of the Charter governs. If the previous incumbent was elected by-district, the council shall appoint a qualified person in accordance with section 303 of the Charter but in addition to all applicable requirements, that appointed person must reside in the district seat which is vacant.

2.01.030 City Council District Boundaries.

Six city council districts are hereby established in the City of Vallejo. The boundaries and identifying number of each district shall be as described on the Council District Map attached hereto as Exhibit "A" and incorporated herein by this reference.

2.01.040 Election of Six Councilmembers of the City Council By-District.

A. Following the effective date of the ordinance codified in this chapter and upon the commencement of "by-district" elections in the order established in section 2.01.050 of this chapter, councilmembers shall be elected "by-district" as defined in California Government Code section 34871 or any successor statute. A person shall not be eligible to be elected to be a councilmember unless he or she is otherwise qualified as required by Charter section 301 and any other applicable law, and both resides in the geographical area making up the district from which he or she is nominated to be elected and is a registered voter of the City of Vallejo at the time nomination papers are issued to the candidate as provided for in section 10227 of the California Elections Code. No term of any councilmember that commences on or prior to the effective date of the ordinance codified in this chapter shall be affected prior to its expiration date.
B. Registered voters signing nomination papers or voting for a councilmember shall be residents of the geographical area making up the district from which the councilmember is to be elected.

2.01.050 Commencement of District Elections.

A. This chapter shall not affect any term of any elective office in existence or commencing on or before the effective date of the ordinance codified in this chapter.
B. Except in the case of a vacancy as set forth in section 303 of the Charter of the City of Vallejo, commencing with the general municipal election in November 2020 and in each fourth year thereafter, the voters in Districts 1, 3, and 6 shall elect Councilmembers by district, and the mayor shall be elected at large for full four-year terms. Except in the case of a vacancy as set forth in section 303 of the Charter of the City of Vallejo, commencing with the general municipal election in 2022 and each fourth year thereafter, the voters in Districts 2, 4, and 5 shall elect members of the city council by district for full four-year terms.

2.01.060 Adjustment of Boundaries.

A. Pursuant to Elections Code sections 21620, *et seq.*, as it may be amended, the city council shall adjust the boundaries of any or all of the districts following each decennial federal census. Using the census as a basis, the city council shall adjust the boundaries so that the districts shall be as nearly equal in population as practicable and in compliance with all applicable provisions of law. Prior to the public hearing approving the adjustment of the district boundaries, the city council shall hold a public hearing on the proposed district boundaries as required by Elections Code section 21621, as it may be amended.
B. At the time of any annexation of territory to the city, the city council shall designate, by resolution adopted by a vote of at least a majority of the city council, the contiguous district to which the annexed territory shall be a part and shall amend the district boundaries if necessary.
C. The term of office and district seat of any councilmember who has been elected and whose term of office has not expired shall not be affected by any subsequent adjustment in the boundaries of the district from which he or she was elected.
D. At the first election for council following any adjustment of the boundaries of the districts, a person meeting the requirements of Government Code section 34882 shall be elected to the city council for each district under the readjusted district plan that has the same district number as a district whose incumbent's term on the council is due to expire.

2.01.070 Vacancies.

For purposes of section 303 of the Charter of the City of Vallejo, a person is qualified to serve on the city council if he or she is otherwise qualified by law and resides in the geographical area making up the district from which he or she is appointed.

SECTION 3. Severability.

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance or Chapter 2.01 is for any reason held to be invalid or unenforceable by a court of competent jurisdiction, the remaining portions of this Ordinance shall nonetheless remain in full force and effect. The City Council of the City of Vallejo hereby declares that it would have adopted each section, subsection, sentence, clause, phrase, or portion of this Ordinance, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions of this Ordinance be declared invalid or unenforceable.

SECTION 4. Effective Date.

The Mayor shall sign and the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause the same, or the summary thereof, to be published and posted pursuant to the provisions of law and this Ordinance shall take effect thirty (30) days after passage.

First read at a regular meeting of the Council of the City of Vallejo held on the 9th day of July 2019 and finally adopted at a regular meeting of the Council of the City of Vallejo on the 23rd day of July 2019 by the following vote:

ORDINANCE NO. 1862 N.C. (2d)

A REVISED ORDINANCE OF THE CITY COUNCIL OF THE CITY OF VALLEJO AMENDING SECTION 2.01.030 TO THE VALLEJO MUNICIPAL CODE AND AMENDING THE BOUNDARIES OF THE SIX EXISTING CITY COUNCIL DISTRICTS

WHEREAS, the City of Vallejo ("City") is a charter city, duly organized under the Constitution and the laws of the State of California; and

WHEREAS, in July 2019, the City Council adopted Ordinance 1817 N.C.(2d) establishing the election of City Council Members by district and the election of the mayor at large; and

WHEREAS, Ordinance 1817 N.C.(2d) added section 2.01.030 of the Vallejo Municipal Code establishing the boundaries of six City Council districts; and

WHEREAS, Elections Code section 21620 et seq. requires the City Council to adjust the boundaries of each City Council district following each decennial federal census; and

WHEREAS, the decennial federal census was completed in 2020; and

WHEREAS, in compliance with Elections Code 21627.1, the City has held four public hearings throughout the City and received public input concerning the adjustment of the City Council district boundaries. Said hearings were held on June 22, 2021; July 27, 2021; January 11 2022 and February 8, 2022; and

WHEREAS, in compliance with Elections Code section 21628, the City provided language translations services at each of the public hearings as well as interpretation of qualifying materials in English, Spanish and Filipino; and

WHEREAS, pursuant to Elections Code section 21628(c) and 21628(g)(3) for each of the public hearings the City published dates, times and locations five days in advance of each hearing on the City's Redistricting internet page. In addition, for the hearing conducted on January 24, 2022, the City in addition to publishing on the City's website, the City also published the notice of the hearing in the Vallejo Times Herald. The hearing notices were published in English, Spanish and Filipino; and

WHEREAS, in compliance with Elections Code section 21628(d)(1), the City published the draft maps at least seven days before the hearing held before the City Council on February 8, 2022; and

WHEREAS, on February 8, 2022, the City Council held a public hearing and introduced an ordinance on the advice of the City's demographer, mistakenly adopting Map A; and

WHEREAS, the purpose of adopting Map A was to limit the number of voters temporarily disenfranchised as part of the redistricting process; and

WHEREAS, the adoption of Map B would have limited the number of temporarily disenfranchised voters rather than Map A; and

DocuSign Envelope ID: 6E735151-E667-42FE-B4FA-87247EA57C95

WHEREAS, prior to the public hearing to be held on March 8, 2022, a citizen introduced a proposed draft map to the City referred to as Public Map 101; and

WHEREAS, in compliance with Elections Code section 21628(d)(1), the City published the draft maps at least seven days before the hearing held by the City Council on March 8, 2022; and

WHEREAS, the City Council has considered the three maps before it.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VALLEJO DOES HEREBY FIND AND ORDAIN AS FOLLOWS:

SECTION 1. CEQA. The City Council finds that the proposed amendments to the Vallejo Municipal Code are exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Title 14 of the California Code of Regulations, section 15061(b)(3) because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment given that the redistricting process involves no physical changes to the environment.

SECTION 2. Elections Code Compliance. The above recitals are hereby incorporated into this resolution. The City Council finds that the City has fully complied with the requirements of the California Elections Code as set forth in the recitals above.

SECTION 3. The City Council does hereby rescind its introduction of an Ordinance of the City Council of the City of Vallejo Amending Section 2.01.030 to the Vallejo Municipal Code and Amending the Boundaries of the Six Existing City Council Districts which was introduced at a meeting of the City Council held on February 8, 2022.

SECTION 4. Section 2.01.030 "City Council District Boundaries" of the Vallejo Municipal Code is hereby amended to read as follows:

2.01.030 City Council District Boundaries.

Six city council districts are hereby established in the City of Vallejo. The boundaries and identifying number of each district shall be as described on the Council District Map adopted by the City Council by ordinance on March 8, 2022 attached hereto as Exhibit "A" and incorporated herein by this reference.

SECTION 5. Validity of Chapter 2.01

This ordinance shall amend only section 2.01.030 of Chapter 2.01 of the Vallejo Municipal Code. It shall not affect the remaining provisions of Chapter 2.01 which remain in effect unless specifically repealed or amended by the City Council.

DocuSign Envelope ID: 6E735151-E667-42FE-B4FA-87247EA57C95

SECTION 6. Severability.

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held to be invalid or unenforceable by a court of competent jurisdiction, the remaining portions of this Ordinance shall nonetheless remain in full force and effect. The City Council of the City of Vallejo hereby declares that it would have adopted each section, subsection, sentence, clause, phrase, or portion of this Ordinance, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions of this Ordinance be declared invalid or unenforceable.

SECTION 7. Effective Date.

The Mayor shall sign and the City Clerk shall certify to the passage and adoption of this Ordinance and shall cause the same, or the summary thereof, to be published and posted pursuant to the provisions of law and this Ordinance shall take effect thirty (30) days after passage.

First read at a regular meeting of the Council of the City of Vallejo held on the 8th day of February, 2022 and finally adopted at a regular meeting of the Council of the City of Vallejo on the 22th day of February, 2022 by the following vote:

RESOLUTION NO. 22-___ N.C.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VALLEJO ADOPTING REGULATIONS FOR CANDIDATES FOR ELECTIVE OFFICE PERTAINING TO CANDIDATE STATEMENTS SUBMITTED TO THE VOTERS AT THE ELECTION TO BE HELD ON NOVEMBER 8, 2022

WHEREAS, California Elections Code section 13307 provides that the governing body of any local agency shall adopt regulations pertaining to materials prepared by any candidate for a municipal election, including the costs of the candidate statement; and

WHEREAS, the Solano County Board of Supervisors has estimated the costs associated with the printing, handling, mailing and translation of candidate statements.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Vallejo declares, determines and orders as follows:

1. GENERAL PROVISIONS. Pursuant to California Election Code section 13307, each candidate for elective office to be voted for at an election to be held in the City of Vallejo on November 8, 2022 may prepare a candidate statement on an appropriate form provided by the City Clerk. The statement may include the name, age and occupation of the candidate and a brief description, of no more than 200 words, of the candidate's education and qualifications expressed by the candidate himself or herself. The statement shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. The statement shall be submitted in a format pursuant to the guidelines established by the Registrar of Voters for Solano County. The statement shall be filed in the office of the City Clerk at the time the candidates' nomination papers are filed. The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period.

2. SPANISH AND TAGALOG LANGUAGE TRANSLATION. The City Clerk shall have translated, at the candidate's expense, the candidate statements of those candidates who request translation into Spanish and Tagalog and shall print the translation in the voter's pamphlet at the candidate's expense. The translation shall be provided by a person from the list of approved Spanish and Tagalog language translators and interpreters of the superior court of the county or from an institution accredited by the Western Association of Schools and Colleges.

3. MISCELLANEOUS. The City Clerk shall comply with all recommendations and standards set forth by the California Secretary of State regarding occupational designations and other matters related to elections.

4. ADDITIONAL MATERIALS. No candidate shall be permitted to include additional

materials in the sample ballot package.

5. PAYMENT.

   a. The candidate at the time of filing his or her candidate statement is required to pay the estimated cost of printing, handling, and mailing of the candidate statement of qualifications in English in the amount as follows:
      - District 2 councilmember candidates - $206.42
      - District 4 councilmember candidates - $206.57
      - District 5 councilmember candidates - $206.42

   b. The candidate at the time of filing his or her candidate statement is required to pay the estimated cost of printing, handling, translating and mailing the candidate statement in Spanish and Tagalog in the amount as follows:
      - District 2 councilmember candidates - $256.42
      - District 4 councilmember candidates - $256.57
      - District 5 councilmember candidates - $256.42

   c. The above estimated payments are just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the City Clerk is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expenses or refund any excess paid depending on the final actual cost. In the event of underpayment, the City Clerk may require the candidate to pay the balance of the cost incurred. In the event of an overpayment, the City Clerk shall prorate the excess amount among the candidates and refund the excess amount paid within thirty days of the election.

6. INDIGENT CANDIDATE. Any candidates unable to pay in advance the requisite fee for submitting a candidate statement in English shall file a Statement of Financial Worth with the City Clerk pursuant to California Elections Code section 13309.

7. PROVISION OF COPY OF RESOLUTION. The City Clerk is directed to provide each candidate or the candidate's representative a copy of this Resolution.

8. PREVIOUS RESOLUTIONS. All previous resolutions establishing City Council policy on payment for candidate statements are repealed.

9. APPLICABILITY. This Resolution shall apply only to the election to be held on November 8, 2021 and shall then be without further effect.

Adopted by the City Council of the City of Vallejo at a regular meeting held on June 14, 20202 with the following vote:

RESOLUTION NO. 22-___ N.C.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VALLEJO CALLING AND PROVIDING FOR A GENERAL MUNICIPAL ELECTION TO BE HELD IN THE CITY OF VALLEJO, TUESDAY, NOVEMBER 8, 2022 FOR THE PURPOSE OF ELECTING MUNICIPAL OFFICERS, AND REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF SOLANO TO CONSOLIDATE A GENERAL MUNICIPAL ELECTION WITH THE VALLEJO CITY UNIFIED SCHOOL DISTRICT ELECTION AND ANY OTHER ELECTION WITHIN THE TERRITORIAL LIMITS OF THE CITY

WHEREAS, City of Vallejo Charter section 1000 requires that a general municipal election be held in said City on the first Tuesday after the first Monday in November of each even-numbered year; and

WHEREAS, the first Tuesday after the first Monday in November in the year 2022 falls on November 8; and

WHEREAS, it is advisable and necessary to make provisions for the conduct and holding of said election; and

WHEREAS, it is desirable that the November 8, 2022 General Municipal Election be consolidated with the election to be held by the Vallejo City Unified School District on the same date and that within the City the precincts, polling places and elections officers of the two elections be the same, and that the Solano County Registrar of Voters canvass the returns of the general municipal election and the election be held in all respects as if there were only one election; and

WHEREAS, in the course of conduct of the election it is necessary for the City to request services of the Solano County Registrar of Voters; and

WHEREAS, all necessary expenses in performing this services shall be paid by the City of Vallejo.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VALLEJO DOES RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1 A general municipal election is hereby called and ordered to be held in the City of Vallejo on Tuesday, November 8, 2022 for the object and purpose of electing the following municipal officers for the City of Vallejo:

One council member seat, District 2, term ending January 5, 2027
One council member seat, District 4, term ending January 5, 2027
One council member seat, District 5, term ending January 5, 2027

SECTION 2 The ballots to be used at the election shall be in form and content as required by law and substantially in the following form:

CITY OF VALLEJO MUNICIPAL OFFICES – DISTRICT 2	
FOR COUNCILMEMBER, DISTRICT 2	**VOTE FOR ONE**

CITY OF VALLEJO MUNICIPAL OFFICES – DISTRICT 4	
FOR COUNCILMEMBER, DISTRICT 4	**VOTE FOR ONE**

CITY OF VALLEJO MUNICIPAL OFFICES – DISTRICT 5	
FOR COUNCILMEMBER, DISTRICT 5	**VOTE FOR ONE**

SECTION 3 The one candidate for councilmember from Districts 2, 4 and 5 receiving the highest number of votes and elected at said general municipal election shall serve for the regular four-year term pursuant to City Charter section 302 and pursuant to Chapter 2.01 of the Vallejo Municipal Code adopted by the City Council on July 23, 2019.

SECTION 4 The City Clerk is authorized, instructed and directed to procure and furnish any and all official ballots, notices, printed matter and all supplies, equipment and paraphernalia that may be necessary in order to properly and lawfully conduct the election.

SECTION 5 That pursuant to the requirements of Election Code section 10403, the Board of Supervisors of the County of Solano is hereby requested to consent and agree to the consolidation of said general municipal election with the Vallejo City Unified School District election to be held on November 8, 2022 for the purpose of the election of one councilmember from Districts 2, 4 and 5.

SECTION 6 The Board of Supervisors of Solano County is requested to issue instructions to the Solano County Registrar of Voters to take any and all steps necessary for the holding of the consolidated election.

SECTION 7 That the City of Vallejo recognizes that additional costs will be incurred by Solano County by reason of this consolidation and agrees to reimburse Solano County its pro-rata share for the costs of this consolidation.

SECTION 8 The Solano County Registrar of Voters is hereby authorized to canvass the results of said general municipal election with respect to the votes cast for the candidates for municipal office in the City of Vallejo. The election shall be held in all respects as if there were only one election, and only one form of ballot shall be used.

SECTION 9 After the canvass of the return of said general municipal election by the Registrar of Voters of Solano County, the City Council shall certify the results thereof, and shall cause to be spread upon its minutes a statement of the results of said general municipal election as ascertained by said canvass.

SECTION 10 The notice of the time and place of holding the election is given and the City Clerk is authorized, instructed and directed to give further or additional notice of the election, in time, form and manner as required by law.

SECTION 11 The City Clerk is hereby directed to publish a list of the names of the nominees, in the order in which they appear on the ballot, and the respective offices for which they have been nominated, said list to be published once a week for two successive weeks in the Vallejo Times Herald, a daily newspaper published in the City of Vallejo, and the official newspaper of said City. Said list shall be headed, "Nominees for Public Office," and shall be in substantially the following form:

NOMINEES FOR PUBLIC OFFICE

Notice is hereby given that the following persons have been nominated for the offices hereinafter mentioned to be filled at the General Municipal Election to be held in the City of Vallejo on Tuesday, November 8, 2022.

FOR COUNCILMEMBER, DISTRICT 2
List of Nominees

FOR COUNCILMEMBER, DISTRICT 4
List of Nominees

FOR COUNCILMEMBER, DISTRICT 5
List of Nominees

SECTION 12 That in all particulars not recited in this Resolution, the election shall be held and conducted as provided by law for holding municipal elections.

SECTION 13 The City Clerk is authorized to administer said election and all reasonable and actual election expenses shall be paid by the City upon presentation of a properly submitted bill.

SECTION 14 The City Clerk is hereby directed to file a certified copy of this Resolution with the Solano County Board of Supervisors and the Solano County Registrar of Voters.

CONSENT CALENDAR 8.E.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **ADOPT A RESOLUTION OF SUPPORT FOR THE APPLICATION FOR AND APPROVING RECEIPT OF GRANT FUNDING FOR THE VALLEJO BLUFFS TRAIL PROJECT AND AUTHORIZE THE CITY MANAGER TO EXECUTE THE FUNDING AGREEMENT**

RECOMMENDATION

Adopt a resolution authorizing the application and approving receipt of grant funds from the Association of Bay Area Governments (ABAG) Bay Trail Grant for preparation of Plans, Specification, and Estimate (PS&E) construction documents for the Vallejo Bluff Trail project and authorize the City Manager to execute the funding agreement with ABAG.

REASONS FOR RECOMMENDATION

The City is submitting an application for grant funds totaling $366,250 to ABAG to finance the preparation of PS&E documents for the Vallejo Bluff Trail Project, on the south side of Vallejo (Attachment 2). As part of the application process, the Bay Trail is requesting a resolution of support by Vallejo's City Council. If adopted by City Council, the resolution (Attachment 1) will allow staff to apply for the grant from ABAG, execute a subsequent funding agreement, and approve receipt of the grant funds.

BACKGROUND AND DISCUSSION

The Bay Trail and the Ridge Trail are continuous multi-use trails, along the bay and ridgelines respectively, circling the San Francisco Bay. They provide a well-known recreational amenity and access to open space for residents and visitors throughout the Bay Area, including Vallejo. In some areas, critical gaps in the trail systems remain. One such gap is an almost 2-mile section shared by the Bay Trail and the Ridge Trail, as well as the Great California Delta Trail, on the south side of Vallejo. Referred to as the Vallejo Bluff Trail, it runs from the Vallejo Bluffs, under I-80, to Sonoma Boulevard (see Attachment 2).

The proposed trail alignment resides almost entirely on property owned by the City of Vallejo and the California Department of Transportation (Caltrans). Over the past several years, City Planning and Public Works staff have worked with a consultant team, Bay Trail, Coastal Conservancy, and Ridge Trail staff to complete preliminary engineering and environmental compliance work in order to submit and complete Caltrans' Project Approval and Environment Documentation (PA&ED) phase. This work was funded by grants from the Bay Trail and the California Coastal Conservancy (Conservancy) totaling $250,000, which council authorized on August 23, 2016. On March 3, 2022, staff submitted our Design Engineering and Evaluation Report (DEER) which is the result of the work to date for approval by Caltrans.

In partnership with the Conservancy, the Association of Bay Area Governments (ABAG) is offering grants to cities and other jurisdictions for the planning and design of the trail system. Staff has been in conversation with these entities about funding the next phase of work for the Vallejo Bluff Trail Project. The City is pursuing a $366,250 Bay Trail Grant and Public Works will match this with $33,750 of funds allocated by the City Council to our CIP projects to create the $400,000 budget needed to complete this work.

The City Council is being asked to adopt a resolution to:

1. Approve a grant application to ABAG for funding for the Vallejo Bluff Trail Engineering and, if successful, approve the award of grant funding and entering into agreements with ABAG for said project;

2. Authorize the City Manager or his designee to conduct all negotiations and execute and submit all documents, including but not limited to applications, agreements, amendments, payment requests and other actions as necessary for completion of the project;

3. Agree to amend the City's budget consistent with the grant funding, if selected to receive the grant.

FISCAL IMPACT

There is no fiscal impact associated with this action. The Vallejo Bluff Trail Engineering (PS&E) work will be financed by the Bay Trail Block Grant from ABAG and the City's budget will be amended accordingly, assuming successful award of the grants. The grants will be used to hire consultants to conduct the work. Existing staff from Public Works will manage the project, including consultant services.

ENVIRONMENTAL REVIEW

An Initial Study/Mitigated Negative Declaration (IS/MND) for the Project has been filed with the State clearinghouse and Solano County. The City may need to complete NEPA analysis in the future if federal funding is needed and secured for the future construction of the trail. Staff's engineering consultant scope for the PS&E work includes NEPA analysis as an optional service should it become necessary.

RESOLUTION NO. 22- _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VALLEJO APPROVING A REQUEST TO THE ASSOCIATION OF BAY AREA GOVERNMENTS (ABAG) FOR AN ALLOCATION OF BAY TRAIL GRANT FUNDING FOR THE VALLEJO BLUFF TRAIL PROJECT

WHEREAS, the Legislature of the State of California has established the California State Coastal Conservancy ("Conservancy") under Division 21 of the California Public Resources Code, and has authorized the Conservancy to award grants to public agencies and nonprofit organizations to implement the provisions of Division 21; and

WHEREAS, the Conservancy awards grants for projects that it determines are consistent with Division 21 of the Public Resources Code and the Conservancy's Strategic Plan and that best achieve the Conservancy's statutory objectives, in light of limited funding; and

WHEREAS, in partnership with the Conservancy, the Association of Bay Area Governments (ABAG) is soliciting applications for grant funds for trail planning and construction projects to complete gaps in the Bay Trail Project; and local, state or federal government agencies, special districts and qualified non-profit organizations are eligible to receive grant funds; and

WHEREAS, the Vallejo Bluff Trail Project was previously funded and determined to be feasible, an Initial Study/Mitigated Negative Declaration was completed for the Project and filed with the State Clearinghouse and the County of Solano, and the Project has received approval from Caltrans; and

WHEREAS, the City of Vallejo desires to apply for ABAG Bay Trail Grant funding to deliver 100% Plans, Specifications and Estimate (PS&E) for the Vallejo Bluff Trail Project, and will enter into contracts with ABAG upon successful award of the grant; and

NOW THEREFORE BE IT RESOLVED THAT THE COUNCIL OF THE CITY OF VALLEJO HEREBY declares the City of Vallejo is eligible to request Bay Trail Block Grant funding from ABAG and approves filing a grant application with ABAG for funding of the engineering (100% PS&E package) for the Vallejo Bluff Trail Project; and

BE IT FURTHER RESOLVED that the City of Vallejo attests to the accuracy of and approves the statements in Attachment A to this resolution; and

BE IT FURTHER RESOLVED that the City of Vallejo declares that there is no pending or threatened litigation that might adversely affect the Vallejo Bluff Trail Project, or that might impair the ability of the City of Vallejo to carry out the Project; and

BE IT FURTHER RESOLVED that the City Manager or designee is authorized to negotiate and execute all documents, agreements, amendments, payment requests, and other actions as necessary for completion of the Vallejo Bluff Trail Project, including entering into consultant agreements; and

BE IT FURTHER RESOLVED that the City agrees to amend the City's budget consistent with the grant funding, if selected to receive the grant.

ATTACHMENT A

Findings

1. That the City of Vallejo is not legally impeded from submitting a request for Bay Trail Grant funds, nor is the City of Vallejo legally impeded from undertaking the Project.
2. That the City of Vallejo has committed adequate staffing resources to complete the project.
3. A review of the Project has resulted in the consideration of all pertinent matters, including those related to environmental and right-of-way permits and clearances, attendant to the successful completion of the project.
4. Issues attendant to securing environmental and right-of-way permits and clearances for the Project have been reviewed and will be concluded in a manner and on a schedule that will not jeopardize the deadline for the use of the funds being requested.
5. That the Project complies with the requirements of the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.).
6. Sources of funding other than Bay Trail Grant are assured and adequate for completion of the Project engineering.
7. That the project is for design engineering of a Class I bikeway which is closed to motorized traffic.
8. That the bicycle project is included in an adopted comprehensive bikeway plan (such as outlined in Section 2377 of the California Bikeways Act, Streets and Highways Code section 2370 et seq.).
9. That the Project meets the mandatory minimum safety design criteria published in Chapter 1000 of the California Highway Design Manual or is in a National Association of City and Transportation Officials (NACTO) guidance or similar best practices document.
10. That the project will be completed before the funds expire.
11. That the City of Vallejo agrees to maintain, or provide for the maintenance of, the Project and facilities for the benefit of and use by the public once constructed.
12. The City will give ABAG, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the Grant.
13. The City will cause the work on the project to be commenced within reasonable time after receipt of notification from ABAG that funds have been approved, and the Project will be carried to completion with reasonable diligence.

CONSENT CALENDAR 8.F.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Shawny K. Williams, Chief of Police
SUBJECT: **RECEIVE THE CITY MANAGER'S REQUEST AND PROVIDE NOTICE TO AMEND FISCAL YEAR 2021/2022 BUDGET TO REFLECT ACCEPTANCE OF THE BEHAVIORAL HEALTH JUSTICE INTERVENTION SERVICES (BHJIS) PROJECT GRANT IN THE AMOUNT OF $286,957**

RECOMMENDATION

Receive and file the City Manager's request and provide a notice to amend the Fiscal Year 2021/2022 General Fund to reflect revenues in the amount of $286,957 from the California Department of Health Care Services (DHCS) Behavioral Health Justice Intervention Services (BHJIS) Project and appropriate expenditures in the amount of $286,957.

REASONS FOR RECOMMENDATION

The City of Vallejo Police Department has received a $286,957 Behavioral Health Justice Intervention Services grant from the California Department of Health Care Services. This award will fund community needs assessment to track progress and gaps in current mental health, substance abuse, and crisis response and identify the need for additional core services in Vallejo.

Amending the budget requires a public notice of intent (step 1) under the city's charter section 703 prior to any action taken. A staff report and a recommendation to amend the budget (step 2) and accept the grant will be presented to the City Council at the next regularly scheduled City Council meeting.

BACKGROUND AND DISCUSSION

The Police Department is committed to providing residents with access to socially and culturally appropriate, trauma-informed care for mental health or substance abuse related crises. This project will assist in conducting a community needs assessment in conjunction with co-response team members and community stakeholders to identify gaps in the current co-response model, analyze call volume and response efforts, and develop a co-response service delivery model tailored to the needs in Vallejo. Throughout this process the department will continue to create open lines of communication with behavioral and social service providers, and community members through the establishment of a working group. The working group will identify gaps in current treatment and response options, share community concerns, and develop solutions to overcome obstacles in accessing services. Additionally, the department will coordinate with Solano County and NAMI (National Alliance on Mental Illness) to administer training and education to police officers.

Goals for this project include:

- Repair trust and legitimacy between the police, the community, first responders, and behavioral health specialists in Vallejo
- Reduce overall risk of harm for VPD and first-responders and residents in crises
- Increase access to social services over justice involvement for Vallejo residents in need of mental health- or substance abuse-related care

- Improve efficiency and interoperability across co-responder team agencies, system partners and community providers

The grant period for this grant starts on February 15, 2022 and continues through February 14, 2023.

FISCAL IMPACT

The City of Vallejo Police Department will receive $286,957 in funding. There is no net fiscal impact on the General Fund as the proposed revenues received are equal to the proposed expenditure authorizations. There is no cost share or match requirement for the grant.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

SUBJECT: **ADOPT A RESOLUTION APPROVING A FIRST AMENDMENT TO THE DESIGN PROFESSIONAL SERVICES AGREEMENT WITH MARK THOMAS & COMPANY, INC. TO INCREASE THE CONTRACT AMOUNT AND EXTEND THE TERM BY TWO YEARS TO COMPLETE THE DESIGN OF THE I-80/HIDDENBROOKE PARKWAY INTERCHANGE PROJECT**

RECOMMENDATION

Adopt a resolution approving a First Amendment to the Design Professional Services Agreement with Mark Thomas & Company, Inc. to increase its current on-call civil design and survey services agreement to a total not to exceed amount of $1,500,000, extending the contract term by two years to September 30, 2024, and authorizing the City Manager or designee to execute same.

REASONS FOR RECOMMENDATION

The ability to bring in consultants on an on-call basis allows the Public Works Department to provide better customer service and better manage the workload to deliver projects within the allotted time frame.

BACKGROUND AND DISCUSSION

On October 8, 2019, the City Council authorized the on-call Design Professional Services Agreement with Mark Thomas & Company, Inc. for $500,000 through September 30, 2022. Mark Thomas & Company, Inc. has been providing key civil design and survey services for Public Works as well as other departments in the City.

To date, $442,523.50 has been spent or is encumbered in relation to this contract (20-PW123). The current Statement of Work (20-PW123-06) requires Mark Thomas & Company, Inc. to complete 35% of the design for the I-80/Hiddenbrooke Parkway Interchange Project and perform other preliminary engineering tasks . This Statement of Work will put us just shy of the contract limit, leaving no additional money available for the rest of the design work on the project or for any other on-call civil design and survey needs.

In order for Mark Thomas & Company, Inc. to complete the design of the I-80/Hiddenbrooke Parkway Interchange Project, a First Amendment increasing the not to exceed amount of the contract to $1,500,000 and extending the contract term to September 30, 2024 is required. Staff believes it is in the City's best interest for this design professional to stay on the project until completion of the design, as it is familiar with the project, contract and costs. It would be challenging and costly to do another RFP and get a new consultant up to speed in the middle of the project.

FISCAL IMPACT

The proposed action to amend the agreement with Mark Thomas & Company, Inc. to increase the contract amount by $1,000,000 for a new not to exceed amount of $1,500,000 will not have any direct impact on the General Fund. Funds to pay for these as needed consultant services will come from existing capital

improvement project budgets.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

DESIGN PROFESSIONAL SERVICES AGREEMENT

This Design Professional Services Agreement ("Agreement") is made at Vallejo, California, dated for reference this 9 day of October, 2019, by and between the City of Vallejo, a municipal corporation ("City"), and Mark Thomas & Company, Inc., a California corporation, hereinafter referred to as Design Professional, who agree as follows:

1. **Services.** Subject to the terms and conditions set forth in this Agreement, Design Professional shall provide the City professional services as specified in Exhibit A, entitled "Scope of Work."

2. **Payment.** City shall pay Design Professional for services rendered pursuant to this Agreement at the times and in the manner set forth in Exhibit B, entitled "Compensation." The payments specified in Exhibit B shall be the only payments to be made to Design Professional for services rendered pursuant to this Agreement.

3. **Facilities and Equipment.** Design Professional shall, at its sole cost and expense, furnish all facilities and equipment which may be required for furnishing services pursuant to this Agreement.

4. **Indemnification.** To the fullest extent permitted by law, Design Professional shall hold harmless, defend (with independent counsel approved by City) and indemnify City and its officers, employees and volunteers from and against all claims, damages, losses, penalties, fines and judgments and expenses and defense costs, including but not limited to attorney fees, court costs, associated investigation and administrative expenses, regardless of the nature or type arising out of, or pertaining to, or relating to the negligence, recklessness, or willful misconduct of the Design Professional, or the acts or omissions of an employee, agent or subcontractor of the Design Professional, except where caused by the active negligence, sole negligence, or willful misconduct of City. In no event shall the cost to defend charged to the design professional exceed the design professional's proportionate percentage of fault. However, notwithstanding the previous sentence, in the event one or more defendants is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, the design professional shall meet and confer with other parties regarding unpaid defense costs. The provisions of this section pertaining to the duty and cost to defend shall not apply to either of the following: 1) Any contract for design professional services, or amendments thereto, where a project-specific general liability policy insures all project participants for general liability exposures on a primary basis

and also covers all design professionals for their legal liability arising out of their professional services on a primary basis, 2) A design professional who is a party to a written design-build joint venture agreement.

The provisions of this Section are not limited by the insurance provisions of this Agreement.

The provisions of this section shall survive the completion of the services, expiration or termination of this Agreement.

5. **Insurance Requirements.** Design Professional agrees to comply with all of the Insurance Requirements set forth in Exhibit C, entitled "Insurance Requirements for Design Professional." Failure to maintain required insurance at all times shall constitute a default and material breach.

6. **Accident Reports.** Design Professional shall immediately report (as soon as feasible, but not more than 24 hours) to the City Risk Manager any accident or other occurrence causing injury to persons or property during the performance of this Agreement. The report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses and telephone numbers of any known witnesses, (c) the date, time and description of the accident or other occurrence.

7. **Conflict of Interest.** Consultant warrants and represents that to the best of its knowledge, there exists no actual or potential conflict between Consultant's family, business, real property or financial interests and the services to be provided under this Agreement. Consultant shall comply with the City of Vallejo Conflict of Interest Code and not enter into any contract or agreement during the performance of this Agreement which will create a conflict of interest with its duties to City under this Agreement. In the event of a change in Consultant's family, business, real property, or financial interests occurs during the term of this Agreement that creates an actual or potential conflict of interest, then Consultant shall disclose such conflict in writing to City. Every individual who performs services on behalf of Consultant pursuant to this Agreement must file a full Statement of Economic Interests (also known as Form 700) with the City Clerk if the work of the individual involves making a governmental decision whether to issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement; authorizes the City to enter into, modify, or renew a contract; grants City approval of specifications for a contract; adopts or approves for the City any policy, standard or guideline; lobbies on behalf of the City, or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

8. **Independent Contractor.** Design Professional is an independent contractor. Neither Design Professional nor any of Design Professional's officers,

employees, agents or subcontractors, if any, is an employee of City by virtue of this Agreement or performance of any services pursuant to this Agreement. City shall have the right to control Design Professional only insofar as the results of Design Professional's services rendered pursuant to this Agreement; however, City shall not have the right to control the means by which Design Professional accomplishes services pursuant to this Agreement.

9. Licences, Permits, Etc. Design Professional represents and warrants to City that all design professional services shall be provided by a person or persons duly licensed by the State of California to provide the type of services to be performed under this Agreement and that Design Professional has all the permits, qualifications and approvals of whatsoever nature which are legally required for Design Professional to practice its profession. Design Professional represents and warrants to City that it shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals which are legally required for Design Professional to practice its profession.

10. Business License. Design Professional and its subcontractors, has obtained or agrees to apply prior to performing any services under this Agreement to City's Finance Department for a business license, pay the applicable business license tax and maintain said business license during the term of this Agreement. The failure to obtain such license shall be a material breach of this Agreement and grounds for termination by City. No payments shall be made to Design Professional until such business license(s) has been obtained.

11. Standard of Performance. Design Professional shall provide products and perform all services required pursuant to this Agreement in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised under similar conditions by members of Design Professional's profession currently practicing in California.

Design Professional is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work, including without limitation site conditions, as well as all areas appurtenant to the site, existing facilities, seismic, geologic, soils, hydrologic, geographic, climatic conditions, applicable federal, state, and local laws and regulations, and all other contingencies or design considerations. Data, calculations, opinions, reports, investigations, and other similar information provided by City relating to site, local, or other conditions is not warranted or guaranteed, either expressly or implied, by City.

Design Professional's responsibilities under this section shall not be delegated. Design Professional shall be responsible to City for acts, errors, or omissions of Design Professional's subcontractors.

Design Professional shall prepare plans, specifications, reports, and/or other work products in such a way that amendments or change orders to the agreement between City and its construction contractor will not be necessary, except for unforeseeable circumstances. As used herein, "unforeseeable circumstances" shall mean facts or inferences from those facts that could not be ascertained by a combination of reasonable site inspection during the preparation of the plans and specifications by Design Professional and the reasonable application to such inspection of expertise consistent with the level of care and skill ordinarily exercised under similar conditions by a members of Design Professional's profession currently practicing in California.

Whenever the scope of work requires or permits review, approval, conditional approval or disapproval by City, it is understood that such review, approval, conditional approval or disapproval is solely for the purposes of administering this Agreement and determining whether the Design Professional is entitled to payment for such work, and not be construed as a waiver of any breach or acceptance by the City of any responsibility, professional or otherwise, for the work, and shall not relieve the Design Professional of responsibility for complying with the standard of performance or laws, regulations, industry standards, or from liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of Design Professional.

12. Force Majeure. Neither party shall be considered in default of this Agreement to the extent performances are prevented or delayed by any cause, or circumstances beyond either party's reasonable control, such as war, riots, strikes, lockouts, work slowdown or stoppage, acts of God, such as floods or earthquakes, and electrical blackouts or brownouts.

In the event that the Design Professional is unable to meet the completion date or schedule of services, Design Professional shall immediately inform the City Representative of this in writing. If additional time is required to perform the work, the City Representative may adjust the schedule.

13. Time is of the Essence. Time is of the essence in this Agreement. Any reference to days means calendar days, unless otherwise specifically stated.

14. Personnel. Design Professional agrees to assign only competent personnel according to the reasonable and customary standards of training and experience in the relevant field to perform services under this Agreement. Failure to assign such competent personnel shall constitute grounds for termination of this Agreement.

The payment made to Design Professional pursuant to this Agreement shall be the full and complete compensation to which Design Professional and Design Professional's officers, employees, agents, and subcontractors are entitled for performance of any work under this Agreement. Neither Design Professional nor

Design Professional's officers or employees are entitled to any salary or wages, or retirement, health, leave or other fringe benefits applicable to employees of the City. The City will not make any federal or state tax withholdings on behalf of Design Professional. The City shall not be required to pay any workers' compensation insurance on behalf of Design Professional.

Design Professional shall pay, when and as due, any and all taxes incurred as a result of Design Professional's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

Design Professional shall comply with all provisions of California laws dealing with prevailing wages, apprentices, and hours of work. Design Professional shall also comply with provisions of Labor Code section 1720 as applicable. A copy of the prevailing wage rates is available for review upon request by Design Professional to the City Representative. This provision applies only to the following portions of the scope of work:

15. Design Professional Not Agent. Except as authorized under this Agreement or as City may authorize in a letter of authorization signed by the City Manager or his or her designee, Design Professional shall have no authority, express or implied to act on behalf of City in any capacity whatsoever as an agent. Design Professional shall have no authority, express or implied, under this Agreement, to bind City to any obligation whatsoever.

16. Term. The term of this Agreement shall commence on the date of complete execution of this Agreement and shall continue in full force and effect until September 30, 2022.

City shall, at its discretion, have the right to extend the term of this Agreement, in intervals of one year, by written notice to Design Professional. The total duration of this Agreement, including the exercise of any options under this section, shall not exceed four years.

17. If the term of this Agreement extends into fiscal years subsequent to that in which it is approved, such continuation of the Agreement is contingent on the appropriation of funds for such purpose by the City Council of the City of Vallejo. If funds to effect such continued payment are not appropriated, Design Professional agrees to terminate any services supplied to City of Vallejo under this Agreement, and relieve City of any further obligation therefore.

18. Termination or Abandonment by City. The City has the right, at any time and in its sole discretion, to immediately terminate or abandon any portion or all of the services to be provided under this Agreement by giving notice to Design Professional. Upon receipt of a notice of termination, Design Professional shall perform no further work except as specified in the notice. Before the date of termination, Design Professional shall deliver to City all City records and

documents, all work products, whether completed or not, as of the date of termination and not otherwise previously delivered.

The City shall pay Design Professional for services performed in accordance with this Agreement before the date of termination. If this contract provides for payment of a lump sum for all services or by task and termination occurs before completion of the work or any defined task which according to the performance schedule was commenced before the notice of termination, the fee for services performed shall be based on an amount mutually agreed to by City and Design Professional for the portion of work completed in conformance with this Agreement before the date of termination. In addition, the City will reimburse Design Professional for authorized expenses incurred and not previously reimbursed. The City shall not be liable for any fees or costs associated for the termination or abandonment except for the fees, and reimbursement of authorized expenses, payable pursuant to this section.

19. Products of Consulting Services. The work product, including without limitation, all writings, work sheets, reports, recordings, drawings, files, detailed calculations and other work products, whether complete or incomplete, of Design Professional resulting from services rendered pursuant to this Agreement, shall become the property of City. Design Professional agrees that all copyrights which arise from creation of the work under this Agreement shall be vested in the City and waives and relinquishes all claims to copyright or other intellectual property rights in favor of the City. City acknowledges that its use of the work product is limited to the purposes contemplated by the scope of work and that the Design Professional makes no representation of the suitability of the work product for use in or application to circumstances not contemplated by the scope of work.

Documents submitted to the City in electronic format shall be formatted according to specifications provided by the City, or if not otherwise specified, in Microsoft Word, Excel, PowerPoint or other Microsoft Office Suite (2002) format as appropriate for the particular work product or, if directed by the City Representative in Adobe Acrobat PDF format.

20. Cooperation by City. City shall, to the extent reasonable and practicable, assist and cooperate with Design Professional in the performance of Design Professional's services hereunder.

21. Assignment and Subcontracting. Design Professional shall not subcontract, assign or transfer voluntarily or involuntarily any of its rights, duties or obligation under this Agreement without the express written consent of the City Manager or his or her designee in each instance. Any attempted or purported assignment of any right, duty or obligation under this Agreement without City's consent shall be void and of no effect.

If subcontracting of work is permitted, Design Professional shall pay its subcontractor within ten (10) days of receipt of payment by City for work performed

by a subcontractor and billed by the Design Professional. Use of the term subcontractor in any other provision of this contract shall not be construed to imply authorization for Design Professional to use subcontractors for performance of any service under this Agreement.

The City is an intended beneficiary of any work performed by Design Professional's subcontractor for purposes of establishing a duty of care between the subcontractor and City.

22. Successors and Assigns. All terms, conditions, and provisions of this Agreement shall apply to and bind the respective heirs, executors, administrators, successors, and assigns of the parties. Nothing in this section is intended to affect the limitation on assignment.

23. Non-Discrimination/Fair Employment Practices.

(a) Design Professional shall not, because of race, religious creed, color, sex, national original, ancestry, disability, medical condition, age, marital status or sexual orientation of any person, refuse to hire or employ, or to bar or discharge from employment, or to discriminate in compensation, or in terms, conditions or privileges any person, and every employee will receive equal opportunity for employment and shall be granted equal treatment with respect to compensation, terms, conditions or other privileges of employment, without regard to his race, religious creed, color, sex, national origin or ancestry.
Design Professional warrants and represents it is an equal opportunity employer and agrees it shall not discriminate on the basis of race, religious creed, color, sex, national origin, ancestry, disability, medical condition, age, marital status or sexual orientation in the selection and retention of employees, subcontractors or procurement of materials or equipment.

In all solicitations either by competitive bidding or negotiations made by Design Professional for work to be performed under any subcontract, including procurement of materials or equipment, each potential subcontractor or supplier shall be notified by Design Professional of Design Professional's obligation under this Agreement relative to nondiscrimination and fair employment practices.

Design Professional shall include the above provisions of this section in every subcontract, including procurement of materials or equipment.

(b) Design Professional agrees to comply with Title VII of the Civil Rights Act of 1964, as amended, the California Fair Employment Practices Act, the Americans with Disabilities Act of 1990, any other applicable federal and state laws and regulations and City ordinances and regulations hereinafter enacted.

24. Notices. All notices or instruments required to be given or delivered by law or this Agreement shall be in writing and shall be effective upon receipt thereof and

shall be by personal service or delivered by depositing the same in any United States Post Office, registered or certified mail, postage prepaid, addressed to:

If to City:	Melissa L. Tigbao Assistant Public Works Director / City Engineer Public Works Engineering 555 Santa Clara Street Vallejo, CA 94590
If to Design Professional:	Shawn O'Keefe, PE, QSD Principal, Vice President Mark Thomas & Company, Inc. 3000 Oak Road, Suite 650 Walnut Creek, CA 94597

Any party may change its address for receiving notices by giving written notice of such change to the other party in accordance with this section.

Routine administrative communications shall be made pursuant to section 1 of Exhibit A.

24. Integration Clause. This Agreement, including all Exhibits, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had prior to the execution of this Agreement. This Agreement shall not be amended or modified except by a written agreement executed by each of the parties hereto.

25. Severability Clause. Should any provision of this Agreement ever be deemed to be legally void or unenforceable, all remaining provisions shall survive and be enforceable.

26. Law Governing. This Agreement shall in all respects be governed by the law of the State of California, without regard to its conflicts of law rules. Litigation arising out of or connected with this Agreement shall be instituted and maintained in the courts of Solano County in the State of California or in the United States District Court, Eastern District of California, Sacramento, California, and the parties consent to jurisdiction over their person and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

27. Waiver. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent or any other right hereunder.

28. Ambiguity. The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are

not to be construed against any party on the basis of such party's draftsmanship thereof.

29. Gender. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

30. Headings. The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

31. Compliance with Laws. Design Professional will comply with all statutes, regulations and ordinances in the performance of all services under this Agreement.

32. Confidentiality of City Information. During the performance of services under this Agreement, Design Professional may gain access to and use City information regarding, but not limited to, procedures, policies, training, operational practices, and other vital information (hereafter collectively referred to as "City Information") which are valuable, special and unique assets of the City. Design Professional agrees that it will not use any information obtained as a consequence of the performance of services under this Agreement for any purpose other than fulfillment of Design Professional's scope of work , to protect all City Information and treat it as strictly confidential and proprietary to City, and that it will not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party, other than its own employees, agents or subcontractors who have a need for the City Information for the performance of services under this Agreement, without the prior written consent of City, or as required by law.

Design Professional shall treat all records and work product prepared or maintained by Design Professional in the performance of this Agreement as confidential.

A violation by Design Professional of this section shall be a material violation of this Agreement and will justify legal and/or equitable relief.

Design Professional's obligations under this section shall survive the completion of services, expiration or termination of this Agreement.

33. News and Information Release. Design Professional agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Representative.

34. City Representative. The City Representative specified in Exhibit A, or the representative's designee, shall administer this Agreement for the City.

35. Counterparts. The parties may execute this Agreement in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

36. Facsimile Signature; Electronic Signature. This Agreement shall be binding upon the receipt of facsimile signatures or emailed by PDF or otherwise. Any person transmitting his or her signature by facsimile or electronically shall promptly send an original signature to the other party pursuant to the notice provision of this Agreement. The failure to send an original shall not affect the binding nature of this Agreement.

37. Authority. The person signing this Agreement for Design Professional hereby represents and warrants that he/she is fully authorized to sign this Agreement on behalf of Design Professional.

38. Exhibits. The following exhibits are attached hereto and incorporated herein by reference:

EXHIBIT B

COMPENSATION

1. Design Professional's Compensation.

A. Services: City agrees to pay Design Professional, at the rate(s) specified below, for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses, for a total not to exceed Five Hundred Thousand Dollars and Zero Cents [$500,000.00].

Design Professional shall notify City in writing no later than thirty (30) days prior to the estimated date when Design Professional will have billed City the maximum payment amount permitted under this Agreement, and Design Professional shall provide City with an estimate of the additional compensation required to complete the project.

B. Additional Services:

1. Additional Services are those services related to the scope of Services of Consultant as set forth in Exhibit A but not anticipated at the time of execution of this Agreement. Additional Services shall be provided only when a Supplemental Agreement authorizing such Additional Services is approved by the City Manager, or his or her designee. City reserves the right to perform any Additional Services with its own staff or to retain other Consultants to perform said Additional Services.

2. Consultant's compensation for Additional Services shall be based on the total number of hours spent on Additional Services multiplied by the employees' appropriate billable hourly rate as established below. City, at its option, may negotiate a fixed fee for some or all Additional Services as the need arises. Where a fixed fee for Additional Services is established by mutual Agreement between City and Consultant, compensation to Consultant shall not exceed the fixed fee amount.

2. Appropriate Billable Hourly Rates for Services and Additional Services. Design Professional's billable hourly rates shall be as listed in Attachment 1 of Exhibit B, attached hereto and incorporated herein by this reference.

3. Design Professional's Reimbursable Expenses. Reimbursable Expenses shall be limited to actual reasonable expenditures of Design Professional for expenses that are necessary for the proper completion of the Services and shall only be payable if specifically authorized in advance by City.

4. Payments to Design Professional.

A. Payments to Design Professional shall be made within a reasonable time after receipt of Design Professional's invoice, said payments to be made in proportion to services performed. Design Professional may request payment on a monthly basis. Design Professional shall be responsible for the cost of supplying all documentation necessary to verify the monthly billings to the satisfaction of City.

B. All invoices submitted by Design Professional shall contain the following information:

1. Description of services billed under this invoice
2. Date of Invoice Issuance
3. Sequential Invoice Number
4. City's Purchase Order Number (if issued)
5. Social Security Number or Taxpayer Identification Number
6. Amount of this Invoice (Itemize all Reimbursable Expenses")
7. Total Billed to Date

C. Items shall be separated into Services and Reimbursable Expenses. Billings that do not conform to the format outlined above shall be returned to Design Professional for correction. City shall not be responsible for delays in payment to Design Professional resulting from Design Professional's failure to comply with the invoice format described above.

D. Request for payment shall be sent to:

Melissa L, Tigbao
Assistant Public Works Director / City Engineer
Public Works Engineering
555 Santa Clara Street
Vallejo, CA 94590

5. Accounting Records of Design Professional. Design Professional shall maintain for three (3) years after completion of all services hereunder, all records under this Agreement, including, but not limited to, records of Design Professional's direct salary costs for all Services and Additional Services performed under this Agreement and records of Design Professional's Reimbursable Expenses, in accordance with generally accepted accounting practices. Design Professional shall keep such records available for audit, inspection and copying by representatives of the City's Finance Department or other government agencies during regular business hours upon twenty four (24) hours notice.

The obligations of Design Professional under this section shall survive this Agreement.

6. Taxes. Design Professional shall pay, when and as due, any and all taxes incurred as a result of Design Professional's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

7. Taxpayer Identification Number. Design Professional shall provide City with Design Professional's complete Request for Taxpayer Identification Number and Certification, Form W-9, as issued by the Internal Revenue Service, and any other State or local tax identification number requested by City.

INSURANCE REQUIREMENTS

Design Professional shall procure and maintain for the duration of this Agreement, including any extensions thereto, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by the Consultant, their agents, representatives, or employees or subcontractors.

1. **Minimum Scope of Insurance.** Coverage shall be at least as broad as:

A. Insurance Services Office form number GL 0002 covering Comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability; or Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001).

B. Insurance Services Office form number CA 0001 covering Automobile Liability, code 1 any auto and endorsement CA 0025.

C. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

D. Professional Liability insurance appropriate to the Consultant's profession (Errors and Omission).

2. **Minimum Limits of Insurance.** Design Professional shall maintain limits no less than:

A. General Liability: $1,000,000.00 per occurrence for bodily injury, personal injury, and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, coverage shall be twice the per occurrence amount.

B. Automobile Liability: $1,000,000.00 per accident for bodily injury and property damage.

C. Workers' Compensation and Employer's Liability: $1,000,000.00 per accident for bodily injury or disease. If Borrower is not subject to California Workers' Compensation requirements, Borrower shall file a completed certificate of exemption form which may be obtained from the City of Vallejo prior to commencing any activity authorized hereunder.

D. Professional Liability, (Errors and Omission): $1,000,000.00 coverage continuing for 3 years after completion of services rendered.

3. Deductible and Self-Insured Retention. Any deductibles or self-insured retention greater than $10,000 must be declared to and approved by the City's Risk Manager. If the deductibles or self-insured retention limit is unacceptable to the City's Risk Manager, at his or her option, the insurer shall either reduce or eliminate such deductibles or self-insured retention as respects the City of Vallejo, its officers, officials, employees and volunteers; or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

4. Other Insurance Provisions. The general liability and automobile liability policies, as can be provided, are to contain, or be endorsed to contain, the following provisions:

A. The City of Vallejo, its officers, officials, employees, agents and volunteers are to be covered as additional insureds as respects; liability, including defense costs, arising out of activities performed by or on behalf of the Consultant; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; or automobiles owned, leased hired or borrowed by the Consultant. The coverage shall contain no special limitations on the scope of protection afforded to the City of Vallejo, its officers, officials, employees, agents or volunteers. The insurance is to be issued by companies licensed to do business in the State of California.

B. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance as respects the City of Vallejo, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the City of Vallejo, its officers, officials, employees, agents or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

C. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees, agents or volunteers.

D. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

E. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

F. The workers' compensation and employer's liability policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against City, its officers, officials, employees, agents and volunteers, which might arise by reason of payment under such policy in connection with Consultant's performance under this Agreement.

5. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII.

6. Verification of Coverage. Consultant shall furnish the City with original certificates of insurance for all insurances required by this Agreement and endorsements effecting general and automobile liability insurance coverage required by this clause. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the City Attorney before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage, by this Agreement at any time. All verification of coverage and other insurance documents shall be mailed to the following address or to any other subsequent address as may be directed in writing by the City Attorney:

City of Vallejo
Attn: City Attorney
555 Santa Clara Street
Vallejo, CA 94590

7. Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

8. Payment Withhold. City will withhold payments to Consultant if the certificates of insurance and endorsements required in Paragraph F, above, are canceled or Consultant otherwise ceases to be insured as required herein.

FIRST AMENDMENT TO DESIGN PROFESSIONAL SERVICES AGREEMENT BETWEEN CITY OF VALLEJO AND MARK THOMAS & COMPANY, INC.

This First Amendment to the Design Professional Services Agreement ("Agreement") between Mark Thomas & Company, Inc., a California Corporation ("Design Professional"), and the City of Vallejo, a municipal corporation ("City"), is made and entered into on this _____ day of June 2022.

Design Professional and City do mutually agree as follows:

1. Amendment to Section 1.A of Exhibit B "Compensation." Section 1.A of Exhibit B of the Agreement shall be modified to read:

> "A. Services: City agrees to pay Design Professional, at the rate(s) specified below, for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses, for a total not to exceed One Million Five Hundred Thousand Dollars and Zero Cents ($1,500,000).
>
> Design Professional shall notify City in writing no later than thirty (30) days prior to the estimated date when Design Professional will have billed City the maximum payment amount permitted under this Agreement, and Design Professional shall provide City with an estimate of the additional compensation required to complete the project."

2. Amendment to Section 16 "Term." Section 16 of the Agreement shall be modified to read:

> "**16. Term**. The term of this Agreement shall commence on the date of complete execution of this Agreement and shall continue in full force and effect until September 30, 2024. The total duration of this Agreement shall not exceed five years."

3. Integration. This First Amendment contains the entire agreement between the parties with respect to its subject matter and supersedes whatever oral or written understanding they may have had prior to the execution of this First Amendment. This First Amendment shall not be amended or modified except by a written agreement executed by each of the parties. Except as specifically revised herein, all terms and conditions of the Agreement shall remain in full force and effect, and Consultant shall perform all duties, obligations and conditions required under the Agreement.

4. Inconsistencies. In the event of any conflict or inconsistency between the provisions of this First Amendment and the Agreement, the provisions of this First Amendment shall control in all respects.

5. Ambiguities. The parties have each carefully reviewed this First Amendment and have agreed to each term of this First Amendment. No ambiguity shall be presumed to be construed against either party.

6. Counterparts. This First Amendment may be executed by the parties in one or more counterparts all of which collectively shall constitute one document and agreement.

7. Authority. The person signing this First Amendment for Design Professional hereby represents and warrants that he or she is fully authorized to sign this First Amendment on behalf of Design Professional.

CONSENT CALENDAR 8.H.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Beth Schoenberger, Water Director
SUBJECT: **FIRST AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT WITH H.A.R.T. HIGH-VOLTAGE APPARATUS REPAIR AND TESTING, CO.**

RECOMMENDATION

Authorize the City Manager to execute a First Amendment to the Professional Services Agreement with H.A.R.T. High-Voltage Apparatus Repair and Testing, CO. (HART) dated August 1, 2021, extending the contract an additional year (until July 31, 2023), and increasing the Not To Exceed amount to $150,000 to cover costs for the repair, replacement, and testing of water system facilities in the Cordelia Pumping Complex.

REASONS FOR RECOMMENDATION

Executing an Amendment to the Professional Agreement with HART will allow the City to continue the emergency specialized high-voltage equipment replacement, repair, and testing in progress at mission-critical facilities.

BACKGROUND AND DISCUSSION

On July 30, 2021, a power outage occurred at the Cordelia substation which damaged the main transformer. Electricity is required to pump raw, untreated, source water from this location into the City of Vallejo to then be treated at Fleming Hill treatment plant and distributed to customers. PG&E provides approximately 115k volts of electricity to this City-owned and operated substation. The high-voltage electricity from PG&E is reduced, via transformers, down to 4,160 volts and is used by the Cordelia and Jameson pumps. Because the damage to the transformer undermined the City's ability to consistently deliver water, repairs had to be initiated immediately. The damage and repair required reducing the number of pumps in use, which negatively impacted operations but allowed a temporary work-around to consistently supply water to Vallejo residents. Due to the complexity and high voltage power at the substation, the repairs required highly-skilled, specialized contractors.

City staff reached out to multiple contractors to seek bids to complete the work. With the specialized and high-risk nature of the high-voltage work, only one company, High-Voltage Apparatus Repair and Testing, Co. (HART), responded to the bid request for emergency repairs. While completing repairs to the transformer, additional repair needs were identified as essential to bringing the transformer back into service. These repairs were completed (and reflected the fact that maintenance had been deferred in prior decades). The unanticipated yet necessary additional repairs caused the cost to complete the work to then exceed the original contract amount.

Through April 30, 2022, $100,000 has been spent or encumbered in relation to this contract (22-WD041), which currently ends on June 30, 2022. To complete the transformer repairs, this amendment, increasing the not-to-exceed amount to $150,000 and extending the contract term to June 30, 2023, is necessary.

FISCAL IMPACT

There are sufficient appropriations in the proposed FY2021-22 Water Enterprise Fund budget to fund this amendment agreement for a Not to Exceed amount of $150,000. There would be no impact on the General

Fund if this action is approved.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potentiak for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidline Section 15378.

PROFESSIONAL SERVICES AGREEMENT

This Professional Services Agreement ("Agreement") is made at Vallejo, California, dated for reference this 1st day of August, 2021, by and between the City of Vallejo, a municipal corporation ("City"), and High-Voltage Apparatus Repair and Testing Co. (HART), a California corporation, hereinafter referred to as "Vendor", who agree as follows:

1. Services. Subject to the terms and conditions set forth in this Agreement, Vendor shall provide the City professional services as specified in Exhibit A, entitled "Scope of Work."

2. Payment. City shall pay Vendor for services rendered pursuant to this Agreement at the times and in the manner set forth in Exhibit B, entitled "Compensation." The payments specified in Exhibit B shall be the only payments to be made to Vendor for services rendered pursuant to this Agreement.

3. Facilities and Equipment. Vendor shall, at its sole cost and expense, furnish all facilities and equipment which may be required for furnishing services pursuant to this Agreement.

4. Indemnification. Vendor shall indemnify, hold harmless, and defend City, its officers, officials, directors, employees, agents, volunteers and affiliates and each of them from any and all claims, demands, causes of action, damages, costs, expenses, actual attorney's fees, Vendor's fees, expert fees, losses or liability, in law or in equity, of every kind and nature whatsoever arising out of or in connection with Vendor's operations, or any subcontractor's operations, to be performed under this agreement for Vendor's or subcontractor's tort negligence including active or passive, or strict negligence, including but not limited to personal injury including, but not limited to bodily injury, emotional injury, sickness or disease, or death to persons and/or damage to property of anyone, including loss of use thereof, caused or alleged to be caused by any act or omission of Vendor, or any subcontractor, or anyone directly or indirectly employed by any of them or anyone for the full period of time allowed by the law, regardless to any limitation by insurance, with the exception of the sole negligence or willful misconduct of the City.

The provisions of this section shall survive the expiration or termination of this Agreement.

5. Insurance Requirements. Vendor agrees to comply with all of the Insurance Requirements set forth in Exhibit C, entitled "Insurance Requirements for Vendor." Failure to maintain required insurance at all times shall constitute a default and material breach.

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

6. **Accident Reports.** Vendor shall immediately report (as soon as feasible, but not more than 24 hours) to the City Risk Manager any accident or other occurrence causing injury to persons or property during the performance of this Agreement. The report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses, and telephone numbers of any known witnesses, (c) the date, time, and description of the accident or other occurrence.

7. **Conflict of Interest.** Vendor warrants and represents that to the best of its knowledge, there exists no actual or potential conflict between Vendor's family, business, real property or financial interests and the services to be provided under this Agreement. Vendor shall comply with the City of Vallejo Conflict of Interest Code and not enter into any contract or agreement during the performance of this Agreement which will create a conflict of interest with its duties to City under this Agreement. In the event of a change in Vendor's family, business, real property, or financial interests occurs during the term of this Agreement that creates an actual or potential conflict of interest, then Vendor shall disclose such conflict in writing to City. Every individual who performs services on behalf of Vendor pursuant to this Agreement must file a full Statement of Economic Interests (also known as Form 700) with the City Clerk if the work of the individual involves making a governmental decision whether to issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement; authorizes the City to enter into, modify, or renew a contract; grants City approval of specifications for a contract; adopts or approves for the City any policy, standard or guideline; lobbies on behalf of the City, or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

8. **Independent Contractor.** Vendor is an independent contractor. Neither Vendor nor any of Vendor's officers, employees, agents, or subcontractors, if any, is an employee of City by virtue of this Agreement or performance of any services pursuant to this Agreement. City shall have the right to control Vendor only insofar as the results of Vendor's services rendered pursuant to this Agreement; however, City shall not have the right to control the means by which Vendor accomplishes services pursuant to this Agreement.

9. **Licences, Permits, Etc.** Vendor represents and warrants to City that all Vendor services shall be provided by a person or persons duly licensed by the State of California to provide the type of services to be performed under this Agreement and that Vendor has all the permits, qualifications and approvals of whatsoever nature which are legally required for Vendor to practice its profession. Vendor represents and warrants to City that it shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals which are legally required for Vendor to practice its profession.

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

10. Business License. Vendor, and its subcontractors, has obtained or agrees to apply prior to performing any services under this Agreement to City's Finance Department for a business license, pay the applicable business license tax and maintain said business license during the term of this Agreement. The failure to obtain such license shall be a material breach of this Agreement and grounds for termination by City. No payments shall be made to Vendor until such business license(s) has been obtained.

11. Standard of Performance. Vendor shall provide products and perform all services required pursuant to this Agreement in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised under similar conditions by a member of Vendor's profession currently practicing in California.

Vendor is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work, including without limitation applicable federal, state, and local laws and regulations, and all other contingencies or considerations.

Vendor's responsibilities under this section shall not be delegated. Vendor shall be responsible to City for acts, errors, or omissions of Vendor's subcontractors.

Vendor is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work and shall prepare plans, reports, and/or other work products in such a way that additional costs will not be incurred beyond a project budget approved or amended by the City Manager or his or her designee.

Whenever the scope of work requires or permits review, approval, conditional approval or disapproval by City, it is understood that such review, approval, conditional approval or disapproval is solely for the purposes of administering this Agreement and determining whether the Vendor is entitled to payment for such work, and not be construed as a waiver of any breach or acceptance by the City of any responsibility, professional or otherwise, for the work, and shall not relieve the Vendor of responsibility for complying with the standard of performance or laws, regulations, industry standards, or from liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of Vendor.

12. Force Majeure. Neither party shall be considered in default of this Agreement to the extent performances are prevented or delayed by causes or circumstances beyond either party's reasonable control, such as war, riots, strikes, lockouts, work slowdown or stoppage, acts of God, such as floods or earthquakes, and electrical blackouts or brownouts.

In the event that the Vendor is unable to meet the completion date or schedule of services, Vendor shall immediately inform the City Representative of this in writing. If additional time is required to perform the work, the City Representative may adjust the schedule.

13. Time is of the Essence. Time is of the essence in this Agreement. Any reference to days means calendar days, unless otherwise specifically stated.

14. Personnel. Vendor agrees to assign only competent personnel according to the reasonable and customary standards of training and experience in the relevant field to perform services under this Agreement. Failure to assign such competent personnel shall constitute grounds for termination of this Agreement.

The payment made to Vendor pursuant to this Agreement shall be the full and complete compensation to which Vendor and Vendor's officers, employees, agents, and subcontractors are entitled for performance of any work under this Agreement. Neither Vendor nor Vendor's officers or employees are entitled to any salary or wages, or retirement, health, leave or other fringe benefits applicable to employees of the City. The City will not make any federal or state tax withholdings on behalf of Vendor. The City shall not be required to pay any workers' compensation insurance on behalf of Vendor.

Vendor shall pay, when and as due, any and all taxes incurred as a result of Vendor's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

15. Vendor Not Agent. Except as authorized under this Agreement or as City may authorize in a letter of authorization signed by the City Manager or his or her designee, Vendor shall have no authority, express or implied to act on behalf of City in any capacity whatsoever as an agent. Vendor shall have no authority, express or implied, under this Agreement, to bind City to any obligation whatsoever.

16. Term. The term of this Agreement shall commence on August 1, 2021, and shall continue in full force and effect until July 31, 2022.

City shall, at its discretion, have the right to extend the term of this Agreement, in intervals of one year, by written notice to Vendor. The total duration of this Agreement, including the exercise of any options under this section, shall not exceed five (5) years (July 31, 2027).

If the term of this Agreement extends into fiscal years subsequent to that in which it is approved, such continuation of the Agreement is contingent on the appropriation of funds for such purpose by the City Council of the City of Vallejo. If funds to effect such continued payment are not appropriated, Vendor agrees to

terminate any services supplied to City of Vallejo under this Agreement, and relieve City of any further obligation therefore.

17. Termination or Abandonment by City. The City has the right, at any time and in its sole discretion, to immediately terminate or abandon any portion or all of the services to be provided under this Agreement by giving notice to Vendor. Upon receipt of a notice of termination, Vendor shall perform no further work except as specified in the notice. Before the date of termination, Vendor shall deliver to City all City records and documents, all work product, whether completed or not, as of the date of termination and not otherwise previously delivered.

The City shall pay Vendor for services performed in accordance with this Agreement before the date of termination. If this contract provides for payment of a lump sum for all services or by task and termination occurs before completion of the work or any defined task which according to the performance schedule was commenced before the notice of termination, the fee for services performed shall be based on an amount mutually agreed to by City and Vendor for the portion of work completed in conformance with this Agreement before the date of termination. In addition, the City will reimburse Vendor for authorized expenses incurred and not previously reimbursed. The City shall not be liable for any fees or costs associated for the termination or abandonment except for the fees, and reimbursement of authorized expenses, payable pursuant to this section.

18. Products of Consulting Services. The work product, including without limitation, all writings, work sheets, reports, recordings, drawings, files, detailed calculations and other work products, whether complete or incomplete, of Vendor resulting from services rendered pursuant to this Agreement, shall become the property of City. Vendor agrees that all copyrights which arise from creation of the work under this Agreement shall be vested in the City and waives and relinquishes all claims to copyright or other intellectual property rights in favor of the City. City acknowledges that its use of the work product is limited to the purposes contemplated by the scope of work and that the Vendor makes no representation of the suitability of the work product for use in or application to circumstances not contemplated by the scope of work.

Documents submitted to the City in electronic format shall be formatted according to specifications provided by the City, or if not otherwise specified, in Microsoft Word, Excel, PowerPoint or other Microsoft Office Suite (2002) format as appropriate for the particular work product or, if directed by the City Representative in Adobe Acrobat PDF format.

19. Cooperation by City. City shall, to the extent reasonable and practicable, assist and cooperate with Vendor in the performance of Vendor's services hereunder.

20. Assignment and Subcontracting. Vendor shall not subcontract, assign or transfer voluntarily or involuntarily any of its rights, duties or obligation under this Agreement without the express written consent of the City Manager or his or her designee in each instance. Any attempted or purported assignment of any right, duty or obligation under this Agreement without said consent shall be void and of no effect.

If subcontracting of work is permitted, Vendor shall pay its subcontractor within ten (10) days of receipt of payment by City for work performed by a subcontractor and billed by the Vendor. Use of the term subcontractor in any other provision of this contract shall not be construed to imply authorization for Vendor to use subcontractors for performance of any service under this Agreement.

The City is an intended beneficiary of any work performed by Vendor's subcontractor for purposes of establishing a duty of care between the subcontractor and City.

Any subcontractor or assignee consented to by City shall be bound by all terms and conditions of this agreement and the same shall be incorporated into and made a part of any assignment or subcontractor agreement.

21. Successors and Assigns. All terms, conditions, and provisions of this Agreement shall apply to and bind the respective heirs, executors, administrators, successors, and assigns of the parties. Nothing in this section is intended to affect the limitation on assignment.

22. Non-Discrimination/Fair Employment Practices.

(a) Vendor shall not, because of race, religious creed, color, sex, national original, ancestry, disability, medical condition, age, marital status or sexual orientation of any person, refuse to hire or employ, or to bar or discharge from employment, or to discriminate in compensation, or in terms, conditions or privileges any person, and every employee will receive equal opportunity for employment and shall be granted equal treatment with respect to compensation, terms, conditions or other privileges of employment, without regard to his race, religious creed, color, sex, national origin, ancestry, or disability, medical condition, age, marital status or sexual orientation.

Vendor warrants and represents it is an equal opportunity employer and agrees it shall not discriminate on the basis of race, religious creed, color, sex, national origin, ancestry, disability, medical condition, age, marital status or sexual orientation in the selection and retention of employees, subcontractors or procurement of materials or equipment.

In all solicitations either by competitive bidding or negotiations made by Vendor for work to be performed under any subcontract, including procurement of materials

or equipment, each potential subcontractor or supplier shall be notified by Vendor of Vendor's obligation under this Agreement relative to nondiscrimination and fair employment practices.

Vendor shall include the above provisions of this section in every subcontract, including procurement of materials or equipment.

(b) Vendor agrees to comply with Title VII of the Civil Rights Act of 1964, as amended, the California Fair Employment Practices Act, the Americans with Disabilities Act of 1990, any other applicable federal and state laws and regulations and City ordinances and regulations hereinafter enacted.

23. Notices. All notices or instruments required to be given or delivered by law or this Agreement shall be in writing and shall be effective upon receipt thereof and shall be by personal service or delivered by depositing the same in any United States Post Office, registered or certified mail, postage prepaid, addressed to:

If to City:	Mike Malone, Water Director Water Department, City of Vallejo 202 Fleming Hill Road Vallejo, CA 95489
If to Vendor:	Jill Mendenhall, Office Manager HART P O Box 3389 Yuba City, CA 95992

Any party may change its address for receiving notices by giving written notice of such change to the other party in accordance with this section.

Routine administrative communications shall be made pursuant to section 1 of Exhibit A.

24. Integration Clause. This Agreement, including all Exhibits, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had prior to the execution of this Agreement. This Agreement shall not be amended or modified except by a written agreement executed by each of the parties hereto.

25. Severability Clause. Should any provision of this Agreement ever be deemed to be legally void or unenforceable, all remaining provisions shall survive and be enforceable.

26. Law Governing. This Agreement shall in all respects be governed by the law of the State of California without regard to its conflicts of law rules. Litigation arising out of or connected with this Agreement shall be instituted and maintained

in the courts of Solano County in the State of California or in the United States District Court, Eastern District of California, Sacramento, California, and the parties consent to jurisdiction over their person and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

27. Waiver. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent or any other right hereunder.

28. Ambiguity. The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

29. Gender. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

30. Headings. The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

31. Compliance with Laws. Vendor will comply with all statutes, regulations and ordinances in the performance of all services under this Agreement.

32. Confidentiality of City Information. During the performance of services under this Agreement, Vendor may gain access to and use City information regarding, but not limited to, procedures, policies, training, operational practices, and other vital information (hereafter collectively referred to as "City Information") which are valuable, special and unique assets of the City. Vendor agrees that it will not use any information obtained as a consequence of the performance of services under this Agreement for any purpose other than fulfillment of Vendor's scope of work , to protect all City Information and treat it as strictly confidential and proprietary to City, and that it will not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party, other than its own employees, agents or subcontractors who have a need for the City Information for the performance of services under this Agreement, without the prior written consent of City, or as required by law.

Vendor shall treat all records and work product prepared or maintained by Vendor in the performance of this Agreement as confidential.

A violation by Vendor of this section shall be a material violation of this Agreement and will justify legal and/or equitable relief.

Vendor's obligations under this section shall survive the completion of services, expiration or termination of this Agreement.

33. News and Information Release. Vendor agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Representative.

34. City Representative. The City Representative specified in Exhibit A, or the representative's designee, shall administer this Agreement for the City.

35. Counterparts. The parties may execute this Agreement in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

36. Facsimile Signature; Electronic Signature. This Agreement shall be binding upon the receipt of facsimile signatures or e-mailed by PDF or otherwise. Any person transmitting his or her signature by facsimile or electronically shall promptly send an original signature to the other party pursuant to the notice provision of this Agreement. The failure to send an original shall not affect the binding nature of this Agreement.

37. Authority. The person signing this Agreement for Vendor hereby represents and warrants that he/she is fully authorized to sign this Agreement on behalf of Vendor.

EXHIBIT A

SCOPE OF WORK

1. **Representatives.** The City Representative for this Agreement is:

John Palesi, Facilities Superintendent
Water Department, City of Vallejo
202 Fleming Hill Road
Vallejo, CA 95489
(707) 648-4519 / john.palesi@cityofvallejo.net

The Vendor's Representative for this Agreement is:

Jill Mendenhall, Office Manager
HART
P O Box 3389
Yuba City, CA 95992
(530) 755-3126 / jill@harthighvoltage.com

All routine administrative communications between the parties will be between the above named representatives and may be by personal delivery, mail, facsimile transmission, or electronic mail as agreed between the Vendor Representative and City's Representative.

2. **Services to be Provided.** Critical, specialized high-voltage equipment replacement, repair, and testing on various facilities.

3. **Time for Performance.** Vendor will perform the services on an as-needed basis.

4. **Key Personnel.** All of the individuals identified below are necessary for the successful prosecution of the services due to their unique expertise and depth and breadth of experience. There shall be no change in the personnel listed below, without written approval of the City Representative. Vendor recognizes that the composition of this team was instrumental in the City's decision to award the work to Vendor and that compelling reasons for substituting these individuals must be demonstrated for the City's consent to be granted. Any substitutes shall be persons of comparable or superior expertise and experience. Failure to comply with the provisions of this section shall constitute a material breach of Vendor's obligations under this Agreement and shall be grounds for termination.

Key personnel are as follows: Not Applicable.

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

EXHIBIT B

COMPENSATION

1. Vendor's Compensation.

A. Services: City agrees to pay Vendor, at the rate(s) specified below, for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses, for a total not to exceed ONE HUNDRED THOUSAND DOLLARS and NO/100 ($100,000.00).

Vendor shall notify City in writing no later than thirty (30) days prior to the estimated date when Vendor will have billed City the maximum payment amount permitted under this Agreement, and Vendor shall provide City with an estimate of the additional compensation required to complete the project.

City agrees to pay Vendor for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses, in a lump sum of [insert dollar amount in words - e.g. Two Thousand Five Hundred Fifty Dollars and 13 Cents] [insert dollar amount in number- e.g., $2,550.13] upon satisfactory completion of the services and delivery of the work product.

B. Additional Services:

1. Additional Services are those services related to the scope of Services of Vendor as set forth in Exhibit A but not anticipated at the time of execution of this Agreement. Additional Services shall be provided only when a Supplemental Agreement authorizing such Additional Services is approved by the City Manager, or his or her designee. City reserves the right to perform any Additional Services with its own staff or to retain other Vendors to perform said Additional Services.

2. Vendor's compensation for Additional Services shall be based on the total number of hours spent on Additional Services multiplied by the employees' appropriate billable hourly rate as established below. City, at its option, may negotiate a fixed fee for some or all Additional Services as the need arises. Where a fixed fee for Additional Services is established by mutual Agreement between City and Vendor, compensation to Vendor shall not exceed the fixed fee amount.

2. Appropriate Billable Hourly Rates for Services and Additional Services. Not Applicable; Vendor will be paid on an as-needed basis and as quoted by Vendor for work to be done.

3. Vendor's Reimbursable Expenses. Reimbursable Expenses shall be

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

limited to actual reasonable expenditures of Vendor for expenses that are necessary for the proper completion of the Services and shall only be payable if specifically authorized in advance by City.

4. Payments to Vendor.

A. Payments to Vendor shall be made within a reasonable time after receipt of Vendor's invoice, said payments to be made in proportion to services performed. Vendor may request payment on a monthly basis. Vendor shall be responsible for the cost of supplying all documentation necessary to verify the monthly billings to the satisfaction of City.

B. All invoices submitted by Vendor shall be (1) billed on a month-to-month basis (i.e., the first of the month through the end of the month), (2) submitted by email to PurchasingSupport_WaterDept@cityofvallejo.net, and (3) must contain the following information:

1. Description of services billed under the invoice
2. Date of Invoice Issuance
3. Sequential Invoice Number
4. City's Purchase Order Number
5. Statement of Work Number
6. Social Security Number or Taxpayer Identification Number
7. Amount of the Invoice (Itemize all Reimbursable Expenses)
8. Total Billed to Date

C. Items shall be separated into Services and Reimbursable Expenses. Billings that do not conform to the format outlined above shall be returned to Vendor for correction. City shall not be responsible for delays in payment to Vendor resulting from Vendor's failure to comply with the invoice format described above.

D. Request for payment shall be sent to:

John Palesi, Facilities Superintendent
Water Department, City of Vallejo
202 Fleming Hill Road
Vallejo, CA 95489
(707) 648-4519 / john.palesi@cityofvallejo.net

5. Accounting Records of Vendor. Vendor shall maintain for three (3) years after completion of all services hereunder, all records under this Agreement, including, but not limited to, records of Vendor's direct salary costs for all Services and Additional Services performed under this Agreement and records of Vendor's Reimbursable Expenses, in accordance with generally accepted accounting practices. Vendor shall keep such records available for audit, inspection and

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

copying by representatives of the City's Finance Department or other government agencies during regular business hours upon twenty four (24) hours' notice.

The obligations of Vendor under this section shall survive this Agreement.

6. Taxes. Vendor shall pay, when and as due, any and all taxes incurred as a result of Vendor's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

7. Taxpayer Identification Number. Vendor shall provide City with Vendor's complete Request for Taxpayer Identification Number and Certification, Form W-9, as issued by the Internal Revenue Service, and any other State or local tax identification number requested by City.

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

EXHIBIT C

INSURANCE REQUIREMENTS

Vendor shall procure and maintain for the duration of this Agreement, including any extensions thereto, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by the Vendor, their agents, representatives, or employees or subcontractors. It shall be a requirement under this Agreement that any available insurance proceeds broader than or in excess of the specified minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured; whichever is greater. No representation is made that the minimum Insurance requirements of this agreement are sufficient to cover the obligations of the Vendor under this agreement.

1. Minimum Scope of Insurance. Coverage shall be at least as broad as:

A. Insurance Services Office form number GL 0002 covering Comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability; or Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001).

B. Insurance Services Office form number CA 0001 covering Automobile Liability, code 1 any auto and endorsement CA 0025.

C. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

D. Professional Liability insurance: Omitted.

2. Minimum Limits of Insurance. Vendor shall maintain limits no less than:

A. General Liability: $2,000,000 per occurrence for bodily injury, personal injury, and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

B. Automobile Liability: $1,000,000 per accident for bodily injury and property damage.

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

C. Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease. If Vendor is not subject to California Workers' Compensation requirements, Vendor shall file a completed *Request for Waiver of Workers' Compensation Insurance Form* which may be obtained from the City prior to commencing any activity authorized hereunder.

D. Professional Liability (Errors and Omission): Omitted.

3. Deductible and Self-Insured Retention (SIR). Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City of Vallejo, its officers, officials, employees and volunteers; or the Vendor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses. All SIRs must be disclosed to the City's Risk Manager for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Insured or the City.

4. Other Insurance Provisions.

A. Additional Insured Endorsements: The City of Vallejo, its officers, officials, employees, agents and volunteers are to be covered as Additional Insureds as respects; liability, including defense costs, arising out of activities performed by or on behalf of the Vendor; products and completed operations of the Vendor; premises owned, occupied or used by the Vendor; or automobiles owned, leased hired or borrowed by the Vendor. Additional Insured endorsements with respect to General Liability, Auto and Umbrella/Excess Insurance shall be attached to the Certificate of Insurance presented to the City.

B. 30 Days' Notice of Cancellation Endorsements: Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

C. Waiver of Subrogation Rights Endorsement: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against City, its officers, officials, employees, agents and volunteers, which might arise by reason of payment under such policy in connection with Vendor's performance under this Agreement. The waiver of subrogation rights endorsement in favor of the City of Vallejo shall be attached to the Certificate of Insurance.

D. The limits of Insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess Insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Vallejo before the City's own Insurance or self-insurance shall be called upon to protect it as a named insured.

E. The insurance coverage shall contain no special limitations on the scope of protection afforded to the City of Vallejo, its officers, officials, employees, agents or volunteers. For any claims related to this project, the Vendor's insurance coverage shall be primary insurance as respects the City of Vallejo, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the City of Vallejo, its officers, officials, employees, agents, or volunteers shall be excess of the Vendor's insurance and shall not contribute with it.

F. The Vendor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

G. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees, agents, or volunteers.

H. The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. Acceptability of Insurers. The insurance is to be issued by companies licensed to do business in the State of California. The insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII.

6. Verification of Coverage. Vendor shall furnish the City with certificates of insurance and original endorsements. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the City before work commences. The City reserves the right to obtain a full certified copy of any Insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

7. Subcontractors. Vendor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

DocuSign Envelope ID: 10F58991-4357-4C35-81F0-B21DD8D4E6C4

8. Payment Withhold. City will withhold payments to Vendor if the certificates of insurance and endorsements required in Paragraph F, above, are canceled or Vendor otherwise ceases to be insured as required herein.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
ANY PERSON OR ORGANIZATION THAT IS AN OWNER OF REAL PROPERTY OR PERSONAL PROPERTY FOR WHOM YOU WORK OR HAVE WORKED, OR A CONTRACTOR ON WHOSE BEHALF YOU WORK OR HAVE WORKED, BUT ONLY IF COVERAGE AS AN ADDITIONAL INSURED EXTENDING TO "BODILY INJURY" OR "PROPERTY DAMAGE" INCLUDED IN THE "PRODUCTS-COMPLETED OPERATIONS HAZARD" IS REQUIRED BY A WRITTEN CONTRACT OR WRITTEN AGREEMENT THAT IS AN "INSURED CONTRACT" AND PROVIDED THAT THE "BODILY INJURY" OR "PROPERTY DAMAGE" FIRST OCCURS SUBSEQUENT TO THE EXECUTION OF THE CONTRACT OR AGREEMENT.	ALL LOCATIONS EXCEPT LOCATIONS WHERE "YOUR WORK" IS OR WAS RELATED TO A JOB OR PROJECT INVOLVING SINGLE-FAMILY DWELLINGS, MULTI-FAMILY DWELLINGS (OTHER THAN RENTAL APARTMENTS IN AN APARTMENT BUILDING: (A) ORIGINALLY CONSTRUCTED AND AT ALL TIMES USED FOR SUCH PURPOSE, OR (B) CONVERTED FROM A COMMERCIAL BUILDING), CONDOMINIUMS, TOWNHOMES, TOWNHOUSES, TIME-SHARE UNITS, FRACTIONAL-OWNERSHIP UNITS, COOPERATIVES AND/OR ANY OTHER STRUCTURE OR SPACE USED OR INTENDED TO BE USED AS A RESIDENCE.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance**:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
ANY PERSON OR ORGANIZATION THAT IS AN OWNER OR MANAGER OF REAL PROPERTY OR PERSONAL PROPERTY ON WHICH YOU ARE PERFORMING ONGOING OPERATIONS, OR A CONTRACTOR ON WHOSE BEHALF YOU ARE PERFORMING ONGOING OPERATIONS, BUT ONLY IF COVERAGE AS AN ADDITIONAL INSURED IS REQUIRED BY A WRITTEN CONTRACT OR WRITTEN AGREEMENT THAT IS AN "INSURED CONTRACT", AND PROVIDED THE "BODILY INJURY" OR "PROPERTY DAMAGE" FIRST OCCURS, OR THE "PERSONAL AND ADVERTISING INJURY" OFFENSE IS FIRST COMMITTED, SUBSEQUENT TO THE EXECUTION OF THE CONTRACT OR AGREEMENT.	ALL LOCATIONS AT WHICH THE NAMED INSURED IS PERFORMING ONGOING OPERATIONS.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

© Insurance Services Office, Inc., 2012

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

ADDITIONAL INSURED WHEN REQUIRED BY CONTRACT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

This provision does not apply in regard to any ownership, maintenance or use of the additional insured's "autos."

Additional Insured When Required by Contract

(1) Paragraph **A.1. – WHO IS AN INSURED – of Section II – Liability Coverage** is amended to add:

d. When you have agreed, in a written contract or written agreement, that a person or organization be added as an additional insured on your business auto policy, such person or organization is an "insured", but only to the extent such person or organization is liable for "bodily injury" or "property damage" caused by the conduct of an "insured" under paragraphs a. or b. of Who Is An Insured with regard to the ownership, maintenance or use of a covered "auto."

The insurance afforded to any such additional insured applies only if the "bodily injury" or "property damage" occurs:

(1) During the policy period, and

(2) Subsequent to the execution of such written contract, and

(3) Prior to the expiration of the period of time that the written contract requires such insurance be provided to the additional insured.

(2) How Limits Apply

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

(a) The limits of insurance specified in the written contract or written agreement; or

(b) The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

(3) Additional Insureds Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that the insurance is primary and non-contributory with the additional insured's own insurance.

(4) Duties in The Event Of Accident, Claim, Suit or Loss

If another person or organization is added as an additional insured on your policy, the additional insured shall be required to comply with the provisions in **A. Loss Conditions 2. – Duties In The Event Of Accident, Claim, Suit Or Loss – of SECTION IV – BUSINESS AUTO CONDITIONS**, in the same manner as the Named Insured.

Hi Rebecca,

Truly, the PL coverage for these types of repairs, installations, etc. is critically important insurance as many things can go wrong and the integrity of systems can be compromised. I hope that we did not set a bad precedent with the Western Machinery. We need to continue to emphasize the importance of this coverage for all such engagements.

Having said that, we are not closing the door on the possibility of making exceptions for truly emergency situations.
It sounds like this one fits the criteria for an exception. I am open to it if Randy is also onboard.

Thanks,

Hi Armond — thank you for the quick response.

You waived the PL insurance for Western Machinery when Debbie requested … (thank you by the way!). Is this a different risk and that is why you don't want to here?

They have already made emergency repairs and the work is ongoing to make the permanent stable repairs.

The vendor explained why they don't carry … do you need to see that?

Thank you!

Rebecca

Randy, is it okay to use the Professional Services Agreement (minus the Professional Liability provision) for the work identified in the attached scopes? I believe that some of the work has already been performed as this was an emergency procurement. There is work remaining to be done and I am trying to get an agreement in place.

We had a critical failure at the end of July and they were the only vendor to respond to our plea for assistance.

Armond, COI is attached for your review and comment.

Thank you both,

Rebecca

FIRST AMENDMENT TO
AGREEMENT #22-WD041 BETWEEN
CITY OF VALLEJO
AND
H.A.R.T., INC.

This First Amendment to Professional Services Agreement #22-WD041 made and entered into on August 01, 2018, hereafter referred to as Agreement, between High-Voltage Apparatus Repair and Testing Co. (H.A.R.T.), a California Corporation, therein referred to as Vendor, and the City of Vallejo, a municipal corporation, therein referred to as City, is made and entered into on this 17th day of May, 2022.

Vendor and City do mutually agree as follows:

1. Amendment to Exhibit B, Section 1 (Vendor's Compensation). Section 1 of Exhibit B to the Professional Services Master Agreement shall be modified to read:

1. Vendor's Compensation.

A. Services: City agrees to pay Vendor, at the rate(s) specified below for those Services set forth in Exhibit A of this Agreement and for all reimbursable expenses for a total not to exceed One Hundred Fifty Thousand Dollars and No Cents ($150,000.00).

Vendor shall notify City in writing no later than thirty (30) days prior to the estimated date when Vendor will have billed City the maximum payment amount permitted under this Agreement, and Vendor shall provide City with an estimate of the additional compensation required to complete the project.

City agrees to pay Vendor for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses upon satisfactory completion of the services and delivery of the work product.

2. Integration. This First Amendment contains the entire agreement between the parties with respect to its subject matter and supersedes whatever oral or written understanding they may have had prior to the execution of this First Amendment. This First Amendment shall not be amended or modified except by a written agreement executed by each of the parties.

Except as specifically revised herein, all terms and conditions of the Agreement shall remain in full force and effect, and Vendor shall perform all duties, obligations and conditions required under the Agreement.

3. Inconsistencies. In the event of any conflict or inconsistency between the provisions of this First Amendment and the Agreement, the provisions of this Second Amendment shall control in all respects.

4. Ambiguities. The parties have each carefully reviewed this First Amendment and have agreed to each term of this First Amendment. No ambiguity shall be presumed to be construed against either party.

5. Counterparts. This First Amendment may be executed by the parties in one or more counterparts all of which collectively shall constitute one document and agreement.

6. Authority. The person signing this First Amendment for Consultant hereby represents and warrants that he or she is fully authorized to sign this First Amendment on behalf of Consultant.

7. Ambiguities. The parties have each carefully reviewed this First Amendment and have agreed to each term of this First Amendment. No ambiguity shall be presumed to be construed against either party.

8. Counterparts. This First Amendment may be executed by the parties in one or more counterparts, all of which collectively shall constitute one document and agreement.

9. Authority. The person signing this First Amendment for Consultant hereby represents and warrants that he or she is fully authorized to sign this First Amendment on behalf of Consultant.

SUBJECT: **NOTICE OF INTENT TO AMEND FY2021-22 SOLID WASTE FUND BUDGET AND EXECUTE GRANT AGREEMENTS**

RECOMMENDATION

Provide notice of intent to amend the Solid Waste Fund budget to recognize grant revenue and to authorize the City Manager to execute the grant agreements.

REASONS FOR RECOMMENDATION

The City applied for and was awarded grant funds totaling $29,381, which will be utilized to provide litter reduction, outreach and education to enhance bottle and can recycling activities. In addition, the City applied and was awarded grant funds totaling $167,109, which will be utilized to help the City to implement SB 1383 organic waste related programs and comply with the regulations of this new State mandate. Per City Charter Section 703, amending the budget requires a public notice of intent prior to taking any action. A staff report with recommendations to amend the budget will be presented to City Council at the next regularly scheduled City Council meeting on June 28, 2022.

BACKGROUND AND DISCUSSION

An application for the City/County Beverage Container Recycling Grant was submitted by staff on December 14, 2021. On March 22, 2022, staff received notification from the Department of Resource and Recovery (CalRecycle) that grant funding in the amount of $29,381 was awarded to the City of Vallejo.

In addition, an application for the SB 1383 Local Assistance Grant Program was submitted by staff on January 14, 2022. On April 27, 2022, staff received notification from CalRecycle that grant funding in the amount of $167,109 was awarded to the City of Vallejo.

This is the first step in the two-step process to amend the FY 2021-22 Solid Waste Fund budget. A detailed staff report and draft resolution will be presented to City Council for consideration at the next regular meeting.

FISCAL IMPACT

The notice of intent does not have any fiscal impact. A future recommended action to increase the FY 2021-22 Solid Waste Fund budget by $196,490 to recognize grant revenues and allocate expenditure funds will be presented at the next regular City Council meeting.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **RESOLUTION AWARDING A CONSTRUCTION CONTRACT FOR THE SACRAMENTO STREET ROAD DIET AND REHABILITATION PROJECT (PW9729) TO BAY CITIES PAVING AND GRADING, INC.**

RECOMMENDATION

Adopt a Resolution approving project plans and specifications for the Sacramento Street Road Diet and Rehabilitation between Tennessee and Capitol Street, Federal Aid Project No. STPL-5030(067) (PW9729) and awarding a construction contract in the amount of $721,000.00, to Bay Cities Paving and Grading Inc.

REASONS FOR RECOMMENDATION

This project is part of the City's efforts to maintain and enhance its existing infrastructure.

BACKGROUND AND DISCUSSION

The Metropolitan Transportation Commission (MTC) authorized the Solano Transportation Authority to program OBAG Cycle 2 funds for projects. The City of Vallejo was awarded $681,000 in Surface Transportation Program (STP) funding for the Sacramento Street Pavement Rehabilitation Project. As part of the funding application, MTC required the City of Vallejo to commit the necessary local matching funds in the amount of 11.47% of the total project costs and to provide assurances that the project will be completed as programmed.

On June 30, 2020, the City Council adopted a resolution to amend the FY 2020-2021 Capital Improvement and Major Maintenance Program (CIMMP) Budget to recognize the STP $681,000 funds. The FY 2021-22 proposed Budget includes another $73,093 to provide additional funds for bicycle and pedestrian improvements included in this project.

This project covers residential, park, and school segments of Sacramento Street from Tennessee Street to Capitol Street, where current road conditions have deteriorated and have been in poor condition for several years. The road diet is planned to incorporate bike lanes on the roadway and to improve the pavement and pedestrian pathways.

The Plans and Specifications, prepared and completed under the direction of the City Engineer, were advertised on March 11, 2022. A six-week-six day advertising period was fulfilled for this project. On April 27, 2022, sealed bids were opened and publicly read by the Deputy City Clerk. The City received three (3) bids and the result of the bid for the subject project, in order from lowest to highest, was as follows:

Bid Order	Contractor	Total Base Bid Amount
1	Bay Cities Paving and Grading Inc.,	$ 721,000.00
2	Maggiora & Ghilotti, Inc.,	$ 727,727.00
3	Team Ghilotti, Inc.,	$ 917,141.00

Staff recommends awarding a construction contract to the lowest responsive and responsible bidder, Bay Cities Paving and Grading Inc., of Concord, California, in the amount of $721,000.00. All submitted bid documents appear to be complete, in order, and meet all bid requirements. The contract specifies 60 working days and construction is expected to begin in late summer 2022.

Staff will post a notice to the public of the upcoming construction project on the City's website identifying the affected segments of Sacramento Street. The contractor is obligated to post "no parking" signs 72 hours prior to the commencement of work on the affected street and to provide notes on door hangers as a way to inform the public.

FISCAL IMPACT

There will be no fiscal impact on the General Fund associated with this item, as it is being funded through the capital program funds.

PROJECT (PW9729)	**BUDGET**	**EXPENDITURES**
Fund 203, 219, 221	$1,244,404	
Design (Staff and Consultant)		$129,204
Construction Contract		$721,000
Construction Contingency (20%)		$144,200
Construction Management & Inspection (Staff & Consultant)		$250,000
TOTALS	**$1,244,404**	**$1,244,404**

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guideline section 15301(c) “Existing Facilities” which applies to the repair and maintenance of highways and streets sidewalks, gutters, bicycle and pedestrian trails, and similar facilities (this includes road grading for the purpose of public safety), and other alterations such as the addition of bicycle facilities, including but not limited to bicycle parking, bicycle-share facilities and bicycle lanes, transit improvements such as bus lanes, pedestrian crossings, street trees, and other similar alterations that do not create additional automobile lanes.

FOR

SACRAMENTO STREET ROAD DIET AND REHABILITATION BETWEEN TENNESSEE STREET AND CAPITOL STREET FEDERAL AID PROJECT NO. STPL-5030(067)

THIS CONTRACT ("Contract") made and concluded in duplicate this_____ day of _____, 2022, at Vallejo, California, by and between the City of Vallejo, a municipal corporation of the State of California, acting by and through its City Council, hereinafter called City, and _____, **[enter type of entity]**, hereinafter called CONTRACTOR.

WITNESSETH:

WHEREAS, the City Council of said City heretofore caused plans and specifications for the work hereinafter mentioned to be prepared, and thereafter did approve and adopt said plans and specifications; and,

WHEREAS, the City Council of said City did cause to be noticed for the time and in the manner required by law a notice inviting sealed bids for the performance of said work; and,

WHEREAS, Contractor, in response to such notice, submitted to the City Council of said City within the time specified in said notice, and in the manner provided for therein, a sealed bid for the performance of the work specified in said plans and specifications, which said bid and proposal, and the other bids and proposals submitted in response to said notice, the City Council of City, by and through its authorized representatives, publicly opened and canvassed in the manner provided by law; and,

WHEREAS, Contractor was the lowest responsible bidder for the performance of said work, and said City Council of City, as a result of the canvass of said bids, did determine and declare Contractor to be the lowest responsible bidder for the work and award to it a contract therefore.

NOW, THEREFORE, in consideration of the above, it is mutually agreed between the parties hereto as follows, to wit:

1. SCOPE OF WORK

The work to be done, in general terms, consists of:

- Establishing traffic control and/or detour route around the project site
- Pavement Resurfacing
- Adjusting to grade of existing utilities

- Installation of Curb Ramps
- Pavement Striping and Signage
- Traffic Signal Modifications to Vehicle/Bicycle Detection
- Protecting in place all items on private and public properties that are not shown on the plans to be removed or modified

The Contractor shall provide all labor, tools, and materials for a complete and working project in conformance with the intent shown on the drawings and specified herein and as provided for and set forth in said plans, specifications, and any addendum that may be issued prior to the date of bid, or in either of them, which said plans and specifications are hereby referred to by such reference, incorporated herein, and made a part of this Contract.

The following documents shall constitute the Contract Documents:

(a) Notice to Contractors;
(b) Instructions to Bidders;
(c) Proposal Form;
(d) Plans;
(e) Specifications, special provisions;
(f) Change Orders thereto;
(g) Standard Specifications of the State of California, Business and Transportation Agency, Department of Transportation, 2018 edition, Sections 10 through 95, all as modified herein;
(h) City of Vallejo Regulations and Standard Specifications for Public Improvements, December 2011 edition;
(i) Vallejo Sanitation & Flood Control District Master Bid Document, dated March 2007 and Addendum to Master Bid Document (MBD) March 2014;
(j) Any other documents identified as such in the Contract Documents.

2. TERMS AND CONDITIONS

This Contract consists of the Contract Documents identified as such, all of which are incorporated herein by reference as though set forth in full, and all of which are part of this Contract, and Contractor and City agree to comply with and fulfill all obligations, promises, covenants and conditions imposed upon each of them in the Contract Documents. All of said work done under this Contract shall be performed to the satisfaction of the City Council, or its representative, who shall have the right to reject any and all materials and supplies furnished by Contractor which do not strictly comply with said plans and specifications, together with the right to require Contractor to replace any and all work furnished by Contractor which shall not either in workmanship or material be in strict accordance with said plans and specifications.

The said Contractor agrees to receive and accept the prices set forth in the proposal as full compensation for furnishing all materials and for doing all the work contemplated and embraced in this agreement, also for all loss or damage arising out of the nature of the work aforesaid, or from the action of the elements or from any foreseen difficulties or obstructions which may arise or be encountered in the prosecution of the work until its acceptance by the City and for all risks of every description, connected with the work; also for all discontinuance of work, and for well and faithfully completing the

work, and the whole thereof, in the manner and according to the Plans and Specifications and the requirements of the Engineer under them.

By my signature as Contractor, I certify that I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this contract.

Pursuant to Section 1700, and following, of the California Labor Code, the Contractor shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Copies of such prevailing rate of per diem wages are attached herein as Exhibit B. The Contractor shall forfeit, as penalty to the City, One hundred Dollars ($100.00) for each calendar day or portion thereof, for each workman paid less than the stipulated prevailing rates for any work done under the contract by it or by any subcontractor under it, in violation of the provisions of such Labor Code.

City shall pay Contractor the sums set forth on Exhibit A, hereto, in accordance with all of the terms and conditions of the Contract Documents.

The Contractor shall be permitted to substitute designated securities for any moneys withheld by the City of Vallejo to insure performance under the Contract. This right of substitution shall be exercised in the manner and subject to the conditions specified in the Contract Documents. The provisions of Public Contract Code section 22300 are incorporated herein by reference as though set forth in full and shall govern the substitution of securities and/or escrow account.

The person signing this Agreement for Contractor hereby represents and warrants that he/she is fully authorized to sign this Agreement on behalf of Contractor.

Exhibit C (Federal Requirements for Federal Aid Construction Projects) is also attached.

FROM: Melissa Tigbao, Public Works Director
SUBJECT: **NOTICE OF INTENT TO AMEND FISCAL YEAR 2021-2022 CAPITAL IMPROVEMENT PROJECT BUDGET FOR THE ALDEN PARK FLAGPOLE REHABILITATION PROJECT**

RECOMMENDATION

Receive the Notice of Intent to amend the FY 21-22 Capital Improvement Project budget to reallocate $65,000 of existing budget from the Mare Island Community Facilities District (CFD) Fund to Project PW9442 Mare Island Facilities Major Maintenance for the Alden Park historical flagpole rehabilitation project.

REASONS FOR RECOMMENDATION

The historic flagpole at Alden Park is in poor condition and in need of repair. A major maintenance project allows for better management of this type of work.

BACKGROUND AND DISCUSSION

This is the first step in the two-step process to amend the FY 2021-2022 Capital Improvement Project budget. A detailed staff report and draft resolution will be presented to City Council for consideration at the next regular meeting.

The historic flagpole at Alden Park was in poor condition and in need of repair, and was removed due to safety concerns. Additional funds must be transferred to the project to fund the research, design and careful completion of the in-kind rehabilitation necessary to preserve the appearance of this historic structure. Per City Charter Section 703, amending the budget requires one week's notice of intent to be given prior to taking any action. A staff report with a recommendation to amend the budget for this project will be presented to City Council at the next regularly scheduled City Council meeting on June 28, 2022.

FISCAL IMPACT

Staff is providing a notice of intent to amend the FY 2021-22 Capital Improvement Project budget in the amount of $65,000 for the Alden Park Flagpole Rehabilitation project. The budget which will be moved into the project will be in the existing operations budget so as to not add any new fees for the residents. There is no fiscal impact with this item.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15301(d) relating to the restoration and rehabilitation of deteriorated and damaged structures and section 15331 for the restoration and rehabilitation of historical resources.

SUBJECT: **NOTICE OF INTENT TO AMEND FISCAL YEAR 2021-22 BUDGET FOR YOUTH STRATEGIC PLAN FUNDS**

RECOMMENDATION

Receive the Notice of Intent to amend the Strategic Youth Development Plan to allocate $290,000 from the General Fund to a Multi-Year Operation Project.

REASONS FOR RECOMMENDATION

The City Council has prioritized Youth Engagement as one of its 2022-2023 strategic goals. In order to allow for the development of a strategic plan that will properly address the needs of youth, staff are recommending the funds be moved from the General Fund to a Multi-Year Operation Project to allow staff proper time to hire a Youth Development Coordinator and engage with the community to complete a City-wide needs assessment. In order to develop the Youth Strategic plan, additional time must be granted to complete this work.

BACKGROUND AND DISCUSSION

This is the first step in the two-step process to amend the FY 2021-2022 Strategic Youth Development Plan. A detailed staff report and draft resolution will be presented to City Council for consideration at the next regular meeting.

FISCAL IMPACT

Staff is providing a notice of intent to amend the FY 2021-22 budget in the amount of $290,000 to move the allocated funds from the General Fund to a Multi-Year Operation Project. Youth Strategic Plan budget will be allocated as follows:

Description	Anticipated Budget
Workforce Development - The Vallejo Naval & Historical Museum will pilot a youth workforce development program. This pilot program will staff 2 youth positions (ages 18-26) at $16/hour for 100 hours.	$4,000
Immersive Learning Center TAP H20 Project - This program will engage elementary school students in water resource management education that includes hands-on activities, projects and field trips. The students will work on improving school readiness skills, reading and math through their Student S.T.E.A.M. (Science, Technology, Engineering, the Arts and Mathematics) Education. This will be a two-week program with 4 cohorts (with a maximum of 14 students per cohort).	$7,185

Needs assessment – Phase 1: Develop foundational elements to provide basis for strategic action. RFP will be launched to find appropriate vendor/contractor	$83,815
Needs assessment – Phase 2: Build capacity of youth, city and community partners to develop a community ecosystem that can develop and sustain high quality youth services and programming. RFP will be launched to find appropriate vendor/contractor	$96,000
Strategic Youth Development Plan – Phase 3: design, implement and sustain high quality youth services to serve youth aged 0-25. RFP will be launched to find appropriate vendor/contractor	$99,000

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

SUBJECT: **AMEND FY 2021-22 BUDGET TO APPROPRIATE $12,091,866 FOR HOMEKEY GRANT AWARD (STEP 2 OF 2)**

RECOMMENDATION

Adopt a resolution to amend the Capital Grant and Contribution Fund#221 Fiscal Year 2021-22 Budget to appropriate Homekey grant funds for $12,091,866 to be used for implementation of the grant.

REASONS FOR RECOMMENDATION

This appropriation will allow the City to accept the Department of Housing and Community Development (Department) (HCD) grant award for Homekey Round 2 in the amount of $12,091,866. Authorization will provide the budget amendment to effectively manage the grant funds and to utilize such funds for the expenditures related to its implementation.

BACKGROUND AND DISCUSSION

Homekey Program

The California Department of Housing and Community Development (HCD) announced Round 2 of Homekey funds on September 9, 2021. The program makes $1.45 billion available in Homekey funding to rapidly expand housing inventory for people experiencing homelessness or At Risk of Homelessness (Target Population). Local public entities can submit a broad range of housing projects types, including but not limited to hotels, motels, hostels, single-family homes and multifamily apartments, adult residential facilities, and manufactured housing, and to convert commercial properties and other existing buildings to Permanent or Interim Housing for the Target Population.

Applications were scored on various factors, including the ability to expend funds in a timely manner and demonstrate operating leverage, development team and service provider experience, racial equity and community engagement, and community impact and site selection. All projects must be completed within eight months and be fully occupied shortly thereafter. Due to the expedited timeline, applicants were permitted to apply with desired partners meaning a formal Request for Proposals was not required.

Process

Staff came to Council on January 25, 2022 to adopt a resolution authorizing the City Manager to apply for California Project Homekey funding with Firm Foundation Community Housing and Shelter, Inc. for a 48-unit permanent supportive housing project to be constructed at APN: 0067-140-150.

Staff submitted an application to HCD on January 31, 2022.

On April 19, 2022, HCD Homekey staff connected with the City and our project partners to discuss the submitted application and request additional information. Staff worked closely with HCD staff to update our application (attached) and submitted all additional requested information on April 29, 2022.

On May 10, 2022, the City of Vallejo and Firm Foundations Community Housing and Shelter, Inc. received the award letter from HCD.

On June 7, 2022 staff come to Council with a resolution to accept the Homekey award and provide Step 1 of the 2 step process to Provide Notice of Intent to amend the Capital Grant and Contribution Fund# 221 Fiscal Year 2021-22 Budget to recognize the Homekey grant revenue in the amount of #12,091,866 and appropriate expenditures of $12,091,866 during the eligible funding time period.

This project will not go before the Planning Commission. The State's Homekey funds require ministerial processing with building permit only.

Project and Partners
The Broadway Project is a 48-unit permanent supportive modular housing project designed to house chronically homeless individuals. If awarded, the City would help bring this project to fruition within eight months in partnership with Firm Foundation Community Housing, Shelter, Inc., and Factory OS. The project will include a community room, courtyard, and access to a rooftop deck. On-site supportive services will be client-centered, strengths-based, and trauma-informed to help participants with goal setting, life skills, financial literacy, budgeting, needs assessments, and connections to benefits and community resources.

FISCAL IMPACT

Approval of this item will increase FY 2021-22(HKEY22) revenues by $12,091,866. The expenditure budget will be adjusted by the same amount.

Capital Grant and Contribution Fund #221	**Project #**	**Revenue**	**Expenditure**
Increase Budget for Broadway Project	HKEY22	$12,091,866	$12,091,866

ENVIRONMENTAL REVIEW

AB 140 (2021) establishes a statutory exemption from the California Environmental Quality Act (CEQA) for activities funded by Homekey Round 2. (Health & Saf. Code, § 50675.1.4.) The City of Vallejo anticipates finding the project statutorily exempt under CEQA, in that the project will utilize Project Homekey funds and meets all other requirements to be deemed exempt. Any project using Homekey funds for any of the purposes listed in the Homekey NOFA is deemed consistent with “local plan, standard, or requirement, and any applicable coastal plan, local or otherwise,” and “allowed as a permitted use, within the zone in which the structure is located, and shall not be subject to a conditional use permit, discretionary permit, or any other discretionary reviews or approvals.” (Health and Safety Code 50675.1.3 (i)) NEPA is scheduled to be completed by 8/1/2022.

A RESOLUTION AMENDING THE CAPITAL GRANT AND CONTRIBUTION FUND 3221 FISCAL YEAR 2021-22 BUDGET TO INCREASE REVENUES AND EXPENDITURES IN THE AMOUNT OF $12,091,866 FOR THE PROJECT HOMEKEY BROADWAY PROJECT

WHEREAS, the California Department of Housing and Community Development ("Department") has issued a Notice of Funding Availability, dated September 9, 2021 ("NOFA), for Homekey Program ("Homekey" or "Program) pursuant to Health and Safety Section 50675.1.13 (Assem. Bill No. 2021-2022 Reg. Sess.), § 20.); and

WHEREAS, the City of Vallejo ("City") submitted an application on January 31, 2022; and

WHEREAS, the City was successfully awarded $12,091,866 of Homekey Round 2 funding on May 10, 2022; and

WHEREAS, the funds are to be used to cover costs associated with the development of the Broadway Project; and

WHEREAS, in accordance with the City Charter, notice of the intent to amend the budget was provided on June 7, 2022.

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby amends the Capital Grant and Contribution Fund #221 budget for Fiscal Year 2021-22 by increasing revenues and expenditures in the amount of $12,091,866 to accept the Homekey grant funds and to implement the proposed project as indicated in the grant application.

SUBJECT: **ADOPT SECOND AMENDMENT TO BEAUCHAINE CONSULTING AGREEMENT**

RECOMMENDATION

Authorize the City Manager to execute a Second Amendment to the Agreement with Beauchaine Consulting Group, LLC. for HR Consulting services increasing compensation by $51,000, to an amount not to exceed $150,000.

REASONS FOR RECOMMENDATION

Accepting this Second Amendment to the Beauchaine Consulting Group, LLC., master agreement will allow the City to use Beauchaine's consulting services to complete projects and meet deadlines.

BACKGROUND AND DISCUSSION

The City of Vallejo has contracted with Beauchaine Consulting to provide assistance with Employee and Labor Relations issues in the absence of a permanent Human Resources Director. In addition, Beauchaine Consulting will also provide bargaining support for negotiations with employee labor groups, which will require more time than previously anticipated.

While efforts are being made to fill various positions to reduce the utilization of consulting agencies, existing operational needs being met through Beauchaine Consulting are on trend to exceed the original compensation limits of $99,000. The existing agreement with Beauchaine Consulting will require an increase to the maximum compensation amount so as not to disrupt the current work being performed for the City through December 31, 2022. The Second Amendment would increase compensation by $51,000 for a new not-to-exceed limit of $150,000.

FISCAL IMPACT

There is no fiscal impact associated with the proposed action to increase the contract from $51,000 to an amount not to exceed $150,000 because FY 2021-22 funding for professional services is approved by City Council during the budget process or by approved budget transfers as a result of salary and other line items savings throughout each fiscal year.

Funding for professional services in future fiscal years will be subject to the funding levels approved in the adopted budget. Increasing the maximum compensation allowable under the agreements with Beauchaine Consulting provides Human Resources with a means of utilizing consulting services for which they have already established funding.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

SECOND AMENDMENT TO

AGREEMENT BETWEEN

CITY OF VALLEJO

AND

BEAUCHAINE CONSULTING GROUP, LLC.

This Second Amendment to the Consultant and Professional Services Agreement made and entered into on January 19, 2022 hereafter referred to as "Agreement", between Beauchaine Consulting Group, LLC., therein referred to as Consultant, and the City of Vallejo, a municipal corporation, therein referred to as City, is made and entered into on this 1st day of July, 2022.

Consultant and City do mutually agree as follows:

1. Amendment to Compensation. Both parties agree to increase the not to exceed amount of this agreement to $150,000.00 (Exhibit B Section A).

2. Integration. This Second Amendment contains the entire agreement between the parties with respect to its subject matter and supersedes whatever oral or written understanding they may have had prior to the execution of this Second Amendment. This Second Amendment shall not be amended or modified except by a written agreement executed by each of the parties. Except as specifically revised herein, all terms and conditions of the Agreement shall remain in full force and effect, and Consultant shall perform all duties, obligations and conditions required under the Agreement.

3. Inconsistencies. In the event of any conflict or inconsistency between the provisions of this Second Amendment and the Agreement, the provisions of this Second Amendment shall control in all respects.

4. Ambiguities. The parties have each carefully reviewed this Second Amendment and have agreed to each term of this Second Amendment. No ambiguity shall be presumed to be construed against either party.

5. Counterparts. This Second Amendment may be executed by the parties in one or more counterparts all of which collectively shall constitute one document and agreement.

6. Authority. The person signing this Second Amendment for Consultant hereby represents and warrants that he or she is fully authorized to sign this Second Amendment on behalf of Consultant.

IN WITNESS WHEREOF, the parties have entered into this Second Amendment on the day and year first hereinabove appearing

FIRST AMENDMENT TO

AGREEMENT BETWEEN

CITY OF VALLEJO

AND

BEAUCHAINE CONSULTING GROUP

This First Amendment to the Consultant and Professional Services Agreement made and entered into on January 19th, 2022 hereafter referred to as "Agreement", between Beauchaine Consulting Group, LLC., therein referred to as Consultant, and the City of Vallejo, a municipal corporation, therein referred to as City, is made and entered into on this 25th day of April, 2022.

Consultant and City do mutually agree as follows:

1. **Amendment to Compensation.** Both parties agree to increase the not to exceed amount of this agreement to $99,000.00 (Exhibit B Section A).

2. **Integration.** This First Amendment contains the entire agreement between the parties with respect to its subject matter and supersedes whatever oral or written understanding they may have had prior to the execution of this First Amendment. This First Amendment shall not be amended or modified except by a written agreement executed by each of the parties. Except as specifically revised herein, all terms and conditions of the Agreement shall remain in full force and effect, and Consultant shall perform all duties, obligations and conditions required under the Agreement.

3. **Inconsistencies.** In the event of any conflict or inconsistency between the provisions of this First Amendment and the Agreement, the provisions of this First Amendment shall control in all respects.

4. **Ambiguities.** The parties have each carefully reviewed this First Amendment and have agreed to each term of this First Amendment. No ambiguity shall be presumed to be construed against either party.

5. **Counterparts.** This First Amendment may be executed by the parties in one or more counterparts all of which collectively shall constitute one document and agreement.

DocuSign Envelope ID: 18990DF9-AB84-4728-B39E-7D82517CED23

6. Authority. The person signing this First Amendment for Consultant hereby represents and warrants that he or she is fully authorized to sign this Second Amendment on behalf of Consultant.

IN WITNESS WHEREOF, the parties have entered into this First Amendment on the day and year first hereinabove appearing

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

CALIFORNIA BUSINESS AUTO COVERAGE ENHANCEMENT ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage afforded by this endorsement, the provisions of the policy apply unless modified by the endorsement.

If the policy to which this endorsement is attached also contains a Business Auto Coverage Enhancement Endorsement with a specific state named in the title, this endorsement does not apply to vehicles garaged in that specified state.

SECTION II - LIABILITY COVERAGE is amended as follows:

1. **NEWLY FORMED OR ACQUIRED SUBSIDIARIES**

   SECTION II - LIABILITY COVERAGE, Paragraph **A.1. Who Is An Insured** is amended to include the following as an "insured":

   d. Any legally incorporated subsidiary of which you own more than 50 percent interest during the policy period. Coverage is afforded only for 90 days from the date of acquisition or formation. However, "insured" does not include any organization that:

      (1) Is a partnership or joint venture; or

      (2) Is an "insured" under any other automobile policy except a policy written specificall y to apply in excess of this policy; or

      (3) Has exhausted its Limit of Insurance or had its policy terminated under any other automobile policy.

© 2021 Liberty Mutual Insurance
Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Coverage under this provision **d.** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization.

2. EMPLOYEES AS INSUREDS

SECTION II - LIABILITY COVERAGE, Paragraph **A.1. Who Is An Insured** is amended to include the following as an "insured":

e. Any "employee" of yours while using a covered "auto" you do not own, hire or borrow but only for acts within the scope of their employment by you. Insurance provided by this endorsement is excess over any other insurance available to any "employee".

f. Any "employee" of yours while operating an "auto" hired or borrowed under a written contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business and within the scope of their employment. Insurance provided by this endorsement is excess over any other insurance available to the "employee".

3. ADDITIONAL INSURED BY CONTRACT, AGREEMENT OR PERMIT

SECTION II - LIABILITY COVERAGE, Paragraph **A.1. Who Is An Insured** is amended to include the following as an "insured":

g. Any person or organization with respect to the operation, maintenance or use of a covered "auto", provided that you and such person or organization have agreed in a written contract, written agreement, or permit issued to you by governmental or public authority, to add such person, or organization, or governmental or public authority to this policy as an "insured".

However, such person or organization is an "insured":

(1) Only with respect to the operation, maintenance or use of a covered "auto";

(2) Only for "bodily injury" or "property damage" caused by an "accident" which takes place after you executed the written contract or written agreement, or the permit has been issued to you; and

(3) Only for the duration of that contract, agreement or permit.

The "insured" is required to submit a claim to any other insurer to which coverage could apply for defense and indemnity. Unless the "insured" has agreed in writing to primary noncontributory wording per enhancement number 23, this policy is excess over any other collectible insurance.

4. SUPPLEMENTARY PAYMENTS

SECTION II - LIABILITY COVERAGE, Coverage Extensions, 2.a. Supplementary Payments, Paragraphs **(2)** and **(4)** are replaced by the following:

(2) Up to $3,000 for cost of bail bonds (including bonds for related traffic violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

5. AMENDED FELLOW EMPLOYEE EXCLUSION

In those jurisdictions where, by law, fellow "employees" are not entitled to the protection afforded to the employer by the workers compensation exclusivity rule, or similar protection, the following provision is added:

SECTION II - LIABILITY, Exclusion **B.5. Fellow Employee** does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire if you have workers compensation insurance in force for all of your "employees" at the time of "loss".

This coverage is excess over any other collectible insurance.

SECTION III - PHYSICAL DAMAGE COVERAGE is amended as follows:

6. HIRED AUTO PHYSICAL DAMAGE

Paragraph **A.4. Coverage Extensions** of **SECTION III - PHYSICAL DAMAGE COVERAGE,** is amended by adding the following:

If hired "autos" are covered "autos" for Liability Coverage, and if Comprehensive, Specified Causes of Loss or Collision coverage are provided under the Business Auto Coverage Form for any "auto" you own, then the Physical Damage coverages provided are extended to "autos":

© 2021 Liberty Mutual Insurance

a. You hire, rent or borrow; or

b. Your "employee" hires or rents under a written contract or agreement in that "employee's" name, but only if the damage occurs while the vehicle is being used in the conduct of your business,

subject to the following limit and deductible:

a. The most we will pay for "loss" in any one "accident" or "loss" is the smallest of:

(1) $50,000; or

(2) The actual cash value of the damaged or stolen property as of the time of the "loss"; or

(3) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality, minus a deductible.

b. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage.

c. Subject to the limit, deductible and excess provisions described in this provision, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

d. Subject to a maximum of $1,000 per "accident", we will also cover the actual loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss.

e. This coverage extension does not apply to:

(1) Any "auto" that is hired, rented or borrowed with a driver; or

(2) Any "auto" that is hired, rented or borrowed from your "employee" or any member of your "employee's" household.

Coverage provided under this extension is excess over any other collectible insurance available at the time of "loss".

7. **TOWING AND LABOR**

SECTION III - PHYSICAL DAMAGE COVERAGE, Paragraph **A.2. Towing** , is amended by the addition of the following:

We will pay towing and labor costs incurred, up to the limits shown below, each time a covered "auto" classified and rated as a private passenger type, "light truck" or "medium truck" is disabled:

a. For private passenger type vehicles, we will pay up to $75 per disablement.

b. For "light trucks", we will pay up to $75 per disablement. "Light trucks" are trucks that have a gross vehicle weight (GVW) of 10,000 pounds or less.

c. For "medium trucks", we will pay up to $150 per disablement. "Medium trucks" are trucks that have a gross vehicle weight (GVW) of 10,001 - 20,000 pounds.

However, the labor must be performed at the place of disablement.

8. **PHYSICAL DAMAGE - ADDITIONAL TRANSPORTATION EXPENSE COVERAGE**

Paragraph **A.4.a. Coverage Extensions, Transportation Expenses** of **SECTION III - PHYSICAL DAMAGE COVERAGE**, is amended to provide a limit of $50 per day and a maximum limit of $1,500.

9. **RENTAL REIMBURSEMENT**

SECTION III - PHYSICAL DAMAGE COVERAGE, A. Coverage , is amended by adding the following:

a. We will pay up to $75 per day for rental reimbursement expenses incurred by you for the rental of an "auto" because of "accident" or "loss", to an "auto" for which we also pay a "loss" under Comprehensive, Specified Causes of Loss or Collision Coverages. We will pay only for those expenses incurred after the first 24 hours following the "accident" or "loss" to the covered "auto."

b. Rental Reimbursement requires the rental of a comparable or lesser vehicle, which in many cases may be substantially less than $75 per day, and will only be allowed for the period of time it should take to repair or replace the vehicle with reasonable speed and similar quality, up to a maximum of 30 days.

c. We will also pay up to $500 for reasonable and necessary expenses incurred by you to remove and replace your tools and equipment from the covered "auto". This limit is excess over any other collectible insurance.

© 2021 Liberty Mutual Insurance
Includes copyrighted material of Insurance Services Office, Inc., with its permission.

d. This coverage does not apply unless you have a business necessity that other "autos" available for your use and operation cannot fill.

e. If "loss" results from the total theft of a covered "auto" of the private passenger type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided under Paragraph **4. Coverage Extension**.

f. No deductible applies to this coverage.

g. The insurance provided under this extension is excess over any other collectible insurance.

If this policy also provides Rental Reimbursement Coverage you purchased, the coverage provided by this Enhancement Endorsement is in addition to the coverage you purchased.

For the purposes of this endorsement provision, materials and equipment do not include "personal effects" as defined in provision **11.B.**

10. EXTRA EXPENSE - BROADENED COVERAGE

Under **SECTION III - PHYSICAL DAMAGE COVERAGE, A. Coverage**, we will pay for the expense of returning a stolen covered "auto" to you. The maximum amount we will pay is $1,000.

11. PERSONAL EFFECTS COVERAGE

A. SECTION III - PHYSICAL DAMAGE COVERAGE, A. Coverage, is amended by adding the following:

If you have purchased Comprehensive Coverage on this policy for an "auto" you own and that "auto" is stolen, we will pay, without application of a deductible, up to $600 for "personal effects" stolen with the "auto."

The insurance provided under this provision is excess over any other collectible insurance.

B. SECTION V - DEFINITIONS is amended by adding the following:

For the purposes of this provision, "personal effects" mean tangible property that is worn or carried by an "insured." "Personal effects" does not include tools, equipment, jewelry, money or securities.

12. ACCIDENTAL AIRBAG DEPLOYMENT

SECTION III - PHYSICAL DAMAGE COVERAGE, B. Exclusions is amended by adding the following:

If you have purchased Comprehensive or Collision Coverage under this policy, the exclusion for "loss" relating to mechanical breakdown does not apply to the accidental discharge of an airbag.

Any insurance we provide shall be excess over any other collectible insurance or reimbursement by manufacturer's warranty. However, we agree to pay any deductible applicable to the other coverage or warranty.

13. PHYSICAL DAMAGE DEDUCTIBLE - VEHICLE TRACKING SYSTEM

SECTION III - PHYSICAL DAMAGE COVERAGE, D. Deductible, is amended by adding the following:

Any Comprehensive Deductible shown in the Declarations will be reduced by 50% for any "loss" caused by theft if the vehicle is equipped with a vehicle tracking device such as a radio tracking device or a global position device and that device was the method of recovery of the vehicle.

14. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT COVERAGE

SECTION III - PHYSICAL DAMAGE COVERAGE, B. Exclusions, Paragraph **a.** of the exception to exclusions 4.c. and 4.d. is deleted and replaced with the following:

Exclusions **4.c.** and **4.d.** do not apply to:

a. Electronic equipment that receives or transmits audio, visual or data signals, whether or not designed solely for the reproduction of sound, if the equipment is:

(1) Permanently installed in the covered "auto" at the time of the "loss" or removable from a housing unit that is permanently installed in the covered "auto"; and

(2) Designed to be solely operated by use from the power from the "auto's" electrical system; and

(3) Physical damage coverages are provided for the covered "auto".

If the "loss" occurs solely to audio, visual or data electronic equipment or accessories used with this equipment, then our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by a $100 deductible.

15. LOAN / LEASE GAP COVERAGE (Not Applicable In New York)

A. Paragraph **C. Limit Of Insurance** of **SECTION III - PHYSICAL DAMAGE COVERAGE** is amended by adding the following:

The most we will pay for a "total loss" to a covered "auto" owned by or leased to you in any one "accident" is the greater of the:

1. Balance due under the terms of the loan or lease to which the damaged covered "auto" is subject at the time of the "loss" less the amount of:
   - **a.** Overdue payments and financial penalties associated with those payments as of the date of the "loss";
   - **b.** Financial penalties imposed under a lease due to high mileage, excessive use or abnormal wear and tear;
   - **c.** Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease;
   - **d.** Transfer or rollover balances from previous loans or leases;
   - **e.** Final payment due under a "Balloon Loan";
   - **f.** The dollar amount of any unrepaired damage which occurred prior to the "total loss" of a covered "auto";
   - **g.** Security deposits not refunded by a lessor;
   - **h.** All refunds payable or paid to you as a result of the early termination of a lease agreement or as a result of the early termination of any warranty or extended service agreement on a covered "auto";
   - **i.** Any amount representing taxes;
   - **j.** Loan or lease termination fees; or
2. The actual cash value of the damage or stolen property as of the time of the "loss".

   An adjustment for depreciation and physical condition will be made in determining the actual cash value at the time of the "loss". This adjustment is not applicable in Texas.

B. Additional Conditions

This coverage applies only to the original loan for which the covered "auto" that incurred the "loss" serves as collateral, or lease written on the covered "auto" that incurred the "loss".

C. SECTION V - DEFINITIONS is changed by adding the following:

As used in this endorsement provision, the following definitions apply:

"Total loss" means a "loss" in which the cost of repairs plus the salvage value exceeds the actual cash value.

A "balloon loan" is one with periodic payments that are insufficient to repay the balance over the term of the loan, thereby requiring a large final payment.

16. GLASS REPAIR - WAIVER OF DEDUCTIBLE

Paragraph **D. Deductible** of **SECTION III - PHYSICAL DAMAGE COVERAGE** is amended by the addition of the following:

No deductible applies to glass damage if the glass is repaired rather than replaced.

17. PARKED AUTO COLLISION COVERAGE (WAIVER OF DEDUCTIBLE)

Paragraph **D. Deductible** of **SECTION III - PHYSICAL DAMAGE COVERAGE** is amended by the addition of the following:

The deductible does not apply to "loss" caused by collision to such covered "auto" of the private passenger type or light weight truck with a gross vehicle weight of 10,000 lbs. or less as defined by the manufacturer as maximum loaded weight the "auto" is designed to carry while it is:

- **a.** In the charge of an "insured";
- **b.** Legally parked; and
- **c.** Unoccupied.

© 2021 Liberty Mutual Insurance
Includes copyrighted material of Insurance Services Office, Inc., with its permission.

The "loss" must be reported to the police authorities within 24 hours of known damage.

The total amount of the damage to the covered "auto" must exceed the deductible shown in the Declarations.

This provision does not apply to any "loss" if the covered "auto" is in the charge of any person or organization engaged in the automobile business.

18. TWO OR MORE DEDUCTIBLES

Under **SECTION III - PHYSICAL DAMAGE COVERAGE**, if two or more company policies or coverage forms apply to the same "accident", the following applies to Paragraph **D. Deductible** :

a. If the applicable Business Auto deductible is the smaller (or smallest) deductible, it will be waived; or

b. If the applicable Business Auto deductible is not the smaller (or smallest) deductible , it will be reduced by the amount of the smaller (or smallest) deductible; or

c. If the "loss" involves two or more Business Auto coverage forms or policies, the smaller (or smallest) deductible will be waived.

For the purpose of this endorsement, company means any company that is part of the Liberty Mutual Group.

SECTION IV - BUSINESS AUTO CONDITIONS is amended as follows:

19. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

SECTION IV- BUSINESS AUTO CONDITIONS , Paragraph **B.2.** is amended by adding the following:

If you unintentionally fail to disclose any hazards, exposures or material facts existing as of the inception date or renewal date of the Business Auto Coverage Form, the coverage afforded by this policy will not be prejudiced.

However, you must report the undisclosed hazard of exposure as soon as practicable after its discovery, and we have the right to collect additional premium for any such hazard or exposure.

20. AMENDED DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

SECTION IV - BUSINESS AUTO CONDITIONS , Paragraph **A.2.a.** is replaced in its entirety by the following:

a. In the event of "accident", claim, "suit" or "loss", you must promptly notify us when it is known to:

(1) You, if you are an individual;

(2) A partner, if you are a partnership;

(3) Member, if you are a limited liability company;

(4) An executive officer or the "employee" designated by the Named Insured to give such notice, if you are a corporation.

To the extent possible, notice to us should include:

(a) How, when and where the "accident" or "loss" took place;

(b) The "insured's" name and address; and

(c) The names and addresses of any injured persons and witnesses.

21. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

SECTION IV - BUSINESS AUTO CONDITIONS , Paragraph **A.5. Transfer Of Rights Of Recovery Against Others To Us**, is amended by the addition of the following:

If the person or organization has in a written agreement waived those rights before an "accident" or "loss", our rights are waived also.

22. HIRED AUTO COVERAGE TERRITORY

SECTION IV - BUSINESS AUTO CONDITIONS , Paragraph **B.7. Policy Period, Coverage Territory** , is amended by the addition of the following:

f. For "autos" hired 30 days or less, the coverage territory is anywhere in the world, provided that the "insured's" responsibility to pay for damages is determined in a "suit", on the merits, in the United States, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

© 2021 Liberty Mutual Insurance

 Includes copyrighted material of Insurance Services Office, Inc., with its permission.

This extension of coverage does not apply to an "auto" hired, leased, rented or borrowed with a driver.

23. PRIMARY AND NON-CONTRIBUTING IF REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

The following is added to **SECTION IV - BUSINESS AUTO CONDITIONS, General Conditions, B.5. Other Insurance** and supersedes any provision to the contrary:

This Coverage Form's Covered Autos Liability Coverage is primary to and will not seek contribution from any other insurance available to an "insured" under your policy provided that:

1. Such "insured" is a Named Insured under such other insurance; and
2. You have agreed in a written contract or written agreement that this insurance would be primary and would not seek contribution from any other insurance available to such "insured".

SECTION V - DEFINITIONS is amended as follows:

24. BODILY INJURY REDEFINED

Under **SECTION V - DEFINITIONS** , Definition **C.** is replaced by the following:

"Bodily injury" means physical injury, sickness or disease sustained by a person, including mental anguish, mental injury, shock, fright or death resulting from any of these at any time.

This is a new/inactive vendor and it is not anticipated to hit the cap of $100,000 in a single FY.
Competitive Process: I am exempt from having to complete a Competitive Process

Exemption Explanation:
solicitations of bids or proposals would for any reason be impractical.
Explanation for Vendor Selection:
High need for employee relation assistance in the absence of HR Director.

CONSULTANT AND PROFESSIONAL SERVICES AGREEMENT

This Consultant and Professional Services Agreement ("Agreement") is made at Vallejo, California, dated for reference this 19th day of January, 2022, by and between the City of Vallejo, a municipal corporation ("City"), and Beauchaine Consulting Group, LLC. hereinafter referred to as "Consultant", who agree as follows:

1. **Services.** Subject to the terms and conditions set forth in this Agreement, Consultant shall provide the City professional services as specified in Exhibit A, entitled "Scope of Work."

2. **Payment.** City shall pay Consultant for services rendered pursuant to this Agreement at the times and in the manner set forth in Exhibit B, entitled "Compensation." The payments specified in Exhibit B shall be the only payments to be made to Consultant for services rendered pursuant to this Agreement.

3. **Facilities and Equipment.** Consultant shall, at its sole cost and expense, furnish all facilities and equipment which may be required for furnishing services pursuant to this Agreement.

4. **Indemnification.**

(a) Consultant shall indemnify, hold harmless, and defend City, its officers, officials, directors, employees, agents, volunteers and affiliates and each of them from any and all claims, demands, causes of action, damages, costs, expenses, actual attorney's fees, consultant's fees, expert fees, losses or liability, in law or in equity, of every kind and nature whatsoever arising out of or in connection with the operations of Consultant, Consultant's officers, officials, directors, employees, agents, volunteers and affiliates and each of them (herein collectively, Consultant), , or any subcontractor's operations, to be performed under this agreement for Consultant's or subcontractor's tort negligence including active or passive, or strict negligence, or willful misconduct, including but not limited to personal injury including, but not limited to bodily injury, emotional injury, sickness or disease, or death to persons and/or damage to property of anyone, including loss of use thereof, caused or alleged to be caused by any act or omission of Consultant, or any subcontractor, or anyone directly or indirectly employed by any of them or anyone for the full period of time allowed by the law, regardless to any limitation by insurance. Notwithstanding the above, such indemnification obligation shall not apply to liability arising out of claims made by City employees or employee bargaining units relating to labor negotiations or disciplinary actions, nor to liability arising out of the sole negligence or willful misconduct of the City.

(b) City shall indemnify, hold harmless, and defend Consultant, its officers, officials, directors, employees, agents, and affiliates and each of them from any and all claims, demands, causes of action, damages, costs, expenses, actual attorney's fees, consultant's fees, expert fees, losses or liability, in law or in equity, of every kind and nature whatsoever arising out of or in connection with the acts, errors or omissions of City or any City officer, official, employee, agent or volunteer (herein collectively, City), relating to the performance of this Agreement including active or passive, or strict negligence, or willful misconduct, including but not limited to personal injury including, but not limited to bodily injury, emotional injury, sickness or disease, or death to persons and/or damage to property of anyone, including loss of use thereof, caused or alleged to be caused by any act or omission of City, for the full period of time allowed by the law, regardless to any limitation by insurance, with the exception of the sole negligence or willful misconduct of the Consultant.

The provisions of this section shall survive the expiration or termination of this Agreement.

5. Insurance Requirements. Consultant agrees to comply with all of the Insurance Requirements set forth in Exhibit C, entitled "Insurance Requirements for Consultant." Failure to maintain required insurance at all times shall constitute a default and material breach.

6. Accident Reports. Consultant shall immediately report (as soon as feasible, but not more than 24 hours) to the City Risk Manager any accident or other occurrence causing injury to persons or property during the performance of this Agreement. The report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses, and telephone numbers of any known witnesses, (c) the date, time, and description of the accident or other occurrence.

7. Conflict of Interest. Consultant warrants and represents that to the best of its knowledge, there exists no actual or potential conflict between Consultant's family, business, real property or financial interests and the services to be provided under this Agreement. Consultant shall comply with the City of Vallejo Conflict of Interest Code and not enter into any contract or agreement during the performance of this Agreement which will create a conflict of interest with its duties to City under this Agreement. In the event of a change in Consultant's family, business, real property, or financial interests occurs during the term of this Agreement that creates an actual or potential conflict of interest, then Consultant shall disclose such conflict in writing to City. Every individual who performs services on behalf of Consultant pursuant to this Agreement must file a full Statement of Economic Interests (also known as Form 700) with the City Clerk if the work of the individual involves making a governmental decision whether to issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar

authorization or entitlement; authorizes the City to enter into, modify, or renew a contract; grants City approval of specifications for a contract; adopts or approves for the City any policy, standard or guideline; lobbies on behalf of the City, or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

8. Independent Contractor. Consultant is an independent contractor. Neither Consultant nor any of Consultant's officers, employees, agents, or subcontractors, if any, is an employee of City by virtue of this Agreement or performance of any services pursuant to this Agreement. City shall have the right to control Consultant only insofar as the results of Consultant's services rendered pursuant to this Agreement; however, City shall not have the right to control the means by which Consultant accomplishes services pursuant to this Agreement.

9. Licences, Permits, Etc. Consultant represents and warrants to City that all consultant services shall be provided by a person or persons duly licensed by the State of California to provide the type of services to be performed under this Agreement and that Consultant has all the permits, qualifications and approvals of whatsoever nature which are legally required for Consultant to practice its profession. Consultant represents and warrants to City that it shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals which are legally required for Consultant to practice its profession.

10. Business License. Consultant, and its subcontractors, has obtained or agrees to apply prior to performing any services under this Agreement to City's Finance Department for a business license, pay the applicable business license tax and maintain said business license during the term of this Agreement. The failure to obtain such license shall be a material breach of this Agreement and grounds for termination by City. No payments shall be made to Consultant until such business license(s) has been obtained.

11. Standard of Performance. Consultant shall provide products and perform all services required pursuant to this Agreement in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised under similar conditions by a member of Consultant's profession currently practicing in California.

Consultant is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work, including without limitation applicable federal, state, and local laws and regulations, and all other contingencies or considerations.

Consultant's responsibilities under this section shall not be delegated. Consultant shall be responsible to City for acts, errors, or omissions of Consultant's

subcontractors.

Consultant is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work and shall prepare plans, reports, and/or other work products in such a way that additional costs will not be incurred beyond a project budget approved or amended by the City Manager or his or her designee.

Whenever the scope of work requires or permits review, approval, conditional approval or disapproval by City, it is understood that such review, approval, conditional approval or disapproval is solely for the purposes of administering this Agreement and determining whether the Consultant is entitled to payment for such work, and not be construed as a waiver of any breach or acceptance by the City of any responsibility, professional or otherwise, for the work, and shall not relieve the Consultant of responsibility for complying with the standard of performance or laws, regulations, industry standards, or from liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of Consultant.

12. Force Majeure. Neither party shall be considered in default of this Agreement to the extent performances are prevented or delayed by causes or circumstances beyond either party's reasonable control, such as war, riots, strikes, lockouts, work slowdown or stoppage, acts of God, such as floods or earthquakes, and electrical blackouts or brownouts.

In the event that the Consultant is unable to meet the completion date or schedule of services, Consultant shall immediately inform the City Representative of this in writing. If additional time is required to perform the work, the City Representative may adjust the schedule.

13. Time is of the Essence. Time is of the essence in this Agreement. Any reference to days means calendar days, unless otherwise specifically stated.

14. Personnel. Consultant agrees to assign only competent personnel according to the reasonable and customary standards of training and experience in the relevant field to perform services under this Agreement. Failure to assign such competent personnel shall constitute grounds for termination of this Agreement.

The payment made to Consultant pursuant to this Agreement shall be the full and complete compensation to which Consultant and Consultant's officers, employees, agents, and subcontractors are entitled for performance of any work under this Agreement. Neither Consultant nor Consultant's officers or employees are entitled to any salary or wages, or retirement, health, leave or other fringe benefits applicable to employees of the City. The City will not make any federal or state tax withholdings on behalf of Consultant. The City shall not be required to pay any

workers' compensation insurance on behalf of Consultant.

Consultant shall pay, when and as due, any and all taxes incurred as a result of Consultant's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

15. Consultant Not Agent. Except as authorized under this Agreement or as City may authorize in a letter of authorization signed by the City Manager or his or her designee, Consultant shall have no authority, express or implied to act on behalf of City in any capacity whatsoever as an agent. Consultant shall have no authority, express or implied, under this Agreement, to bind City to any obligation whatsoever.

16. Term. The term of this Agreement shall commence on January 19, 2022 and shall continue in full force and effect until June 30, 2022.

City shall, at its discretion, have the right to extend the term of this Agreement, in intervals of 90 days, by written notice to Consultant. The total duration of this Agreement, including the exercise of any options under this section, shall not exceed three years.

If the term of this Agreement extends into fiscal years subsequent to that in which it is approved, such continuation of the Agreement is contingent on the appropriation of funds for such purpose by the City Council of the City of Vallejo. If funds to effect such continued payment are not appropriated, Consultant agrees to terminate any services supplied to City of Vallejo under this Agreement, and relieve City of any further obligation therefore.

17. Termination or Abandonment by City. The City has the right, at any time and in its sole discretion, to immediately terminate or abandon any portion or all of the services to be provided under this Agreement by giving notice to Consultant. Upon receipt of a notice of termination, Consultant shall perform no further work except as specified in the notice. Before the date of termination, Consultant shall deliver to City all City records and documents, all work product, whether completed or not, as of the date of termination and not otherwise previously delivered.

The City shall pay Consultant for services performed in accordance with this Agreement before the date of termination. If this contract provides for payment of a lump sum for all services or by task and termination occurs before completion of the work or any defined task which according to the performance schedule was commenced before the notice of termination, the fee for services performed shall be based on an amount mutually agreed to by City and Consultant for the portion of work completed in conformance with this Agreement before the date of termination. In addition, the City will reimburse Consultant for authorized expenses incurred and not previously reimbursed. The City shall not be liable for any fees or costs associated for the termination or abandonment except for the fees, and

reimbursement of authorized expenses, payable pursuant to this section.

18. Products of Consulting Services. The work product, including without limitation, all writings, work sheets, reports, recordings, drawings, files, detailed calculations and other work products, whether complete or incomplete, of Consultant resulting from services rendered pursuant to this Agreement, shall become the property of City. Consultant agrees that all copyrights which arise from creation of the work under this Agreement shall be vested in the City and waives and relinquishes all claims to copyright or other intellectual property rights in favor of the City. City acknowledges that its use of the work product is limited to the purposes contemplated by the scope of work and that the Consultant makes no representation of the suitability of the work product for use in or application to circumstances not contemplated by the scope of work.

Documents submitted to the City in electronic format shall be formatted according to specifications provided by the City, or if not otherwise specified, in Microsoft Word, Excel, PowerPoint or other Microsoft Office Suite (2002) format as appropriate for the particular work product or, if directed by the City Representative in Adobe Acrobat PDF format.

19. Cooperation by City. City shall, to the extent reasonable and practicable, assist and cooperate with Consultant in the performance of Consultant's services hereunder.

20. Assignment and Subcontracting. Consultant shall not subcontract, assign or transfer voluntarily or involuntarily any of its rights, duties or obligation under this Agreement without the express written consent of the City Manager or his or her designee in each instance. Any attempted or purported assignment of any right, duty or obligation under this Agreement without said consent shall be void and of no effect.

If subcontracting of work is permitted, Consultant shall pay its subcontractor within ten (10) days of receipt of payment by City for work performed by a subcontractor and billed by the Consultant. Use of the term subcontractor in any other provision of this contract shall not be construed to imply authorization for Consultant to use subcontractors for performance of any service under this Agreement.

The City is an intended beneficiary of any work performed by Consultant's subcontractor for purposes of establishing a duty of care between the subcontractor and City.

Any subcontractor or assignee consented to by City shall be bound by all terms and conditions of this agreement and the same shall be incorporated into and made a part of any assignment or subcontractor agreement.

21. Successors and Assigns. All terms, conditions, and provisions of this

Agreement shall apply to and bind the respective heirs, executors, administrators, successors, and assigns of the parties. Nothing in this section is intended to affect the limitation on assignment.

22. Non-Discrimination/Fair Employment Practices.

(a) Consultant shall not, because of race, religious creed, color, sex, national original, ancestry, disability, medical condition, age, marital status or sexual orientation of any person, refuse to hire or employ, or to bar or discharge from employment, or to discriminate in compensation, or in terms, conditions or privileges any person, and every employee will receive equal opportunity for employment and shall be granted equal treatment with respect to compensation, terms, conditions or other privileges of employment, without regard to his race, religious creed, color, sex, national origin, ancestry, or disability, medical condition, age, marital status or sexual orientation.

Consultant warrants and represents it is an equal opportunity employer and agrees it shall not discriminate on the basis of race, religious creed, color, sex, national origin, ancestry, disability, medical condition, age, marital status or sexual orientation in the selection and retention of employees, subcontractors or procurement of materials or equipment.

In all solicitations either by competitive bidding or negotiations made by Consultant for work to be performed under any subcontract, including procurement of materials or equipment, each potential subcontractor or supplier shall be notified by Consultant of Consultant's obligation under this Agreement relative to nondiscrimination and fair employment practices.

Consultant shall include the above provisions of this section in every subcontract, including procurement of materials or equipment.

(b) Consultant agrees to comply with Title VII of the Civil Rights Act of 1964, as amended, the California Fair Employment Practices Act, the Americans with Disabilities Act of 1990, any other applicable federal and state laws and regulations and City ordinances and regulations hereinafter enacted.

23. Notices. All notices or instruments required to be given or delivered by law or this Agreement shall be in writing and shall be effective upon receipt thereof and shall be by personal service or delivered by depositing the same in any United States Post Office, registered or certified mail, postage prepaid, addressed to:

If to City:

Any party may change its address for receiving notices by giving written notice of such change to the other party in accordance with this section.

Routine administrative communications shall be made pursuant to section 1 of Exhibit A.

24. Integration Clause. This Agreement, including all Exhibits, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had prior to the execution of this Agreement. This Agreement shall not be amended or modified except by a written agreement executed by each of the parties hereto.

25. Severability Clause. Should any provision of this Agreement ever be deemed to be legally void or unenforceable, all remaining provisions shall survive and be enforceable.

26. Law Governing. This Agreement shall in all respects be governed by the law of the State of California without regard to its conflicts of law rules. Litigation arising out of or connected with this Agreement shall be instituted and maintained in the courts of Solano County in the State of California or in the United States District Court, Eastern District of California, Sacramento, California, and the parties consent to jurisdiction over their person and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

27. Waiver. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent or any other right hereunder.

28. Ambiguity. The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

29. Gender. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

30. Headings. The section headings contained in this Agreement are inserted

for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

31. Compliance with Laws. Consultant will comply with all statutes, regulations and ordinances in the performance of all services under this Agreement.

32. Confidentiality of City Information. During the performance of services under this Agreement, Consultant may gain access to and use City information regarding, but not limited to, procedures, policies, training, operational practices, and other vital information (hereafter collectively referred to as "City Information") which are valuable, special and unique assets of the City. Consultant agrees that it will not use any information obtained as a consequence of the performance of services under this Agreement for any purpose other than fulfillment of Consultant's scope of work , to protect all City Information and treat it as strictly confidential and proprietary to City, and that it will not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party, other than its own employees, agents or subcontractors who have a need for the City Information for the performance of services under this Agreement, without the prior written consent of City, or as required by law.

Consultant shall treat all records and work product prepared or maintained by Consultant in the performance of this Agreement as confidential.

A violation by Consultant of this section shall be a material violation of this Agreement and will justify legal and/or equitable relief.

Consultant's obligations under this section shall survive the completion of services, expiration or termination of this Agreement.

33. News and Information Release. Consultant agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Representative.

34. City Representative. The City Representative specified in Exhibit A, or the representative's designee, shall administer this Agreement for the City.

35. Counterparts. The parties may execute this Agreement in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

36. Facsimile Signature; Electronic Signature. This Agreement shall be binding upon the receipt of facsimile signatures or e-mailed by PDF or otherwise. Any person transmitting his or her signature by facsimile or electronically shall

promptly send an original signature to the other party pursuant to the notice provision of this Agreement. The failure to send an original shall not affect the binding nature of this Agreement.

37. Authority. The person signing this Agreement for Consultant hereby represents and warrants that he/she is fully authorized to sign this Agreement on behalf of Consultant.

38. Exhibits. The following exhibits are attached hereto and incorporated herein by reference:

EXHIBIT B

COMPENSATION

1. Consultant's Compensation.

A. Services: City agrees to pay Consultant, at the rate(s) specified below, for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses, for a total not to exceed fifty thousand dollars $50,000.00

Consultant shall notify City in writing no later than thirty (30) days prior to the estimated date when Consultant will have billed City the maximum payment amount permitted under this Agreement, and Consultant shall provide City with an estimate of the additional compensation required to complete the project.

City agrees to pay Consultant for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses upon satisfactory completion of the services and delivery of the work product.

B. Additional Services:

1. Additional Services are those services related to the scope of Services of Consultant as set forth in Exhibit A but not anticipated at the time of execution of this Agreement. Additional Services shall be provided only when a Supplemental Agreement authorizing such Additional Services is approved by the City Manager, or his or her designee. City reserves the right to perform any Additional Services with its own staff or to retain other Consultants to perform said Additional Services.

2. Consultant's compensation for Additional Services shall be based on the total number of hours spent on Additional Services multiplied by the employees' appropriate billable hourly rate as established below. City, at its option, may negotiate a fixed fee for some or all Additional Services as the need arises. Where a fixed fee for Additional Services is established by mutual Agreement between City and Consultant, compensation to Consultant shall not exceed the fixed fee amount.

2. Appropriate Billable Hourly Rates for Services and Additional Services.

Consultant's billable hourly rates shall be as listed in Attachment 1 of Exhibit B, attached hereto and incorporated herein by this reference.

3. Consultant's Reimbursable Expenses. Reimbursable Expenses shall be limited to actual reasonable expenditures of Consultant for expenses that are

DocuSign Envelope ID: 7109FFD2-6087-47FE-9C7B-60E320BB7BFB

necessary for the proper completion of the Services and shall only be payable if specifically authorized in advance by City.

4. Payments to Consultant.

A. Payments to Consultant shall be made within a reasonable time after receipt of Consultant's invoice, said payments to be made in proportion to services performed. Consultant may request payment on a by-weekly basis. Consultant shall be responsible for the cost of supplying all documentation necessary to verify the Consultant's billings to the satisfaction of City.

B. All invoices submitted by Consultant shall contain the following information:

1. Description of services billed under this invoice
2. Date of Invoice Issuance
3. Sequential Invoice Number
4. City's Purchase Order Number (if issued)
5. Social Security Number or Taxpayer Identification Number
6. Amount of this Invoice (Itemize all Reimbursable Expenses")
7. Total Billed to Date

C. Items shall be separated into Services and Reimbursable Expenses. Billings that do not conform to the format outlined above shall be returned to Consultant for correction. City shall not be responsible for delays in payment to Consultant resulting from Consultant's failure to comply with the invoice format described above.

D. Request for payment shall be sent to:

Dale Miller
Admin Analyst II
Human Resources
555 Santa Clara Street
Vallejo CA 94590
Dale.Miller@cityofvallejo.net
Cc: Human.Resources@cityofvallejo.net

5. Accounting Records of Consultant. Consultant shall maintain for three (3) years after completion of all services hereunder, all records under this Agreement, including, but not limited to, records of Consultant's direct salary costs for all Services and Additional Services performed under this Agreement and records of Consultant's Reimbursable Expenses, in accordance with generally accepted accounting practices. Consultant shall keep such records available for audit, inspection and copying by representatives of the City's Finance Department or other government agencies during regular business hours upon twenty four (24)

hours' notice.

The obligations of Consultant under this section shall survive this Agreement.

6. Taxes. Consultant shall pay, when and as due, any and all taxes incurred as a result of Consultant's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

7. Taxpayer Identification Number. Consultant shall provide City with Consultant's complete Request for Taxpayer Identification Number and Certification, Form W-9, as issued by the Internal Revenue Service, and any other State or local tax identification number requested by City.

EXHIBIT C

INSURANCE REQUIREMENTS

Consultant shall procure and maintain for the duration of this Agreement, including any extensions thereto, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by the Consultant, their agents, representatives, or employees or subcontractors.

1. **Minimum Scope of Insurance.** Coverage shall be at least as broad as:

A. Insurance Services Office form number GL 0002 covering Comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability; or Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001).

B. Insurance Services Office form number CA 0001 covering Automobile Liability, code 1 any auto and endorsement CA 0025.

C. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

D. Professional Liability insurance appropriate to the Consultant's profession (Errors and Omission).

2. **Minimum Limits of Insurance.** Consultant shall maintain limits no less than:

A. General Liability: $2,000,000 per occurrence for bodily injury, personal injury, and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

B. Automobile Liability: $1,000,000 per accident for bodily injury and property damage.

C. Workers' Compensation and Employer's Liability: $1,000,000 per accident for bodily injury or disease. If Consultant is not subject to California Workers' Compensation requirements, Consultant shall file a completed certificate of exemption form which may be obtained from the City prior to commencing any activity authorized hereunder.

DocuSign Envelope ID: 7109FFD2-6087-47FE-9C7B-60E320BB7BFB

D. Professional Liability (Errors and Omission): $1,000,000 combined single limit per occurrence, and annual aggregate.

3. Deductible and Self-Insured Retention. Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City of Vallejo, its officers, officials, employees and volunteers; or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

4. Other Insurance Provisions. The general liability and automobile liability policies, as can be provided, are to contain, or be endorsed to contain, the following provisions:

A. The City of Vallejo, its officers, officials, employees, agents and volunteers are to be covered as additional insureds as respects; liability, including defense costs, arising out of activities performed by or on behalf of the Consultant; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; or automobiles owned, leased hired or borrowed by the Consultant. The coverage shall contain no special limitations on the scope of protection afforded to the City of Vallejo, its officers, officials, employees, agents or volunteers. The insurance is to be issued by companies licensed to do business in the State of California.

B. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance as respects the City of Vallejo, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the City of Vallejo, its officers, officials, employees, agents, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

C. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees, agents, or volunteers.

D. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

E. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

F. The workers' compensation and employer's liability policy required hereunder shall be endorsed to state that the workers' compensation carrier

waives its right of subrogation against City, its officers, officials, employees, agents and volunteers, which might arise by reason of payment under such policy in connection with Consultant's performance under this Agreement.

5. **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII.

6. **Verification of Coverage.** Consultant shall furnish the City with certificates of insurance and original endorsements effecting general and automobile liability insurance coverage required by this clause. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the City before work commences.

7. **Subcontractors.** Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

8. **Payment Withhold.** City will withhold payments to Consultant if the certificates of insurance and endorsements required in Paragraph F, above, are canceled or Consultant otherwise ceases to be insured as required herein.

PROVISIONS

The following is added to **SECTION II – WHO IS AN INSURED:**

Any person or organization shown in the Schedule Of Additional Insureds And Covered Operations that you agree in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only:

a. With respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and

b. If, and only to the extent that, such injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" on or for the project, or at the location, shown in the Schedule Of Additional Insureds And Covered Operations, to which the written contract or agreement applies. Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.

b. The insurance provided to such additional insured does not apply to:

(1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

DocuSign Envelope ID: 7109FFD2-6087-47FE-9C7B-60E320BB7BFB

Do not attach this form to a policy. It is for informational use only.

(a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and

(b) Supervisory, inspection, architectural or engineering activities.

(2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

(1) Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

(a) How, when and where the "occurrence" or offense took place;

(b) The names and addresses of any injured persons and witnesses; and

(c) The nature and location of any injury or damage arising out of the "occurrence" or offense.

(2) If a claim is made or "suit" is brought against the additional insured:

(a) Immediately record the specifics of the claim or "suit" and the date received; and

(b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.

(3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

(4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph 4., Other Insurance, of Section IV – Commercial General Liability Conditions.

AUTHORIZED REPRESENTATIVE

PRESIDENT AND CEO

DATE: June 7, 2022

TO: Mayor and Members of the City Council

FROM: Terrance Davis, Human Resources

SUBJECT: **SECOND AMENDMENT TO BEAUCHAINE CONSULTING GROUP AGREEMENT**

RECOMMENDATION

Authorize the City Manager to execute a Second Amendment to the Agreement with Beauchaine Consulting Group, LLC. for HR Consulting services increasing compensation by $51,000, to an amount not to exceed $150,000.

REASONS FOR RECOMMENDATION

Accepting this Second Amendment to the Beauchaine Consulting Group, LLC., master agreement will allow the City to use Beauchaine's consulting services to complete projects and meet deadlines.

BACKGROUND AND DISCUSSION

The City of Vallejo has contracted with Beauchaine Consulting to provide assistance with Employee Relations in the absence of the Human Resources Director. Beauchaine Consulting is currently providing services to the City that will require more time then previously anticipated.

While efforts are being made to fill various positions to reduce the utilization of Consulting agencies, existing operational needs being met through Beauchaine Consulting are on trend to exceed the original compensation limits of $99,000. The existing agreement with Beauchaine Consulting will require an increase to the maximum compensation amount so as not to disrupt the current work being performed for the City through December 31, 2022. The Second Amendment would increase compensation by $51,000 for a new not-to-exceed limit of $150,000.

FISCAL IMPACT

There is no fiscal impact associated with the action because funding for professional services is approved by City Council during the budget process or by approved budget transfers as a result of salary and other line items savings throughout each fiscal year.

Funding for professional services in future fiscal years will be subject to the funding levels approved in the adopted budget. Increasing the maximum compensation allowable under the agreements with Beauchaine

Consulting provides Human Resources with a means of utilizing consulting services for which they have already established funding.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

ACTION ITEM 9.A.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Mike Malone, City Manager
SUBJECT: **HOLD A PUBLIC HEARING AND ADOPT RESOLUTIONS APPROVING THE FISCAL YEAR 2022-23 BUDGET; FISCAL YEAR 2022-2023 POSITIONS AND SALARIES; THE BLUE ROCK SPRINGS GOLF COURSE FEE AND CHARGES SCHEDULE; THE PURCHASE OF CITY VEHICLES AND EQUIPMENT SCHEDULED AND FUNDED FOR REPLACEMENT IN FISCAL YEAR 2022-23; AND THE MISCELLANIOUS GOODS, SUPPLIES AND EQUIPMENT PURCHASE ORDERS FY 2022-23**

RECOMMENDATION

Hold a public hearing and take public input for the FY 2022-23 Budget, and adopt five Resolutions as follows:

1. Resolution Adopting the FY 2022-23 Budget for the City of Vallejo, as set forth in **Attachment B**.
2. Resolution Adopting the FY 2022-23 Positions and Salaries as set forth in **Attachment C**.
3. Resolution Approving the FY 2022-23 Blue Rock Springs Golf Course Fees and Charges Schedule, as set forth in **Attachment D**.
4. Resolution Authorizing the City Manager to Purchase Vehicles Scheduled and Funded for Replacement in FY 2022-23, as set forth in **Attachment E**.
5. Resolution Authorizing the City Manager to execute purchase orders for the vendors and amounts for FY 2022-23, as set forth in **Attachment F**.

REASONS FOR RECOMMENDATION

In accordance with the City of Vallejo Charter Section 701, the City Manager is required to annually submit to the City Council the proposed expenditure and revenue estimates for the following fiscal year, at least 45 days prior to the beginning of the new fiscal year. On May 3rd staff had a budget workshop for the council and the public and on May 13, 2022, the Proposed FY 2022-23 budget was delivered to the City Council and posted on the City website. Charter Section 702 requires a public hearing of the proposed budget. Adopting the budget resolution at this time will allow the City to operate and provide services after June 30, 2022, based on the most current projection of revenues and expenditures.

Vallejo Municipal Code section 2.60.340 requires the City Council to adopt an official salary plan through adoption of the annual positions and salaries ordinance or resolution which shall continue or abolish positions which existed on the last day of the preceding fiscal year; create new positions and prescribe the number of regular positions authorized for each department, division, branch, section and other unit of the City's organization.

The City of Vallejo owns the property commonly known as the Blue Rock Springs Golf Course. Touchstone Golf, LLC, manages the golf course for the City. Annually, the City includes proposed golf fee changes with the adoption of the Proposed Budget.

In order to expedite the process of replacing aging, damaged, and/or obsolete vehicles and equipment that are

scheduled, funded, and approved for replacement, on February 9, 2016 staff recommended and City Council approved the action of conducting one-time approvals each fiscal year for the purchase of vehicles and equipment scheduled to be replaced in said fiscal year.

BACKGROUND AND DISCUSSION

On May 3, 2022, staff held a Budget Workshop for the FY 2022-23 proposed budget to receive the Council's direction on the proposed budget. In accordance with City Charter Sections 701 and 702, the Proposed Budget for FY 2022-23 was delivered to the City Council on May 13, 2022 and notice of a public hearing and a general summary of the proposed budget were published in the newspaper. On May 24, 2022, the first of 2 noticed public hearings were held to receive additional directions from the Council on the budget. In conjunction with this report, staff recommends that the FY 2022-23 Proposed Budget transmittal letter also be reviewed (see Attachment A). The public hearing notice for the second public hearing on the FY 2022-23 proposed budget was published on May 29, 2022, giving notice of tonight's final public hearing on the budget. The budget action tonight includes the General City Budget, Housing Authority Budget and Capital Improvement Program (CIP) budget for FY 2022-23 and a combined action on the total of all budget segments is included in the resolution before Council tonight.

FY 2021 - 2022 was a tumultuous year with great uncertainties in the economy for the county and Vallejo's local economy, resulting in a significant decline in City's revenues and projected revenue shortfalls in the five-year financial forecast. Now, many of us are back to our pre-pandemic habits, stocking a standard supply of toilet papers while waiting in lines to be seated at the restaurants. Tourism and service industries that relied on government loans to stay afloat during COVID-19 peaks are feeling the increase in demand. When everything looked rosy, we are now facing additional headwinds going into FY 2022-23. Gas prices have gone up due to the war in Ukraine, inflation is surging and Federal Reserve is tightening the money supply. This proposed budget assumes continued but decelerating growth of the economy as we gradually come out of the pandemic.

This proposed budget does not consider the second batch of the American Rescue Program Act (ARPA) funds that the City has been earmarked to receive, which is around $13.1 million. Proposed expenditure against the ARPA funds will be presented to the council separately for approval.

The total citywide FY 2022-23 budget is $290.6 million, with General Fund expenditures of $129.7 million and $64.8 million in the Water Fund. Expected General Fund revenues are $130.6 million which is an increase of 8.9% over the prior-year Adopted Budget.

General Fund Revenues

As the economy is strengthening, the City is proposing General Fund revenue that reflects an 8.9% increase or $10.7 million above the prior-year Adopted Budget. This projection is based on revenue increases in three major revenue sources for the city (Property Tax, Sales Tax, and Utility User’s Tax) and they make up approximately 69% of total General Fund revenues.

Property Tax ($37.2 million)

The property tax the City will receive for FY 2022-23 is based on the property's assessed value as of January 1, 2022. Our property tax estimates reflect the housing boom, low-interest rates, sales, and construction activity over the past several months. Property tax revenues are expected to grow due to strong home price growth and data that shows a higher rate of property transfers in 2022 compared to recent years. Buyers took advantage of the increased purchasing power and low mortgage rates which added sales, increasing the total value of single-family housing in Vallejo by $348M, compared to the previous year. Vallejo's median sales price for single-family residential homes increased 14.92% from $452,500 in 2020 to $520,000 in 2021.

Sales Tax ($39.9 million)

Sales tax growth continues to be the catalyst for revenue growth within the City. The sales tax forecast is provided by the City's sales tax consultant (HDL) and reflects brick and mortar retailers doing exceptionally well as many shoppers returned to physical stores rather than shopping online as was the trend during the COVID crisis. With substantial improvement in the general consumer goods, restaurants, fuel, and auto-transportation industries, the City is anticipating a 16% increase in sales tax revenue, compared with the prior-year Adopted Budget. Many retailers are now generating revenue comparable to the pre-pandemic levels. The increase in sales tax is due to multiple factors such as Wayfair/AB147 revenue, an increase in building & construction sector activity (in conjunction with home sales), and the re-opening of restaurants and Vallejo’s Discovery Kingdom theme park. However, the future growth rate for sales tax revenue is

expected to slow markedly. Five-year forecasts are a lot soberer due to the looming inflationary trends and uncertainties due to the Russian invasion.

Utility User's Tax ($12.7 million)

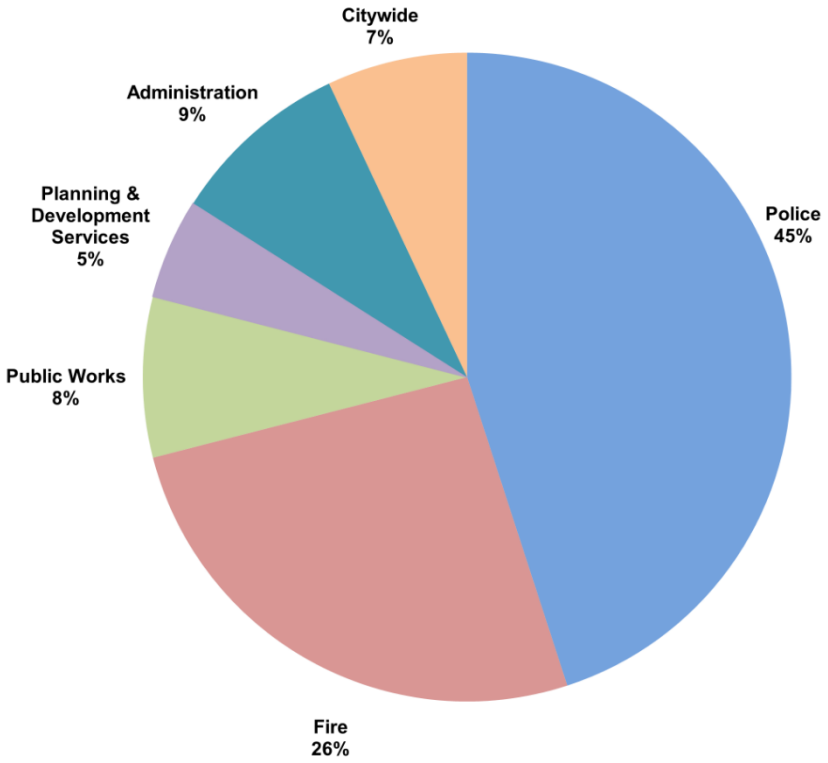
Utility users' taxes are expected to modestly increase by 0.9% or $0.11 million in FY 2022-23. The increase is based on the projection provided by the city's consultant (MuniServices).

Program Revenue ($19.7 million)

The program revenue increase is primarily due to the Fire Department's $2.1 million Federal SAFER grant which is offset by expenditure. The city's permit revenue is anticipated to increase by $400K.

General Fund Expenditures

The following chart of Proposed FY 2022-23 General Fund Expenditures indicates the percentage associated with each department:



The General Fund expenditures include the following: Police Department, which represents 45% of expenditures, followed by the Fire Department at 26%, Administration at 9%, Public Works at 8%, and Planning & Development Services at 5%. City-wide, at 7%, represents cross-departmental expenditures that cannot be attributed or charged to a specific departmental location.

Most General Fund expenses for the city are being held at status quo, except for a few essential expenses.

Budget cuts in building maintenance and fleet from FY 2019-20 were for a limited-term period. Due to the high demand for deferred maintenance in the city, the staff is proposing to fund CIP for facilities back to FY 2019-20 budget levels. For FY 2021-22, the general fund budget for facilities was $0.54 million and is increased to $1.25 million in the FY 2022-23 proposed budget. The fleet will be funded using a five-year average, rather than on a pay-go basis.

Per Council's direction during the budget workshop on May 3rd, the City has allocated $350,000 for Council Discretionary allowance to provide support to our local non-profits, community organizations, and other City programs that impact the quality of life for Vallejo citizens.

With the increase in general fund revenue, staff is carefully allocating the expenditures to budget areas, focusing on maintaining the service level for the city. The city will continue to operate conservatively due to the financial uncertainty surrounding inflation, monetary tightening, and Russia's war in Ukraine. The current proposed budget will be structurally balanced.

Please see the attached addendum titled "Attachment B - Res 1:Exhibit 1 - Addendum" or a list of changes to the budget after May 13, 2022, which is summarized in the table below. It has a net zero dollar effect on both the General Fund and the Corporation Shop Fund.

Department	Position Title	Fiscal Impact FTEs
Public Works	Maintenace Worker	-1
Fleet	Equipment Mechanic II	1
	Net Fiscal Impact	**$0**

General Fund Reserves

Staff continues to pursue multiple grants to assist the city in supporting economic growth. Staff is proposing a structurally balanced budget that will provide an estimated $21.5 million in available fund balance reserve, as of June 30, 2023, approximately 17% of General Fund expenditures.

American Rescue Program Act

While the City is anticipating receiving the second batch of the American Rescue Program Act (ARPA) funds of $13.1 million, the Proposed Budget does not account for the ARPA funding. Staff will return to the City Council for discussion of amendments to this proposed budget once expenditure plans are approved by the council.

Golf Fund

The City's two golf courses at Blue Rock Springs are managed by Touchstone Golf, LLC. Annually, a Schedule of Fees and Charges is presented to the City Council for approval. Touchstone Golf submitted a planned fee change for this fiscal year.

Staffing Changes in the Proposed Budget

The City is proposing the following changes in staffing. Some of the proposed positions are being funded by reallocating existing expenditures. Below are staffing changes of note.

Department	Status	# of FTE	Proposed Positions - New / Upgrade	Positions - Eliminated	Comment
CMO	Transfer	1	Administrative Analyst II		From Public Works
CMO	Remove	1		Special Advisor to the CM	Expired
Fire	Remove	1		Firefighter	
Housing	Upgrade	1	Administrative Manager	Administrative Analyst II	
Housing	Downgrade	1	Housing Specialist I/II	Housing Specialist Supervisor	
Housing	Replace	5	Housing Specialist I/II	Housing Specialist I/II/Sr.	
Public Works	Transfer	1		Administrative Analyst II	To CMO
Water	Remove	1		Assistant/Associate Civil Engineer	
Water	Add	1	Administrative Analyst II		
Water	Remove	1		Administrative Analyst I	
Water	Add	1	Secretary		
Water	Add	1	WTP Operator		

The following are changes that are not presented in the chart above:

The Proposed budget extends the expiry dates of the following four limited-term positions:

- Administrative Analyst II in City Manager's Office, funded by ARPA, June 30, 2025
- Administrative Analyst II in Finance, funded by ARPA, June 30, 2025
- Personnel Analyst II in Human Resources, funded by ARPA, June 30, 2025
- Finance Manager in Finance, funded by ERP project, June 30, 2025.

Please see the attached addendum titled "Attachment C - Res 2:Exhibit 3 Addendum to Authorized FTE Listing with Personnel Summary" for a list of changes to staffing after May 13, 2022, which is summarized in the table below.

Department	Status	# of FTE	Proposed Positions - New	Positions - Eliminated	Comment
Public Works	Remove	1		Maintenance Worker I/II	Addendum
Public Works	Add	1	Equipment Mechanic II		Addendum

NEXT STEPS

If approved by the City Council, staff will develop the final Adopted Budget document, incorporating any required changes.

FISCAL IMPACT

The Fiscal Year 2022-23 Proposed Budget includes $279,022,291 in total Revenues across all funds ($130,606,274 General Fund) and $290,552,348 in total Expenditures across all funds ($129,690,628 General Fund). The proposed expenditures will be funded by $277,516,806 in revenues and $13,035,542 in beginning

fund balance.

Approval of this item accepts the Fiscal Year 2022-23 Proposed Budget and allows staff to move forward with finalizing the Adopted Budget.

DATE: May 13, 2022

TO: Mayor, City Council and Residents of Vallejo

FROM: Michael Malone, City Manager

SUBJECT: City of Vallejo Fiscal Year 2022-2023 Proposed Budget

---

Mayor, Council, and members of the community,

As one of my first actions as your new City Manager, I am pleased to present you with the FY 22-23 budget for the City of Vallejo.

The last two years have been nothing short of challenging here in Vallejo, but I am pleased to say that we have finally begun to reach a point of stability and growth since the early days of Covid. Many changes have taken place in the last few weeks, such as appointing interim Staff into permanent roles, including myself. I see these changes as a sign of the wonderful things to come and a powerful opportunity to strengthen and grow our City internally and externally.

The total Citywide FY 22-23 budget is $291M, with General Fund expenditures of $130M and $65M in the Water Fund. Projected General Fund revenue are $131M, which is an increase of 8.9% compared to FY 21-22 Adopted Budget. The FY 22-23 budget remains a structurally balanced budget.

In this budget we are proposing to restore service levels diminished during the pandemic, rebuild reserves, and work to implement postponed capital projects.

Major tax revenues continue to modestly grow and have leveled out at their pre-pandemic levels with a V curve, supported by new federal and state grants. Due to surging inflation, a dramatic jump in the global price of crude oil and monetary tightening by the Federal Reserve, we are cautiously forecasting a slight increase in revenue for the coming fiscal year.

Despite the challenges we faced, we were able to accomplish quite a bit as a city. In the City Managers' Office, we organized a successful council goal setting for the upcoming year. We completed the North Mare Island DDA, allowing development to begin in the Connolly Corridor on the island again after many years of slow to no growth. My office has also started the process of hiring Houselessness and Youth coordinators that will allow us to begin addressing Council's initiative to offer more services to the Vallejo community in these areas. We have also organized 53 volunteer cleanups to beautify our City once again. As your new City Manager, I know we must begin to engage our citizens far more than we ever have in the past, especially since the onset of Covid that has kept us all apart for far too long. We kicked off our community outreach and engagement with a brief yet robust community engagement program to quickly identify alternative locations for our Police Department headquarters. In partnership with the City Attorney's office, we have also launched the outreach for the Police Oversight Model (POM). I am also excited to share with you that the process of getting back into the community has begun with our commitment to having an outreach tent at the local Farmers Market on Georgia Street one Saturday a month. You can expect to see department heads and Staff out there to re-connect with community members and share important information and updates about the City.

During the most recent goal-setting, Council identified Economic Development as one of their top priorities in the upcoming fiscal year, and I am happy to announce that the following ED projects are coming to fruition. Seka Hills, Blue Rock Springs Golf Course, and the Strategic Plan for a 5-year Roadmap are just a sampling of the exciting things to come for Economic Development in our City.

The City Attorney's office has its own successes to celebrate in the last fiscal year as well. They have settled or achieved dismissals in 25 litigation cases, filed approximately 11 criminal misdemeanor cases for illegal dumping through the Neighborhood Law Program, and several nuisance abatement/receivership cases relating to code violations on private property and were awarded (or collected) $458,976 in fines, penalties, costs, and sanctions. As I had mentioned previously, they were also the lead office for the police reform efforts, including collaborative efforts with the CalDOJ, initiating policy review and completing policy updates, completing police oversight research, and spearheading the community engagement for the POM.

In 2021, our Public Works Department also had plenty to be proud of, securing over $5.2M in grant funding for Capital Improvement Projects through various grants, completing construction of the Sacramento Street Bridge, and working in conjunction with Recology, Caltrans, Wotha and Conservation Core to host two Free Dump Days for Vallejo residents.

After a few winter and spring storms, we also experienced pavement issues that led to the City issuing a Request for Proposals for pothole repair, which closed on April 20, and I am happy to report that Staff is in the process of executing a contract with JetPatcher for construction in Summer 2022. Until a contractor is on board, Public Works

maintenance staff will continue performing ongoing pavement repairs on local residential and collector streets.

Our Water Department also had a very successful year; in addition to delivering over 5-million gallons of safe drinking water to Vallejo Water customers, they were also successful in securing over $2.5M in grant funding for infrastructure improvements reducing the financial burden on ratepayers and demonstrating Vallejo Water's strong reputation for delivering results. This fiscal year the Water Department will continue its commitment to addressing the aging infrastructure and catching up on previously deferred maintenance. They have already launched the implementation of bond-funded capital improvements, such as water main replacements, plant improvements, tank replacements, and new technologically advanced metering systems. In addition, they continue to keep their sights on water conservation as California navigates through this current drought, all while delivering exceptional service and high-quality drinking water to Vallejo Water customers.

Our Fire Department continued to provide exceptional service through the last fiscal year, and thanks to Fire Chief Kyle Long, the Department was able to reopen Station 26, which was a casualty of the bankruptcy over a decade ago. They have also moved forward with purchasing a Tone Alert System for all stations, ensuring that our fighter fighters always get the call when they are needed. They also relaunched the First Responder Billing program and were the recipients of a $6M SAFER Grant Award.

Looking at FY FY 22-23, the Fire Department is looking forward to launching projects such as a Feasibility Study for reopening Station 28 (Mare Island), completing an EMS Feasibility Study, and completing the Firefighter Recruit Academy. They will also be exploring a weed abatement implementation pilot project.

Our Police Department has made notable strides in the last year with its reform efforts and meeting the 45 recommendations outlined in the OIR report. They also expanded the Automated License Plate Reader (ALPR) coverage throughout City and added CCTV cameras. Additionally, they updated their Use of Force Policy and drafted ordinances as a result of community concerns regarding sideshows, ghost guns, and catalytic converter thefts. The Police Department was also the recipient of $2M in grant funds. At the most recent budget workshop, they were also proud to announce that they fully transitioned their radio system to East Bay Regional Communications System Authority (EBRCSA), with the assistance of our exception IT Department.

Lastly, I want to address the City's commitment to prioritizing recruitment, retention, morale-building, and team-building efforts. As a collaboration between the departments and Human Resources, the City has hired 110 new employees, and while that is a far cry from where we need to be with our staffing, it is a step in the right direction. We also look forward to welcoming a new Human Resources Director soon, which will further add to

the stability of our City. In addition, we will continue to work on creating a collaborative and progressive work environment that is attractive to current and potential employees.

In closing, we will be requesting Council approval of the proposed budget on May 24th. If you have not had a chance to watch the Special City Council Meeting where each Department spoke about their accomplishments and upcoming projects, I encourage you to do so by clicking here.

I and ACM's Hayes and Davis with support of our dedicated Department Heads, Manager, and their staff look forward to serving the City Council and the people of Vallejo in the coming year, and I am optimistic that together we can accomplish anything!

Respectfully submitted,

Michael Malone,
City Manager

RESOLUTION NO. _____ N.C.

RESOLUTION APPROVING THE BUDGET FOR THE CITY OF VALLEJO FOR FISCAL YEAR 2022-2023

WHEREAS, in accordance with City Charter Section 701, the City Manager has submitted the Proposed Budget for Fiscal Year 2022-2023 ("Proposed Budget"), consisting of the recommended expenditures, estimated revenues and an explanatory budget message and including the budget for the Vallejo Housing Authority and the Capital Improvement (CIP) Budgets; and

WHEREAS, in accordance with City Charter Section 702, the City Council published a general summary of the Proposed Budget, information as to the times and places where copies of the Proposed Budget were available for inspection by the public, and the time and place for two public hearings on the Proposed Budget; and

WHEREAS, the expenditures provided in said Proposed Budget, together with any revisions to it, are within the expenditure limitations imposed by Article XIII B of the California Constitution; and

WHEREAS, the City Council conducted two public hearings on the Proposed Budget, the first on May 24, 2022 and the second on June 14, 2022, at which times any and all members of the public were afforded an opportunity to express their views:

NOW, THEREFORE BE IT RESOLVED, that the City Council hereby adopts the City of Vallejo Fiscal Year 2022-2023 Budget in accordance with the following provisions and authorities:

1. Appropriations - Appropriations are adopted as set forth in the City of Vallejo Proposed Budget Fiscal Year 2022-2023 published May 13, 2022 as amended by the items shown on **Exhibit 1** to this Resolution.

2. Level of Budgetary Control - Budgetary control is established at the following levels: a) General Fund – Department level; b) Other Funds – Fund level; and Capital Projects – Department level. The City Manager may authorize line item budget transfers within a General Fund department, or within a fund other than the General Fund, consistent with the City Charter, the Vallejo Municipal Code and this Resolution.

3. Budget Revisions – Pursuant to City Charter Sec. 703, at any time during the fiscal year, the City Manager may transfer part or all of any unencumbered appropriation balance among programs within a department, office or agency. Such transfers shall be reported in writing to the City Council. Upon written request by the City Manager, the Council, after being given one week's notice of intention to do so, may by resolution transfer part or all of any unencumbered appropriation balance from one department, office or agency to another or may appropriate available funds not included in the budget.

4. Grant Funds, Multiyear Operational Projects, and Donation Funds. The City Manager is authorized to carry over and re-appropriate into FY 2022-2023 any unexpended appropriations remaining from FY 2021-2022 for grant projects, multiyear operational projects (MYOP), and donation funds.

5. Encumbrances - All encumbrances for valid purchase orders and contracts in effect as of June 30, 2022, will remain in effect in the following Fiscal Year 2022-2023. The City Manager is authorized to increase the FY 2022-2023 budget appropriations in the amount of the outstanding encumbrances for valid purchase orders and contracts as of June 30, 2022. The City Council re-appropriates the encumbrances in the same amounts and into the same accounts in the Funds as they existed on June 30, 2022.

6. Authorized Payments – The City Manager and City Attorney are hereby authorized to make payments to/for: all utility payments and telephone charges; rents and lease payments; claims and litigation settlements, judgments, court orders, legal costs and outside counsel fees; pass through loans, grants and payments; membership dues, periodical subscriptions and software subscriptions; employee reimbursements, e.g. tuition, professional development, auto mileage; retirement contributions and benefit payments; refunds to City customers; permits and fees paid to governmental or regulatory agencies.

7. Donations - The City Manager is authorized to receive and accept:
    a. cash donations for specific purposes, to deposit such donations in trust funds, and to expend such donations for the purpose for which the donation was made; and
    b. in kind/non-cash donations that would serve a useful purpose in the provision of City services.
    c. City Manager can appropriate and spend up to $100,000 without additional city council approval.

8. Grants - The City Manager is authorized to submit grant applications for activities within the jurisdiction of the City. The City Manager is authorized to accept such grants, to expend grant funds if the funds have been appropriated, and to

implement the actions required by any grant for projects and programs within the City's jurisdiction.

9. Inventory and Accounts Receivable - The City Manager is authorized to conduct a physical inventory, analyze receivables for collection, and to reconcile related financial records accordingly.

10. Debt - The City Manager is authorized to amend the Budget to reflect all required debt service requirements and payments, bond covenants or other applicable requirements, laws and regulations.

11. Short-term Inter-fund Borrowing - The City Manager is authorized to transfer cash on a daily basis to support funds with a negative cash position so long as the borrowing is paid back within one year, except for capital grant funds because grantor may not provide city with reimbursement of expended funds within the one year period.

12. Transfers and Reserves - The City Manager is authorized to make transfers among funds and reserves in accordance with the City Charter, the Vallejo Municipal Code, this resolution, and the Budget for Fiscal Year 2022-2023.

13. Completed or Inactive CIP Projects - Annually, completed or inactive projects will be closed, except for projects that have existing litigation or payment disputes. An inactive project is defined as one where transaction activity is less than $1,000 over the prior three years. The City Manager, or his or her designee, is authorized to close a project(s) and to process the necessary documentation to close inactive projects.

14. Insurance – The City Manager is authorized to procure insurance coverage in such amounts and with such self-insured retentions as is deemed prudent and necessary for the City, in amounts consistent with this budget.

15. Claims and Judgments - The City Manager and City Attorney are hereby authorized to pay claims and judgments as otherwise authorized by Council Resolution, a valid court order, or a stipulated judgment entered into pursuant to direction given by this Council in closed session.

RESOLUTION NO. _____ N.C.

FISCAL YEAR 2022-2023 POSITIONS AND SALARIES RESOLUTION

WHEREAS, Vallejo Municipal Code Section 2.60.340 requires the City Council adopt an official salary plan through adoption of the annual positions and salaries ordinance or resolution which shall continue or abolish positions which existed on the last day of the preceding fiscal year; create new positions and prescribe the number of regular positions authorized for each department, division, branch, section and other unit of the City's organization; and

WHEREAS, the City Council has reviewed the supplementary information to the Proposed Budget for Fiscal Year (FY) 2022-2023, containing the Salary Plan;

NOW, THEREFORE, BE IT RESOLVED by the City Council that the positions as set forth in Exhibit 1 to this Resolution and amended items shown on Exhibit 3 to this Resolution are authorized and funded for FY 2022-2023.

BE IT FURTHER RESOLVED that the City Manager is authorized to retain interim, part-time, temporary or seasonal personnel within the amounts appropriated for such purposes. In addition, to enable quick response in the City's difficult fiscal conditions, the City Manager, after review by the Human Resources Director and the Finance Director, is authorized to respond to staffing vacancies by either under filling them or using current staff that are at other similar pay level positions as long as there are sufficient monies remaining in the current budget.

BE IT FURTHER RESOLVED that the City Manager is further authorized to reassign authorized staffing positions within a department and within the same fund as long as there is no net change to authorized staffing positions and no change in the total expenditures appropriated for the department or fund.

BE IT FURTHER RESOLVED by the City Council that the salary schedule as set forth in the supplementary information to the Proposed Budget for FY 2022-2023 and attached to the Resolution as Exhibit 1 and Exhibit 2, with any salary and benefit adjustment authorized by the Proposed Budget for FY 2022-2023 adopted concurrently with this Resolution shall be the Official FY 2022-2023 Salary Plan (Salary Plan) for the City of Vallejo; and

BE IT FURTHER RESOLVED that the positions contained therein shall be continued from FY 2021-2022 to FY 2022-2023, and that any new positions created shall be as reflected therein, and such Salary Plan.

BE IT FURTHER RESOLVED that the City Manager is authorized to adjust staffing levels in the Police and Fire Training Academies based on projected vacancies.

BE IT FURTHER RESOLVED that the City Manager is authorized to adjust staffing levels for temporary staffing (extra-help) positions based on projected total budget amount available.

BE IT FURTHER RESOLVED that the City Manager is authorized to adjust any appropriation made in the approved budget to reflect changes from amounts budgeted for updated labor, cost plan, and risk management changes, such as retirement rates, payroll taxes, health benefits, fleet costs, and risk management costs from designated funds or reserves.

BE IT FURTHER RESOLVED that the City Manager is authorized to adjust staffing levels for renewals, expansions, or reductions to fully offset City Council-approved operating grants or externally funded programs (EFP). Grant/EFP positions shall be terminated upon completion or cancellation of the grant/EFP, unless specifically continued by a resolution that includes a source of replacement funding. Any existing positions which were approved based on the assumption of the City receiving a grant or other reimbursements must have continued funding verified prior to filling the position.

Multi-Level Authorizations

All positions in the Personnel Summaries/Authorized FTE Listings by Department that are authorized at multiple levels, where promotion is dependent on an employee obtaining certification or similar criteria not in the City's control, or other circumstances warrant, are required to be listed below and are referred to as "Multi-Level Authorizations":

Housing Specialist I/II
Communications Operators I/II
Maintenance Worker I/II
Assistant Engineer/ Associate Civil Engineer
Instrument Technician I/II
Water Maintenance Worker I/II

Temporary & Part-time Authorized Positions

The Personnel Summary/Authorized FTE Listing does not reflect temporary and part-time positions required to be paid through City payroll. These positions include interns, administrative, manual and nonmanual temporary positions, and Police Cadets and Firefighter Trainee authorizations.

These temporary and part-time position authorizations generally fluctuate throughout the year as business needs change. As such, The City Manager has the authority to adjust staffing levels for temporary staffing positions, subject to budgetary constraints.

Note: Detailed FTE information by classification and department can be found in the Appendix.

ACTION ITEM 9.B.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **HOLD A PUBLIC HEARING AND ADOPT A RESOLUTION APPROVING ANNUAL LEVY REPORT AND COLLECTION OF ASSESSMENTS ON PROPERTIES IN THE BORDONI RANCH, CARRIAGE OAKS, GARTHE RANCH, GLEN COVE III, GLEN COVE III 2015, HUNTER RANCH III, MARINE WORLD/FAIRGROUNDS, MARINVIEW, NORTHEAST QUADRANT, SANDPIPER POINT, SOUTH VALLEJO BUSINESS PARK, AND TOWN AND COUNTRY II-V LANDSCAPE MAINTENANCE DISTRICTS FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Hold a public hearing, receive input, and adopt a Resolution that approves the Engineer's Report and orders the levy and collection of assessments on parcels in twelve Landscape Maintenance Districts for Fiscal Year (FY) 2022-2023.

REASONS FOR RECOMMENDATION

The City Council appointed SCI Consulting Group, Inc. as the Engineer of Work and directed it to prepare the Engineer's Report for the twelve LMDs. The Engineer's Report identifies all assessable parcels in each LMD and was prepared pursuant to the Landscape and Lighting Act of 1972 and in compliance with Article XIIID of the California Constitution (Proposition 218). A public hearing is legally required to allow the City Council to receive input from the public on this item.

BACKGROUND AND DISCUSSION

The City of Vallejo has 27 Landscape Maintenance Districts, thirteen of which were established in accordance with the Landscape and Lighting Act of 1972 (1972 Act), and fourteen of which were established in accordance with the Improvement Act of 1911 (1911 Act). The City Council will be considering the 1911 Act districts and the Hiddenbrooke Landscape Maintenance District under separate Council actions. Approval of this resolution formally establishes the FY 2022-2023 assessments for the following Landscape Maintenance Districts: Bordoni Ranch, Carriage Oaks, Garthe Ranch, Glen Cove III, Glen Cove III 2015, Hunter Ranch III, Marine World/Fairgrounds, Marinview, Northeast Quadrant, Sandpiper Point, South Vallejo Business Park, and Town and Country II-V. Several of the districts are broken further into different operational areas, and may have assessments that vary from one another.

An Engineer's Report (hereafter referred to as "Report") is prepared annually for each 1972 Act District. The Report analyzes each district based on "equivalent benefit units" (EBU). One EBU is applied to a single-family residence. Proposed assessments for each parcel are based on the special benefit received by the parcels within each District. The proposed FY 2022-2023 budget for each district is included as part of the Report.

The annual costs and expenses to provide and maintain the improvements in each district are assessed proportionately to those parcels within each district that receive special benefits from the improvements. With the exception of two districts, South Vallejo Business Park and Marine World/Fairgrounds, single-family residences make up the majority of parcels within the Landscape Maintenance Districts discussed in this

report.

Many of these districts were formed in the 1970's, when inflationary adjustments to the levies were disallowed. This has resulted in a continued deterioration of the available funding and level of service that the City has been able to provide in some of these districts. Balloting was conducted, in accordance with Proposition 218, in FY 2007-2008, at which time, all parcel owners within eight of these districts (Carriage Oaks, Garthe Ranch (does not include Garthe Ranch B), Glen Cove III, Hunter Ranch III, Marine World/Fairgrounds, Sandpiper Point, South Vallejo Business Park, and Town and Country II-V) were afforded the opportunity to increase the assessments in order to provide a higher level of service. All of these districts, with the exception of Marine World/Fairgrounds and South Vallejo Business Park, rejected the proposed increases. This has resulted in a continued reduction in the level of service that can be provided, which will continue to occur until the parcel owners within such districts approve an increase to their assessment rates. In 2015, balloting was conducted again, in accordance with Proposition 218, in Glen Cove III. The ballot measure was approved resulting in the formation of the Glen Cove III 2015 LMD.

Examples of reduced services in FY 2022-2023 are:

- The elimination of tree trimming and view enhancement
- The elimination of fencing repairs
- Reduced irrigation service
- Reduction in the frequency of maintenance services
- Postponement of capital improvement projects

The FY 2022-2023 Report for the 1972 Act Districts is included as an attachment to this staff report and is also on file in the City Clerk's Office (3RD floor) and in the Department of Public Works (4th Floor), City Hall, 555 Santa Clara Street, Vallejo, CA 94590.

As reflected by the chart below, many of the districts are proposed to be levied at the same rate as they were during FY 2021-2022. The annual assessment rates for Glen Cove III 2015 are proposed to increase, as this district allows for an inflationary adjustment, to improve the level of service and set aside funds for future capital improvements. Consistent with Proposition 218, such increases are not considered new increased assessments that require that a notice and ballot be sent to property owners.

The following chart reflects both the approved FY 2021-2022 levy per parcel and the proposed FY 2022-2023 levy per parcel:

The proposed assessments comply with the provisions of Proposition 218. The total amount of funds to be assessed for these twelve 1972 Act Landscape Maintenance Districts in FY 2022-2023 is $2,562,401.61.

FISCAL IMPACT

There is no fiscal impact to the General Fund associated with this action.

Landscape District budgets are separate from the City's General Fund. Landscape Maintenance District assessments finance the maintenance of improvements in the districts. The Public Works Department costs for labor and materials associated with the Landscape Maintenance Districts are charged to the individual district budgets. All City costs associated with maintaining and administering the Districts are covered by the annual assessments. The total amount of funds to be assessed for these twelve 1972 Act Landscape Maintenance Districts in FY 2022-2023 is $2,562,401.61.

The financial health of the previously identified districts has been described in the Engineer's Report. As noted in this report, required operating reserves will continue to be compromised and service levels reduced in those districts that have not had an increase to their assessment since their formation in the 1970s. FY 2022-2023 funding in the remaining districts is adequate to maintain the current minimal service levels and to sustain the required operating reserves.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

Introduction

Overview

The City of Vallejo (the "City") annually levies and collects special assessments in order to maintain the improvements within the Landscape Maintenance Districts ("LMD" or "LMDs"). The LMDs have been formed pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the *California Streets and Highways Code* (the "1972 Act"). This document includes the Engineer's Reports (the "Reports") for twelve Landscape Maintenance Districts (hereafter referred to as "LMD" or "LMDs") designated as:

- Bordoni Ranch LMD
- Carriage Oaks LMD
- Garthe Ranch LMD (Zone A and Zone B)
- Glen Cove III LMD
- Glen Cove III 2015 LMD
- Hunter Ranch III LMD
- Marine World/Fairgrounds Drive LMD
- Marin View LMD
- Northeast Quadrant LMD (Including Zone A)
- Sandpiper Point LMD
- South Vallejo Business Park LMD
- Town and Country II through V LMD

In an effort to streamline the annual administrative process and expenses, the annual Reports required for each LMD, pursuant to the 1972 Act, are incorporated into this single Report. This comprehensive Report address the overall legislative authority, benefit rationale and method of apportionment for the LMDs listed above and provides separately a more detailed description of each LMD's boundaries, improvements, proposed budget and assessments for fiscal year 2022-2023 as required by Chapter 1, Article 4, beginning with Section 22565 of the 1972 Act.

Assessment Process

This Report was prepared to establish the budgets for the continued capital improvement and services expenditures that would be funded by the proposed 2022-2023 assessments, determine the benefits received from the lighting and landscaping maintenance and improvements by property within the LMDs and the method of assessment apportionment to lots and parcels within the LMDS. This Report and the proposed assessments have been made pursuant to the provisions of the 1972 Act and Article XIIID of the California Constitution (the "Article").

In each subsequent year for which the assessments will be continued, the Council must direct the preparation of an Engineer's Report, budgets and proposed assessments for the upcoming fiscal year. After the Engineer's Report is completed, the Council may preliminarily approve the Engineer's Report and proposed assessments and establish the date for a public hearing on the continuation of the assessments. This Report was prepared pursuant to the direction of the Council.

If the Council approves this Engineer's Report and the continuation of the assessments by resolution, a notice of assessment levies must be published in a local paper at least 10 days prior to the date of the public hearing. The resolution preliminarily approving the Engineer's Report and establishing the date for a public hearing is used for this notice.

Following the minimum 10-day time period after publishing the notice, a public hearing is held for the purpose of allowing public testimony about the proposed continuation of the assessments. This hearing is currently scheduled for June 14, 2022. At this hearing, the Council would consider approval of a resolution confirming the continuation of the assessments for fiscal year 2022-2023. If so confirmed and approved, the assessments would be submitted to the County Auditor/Controller for inclusion on the property tax rolls for Fiscal Year 2022-2023.

Engineer's Report

SCI Consulting Group has been retained by the City as the Assessment Engineer for this Assessment since 2011-2012. Language taken from the previous Engineer's Report is shown in Times New Roman, 10 pt. Font.

Assessment History

After the passage of Proposition 218 in November 1996 (now Articles XIIIC and XIIID of the California Constitution), the City conducted a complete analysis of the proposition and its application to the LMDs and the assessments related thereto. Pursuant to the *Article XIIID Section 5* of the Constitution, certain existing assessments are exempt from the substantive and procedural requirements of *Article XIIID Section 4* and property owner balloting for the assessments is not required until such time that the assessments are increased. Specifically, the City determined that the improvements and the annual assessment for each of the then existing 1972 Act Districts were part of the conditions of property development and approved by the original property owner (developer). As such, pursuant to *Article XIIID Section 5b* of the Constitution, the existing assessments were approved by all the property owners at the time the assessment was created (originally imposed pursuant to a 100% landowner petition) and therefore, the previously adopted assessments for each of those LMDs were exempt from the procedural requirements of the *Article XIIID Section 4*.

With the exception of the Bordoni Ranch LMD, Marine World/Fairgrounds LMD, Northeast Quadrant LMD, South Vallejo Business Park LMD, the Highlands at Garthe Ranch LMD (Garthe Ranch LMD Zone B) and Glen Cove III 2015 LMD which were balloted for a new or increased assessment that included an inflationary adjustment, each of the LMDs contained within this Report currently have fixed maximum assessment rates with no adjustment for inflation. Although these assessment rates (with the exception of Marin View LMD) were established prior to the passage of Proposition 218 and have been identified as exempt assessments pursuant to Article XIIID Section 5b of the Constitution, it has been determined that the current assessment revenues for most of these LMDs are no longer sufficient to cover the annual cost of providing the improvements.

Since the passage of Proposition 218, all new or increased assessments established for the LMDs and identified as the "Current Maximum Assessment Rate" in this Report have been submitted to the property owners of record and approved by such property owners pursuant to the provisions of the California Constitution Article XIIID Section 4. Specifically:

The Marin View LMD was formed in fiscal year 1999-2000. As part of that formation process, the City conducted a property owner protest ballot proceeding for the proposed maximum assessment. The results of that balloting indicated that majority protest did not exist and the "Current Maximum Assessment Rate" identified in this Report for that LMD was approved and confirmed by the City Council. Although the maximum assessment for this LMD was approved through a property owner protest ballot proceeding, the maximum assessment established did not include an inflationary adjustment.

Also in fiscal year 1999-2000, the City conducted property owner protest proceedings for a proposed assessment increase for the Northeast Quadrant LMD. The assessment increase (new maximum assessment) presented to the property owners in a property owner protest ballot proceeding and subsequently approved by those property owners, included an annual inflationary adjustment for the assessments.

In fiscal year 2007-2008 the City conducted proceedings for the formation of the Highlands at Garthe Ranch Maintenance District and concurrently annexed the properties within this LMD to the existing Garthe Ranch LMD as Zone B. As part of the formation/annexation process the City conducted a property owner protest ballot proceeding on the proposed new assessment for the associated improvements. The new maximum assessment presented to the property owners of record and subsequently approved also included an annual inflationary adjustment for the assessments.

In fiscal year 2008-2009 the City conducted property owner protest proceedings for a proposed assessment increase for eight of the LMDs outlined in this Report. These eight LMDs included:

- Carriage Oaks LMD
- Garthe Ranch LMD (Zone A only)
- Glen Cove III LMD
- Hunter Ranch III LMD
- Marine World/Fairgrounds Drive LMD
- Sandpiper Point LMD
- South Vallejo Business Park LMD
- Town and Country II through V LMD

In addition to the proposed assessment rate increases, the City proposed the implementation of an annual inflation adjustment for those new maximum assessment rates. In connection with the proposed assessment increases, pursuant to the provisions of the California Constitution, Article XIIID Section 4, the City conducted a property owner protest ballot proceeding for the establishment of the proposed new maximum assessments and inflationary adjustment for each respective LMD prior to imposing such new assessments.

The tabulation of the ballots indicated that majority protest did not exist for the proposed new or increased assessment for the following two LMDs only:

- Marine World/Fairgrounds Drive LMD
- South Vallejo Business Park LMD

In fiscal year 2010-2011, the City conducted a property owner ballot proceeding for a proposed new assessment for the Bordoni Ranch LMD. The new assessment presented to the property owners in a ballot proceeding and subsequently approved by those property owners included an annual inflationary adjustment for the assessments.

In fiscal year 2015-2016, the City conducted a property owner ballot proceeding for a proposed new assessment in the Glen Cove III area, Glen Cove III 2015 LMD (Glen Cove III District 2). The new assessment presented to the property owners in a ballot proceeding and subsequently approved by those property owners included an annual inflationary adjustment for the assessments.

Changes To The Landscape Maintenance Districts

Changes within the LMDs that affect the 2022-2023 levy of assessments are outlined below.

Annexations

No new annexations have occurred since the fiscal year 2021-2022 Engineer's Report was approved.

New Landscape Maintenance Districts

No new LMDs have been formed since the fiscal year 2021-2022 Engineer's Report was approved.

Plans & Specifications

The LMDs provide maintenance of landscaping and lighting within the public right-of-way, dedicated landscape easements, parks, detention basins, and street lighting (the "Improvements") in the various LMDs throughout the City. Each LMD has differing costs and provides direct and special benefits to the parcels within these LMDs. All properties will be assessed only for the maintenance of improvements within their respective LMD.

Improvements within the LMDs include but are not limited to: installation, maintenance and servicing of public facilities, and incidental expenses, including but not limited to, street lights, public lighting facilities, landscaping, sprinkler systems, statuary, fountains, other ornamental structures and facilities, landscape corridors, ground cover, shrubs and trees, street frontages, drainage systems, fencing, entry monuments, graffiti removal and repainting, and labor, materials, supplies, utilities and equipment, as applicable, for property owned or maintained by the City of Vallejo. Any plans and specifications for these improvements will be filed with the Public Works Director of the City of Vallejo and are incorporated herein by reference.

Installation means the construction of lighting and landscaping improvements, including, but not limited to: land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks and drainage and lights.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of any improvement, including repair, removal or replacement of all or any part of any improvement; providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury; the removal of trimmings, rubbish, debris, and other solid waste, and the cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

Servicing means the furnishing of electric current or energy for the operation or lighting of any improvements, and water for irrigation of any landscaping or the maintenance of any other improvements.

Incidental expenses include all of the following: (a) The costs of preparation of the report, including plans, specifications, estimates, diagram, and assessment; (b) the costs of printing, advertising, and the giving of published, posted, and mailed notices; (c) compensation payable to the County for collection of assessments; (d) compensation of any engineer or attorney employed to render services in proceedings pursuant to this part; (e) any other expenses incidental to the construction, installation, or maintenance and servicing of the Improvements; (f) any expenses incidental to the issuance of bonds or notes pursuant to Streets & Highways Code Section 22662.5; and (g) costs associated with any elections held for the approval of a new or increased assessment. (Streets & Highways Code §22526).

The assessment proceeds will be exclusively used for Improvements within the LMDs plus Incidental expenses.

Description of the Landscape Maintenance Districts

Landscape Maintenance District Boundaries, Specific Areas Maintained and Fiscal Year 2022-2023 Estimate of Cost and Budgets

A description of the boundaries, areas maintained, Improvements and FY 2022-23 Budgets are described in detail below for each LMD.

BORDONI RANCH LMD

This LMD is designated as Bordoni Ranch Landscape Maintenance District and may be referred to as Bordoni Ranch LMD. Bordoni Ranch LMD was formed in 2010. The LMD serves two Zones:

Zone 1 is comprised of all parcels of land within the Bordoni Ranch subdivision, as well as the two parcels on the west side of Columbus Parkway that are the proposed site of the planned detention basin/wetlands;

Zone 2 is comprised of the remaining three parcels of land on the west side of Columbus Parkway that are proposed to be future residential subdivisions, including the planned Tuscany subdivision.

Boundaries

Zone 1 consists of all lots, parcels and subdivisions of land within the proposed residential subdivision known as Bordoni Ranch, generally located east of and adjacent to Columbus Parkway and south of Regents Park Drive and Brunswick Drive. Zone 1 also includes the two parcels that are the site of the proposed detention basin as well as vacant wetlands. These two parcels are generally located west of and adjacent to Columbus Parkway, and north of Benicia Road, and south of Greenmont Drive.

Zone 2 consists of all lots, parcels and subdivisions of land within the proposed residential subdivision known as Tuscany as well as vacant land and two parcels zoned for residential development (future single-family residential subdivisions). These properties are generally located west of and adjacent to Columbus Parkway; and north of Greenmont Drive, and south of Aragon Street.

Improvements

The LMD maintains landscape improvements, open space areas and park facilities. It has been determined that specific improvements to be maintained throughout the LMD are improvements that provide special benefits to each property within the LMD, the cost of which will be proportionately shared by properties in both Zone 1 and Zone 2 ("Shared Improvements"). Conversely, other improvements to be maintained throughout the LMD that are specifically the result of developing properties within the Bordoni Ranch residential subdivisions are improvements that provide special benefits to only those properties, and the cost of providing such improvements shall be proportionately shared by only the properties in Zone 1 ("Zone 1 Improvements"). Therefore, Zone 1 receives benefits from both the Zone 1 Improvements and the Shared Improvements while Zone 2 receives benefits only from the Shared Improvements. The Improvements to be maintained throughout the LMD are generally described as:

Zone 1 Improvements

- Irrigated parkways and slopes (streetscape) within the public right-of-ways on the perimeter of the Bordoni Ranch subdivision, including but not limited to:
    - Landscaped area located on the east side of Columbus Parkway, from Regents Park Drive southward to the southern end of the Bordoni Park subdivision;
    - Landscaped area and approximately 19 street trees located on the south side of Regents Park Drive, from Columbus Parkway eastward to approximately 50 feet west of Brunswick Drive;
    - Landscaped area, including approximately 54 street trees on both sides of Waterstone Parkway between Regents Park Drive and Abbey Drive.
- Irrigated open space areas and wetlands dispersed throughout the Bordoni Ranch subdivision that provide a transition from the streetscape landscaped areas to the non-irrigated open space areas, and/or are located adjacent to the residential units or common areas within the Bordoni Ranch subdivision.
- Detention basin serving the Bordoni Ranch development.

Shared Improvements

- Landscaped median islands on Columbus Parkway, approximately between Regents Park Drive on the north and Benicia Road on the south.
- Designated parkland, located at the corner of Columbus Parkway and Regents Park Drive. The park includes, but is not limited to:
    - One basketball court;
    - Two bocce courts;
    - Toddler's play structure;

- Older children's play structure;
- Picnic areas with tables, barbeques, and benches;
- A 21-stall parking lot.

General Information

Prior to the Bordoni Ranch development, there was a 6.74 acre park located on the south side of Regents Park Drive just east of Columbus Parkway. This park had very few amenities and consisted primarily of grass, trees and sidewalks. The park was maintained by the Greater Vallejo Recreation District (the "GVRD"). In anticipation of the increased demand to be placed on the park by the Developments, the previous park was demolished and a new park was completely reconstructed and enhanced as described above. Fiscal Year 2022-2023 planning and redesign of the bathroom facilities are planned for completion.

Carriage Oaks LMD

This LMD is designated as Carriage Oaks Landscape Maintenance District and may be referred to as Carriage Oaks LMD. Carriage Oaks LMD was formed in 1990. The LMD serves a residential neighborhood of 254 parcels located in northeast Vallejo.

Boundaries

The LMD lies within the City of Vallejo, generally located within the area bounded by Interstate 80, State Route 37, the Country Club Crest Ranch and Cimarron Hills Subdivisions.

Improvements

The LMD maintains landscaped areas and weed control zones including approximately 1 acre of ornamental and native landscaping which includes ground cover, shrubbery and trees; and 10 acres of plantings and weed control described as follows:

- Remove & replace over-mature shrubs on Borges slopes
- Thin out over-mature vegetation at Griffin & Sousa
- The landscape areas from Cimarron Court to Souza
- The strip of weed height control along the Marine World Parkway sound wall and the open space below, to the west of Highway 80
- Weed height control for open space areas
- Prune trees in LMD easements
- Upgrade irrigation on slopes along Borges

General Information

Slope drainage from Highway 80 is highly erosive to the open space area and has significantly impacted the LMD costs over the last few years. Although repairs due to erosion cannot be predicted, it is essential that the LMD's Rehabilitation Fund be adequately funded for any unforeseen repairs or replacements.

The life expectancy of native shrubbery is five to fifteen years. The majority of the current landscape improvements (shrubbery) within the LMD will likely need replacement over the next several years.

A financial analysis of the LMD indicates that the current maximum assessment revenues do not generate adequate revenue to provide for the Improvements. The City conducted proceedings in fiscal year 2008-2009 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-2009, which was not approved.

Garthe Ranch LMD

This LMD is designated as Garthe Ranch Landscape Maintenance District and may be referred to as Garthe Ranch LMD. The LMD is comprised of two Zones:

- Zone A (the original Garthe Ranch LMD) was formed in 1987 and serves a residential neighborhood consisting of 1,145 parcels within thirteen developments located in southeast Vallejo; and
- Zone B (the Highlands) was formed and established in October 2006 and serves a residential development consisting of 105 parcels situated in the eastern portion of the City of Vallejo.

Boundaries

Zone A of the LMD is generally located within the areas bounded by Columbus Parkway, Lake Herman Road, the Vallejo-Benicia city limits line, the Springtree/Fleming Hill LMD, Tennessee Street, Saint Catherine's Church, and the Summit I and Somerset Highlands III Landscape Maintenance Districts.

Zone B is generally located east of and adjacent to Columbus Parkway at Spring Road, south and west of Ascot Parkway, and north of Georgia Street.

Improvements

Zone A - The LMD maintains landscaped areas, weed control zones and trail systems for the special benefit of properties within Zone A including approximately 30 acres of native and ornamental ground cover, shrubbery and trees; 31 acres of plantings and weed control that are found in the following areas:

- The Ascot Parkway frontage which extends eastward to Newcastle Drive
- The Georgia Street frontage extending to Ascot Parkway
- Hilary Way between Columbus and Ascot Parkways
- The Columbus Parkway slopes below the Coventry Hills subdivision and Highland Apartments
- The frontages along Windsor, Westminster, Southport, and Ramsgate Ways

The open space areas behind the residences of Ascot Parkway, Britannia Drive, Hawkins Street, Southport Way, Georgia Street, Knights Circle, Devonshire and Joel Courts, Devonshire Avenue, Manor Court, Newcastle Drive, Newcastle Court, Windsor and Westminster Ways, Sandhurst Drive, Sandhurst Court, and Saxony Court.

Zone B - The LMD maintains landscaped areas, weed control zones and parkland for the special benefit of properties within Zone B including:

- Approximately one acre of irrigated parkways and slopes (streetscape) within the public right-of-ways along the interior streets of the Zone.
- Approximately half of an acre of irrigated open space areas that provide a transition from the streetscape landscaped areas to the non-irrigated open spaces areas, and/or are located adjacent to the residential units or common areas within the Highlands subdivision.
- Approximately one and a half acres of irrigated parkways and slopes (streetscape) on the perimeter of the Zone.
- Approximately 25 acres of non-irrigated (natural) open space area located in the eastern half of the Zone behind the residential subdivision.

A half-acre park site is located in the center of the residential subdivision.

General Information

The life expectancy of native shrubbery is five to fifteen years. Although portions of the assessments for Zone A have been spent on rehabilitation in recent years, it is reasonable to assume that additional monies will be necessary in future years for either more rehabilitation of the improvements (particularly irrigation systems) or increased maintenance costs associated with very mature plant material.

LMD Budgets

Zone A Budget

A financial analysis of the LMD and the improvements indicates that the current maximum assessment rate does not generate sufficient revenues to adequately provide for the improvements. The City conducted proceedings in fiscal year 2008-09 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-09 which was not approved.

The following provides the budget and maximum assessment rate for fiscal year 2022-23.

Zone B Budget

Zone B (Highlands) was formed and balloted for a new assessment in fiscal year 2006-07, which included an annual inflationary.

The following provides the proposed budget and assessment rate for fiscal year 2022-23 that is necessary to provide an appropriate level of maintenance for the Highlands (Zone B) of the LMD. The budget includes the City's estimate of anticipated expenditures, revenues and fund balances required for the annual maintenance and operation of the improvements. The assessment rate derived from this budget and the established method of apportionment shall be used to calculate each parcel's assessments for fiscal year 2022-23.

Glen Cove III LMD's

The Glen Cove III area has two Landscape Maintenance Districts, the first LMD is designated as Glen Cove III LMD or "LMD 1", was formed in 1987. LMD 1 serves an area consisting of 2,936 parcels from twenty-eight (28) developments located in southeast Vallejo.

The second Landscape Maintenance District was formed by property owner ballot proceeding fiscal year 2015-16 and is designated as Glen Cove III 2015 LMD or "LMD 2". LMD 2 serves the same area as LMD 1 and contains 3,219 parcels from twenty-eight (28) developments located in southeast Vallejo. LMD 2 contains slightly more parcels than LMD 1, due to its formation occurring after the implementation of Proposition 218, public agencies are subject to LMD 2 assessments.

LMD 2 was formed in order to provide additional funding for the maintenance and installation of landscape improvements throughout the Glen Cove III area. LMD 1 was formed in 1987 without an inflationary adjustment while costs have increased significantly. As a result, the assessment revenue from LMD 1 was no longer sufficient to fund annual maintenance and would have depleted the rehabilitation reserve fund.

The development of properties within both LMD's is not expected to change significantly.

Boundaries

Both LMD's lies within the City of Vallejo, generally located within the area bounded by Interstate 80, Interstate 780, Robles Way and the Benicia State Recreation Area.

LMD 2 Zones of Benefit

As part of the engineering work for the formation of LMD 2, an analysis was conducted on the relationship (including proximity, transportation corridors, likely travel routes, etc.), between properties and the primary improvements located along Glen Cove Parkway. As a results three zones, A, B and C were created as shown on the assessment diagram for LMD 2. Parcels in Zone B are determined to receive 98% of the level of special benefit as those within Zone A and parcels in Zone C are determined to receive 94% of the level of special benefit as those within Zone A.

Improvements

The LMD's maintain landscaped areas; weed control zones; and trail systems including approximately 60 acres of ornamental and native landscaping which includes ground cover, shrubbery, and trees; and 62 acres of plantings and weed control that are found in the following areas:

- The boundaries of Robles to the straits and Navone/Palou/Old Glen Cove Road to the Benicia State Recreation Area fence-line and Glen Cove Parkway
- Mistral, Rivermouth, Brigantine, James River, New Bedford Court, Bear Cove Court, Pueblo Court, Duxbury Place, Sandy Neck Way, Sea Cliff Place, Saybrook Way, Antigua Way, and Chesapeake Drive
- Glen Cove Parkway beginning at the west corner of the Marina Complex landscape area fronting the parkway to the intersection of Glen Cove Parkway and Bayside Terrace
- The open space to the west and north of Waterview Terrace
- The slope of Clearview including the slope and trail along the strait to the entrance of the harbor
- South Regatta from the intersection of Glen Cove Parkway to the intersection of Whiteside and South Regatta
- The open space between Paddlewheel, Beston, Ancheta, Topsail, Yachtsman, and Seafarer
- Weed control adjacent to the Benicia State Park fence-line and the PG&E yard to the intersection of Flying Dutchman
- The open space above Weathermark, Leeward, and Windward Courts
- The open space slope of Flying Dutchman, Pirates' Cove, Sea Mist, Topsail, Helmsman, Anchor, Winter Harbor, Wellfleet, Cape Elizabeth, Fairhaven, and Silver Pine to the Benicia State Park fence
- The Hwy. 780 fence-line along the northeast boundary of the LMD
- The access pathway behind Topsail and the landscaping along each side of North Regatta to the intersection of Glen Cove Parkway and North Regatta
- The north side of Sunfish Court
- Outrigger near Sea Horse and the open space to the rear yard fences of Palou and Pueblo
- The open space above Del Sur in the cul-de-sac, above Clearpointe, and the open space above and below the Clearpointe Drive cul-de-sac

General Information

The life expectancy of native shrubbery is five to fifteen years. Fiscal Year 2021-2022 design of Phase 1 of the Glen Cove entryway improvements and Glen Cove parkway are planned for completion. The following capital improvement projects are planned over the next three years:

Glen Cove Entry Way Project completion (fiscal year 2022-2023): Remove and replace existing landscaping and update irrigation on the inbound and outbound lanes and the center median along Glen Cove Parkway from intersection of Robles approximately to the intersection of New Bedford.

Fiscal Year 2022-2023 Glen Cove walking/bike path resurfacing (slurry seal) along Glen Cove Parkway from New Bedford to Glen Cove Elementary School.

Glen Cove Parkway at North Regatta (fiscal year 2022-2023): Remove and replace existing landscaping and update irrigation on the inbound and outbound lanes and the center median along Glen Cove Parkway from intersection of North Regatta to the intersection of South Regatta.

South Regatta at Glen Cove Parkway (fiscal year 2023-2024): Remove and replace existing landscaping and update irrigation along east side of South Regatta from Glen Cove Parkway to Paddle Wheel Drive.

The City conducted proceedings in fiscal year 2008-2009 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-2009 which was not approved. The City conducted a second property owner ballot proceeding in fiscal year 2015-16 for a new assessment and an annual inflationary adjustment commencing in fiscal year 2015-16 which was approved. As noted previously the new LMD is designated as Glen Cove III 2015 LMD or "LMD 2".

Including the annual inflationary adjustment maximum assessment rates for LMD 2 for fiscal year 2022-23 are $125.14 for properties in Zone A, $122.66 for properties in Zone B, and $117.63 for properties in Zone C.

Hunter Ranch III LMD

This LMD is designated as Hunter Ranch III Landscape Maintenance District and may be referred to as Hunter Ranch III LMD.

- Hunter Ranch III LMD was formed in 1986
- The LMD serves a residential neighborhood of 190 parcels located in northeast Vallejo and the development of properties within the LMD is not expected to change significantly.

Boundaries

The LMD lies within the City of Vallejo, generally located within the area bounded by Turner, Ascot and Redwood Parkways and the Hunter Ranch I subdivision.

Improvements

The LMD maintains landscaped areas totaling approximately 6 acres of ornamental and native landscaping which includes ground cover, shrubbery, trees, and weed control zones that are found in the following areas:

- The west side of lower Ascot Parkway beginning at the south end of the sound wall at Sterling and Ascot Parkways to the intersection of Redwood Parkway and Ascot Parkway
- The slope landscaping along the north side of Redwood Parkway extending to the Trotter intersection, including three median islands on Redwood Parkway

General Information

A FY 2008-2009 owner balloting to increase the assessment in the LMD to enable a full level of service failed and as a result the City reduced the Direct Costs of the LMD by re-negotiating the landscape maintenance contracts (reduced level of service) and less frequent water use in an attempt to bring the annual expenses in line with the assessment revenues.

A financial analysis of the LMD and the improvements indicates that the current maximum assessment rate does not generate sufficient revenues to adequately provide for the improvements.

Marine World/Fairgrounds Drive LMD

This LMD is designated as Marine World/Fairgrounds Drive Landscape Maintenance District and may be referred to as Marine World/Fairgrounds Drive LMD or Marine World/Fairground LMD.

- Marine World/Fairgrounds Drive LMD was formed in 1989.
- The LMD serves 5 parcels that include a recreational theme park, fairgrounds, and motel/hotel complex (Holiday Inn) located in northeast Vallejo. Marine World/Fairgrounds Drive LMD is fully developed and the Equivalent Benefit Units (EBU) for the LMD is not expected to change.

Boundaries

The LMD lies within the City of Vallejo, generally located within the area bounded by Interstate 80, Fairgrounds Drive, and the western boundary of Marine World and the southern boundary of Solano County.

Improvements

The LMD maintains the landscaped frontages and median plantings totaling approximately 3 acres of native and ornamental ground cover, shrubbery and trees; and 0.5 acre of weed control and new plantings. Fairgrounds Drive serves as the entrance to the Discovery Kingdom (Formerly Marine World) Six Flags Theme Park and Solano County Fairgrounds and the LMD improvements are generally located in the areas described below:

- Just beyond the entrance to the Fairgrounds parking lot to the south; and
- North beyond the overpass of Highway 37

General Information

The life expectancy of native shrubbery is five to fifteen years.

A past financial analysis of the LMD and the improvements indicated that the maximum assessment rate did not generate sufficient revenues to adequately provide for the improvements. The City conducted proceedings in FY2008-2009 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-2009 which was approved.

LMD Budget

A financial analysis of the LMD with the inflationary adjustments indicates that the maximum assessment rate does generate sufficient revenues to adequately provide for improvements. The budget includes the City's estimate of anticipated expenditures, revenues and fund balances required for the annual maintenance and operation of the improvements. The assessment rate derived from this budget and the established method of apportionment shall be used to calculate each parcel's assessments for fiscal year 2022-23.

Marin View LMD

This LMD is designated as Marin View Landscape Maintenance District and may be referred to as Marin View LMD.

- Marin View LMD was formed July 13, 1999.
- The LMD serves a residential neighborhood of 10 parcels located in north Vallejo and is fully developed.

Boundaries

The LMD lies within the City of Vallejo, generally located at the northern end of Pecan Court and bounded by Hickory and Pecan Streets.

Improvements

The LMD maintains landscaped areas and weed control zones found in the following areas:

- The ornamental and native landscaping within the median island at the end of Pecan Court including ground cover, shrubbery, and trees
- Weed control in open space areas in the northwest corner and in the western portion of the LMD that assists in fire protection.

General Information

The property owners within the LMD approved the current assessment rate in Fiscal Year 1999-2000, but the assessment did not include an inflationary adjustment.

Although previous financial analysis of the LMD suggested that assessment revenues may not be adequate to fund the improvements, this funding issue resulted largely from one-time rehabilitation expense and district formation expense that were required due to the lack of maintenance in the area previously, which has generally been resolved over time.

A financial analysis of the LMD in fiscal year 2008-2009 indicated that the assessment revenues were sufficient to fund the maintenance of the improvements and did not require an assessment increase at that time. However, the revenues generated at the maximum assessment rate, limited possible funding for future rehabilitation or unforeseen expenses and without an annual inflationary adjustment, an assessment increase may be required in the near future.

LMD Budget

The following provides the proposed budget and assessment rate for fiscal year 2022-23 that is necessary to provide an appropriate level of maintenance for the LMD. The budget includes the City's estimate of anticipated expenditures, revenues and fund balances required for the annual maintenance and operation of the improvements. The assessment rate derived from this budget and the established method of apportionment shall be used to calculate each parcel's assessments for fiscal year 2022-23. The assessment rate derived from this budget is less than or equal to the previously approved maximum assessment rate for the LMD.

Northeast Quadrant LMD

This LMD is designated as Northeast Quadrant Landscape Maintenance District and may be referred to as Northeast Quadrant LMD.

- Northeast Quadrant LMD was formed in 1984.
- The LMD currently serves approximately 1,867 parcels that include business, residential, and school land uses located in northeast Vallejo.
- The LMD is not fully developed and is currently comprised of 1,848 parcels that include business, residential, and school land uses located in northeast Vallejo.
- The LMD includes 159 parcels (140 assessable parcels) that are identified as Zone A. In addition to the overall improvements provided within the LMD, these parcels receive special benefits from additional local landscape improvements for which they are assessed.

Boundaries

The LMD is located within the area generally bounded by Highway 80, Hunter Ranch II and Hunter Ranch III subdivisions, Sulphur Springs Mountain, Blue Rock Springs Golf Course, Summit Landscaping District and Woodridge Landscape Maintenance District. Within this LMD, parcels adjacent to Admiral Callaghan Lane and Columbus Parkway to the north, Plaza Drive to the west, parcels adjacent to Turner Parkway to the south and parcels adjacent to Ascot Parkway to the east are identified and designated as Zone A.

Improvements

Situated in the Blue Rock area of the City, the LMD is diverse with landscaped parkways, medians and large open spaces. The overall LMD maintains landscaped areas, weed control zones and trail systems that include approximately 23 acres of native and ornamental ground cover, shrubbery and trees; and 9 acres of weed control and plantings that are described below:

- The median of Admiral Callaghan Lane from Columbus Parkway to Turner Parkway
- Remove & replace irrigation & landscaping in median on Ascot between Redwood & Hawkesbury
- Hydro seed bare fire break areas for grass stands
- Remove & replace irrigation & plants on 4 corner medians at Redwood & Ascot
- The median islands at the Columbus Parkway and Admiral Callaghan Lane intersection
- Fill in median shrubs along Ascot between Turner & Redwood Parkway
- The median and landscaped areas on the south side of Turner Parkway

- Replace landscaping along Turner Parkway between Admiral Callaghan Way & Ascot
- The median on Ascot Parkway from Redwood Parkway to the other side of the bridge just before Hawksbury
- Remove & replace irrigation & plants on Lake Herman Rd between Columbus to end
- Maintain wrought iron fences located on public property or easements on Picasso, Topley, Rodin & Glenview Circle
- North side of West bound lane on Columbus Pkwy from Blue Rock Springs Park to St. John's Mine Rd. Irrigate & landscape
- The slope over the creek and the slope below Torrey Pine Court
- The slope below Picasso, Topley, Archer and Rodin Courts
- The slope landscaping to the north behind Glenview Circle and above Redwood Parkway
- The slope surrounding Matthew Court
- Ascot Parkway beyond the Blue Rock Springs Golf Course/Greater Vallejo Recreation District Park
- Solano Bike Trail along the west boundary of the urban open space

Zone A's improvements are extra landscape maintenance related to tree care, additional litter pickup, and related utilities; and maintenance of entry monument and kiosk signs.

General Information

In fiscal Year 1999-2000, to ensure a high level of service for the LMD, the property owners through protest ballot proceeding approved an assessment increase and annual inflationary adjustment.

In fiscal year 2004-2005, formation of benefit Zone A was approved by property owners through a ballot proceeding. This ballot proceeding approved an assessment increase and annual inflationary adjustment applicable to those properties only.

It has been determined that the current maximum assessment rates for the LMD are sufficient to fund the annual maintenance of the LMD improvements. Based on the budget for fiscal year 2022-23 the proposed assessments are less than the authorized maximum assessment rates. Future capital projects planned for FY 2022-23 include design of landscape and irrigation improvements in the west bound lane of Columbus Parkway from Blue Rock Springs Park to Interstate 80 Freeway on-ramp. Fiscal Year 2022-2023 design engineering repair of retaining wall along Ascot Parkway between Garnett Drive and Turner Parkway.

LMD Budget

The following provides the proposed budgets and assessment rates for fiscal year 2022-23 that are necessary to provide an appropriate level of maintenance for the LMD. The budgets include the City's estimate of anticipated expenditures, revenues and fund balances required for the annual maintenance and operation of the improvements. The assessment rate derived from these budgets and the established method of apportionment shall be used to calculate each parcel's assessments for fiscal year 2022-23. The assessment rates derived from these budgets are less than or equal to the previously approved maximum assessment rate for both Zone A and the Non-Zone A parcels in the LMD.

Sandpiper Point LMD

This LMD is designated as Sandpiper Point Landscape Maintenance District and may be referred to as Sandpiper Point LMD.

- Sandpiper Point LMD was formed in 1981
- The LMD serves a residential neighborhood of 385 parcels located in northwest Vallejo and is fully developed.

Boundaries

The LMD is generally located within the area bounded by Meadows Drive, Catalina Way and the Napa County line.

Improvements

The LMD maintains landscaped areas and weed control zones including approximately 4.5 acres of native and ornamental ground cover, shrubbery and trees; and 2.3 acres of weed controlled open space that are found in the following areas:

- The landscaped strips and medians found within the boundaries of Meadows Drive wetlands on the west, Mini Drive median landscapes on the east and the Catalina Circle Wetlands on the northwest
- Along Meadows Drive, Catalina Circle and Catalina Way
- The median islands of Mini Drive

General Information

In fiscal year 1999-2000 the landscape improvement areas to be maintained for this LMD were expanded, resulting in a significant increase to the LMD's overall maintenance costs. Although these new areas of maintenance had a significant negative impact on the financial health of the LMD, initially the additional expenses were offset by use of available reserve funds. Although the LMD still has some reserve funds available to offset these costs, they are no longer sufficient to cover the full annual expenditures for the LMD.

Therefore, it was determined that the maximum assessment rate did not generate sufficient revenues to adequately provide for the improvements. The City conducted proceedings in FY2008-2009 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-2009 which was not approved.

South Vallejo Business Park LMD

This LMD is designated as South Vallejo Business Park Landscape Maintenance District and may be referred to as South Vallejo Business Park LMD.

- South Vallejo Business Park LMD was formed in 1981
- The LMD is a light industry park that serves nine light industry parcels located in southwest Vallejo with eight of the nine parcels being fully developed

Boundaries

The LMD is generally located within the area bounded by Solano Avenue, Fifth Street Avenue, Sonoma Boulevard, and the railroad tracks in the area.

Improvements

The LMD maintains parkway landscape areas adjacent to the properties within the LMD totaling approximately 2 acres of grass area with trees; and 0.5 acre of ornamental ground cover and shrubbery with trees.

General Information

In recent years, property owners within the LMD contacted the City regarding ways to reduce maintenance costs including reductions in irrigation. The City agreed to assist with this reduction by providing for water conservation practices in the maintenance contract. However, it has been determined that further reductions could only be achieved by:

- Eliminating the grassy mounding areas and/or removing trees from the turf planting areas and restricted them to stand-alone landscape plots; or
- Removing the landscaped areas from Corporate Place to Sonoma Boulevard at the time the empty lot along Sonoma Boulevard is developed.

A financial analysis of the LMD and the improvements indicated that the maximum assessment rate did not generate sufficient revenues to adequately provide for the improvements. The City conducted proceedings in FY 2008-2009 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-2009 which was approved.

LMD Budget

The following provides the proposed budget and increased maximum assessment rate for fiscal year 2022-23 that is necessary to provide an appropriate level of maintenance for the LMD. The budget includes the City's estimate of anticipated expenditures, revenues and fund balances required for the annual maintenance and operation of the improvements. The assessment rate derived from this budget and the established method of apportionment shall be used to calculate each parcel's assessments for fiscal year 2022-23.

Town and Country II through V LMD

This LMD is designated as Town & Country II-V Landscape Maintenance District and may be referred to as Town & Country II-V LMD.

- Town & Country II-V LMD was formed in 1986
- The LMD serves a residential neighborhood of 336 parcels located in northeast Vallejo and is fully developed with no expected change in Equivalent Benefit Units (EBU)

Boundaries

The LMD is generally located within the area bounded by State Highway 37, Whitney Avenue, Serpentine Drive and Opal Drive.

Improvements

The LMD maintains landscaped areas and weed control zones that include approximately 3 acres of native and ornamental ground cover, shrubbery and trees on the various slopes within the LMD including:

- The slopes between the residences of Whitney Avenue and Basalt Drive
- The slope behind residences of College Avenue and Olympic Drive including the access area from Quartz Drive

General Information

A financial analysis of the LMD and the improvements indicates that the current maximum assessment rate does not generate sufficient revenues to adequately provide for the improvements. The City conducted a proceeding in FY2008-2009 to ballot the property owners within the LMD for an increased assessment and an annual inflationary adjustment commencing in fiscal year 2008-2009 which was not approved.

Budget Definitions

The following provides a summary of the services and costs that are included in the LMD Budgets:

Direct Cost:

Contract Maintenance Costs — Includes all contracted labor, material and equipment required to properly maintain the landscaping, irrigation systems, drainage systems, trail systems, fencing, natural drainage areas, open spaces, and related facilities within the LMD.

Salaries & Benefits — Staff time devoted to managing and inspecting Districts. The Public Works LMD reimbursement is proportionally spread amongst twenty-seven (27) Districts based on each District's budgeted direct and maintenance expense, inspections as a percentage of total costs in these categories for all Districts. Inspection costs are budgeted directly to the District as Field Inspection based on the historical and projected time spent in the inspection efforts.

Services & Supplies - Vehicles, supplies and services devoted to managing and inspecting Districts.

Landscape Water — Includes the cost of the furnishing of water required for the maintenance of the landscaping.

Utilities — Includes the cost of the furnishing of electricity required for the irrigation systems and hardwire telephone connections at upgraded irrigation controllers, monitored by City Staff.

Landscape Rehabilitation / Vandalism — Includes repairs to the improvements in the LMD that are not normally included in the yearly Landscape Maintenance costs. This may include repairs or replacement of damaged improvements or facilities that may be the result of vandalism, storms, frost, natural occurrences, etc., including graffiti abatement.

Landscape Rehabilitation includes annual funding for planned landscape projects, which will significantly benefit and upgrade a specific LMD and are considered above normal routine landscape maintenance work.

Capital Projects – This item includes major repairs or capital improvement projects.

Administration Expenses:

Administration & Overhead — The cost allocation of all particular departments and staff of the City, for providing general support, services and operations related to the various districts, enterprises and accounts of the City.

County Administration Fee — This is the estimated cost to the LMD for the County to collect LMD assessments on the property tax bills. This charge is based on a flat rate per fund number plus a charge per assessment levied.

Professional Fees — This is the estimated cost to the District for the Assessment Engineer to prepare this report and to calculate and submit the assessments to the Solano County Auditor's office.

Collections/ (Credits) Applied:

Fund Balance Collection — The 1972 Act provides for a LMD to fund an Operating Reserve Fund as well as the collection of funds in installments for specific projects. This budget item identifies funds collected or transferred from these two LMD Fund Balances:

Operating Reserve Fund provides for the collection of funds to operate the LMD from the time period of July 1 (beginning of the Fiscal Year) through December 10 or when the County provides the City with the first installment of assessments collected from the property tax bills (typically January or February).

Rehabilitation Funds may be collected to cover the cost of repairs that are outlined in either a defined project plan or periodic maintenance costs that may be unforeseen and are not normally included in the yearly maintenance contract costs, including the costs associated with upgrades, repairs, replacements or refurbishing of the improvements. These amounts may be budgeted and spent each fiscal year, or collected in installments and held in the Rehabilitation Reserve Fund for a large improvement projects.

Other Revenues/General Fund (Contributions) — This item includes additional funds designated for the LMD that are not annual assessments. These funds are added to the LMD account to reduce assessments (contributions are shown as a negative amount), and may be from non-LMD or LMD sources including City General Fund Contributions for general benefit costs and/or interest earnings. This item may also include the repayment of funds previously loaned to the LMD from other sources (a positive amount) to be collected as part of the annual assessments.

Balance to Levy:

The Balance to Levy — The total amount to be collected for the current fiscal year through assessments (for special benefits). The Balance to Levy represents the sum of Total Direct Cost Budget, Administration Budget; and Collections (Credits) Applied. Only those costs related to the improvements identified as special benefits are levied and collected on the tax roll. This amount divided by the "Total Equivalent Benefit Units" for the LMD determines the proposed assessment rate for the fiscal year.

Method of Apportionment

Method of Apportionment

This section of the Engineer's Report explains the special and general benefits to be derived from the installation, maintenance and servicing of Improvements located throughout the LMDs, and the methodology used to apportion the total assessment to properties within the LMDs.

The LMDs consists of Assessor Parcels within the boundaries of the City of Vallejo as defined by the County of Solano tax code areas. The parcels include all privately or publicly owned parcels within said boundaries. The method used for apportioning the assessments is based upon the proportional special benefits to be derived by the properties in the LMDs over and above general benefits conferred on real property or to the public at large. The apportionment of special benefit is a two-step process: the first step is to identify the types of special benefit arising from the improvements, and the second step is to allocate the assessments to property based on the estimated relative special benefit for each type of property.

Discussion of Benefit

In summary, the assessments can only be levied based on the special benefit to property. This benefit is received by property over and above any general benefits. With reference to the requirements for assessments, Section 22573 of the Landscaping and Lighting Act of 1972 states:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."*

Proposition 218, which added Article XIIID of the California Constitution, provides as follows:

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

Benefit categories have been established that represent the types of special benefit to residential, commercial, industrial and other lots and parcels resulting from the installation, maintenance and servicing lighting and landscaping improvements to be provided with the assessment proceeds. These categories of special benefit are summarized as follows:

A. Proximity to Improved Landscaped Areas and Other Public Improvements within the Landscape Maintenance Districts.

B. Access to Improved landscaped areas and Other Public Improvements within the Landscape Maintenance Districts.

C. Improved Views within the Landscape Maintenance Districts.

D. Extension of a property's outdoor areas and green spaces for properties within close proximity to the Improvements.

E. Creation of individual lots for residential and commercial use that, in absence of the assessments, would not have been created.

Case law interpreting Proposition 218 provides enhanced clarity to the definitions of special benefits to properties in three distinct areas:

- Proximity
- Expanded or improved access
- Views

This case law also clarifies that a special benefit is a service or improvement that provides a direct advantage to a parcel and that indirect or derivative advantages resulting from the overall public benefits from a service or improvement are general benefits. The case law also provides specific guidance that park improvements are a direct advantage and special benefit to property that is proximate to a park that is improved by an assessment:

> *The characterization of a benefit may depend on whether the parcel receives a direct advantage from the improvement (e.g. proximity to a park) or receives an indirect, derivative advantage resulting from the overall public benefits of the improvement (e.g. general enhancement of the district's property values).*

Proximity, improved access and views, in addition to the other special benefits listed above further strengthen the basis of these assessments.

Special Benefits from the Original Engineer's Report
The improvements provided within the various LMDs may include, but is not limited to landscaped medians, parkways, entryways, slopes, parks, open-space

areas and appurtenant facilities. The annual assessments outlined in this Report are based on the estimated costs to provide all necessary service, operation, administration, and maintenance required each year to keep these improvements in a healthy, vigorous, and satisfactory condition and benefit the properties. The special benefits associated with the landscape improvements and facilities are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties within the LMDs providing a positive representation of the area.
- Environmental enhancement through improved erosion resistance, and dust and debris control.
- Increased sense of pride in ownership of property within the LMD resulting from well-maintained improvements associated with the properties.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the LMD through well-maintained surroundings and amenities including abatement of graffiti and vandalism.
- Enhanced environmental quality of the parcels within the LMDs by moderating temperatures, providing oxygenation and attenuating noise.
- An enhanced sense of pride within the neighborhoods and communities and increased business opportunities as a result of enhanced surroundings and community pride.
- Enhanced adaptation of the urban environment within the natural environment and improved aesthetic value of the neighborhood and properties within the LMDs by establishing green space and recreational areas for increased social opportunities and activities that help to strengthen family value and reduce ethnic and social tensions.
- Enhanced quality of life through well-maintained green space and landscaped areas.

In addition to many of the special benefits associated with landscape amenities, local parkland and recreational facilities provide the further benefits of:

- Increased neighborhood involvement and interaction.
- Health, social and self-improvement benefits derived from utilizing the facilities.
- Promotes a positive atmosphere and recreational opportunities for the youth in the neighborhood that encourages physical activity, group participation and character building.
- Increased social opportunities and active involvement for senior citizens.
- Family and group activities that help to strengthen family value and reduce ethnic and social tensions.

- The esthetic value of green space and recreational areas within the urban environment.

The preceding special benefits contribute to the overall aesthetic value, security and desirability of each of the assessed parcels and thereby provide a special enhancement to those properties. Furthermore, it has been determined that the lack of funding to properly service and maintain the improvements would likely have a direct negative impact on those properties.

General versus Special Benefit

In absence of the assessments, the Improvements in the LMDs would not be provided, so the Improvements are "over and above" what otherwise would be provided. Many of the parcels would not even exist if the assessments were not established because an assessment for the specific Improvements within the LMDs was a condition of development approval.

All of the Assessment proceeds derived from the LMDs will be utilized to fund the cost of providing a level of tangible "special benefits" in the form of landscaped parkways, landscaped medians, landscaped corridors, trail systems, park facilities, other Improvements and costs incidental to providing the Improvements and collecting the Assessments.

Although these Improvements may be available to the general public at large, the permanent public Improvements in the LMDs were specifically designed, located and created to provide additional and improved public resources for the direct advantage of property inside the LMDs, and not the public at large. Other properties that are either outside the LMDs or within the LMDs and not assessed, do not enjoy the unique proximity, access, views and other special benefit factors described previously. Moreover, the homes in the LMDs would not have been built if the Assessments were not established because an assessment for the Improvements was a condition of development approval.

Benefit Finding

In summary, real property located within the boundaries of the LMDs distinctly and directly benefits from closer proximity, access and views of Improvements funded by the Assessments, the creation of developable parcels and the extension of usable land area provided by the assessments. The Improvements are specifically designed to serve properties in the LMDs, not other properties or the public at large. The LMDs have been narrowly drawn to include those parcels that receive a direct advantage from the Improvements. The public at large and other properties outside the LMDs receive only limited benefits from the Improvements because they do not have proximity, good access or views of the Improvements. These are special benefits to property in the LMDs in much the same way that sewer and water facilities, sidewalks and paved streets enhance the utility and desirability of property and make them more functional to use, safer and easier to access.

Without the Assessments, the public improvements within the LMDs would not be maintained and would turn into brown, unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility and value of property in the LMDs. Most importantly, without the Assessments, the developed properties would not exist, because the subdivisions and development proposals would not have been approved. The Improvements are, therefore, clearly above what otherwise would be provided and the Improvements uniquely and specially benefit parcels in the LMDs in a way that is not enjoyed by the general public or other property. We therefore conclude that all the Improvements funded by the Assessment are of special benefit to the identified benefiting properties located within the LMDs and that the value of the special benefits from such Improvements to property in the LMDs reasonably exceeds the cost of the Assessments for every assessed parcel in the LMDs. (In other words, as required by Proposition 218; the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.) Any general benefits to surrounding properties outside of the LMDs, if there were any, are collateral and conferred concomitantly.

General benefit is identified as that benefit received by properties outside of the LMD. General benefit cannot be assessed to property within the LMD boundary.

> Prior to the Bordoni Ranch development, there was a 6.74 acre park located on the south side of Regents Park Drive just east of Columbus Parkway. This park had very few amenities and consisted primarily of grass, trees and sidewalks and was maintained by the GVRD. In anticipation of the increased demand to be placed on the park by the new developments, the previous park was demolished and is going to be completely reconstructed and enhanced.

> Once the enhanced park is completed, the City and the GVRD will continue to provide applicable maintenance services as agreed upon, which will contribute approximately 50% of the cost for the maintenance of the park, in proportion to the estimated general benefit that the park provides to the neighboring communities at large. It is reasonable to assume that the park maintenance costs above the contribution made by the City and the GVRD approximately represent the special benefit to the properties within the LMD. This assignment of special benefit to the properties within the LMD is reasonable given that the reconstruction and enhancement of the park was desired and needed due to the anticipated development of properties within the LMD.
>
> When the Northeast Quadrant LMD was established, it was determined that a portion of the Columbus Parkway improvements within the LMD is considered general benefit. The City will contribute each year towards the landscape maintenance costs, water costs and associated administrative expenses for this particular improvement area. In compliance with the California Constitution Article XIIID the annual budget includes a contribution identified as "Other Revenues/General Fund (Contribution)", which represents the costs identified as general benefit.

The original determination of benefits to property and the method of special benefit apportionment to property were developed by Willdan Financial Services when the LMDs were originally approved by property owners as noted in the Description of LMDs section of this Report. The description of benefits and the determination and apportionment of benefits to property in this Report are consistent with the original benefit determination and apportionment. The original method of apportionment of assessment and other relevant elements of the original Engineer's Reports for the LMDs are hereby incorporated by reference.

Quantification of General Benefit

Although the analysis used to support these assessments concludes that the benefits are solely special, as described above, consideration is made for the suggestion that a portion of the benefits are general. General benefits cannot be funded by these assessments - the funding must come from other sources.

The maintenance and servicing of these improvements is also partially funded, directly and indirectly from other sources including the City of Vallejo, Solano County and the State of California. This funding comes in the form of grants, development fees, special programs, and general funds, as well as direct maintenance and servicing of facilities (e.g. curbs, gutters and streets, etc.) This funding from other sources more than compensates for general benefits, if any, received by the properties within the assessments district.

The General Benefits from these Assessments may be quantified as illustrated in the following table.

Benefit Factor	Relative Weight	General Benefit Contribution	Relative General Benefit
Creation of parcels	90	0%	0
Extension of recreation area	2.5	10%	0.25
Proximity to improved parks and landscaped areas	2.5	10%	0.25
Access to improved parks, open space and landscaped areas	2.5	10%	0.25
Improved views	2.5	10%	0.25
	100		1
		Total Calculated General Benefit =	1.0%

As a result, City of Vallejo will contribute at least 1% of the total budget from sources other than the assessment. This contribution offsets any general benefits from the assessment services.

This general benefit contribution is the sum of the following components:

The City of Vallejo owns, maintains, rehabilitates and replaces curb and gutter along the border of the Districts improvements. This curb and gutter serves to support, contain, retain, manage irrigation flow and growth, and provide a boundary for the improvements. The contribution from the City of Vallejo towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be 1%.

The City of Vallejo owns and maintains local public streets along the border of the Districts improvements. These public streets provide access to the improvements for its enjoyment as well as efficient maintenance. The contribution from the City of Vallejo towards general benefit from the maintenance of local public streets is conservatively estimated to be 1%.

The value of the construction of the improvements can be quantified and monetized as an annuity. Since this construction was performed and paid for by non-assessment funds, this "annuity" can be used to offset general benefit costs, and is conservatively estimated to contribute 25%, with the exception of Glen Cove III 2015 LMD which was calculated to contribute 5%.

Therefore, the total General Benefit is conservatively quantified at 1% which is more than offset by the total non-assessment contribution towards general benefit of 27%, with the exception of Glen Cove III 2015 LMD which is offset by the total non-assessment contribution towards general benefit of 7%.

Method of Assessment

The method of apportionment for the LMDs calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within the LMDs. The net amount to be assessed upon parcels within the LMDs is apportioned by a formula and method that fairly distributes the net amount to be assessed among all assessable parcels in proportion to the special benefits to be received by each parcel from the improvements. Additionally, in compliance with Article XIIID Section 4 of the State Constitution each parcel's assessment does not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within the LMDs as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

Equivalent Benefit Units

The special benefits received by each parcel within the LMDs and each parcel's proportional annual assessment is calculated on the basis of a formula known as Equivalent Benefit Units. The Equivalent Benefit Unit (EBU) method of apportionment establishes a proportional benefit relationship between the various parcels within the LMDs and the improvements provided by the LMDs. The EBU assigned to each parcel utilizes a set formula and proportional weighting factors based on the land use, size and development status of each parcel within the LMDs compared to other parcels within the LMDs.

Equivalent Benefit Unit Application by Land Use

Land Use Designation	EBU Application
Single Family Residence	One (1.0) Benefit Unit per Unit
Vacant Residential Zoned	Four-Tenths (0.4) Benefit Unit per Acre
Multi Family Residence	Seven-Tenths (0.7) Benefit Unit per Unit

Equivalent Benefit Unit Application by Land Use (Continued)

Land Use Designation	EBU Application
Planned-Residential Development *(Has received tentative or final map approval)*	One (1.0) Benefit Unit per Planned Single-Family Unit, Seven-Tenths (0.7) Benefit Unit per Multi-Family Unit
Commercial Use	Three (3.0) Benefit Units per Acre
Vacant Commercial Zoned	Four-Tenths (0.4) Benefit Unit per Acre
Industrial Use	Three (3.0) Benefit Units per Acre
Vacant Industrial Zoned	Four-Tenths (0.4) Benefit Unit per Acre
Exempt Properties	Zero (0.0) Benefit Units per Parcel

While all the land use designations shown above are not necessarily applicable in each LMD, each LMD is comprised of one or more of these land uses, and the proportional relationship between those various land uses is still applicable. The benefit formula applied to parcels within each LMD is based on the preceding EBU application. Each parcel's EBU correlates the parcel's special benefit received as compared to the other parcels benefiting from the improvements within that LMD.

Exceptions

Bordoni Ranch LMD was formed with the following special conditions:

Planned-Residential Development — This land use is defined as any property for which a tentative map has been filed but for which a final tract map has not yet been approved. Properties designated as Planned-Residential Development shall be assessed at 2.0 EBU per acre, but a minimum of 1.00 EBU (parcels less than one acre are assigned 1.0 EBU).

Vacant Residential Zoned — This land use is defined as property that is zoned or planned for residential development, but a development map (tentative or final map) for the property has not yet been approved. Properties designated as Vacant Land shall be assessed at 1.0 EBU per acre, but a minimum of 1.00 EBU (parcels less than one acre are assigned 1.0 EBU).

The following formula is used to calculate each parcel's proportional benefit:

Property Type EBU x (Acreage/Units/Parcel) = Parcel's calculated EBU

An assessment amount per EBU ("Rate") for the LMD improvements is established by taking the total cost of the improvements and dividing that amount by the total number of EBUs for parcels benefiting from such improvements.

Total Balance to Levy / Total EBUs = Levy per EBU ("Rate")

This amount is then applied back to each parcel's individual EBU to determine each parcel's proportionate benefit and assessment obligation.

Rate x Parcel's EBU = Parcel's Levy Amount

Glen Cove III 2015 LMD was formed with the following equivalent benefit units for different property types:

Land Use Designation	EBU Application
Single Family Residential	1.0 Benefit Units per Unit
Condominium	0.39 Benefit Units per Unit
Duplex, Triplex, Fourplex	0.45 Benefit Units per Unit
Multi-Family Residential (5+ Units	0.27 Benefit Units per Unit
Mobile Home on Separate Lot	0.22 Benefit Units per Unit
Commercial and Industrial	0.50 Benefit Units per fifth acre for the first 5 acres 0.50 Benefit Units per each additional acre over 5 acres
Office	1.42 Benefit Units per fifth acre for the first 5 acres 1.42 Benefit Units per each additional acre over 5 acres
Self-Storage of Parking Lot	0.05 Benefit Units per fifth acre for the first 5 acres 0.05 Benefit Units per each additional acre over 5 acres
Golf Course	0.063 Benefit Units per fifth acre for the first 5 acres 0.063 Benefit Units per each additional acre over 5 acres
Vacant / Undeveloped	0.25 Benefit Units per parcel

Appeals and Interpretation

Any property owner who feels that the assessment levied on the subject property is in error as a result of incorrect information being used to apply the foregoing method of assessment, may file a written appeal with the Director of Public Works or her or his designee. Any such appeal is limited to correction of an assessment during the then current or, if before July 1, the upcoming fiscal year. Upon the filing of any such appeal, the Director of Public Works or his or her designee will promptly review the appeal and any information provided by the property owner. If the Director of Public Works or her or his designee finds that the assessment should be modified, the appropriate changes shall be made to the assessment roll. If any such changes are approved after the assessment roll has been filed with the County for collection, the Director of Public Works or his or her designee is authorized to refund to the property owner the amount of any approved reduction. Any property owner who disagrees with the decision of the Director of Public Works or her or his designee, may refer their appeal to the City Council of the City of Vallejo and the decision of the City Council of the City of Vallejo shall be final.

Inflationary Adjustment

Bordoni Ranch LMD

As noted previously, the property owners within the Bordoni Ranch LMD approved an inflationary adjustment in fiscal year 2010-2011 through a ballot proceeding when the LMD was formed. The following paragraph describes the approved inflationary adjustment:

> The Maximum Assessment Rate is equal to the (Initial) Zone Maximum Assessment Rate established for fiscal year 2010-2011 adjusted annually by the greater of, three percent (3%) or the annual percentage change in the Consumer Price Index (CPI) of "All Urban Consumers" for the San Francisco-Oakland-San Jose Area.

The change in the CPI from February 2021 to February 2022 was 5.19%. Therefore, the maximum authorized assessment rate for the Bordini Ranch LMD fiscal year 2022-2023 is increased by 5.19% which equates to $694.72 per equivalent benefit unit for Zone 1 and $477.44 per equivalent benefit unit for Zone 2. The estimate of cost and budget in the Engineer's Report proposes assessments for fiscal year 2022-2023 at the rate of $392.99 per equivalent benefit unit for Zone 1 and $270.33 per equivalent benefit unit for Zone 2, which is the less than the maximum authorized assessment rate.

Glen Cove III 2015 LMD (LMD 2)

As noted previously, the property owners within the Glen Cove III area approved an inflationary adjustment in fiscal year 2015-2016 through a ballot proceeding when the Glen Cove III LMD 2 was established. The authorized maximum assessment rate is subject to an annual adjustment tied to the Consumer Price Index-U for the San Francisco Bay Area as of December of each succeeding year (the "CPI"). As the amount of the annual increase in the CPI from December 2020 to December 2021 is 4.24%, the maximum authorized assessment rates for fiscal year 2022-23 are 4.24% above the maximum authorized assessment rate for fiscal year 2021-22. Including the authorized annual adjustment, the maximum authorized assessment rates for fiscal year 2022-23 are $125.14 for properties in Zone A, $122.66 for properties in Zone B, and $117.63 for properties in Zone C.

Highlands – Garthe Ranch LMD (Zone B)

As noted previously, the property owners within the Highlands of Garthe Ranch LMD (Zone B) approved an inflationary adjustment in fiscal year 2007-2008 through a ballot proceeding when the LMD / Zone B was established. The following paragraph describes the approved inflationary adjustment:

> The Maximum Assessment Rate is equal to the Maximum Assessment Rate established for the previous fiscal year adjusted annually by the greater of, three percent (3%) or the annual percentage change in the Consumer Price Index for All Urban Consumers (CPI-U), as distributed by the Bureau of Labor Statistics for the San Francisco-Oakland-San Jose Area.

The change in the CPI from February 2022 to February 2022 was 5.19%. Therefore, the maximum authorized assessment rate for the Garthe Ranch LMD Zone B fiscal year 2022-2023 is increased by 5.19% which equates to $2,569.15 per equivalent benefit unit. The estimate of cost and budget in the Engineer's Report proposes assessments for fiscal year 2022-2023 at the rate of $2,075.42, which is less than the maximum authorized assessment rate.

Northeast Quadrant LMD

As noted previously, the property owners within the Northeast Quadrant LMD approved an inflationary adjustment in fiscal year 1999-2000 through a ballot proceeding. The following paragraph describes the approved inflationary adjustment:

> The maximum assessment for each fiscal year is increased by the percentage increase from April 1 of the prior year to April 1 of the current year by the Consumer Price Index for All Urban Consumers (CPI-U), as distributed by the Bureau of Labor Statistics (BLS) for the Consolidated Metropolitan Statistical Area (CMSA) covering San Francisco-Oakland-San Jose. If the April CPI-U is not available at the time the report is prepared, a similar time period may be used.

> However, the maximum assessment rate in any fiscal year (for the Non-Zone A properties) shall not exceed $400 as adjusted by the CPI-U, unless approved by a majority vote of the property owners in the Northeast Quadrant LMD. The Zone A's assessment rate shall not be capped at a particular level in any fiscal year.

The change in the CPI from February 2021 to February 2022 was 5.19%. Therefore, the maximum authorized assessment rate for the Northeast Quadrant LMD fiscal year 2022-2023 is increased by 5.19% which equates to $541.75 per equivalent benefit unit for Zone A and $350.31 per equivalent benefit unit for Non-Zone A. The estimate of cost and budget in the Engineer's Report proposes assessments for fiscal year 2022-2023 at the rate of $444.20 per equivalent benefit unit for Zone A and $287.24 per equivalent benefit unit for Non-Zone A, which is less than the maximum authorized assessment rate.

Marine World / Fairgrounds LMD

> The Maximum Assessment Rate is equal to the Maximum Assessment Rate established for the previous fiscal year adjusted annually by the annual percentage change in the Consumer Price Index for All Urban Consumers (CPI-U), as distributed by the Bureau of Labor Statistics for the San Francisco-Oakland-San Jose Area.

The change in the CPI from February 2021 to February 2022 was 5.19%. Therefore, the maximum authorized assessment rate for the Marine World / Fairgrounds LMD fiscal year 2022-2023 is increased by 5.19% which equates to $152.76 per equivalent benefit unit. The estimate of cost and budget in the Engineer's Report proposes assessments for fiscal year 2022-2023 at the rate of $125.26, which is less than the maximum authorized assessment rate.

South Vallejo Business Park LMD

> The Maximum Assessment Rate is equal to the Maximum Assessment Rate established for the previous fiscal year adjusted annually by the annual percentage change in the Consumer Price Index for All Urban Consumers (CPI-U), as distributed by the Bureau of Labor Statistics for the San Francisco-Oakland-San Jose Area.

The change in the CPI from February 2021 to February 2022 was 5.19%. Therefore, the maximum authorized assessment rate for the South Vallejo Business Park LMD fiscal year 2022-2023 is increased by 5.19% which equates to $4,128.69 per equivalent benefit unit. The estimate of cost and budget in the Engineer's Report proposes assessments for fiscal year 2022-2023 at the rate of $3,286.60, which is less than the maximum authorized assessment rate.

Assessment

WHEREAS, the City of Vallejo City Council directed the undersigned Engineer of Work to prepare and file a report presenting an estimate of costs, a diagram for the LMDs and an assessment of the estimated costs of the improvements upon all assessable parcels within the LMDs, to which Resolution and the description of the Improvements therein contained, reference is hereby made for further particulars;

NOW, THEREFORE, the undersigned, by virtue of the power vested in me under said Act and the order of the City Council of said City of Vallejo, hereby make the following assessment to cover the portion of the estimated cost of the improvements, and the costs and expenses incidental thereto to be paid by the LMDs.

As required by the Act, an Assessment Diagram is hereto attached and made a part hereof showing the exterior boundaries of said LMDs. The distinctive number of each parcel or lot of land in the LMDs is its Assessor Parcel Number appearing on the Assessment Roll.

I do hereby assess and apportion the net amount of the cost and expenses of the improvements, including the costs and expenses incident thereto, upon the parcels and lots of land within the LMDs, in accordance with the special benefits to be received by each parcel or lot, from the improvements, and more particularly set forth in the Cost Estimate and Method of Assessment hereto attached and by reference made a part hereof.

The assessment is made upon the parcels or lots of land within the LMDs in proportion to the special benefits to be received by the parcels or lots of land, from the improvements.

Each parcel or lot of land is described in the Assessment Roll by reference to its parcel number as shown on the Assessor's Maps of the County of Solano for the fiscal year 2022-2023. For a more particular description of the property, reference is hereby made to the deeds and maps on file and of record in the office of the County Recorder of the County.

I hereby place opposite the Assessor Parcel Number for each parcel or lot within the Assessment Roll, the amount of the assessment for the fiscal year 2022-2023 for each parcel or lot of land within the LMDs.

RESOLUTION NO. 22-_____

A RESOLUTION APPROVING THE ENGINEER'S REPORT AND ORDERING THE LEVY OF ASSESSMENTS FOR FISCAL YEAR 2022-23 ON PROPERTIES IN THE BORDONI RANCH, CARRIAGE OAKS, GARTHE RANCH, GLEN COVE III, GLEN COVE III 2015, HUNTER RANCH III, MARINE WORLD/FAIRGROUNDS, MARIN VIEW, NORTHEAST QUADRANT, SANDPIPER POINT, SOUTH VALLEJO BUSINESS PARK, AND TOWN AND COUNTRY II-V THE LANDSCAPE MAINTENANCE DISTRICTS

WHEREAS, the City Council, by previous Resolution, has ordered the preparation of the Engineer's Report (the "Report") for the landscape maintenance districts designated as Bordoni Ranch; Carriage Oaks; Garthe Ranch; Glen Cove III; Glen Cove III 2015; Hunter Ranch III; Marine World/Fairgrounds; Marin View; Northeast Quadrant; Sandpiper Point; South Vallejo Business Park; Town and Country II-V (the "Districts") pursuant to the provisions of the Landscape and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500 (the "Act") that provides for the levy and collection of assessments to pay the costs and expenses of operating, maintaining and servicing the landscaping, and all appurtenant facilities and operations related thereto located within the Districts; and

WHEREAS, on June 14, 2022, at the hour of 7:00 p.m. at the City Council Chambers located at 555 Santa Clara Street, Vallejo, California, the City Council of the City of Vallejo held a public hearing on the question of the levy of the assessment, notice of which hearing was given as required by law; and

WHEREAS, all persons interested and desiring to be heard at the hearing were given an opportunity to be heard, and all matters and things pertaining to the levy were fully heard and considered by the City Council, and all oral statements and all written protests or communications were duly heard, considered and overruled, and this Council thereby acquired jurisdiction to order the levy and the confirmation of the diagram and assessment prepared by and made a part of the Engineer's Report to pay the costs and expenses thereof; and

WHEREAS, the City Council and its legal counsel have found that these assessments comply with applicable provisions of Article XIIID of the California State Constitution.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL AS FOLLOWS:

Section 1 The public interest, convenience and necessity require that the levy be made.

Section 2 The Districts benefited by the improvements and assessed to pay the costs and expenses thereof and the exterior boundaries thereof are as shown by a map filed in the office of the City Clerk, which map is made a part hereof by reference.

Section 3 The Engineer's Report as a whole and each part thereof, to wit:

i) the Engineer's estimate of the itemized and total costs and expenses of maintaining the improvements and of the incidental expenses in connection therewith;

ii) the diagram showing the Districts, the plans and specifications for the improvements to be maintained, and the boundaries and dimensions of the respective lots and parcels of land within the Districts; and

iii) the assessment of the total amount of the costs and expenses of the proposed maintenance of the improvements upon the several lots and parcels of land in the Districts in proportion to the estimated special benefits to be received by said lots and parcels, and of the expenses incidental thereto;

are hereby approved and confirmed.

Section 4 Final adoption and approval of the Engineer's Report as a whole, and of the plans and specifications, the estimate of the costs and expenses, the diagram and the assessments, as contained in the Report as hereinabove determined and ordered, is intended to and shall refer and apply to the Report, or any portion thereof as amended, modified, revised or corrected by, or pursuant to and in accordance with, any resolution or order, if any, heretofore duly adopted or made by this Council.

Section 5 The assessments to pay the costs and expenses of the maintenance of the improvements for Fiscal Year 2022-2023 is hereby ordered to be levied. For further particulars pursuant to the provisions of the Landscaping and Lighting Act of 1972, reference is hereby made to the Resolution Directing Preparation of Engineer's Report.

Section 6 Based on the oral and documentary evidence, including the Engineer's Report, offered and received at the hearing, this Council expressly finds and determines (a) that each of the several lots and parcels of land will be specially benefited by the maintenance of the improvements at least in the amount if not more than the amount of the assessment apportioned against the lots and parcels of land, respectively, and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, the aforesaid finding and determination as to special benefits.

Section 7 The Engineer's Report as presented to the City Council and on file in the Office of the City Clerk is hereby confirmed as filed. The City Council hereby levies against and upon all of the real property within the Districts a special assessment per equivalent benefit unit for the Fiscal Year commencing on July 1, 2022 and ending June 30, 2023, as follows:

District	
Bordoni Ranch Zone 01	$ 392.99
Bordoni Ranch Zone 02	$ 270.33
Carriage Oaks	$ 58.52
Garthe Ranch	$ 128.46
Garthe Ranch "B" (Highlands)	$ 2,075.42
Glen Cove III	$ 155.14
Hunter Ranch III	$ 72.04
Marine World/Fairgrounds	$ 125.26
Marinview	$ 636.00
Northeast Quadrant	$ 287.24
Northeast Quadrant Zone A	$ 444.20
Sandpiper Point	$ 141.76
So. Vallejo Bus. Park	$ 3,286.60
Town & Country 11-V	$ 70.48
Glen Cove III 2015 Zone A	$ 125.14
Glen Cove III 2015 Zone B	$ 122.66
Glen Cove III 2015 Zone C	$ 117.63

Section 8 The maintenance, operation, and servicing of the improvements and appurtenant facilities shall be performed in accordance with the Act. The City Council hereby orders the following proposed improvements to be made: the maintenance and operation of, and the furnishing of services and materials for: turf, ground cover, shrubs and trees, irrigation systems, drainage systems, open space

areas, public pedestrian paths, entry monuments, fencing, lighting systems and all appurtenant facilities related thereto.

Section 9 Immediately upon the adoption of this Resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of the assessments and a certified copy of this Resolution with the Auditor of the County of Solano. Upon such filing, the County Auditor shall enter on the County assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the assessment. The assessments shall be collected at the same time and in the same manner as County taxes are collected and all laws providing for the collection and enforcement of County taxes shall apply to the collection and enforcement of the assessments. After collection by the County, the net amount of the assessments, after deduction of any compensation due the County for collection, shall be paid to the City of Vallejo, City Treasurer.

Section 10 The Finance Director shall deposit all money representing assessments collected by the County for the Districts to the credit of a fund for each of the Districts and such money shall be expended only for the maintenance, operation and servicing of each of the landscaping, lighting and appurtenant facilities as described in Section 8, above.

ACTION ITEM 9.C.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **HOLD A PUBLIC HEARING AND ADOPT A RESOLUTION APPROVING THE ENGINEER'S REPORT AND AUTHORIZING THE COLLECTION OF AD VALOREM ASSESSMENTS ON PROPERTIES IN THE CIMARRON HILLS-MADIGAN, COLLEGE HILLS, COSTA DEL RIO, SOMERSET I/II, GREENMONT/SEAPORT HILLS, MONICA PLACE, RIDGECREST, SOMERSET III, SPRINGTREE-FLEMING, SUMMIT II, TOWN & COUNTRY I, WOODRIDGE, HUNTER RANCH I/II, AND GLEN COVE I/II LANDSCAPE MAINTENANCE DISTRICTS FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Hold a public hearing and receive input, and adopt a resolution approving the Engineer's Report and ordering the levy and collection of assessments on properties in the fourteen 1911 Act Maintenance Districts for Fiscal Year (FY) 2022-2023.

REASONS FOR RECOMMENDATION

The City Council authorized SCI Consulting Group, Inc. to prepare an Engineer's Report to determine fiscal information for each Maintenance District regulated by the Improvement Act of 1911. The City Council will hold a public hearing to receive public comments regarding FY 2022-2023 assessments within the following Ad Valorem Landscape Maintenance Districts: Cimarron Hills/Madigan; College Hills; Costa Del Rio (Seaview); Glen Cove I/II; Somerset Highlands I/II; Hunter Ranch I/II; Monica Place; Ridgecrest; Somerset Highlands III; Springtree/Fleming Hill; Summit II; Town & Country I; Woodridge; and Greenmont/Seaport Hills. The 1911 Act requires an annual determination of each District's costs, and an allocation of those costs by means of annual assessments upon the parcels within each district. It is required that the City Council conduct a public hearing to allow the City Council to consider the Engineer's Report and to receive input from the public on this item prior to ordering the levying and collection of assessments.

BACKGROUND AND DISCUSSION

The City of Vallejo has 27 Landscape Maintenance Districts, thirteen of which were established in accordance with the Landscape and Lighting Act of 1972 (1972 Act), and fourteen of which were established in accordance with the Improvement Act of 1911 (1911 Act). On an annual basis, the City must determine the costs to maintain the improvements in each district and the allocation of these costs upon the parcels within each district. The City Council will be considering the 1972 Act districts and the Hiddenbrooke Landscape Maintenance District under separate Council actions.

Previous City Council actions formed the 1911 Act Maintenance Districts and set a maximum annual assessment rate. The creation of these Districts was approved by a majority of the parcel owners at the time of each District's formation. The City has not yet exceeded the authorized maximum assessment rate for any Maintenance District. Assessments in the 1911 Act Maintenance Districts are exempt from the procedures and approval process of Proposition 218 until such time that it is necessary to exceed the maximum approved rate.

The attached Engineer's Report, prepared by SCI Consulting Group Inc., provides this information. Assessments for the 1911 Act Maintenance Districts are determined by applying the established assessment rate to each $100.00 of assessed value of each parcel.

The assessments are collected by the County of Solano and forwarded to the City for deposit into specific fund accounts for each District. Assessments are expended on landscape maintenance, repair of damage caused by vandalism or natural occurrence, site rehabilitation, improvements, water, utilities, and City administration and inspection costs.

The approved FY 2021-2022 and the proposed FY 2022-2023 assessment rates are provided in the following listing:

DISTRICT	MAX RATE / $100	APPROVED FY 2021-2022 ASSESSMENT	PROPOSED FY 2022-2023 ASSESSMENT
Cimarron Hills- Madigan	$ 1.50	$ 0.162	$ 0.162
College Hills	$ 1.50	$ 0.100	$ 0.100
Costa del Rio (Seaview)	$ 4.00	$ 0.287	$ 0.287
Somerset I/II	$ 1.25	$ 0.060	$ 0.060
Greenmont/Seaport Hills	$ 1.25	$ 0.032	$ 0.032
Monica Place	$ 1.25	$ 0.187	$ 0.187
Ridgecrest	$ 1.50	$ 0.115	$ 0.115
Somerset III	$ 1.50	$ 0.144	$ 0.144
Springtree-Fleming	$ 1.50	$ 0.195	$ 0.195
Summit II	$ 1.50	$ 0.095	$ 0.095
Town & Country I	$ 1.50	$ 0.150	$ 0.150
Woodridge	$ 1.50	$ 0.071	$ 0.071
Hunter Ranch I/II	$ 1.50	$ 0.100	$ 0.100
Glen Cove I/II	$1.50	$0.190	$ 0.190

Assessment rates for each District are proposed to remain the same as the prior fiscal year. The overall assessed value of the majority of the properties within the Districts has increased by 3.18% since last year’s determination. The current assessed value for these properties is $1,212,124,025. Rehabilitation projects will focus on areas such as:

- Improving landscape services
- Reducing water costs
- Street tree maintenance
- Additional rehabilitation of ornamental landscape and plant replacement.
- Reducing graffiti and other common area blight

- Extension of the grass cutting to provide a wider fire-defensive perimeter around residential structures

All of the costs associated with the above Districts are paid by the assessments levied upon the parcels within those Districts. The amount of funds projected to be assessed for these 1911 Act Districts in FY 2022-2023 is $1,453,368.

The FY 2022-2023 Engineer's Report for the 1911 Act Districts is included as an attachment to this staff report and is also on file in the City Clerk's Office (3RD floor) and in the Department of Public Works (4th Floor), City Hall, 555 Santa Clara Street, Vallejo, California 94590.

FISCAL IMPACT

There is no fiscal impact to the General Fund.

Maintenance District budgets are separate from the City's General Fund. Landscape Maintenance District assessments finance the maintenance of the facilities and improvements of the districts. The Public Works Department costs for labor and materials associated with the Maintenance Districts are charged to the individual District budgets. All City costs associated with maintaining and administering the Districts are covered by the annual assessments.

The financial health of these Districts is described in the Engineer's Report. As noted in the Report, required operating reserves will continue to be compromised and service levels reduced in those districts that have not had an increase to their assessment rate since their formation in the 1970s. The FY 2022-23 proposed assessments in the amount of $1,453,368 is adequate to maintain the current minimal service levels and sustain the required operating reserves of the 1911 Act Districts.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

Introduction

Overview

The City of Vallejo (the "City") annually levies and collects special assessments in order to provide and maintain the improvements within the fourteen (14) separate landscape maintenance districts ("District" or "Districts"). The Districts have been formed between the years 1977 and 1981 pursuant to the Improvement Act of 1911, Part 3 of Division 7 of the California Streets and Highways Code (the "1911 Act"). The Districts are as follows:

- Cimarron Hills/Madigan Ranch
- College Hills
- Seaview (Costa del Rio)
- Glen Cove I/II
- Greenmont-Seaport Hills
- Hunter Ranch I/II
- Monica Place
- Ridegecrest
- Somerset I/II
- Somerset III
- Springtree
- Summit II
- Town & Country I
- Woodridge

This Overview Report (the "Report") describes the Districts, any changes to the Districts, and the proposed assessments for Fiscal Year 2022-2023. The proposed assessments are based on the estimated cost to maintain the improvements within each District. The Report also details each District's landscaped improvements, financial information, budget and boundaries.

The Report contains a section for recommendations and analysis based on the financial information presented for each District.

The various improvements provided and assessed within each District may include local street lighting, local landscaping improvements and special services. All local landscaping improvements maintained by the Districts and associated with each District were either installed as a condition of development for properties within the District or were installed for the benefit of the properties within the Districts. The landscaping improvements associated with each District may include parkways, perimeters, entryways, medians, slopes, retention and detention basin areas, internal landscaped amenities, neighborhood parks, open space areas and other easements and public right-of-ways within the Districts.

Improvements within each District may also include turf, ground cover, shrubs and trees, irrigation systems, lighting, water features, entry monuments, drainage systems and associated appurtenances. Special services provided include tree trimming, graffiti removal, weed abatement and landscape maintenance of flood control areas, operations, administration and all services and maintenance required to keep the improvements in a healthy, vigorous, and satisfactory condition.

Similar to landscape improvements, street lighting improvements funded through District assessments were installed for the benefit of properties within each of the Districts. The assessments in each District provide for the maintenance, operation and energy costs related to their specific street light improvements.

Assessment Process

This Report was prepared to establish the budgets for the continued maintenance and services expenditures that would be funded by the proposed 2022-2023 assessments. This Report and the proposed assessments have been made pursuant to the provisions of the 1911 Act.

In each subsequent year for which the assessments will be continued, the City must determine the budgets and costs for the upcoming year and allocate these costs to parcels within each District. This Report includes this information. After the Report is completed, the Council may approve the proposed assessments and establish the date for a public hearing on the continuation of the assessments. If the Council approves the proposed assessments by resolution, a notice of public hearing must be published in a local paper.

Following the minimum 10-day time period after publishing the notice, a public hearing is held for the purpose of allowing public testimony about the proposed continuation of the assessments. This hearing is currently scheduled for June 14, 2022. At this hearing, the Council would consider approval of a resolution ordering the levy of assessments for fiscal year 2022-2023. If so confirmed and approved, the assessments would be submitted to the County Auditor/Controller for inclusion on the property tax rolls for Fiscal Year 2022-2023.

Overview Report

Beginning in 2011-12, SCI Consulting Group became the Assessment Engineer for these Assessments. To maintain an accurate reference and legally defensible record of the Assessments, pertinent language used in the previous Overview Reports has been retained herein, and the fundamental methodology has been maintained, essentially verbatim. (In most cases, language taken from the previous Overview Report is shown in Times New Roman, 10 pt. Font.)

Legal Requirements

All assessments described in this Report and approved by the City Council are prepared in accordance with the 1911 Act and are in compliance with the provisions of the California Constitution Article XIIID (Proposition 218).

The 1911 Act provides that assessments be determined by applying the established assessment rate to each one hundred dollars of assessed value of each parcel.

On November 5, 1996, California voters approved Proposition 218, which subsequently became a California Constitutional Amendment (Articles XIIIC and XIIID). Proposition 218 established additional requirements with respect to taxes, fees and assessments levied by California agencies. All new and existing assessments (with some exceptions) are required to comply with the substantive and procedural requirements of Article XIIIC & XIIID.

Pursuant to the California Constitution Article XIIID Section 5, certain existing assessments are exempt from the substantive and procedural requirements of Article XIIID Section 4 and property owner balloting for the assessments is not required until such time that the assessments are increased. Specifically, the City determined that all improvements and the annual assessments originally established for the District were part of the conditions of property development and approved by the original property owner (developer). As such, pursuant to Article XIIID Section 5(b), all the property owners approved the existing District assessments at the time the assessments were created (originally imposed pursuant to a 100% landowner petition). Therefore, the existing assessment amount (the maximum assessment rate for each District identified in this Report) is exempt from the procedural requirements Article XIIID Section 4.

The current maximum assessment rates per each one hundred dollars of assessed value of each parcel were originally approved by the property owners. Accordingly, any assessment amount equal to or below the maximum amount is considered an exempt assessment pursuant to Article XIIID Section 5(b). The annual assessments for this fiscal year 2022-2023 are significantly less than the maximum assessment allowed. The proposed assessment for any fiscal year may be increased over the previous fiscal year provided the assessment rate does not exceed the maximum assessment rate for each District. Any proposed new or increased assessment that exceeds the current maximum assessment shall comply with all provisions of Article XIIID Section 4 including a property owner protest proceeding (property owner assessment balloting).

Method of Apportionment

Method of Apportionment

Assessments for the 1911 Act landscape maintenance districts of the City of Vallejo are determined by applying the established assessment rate to each one hundred dollars ($100) of assessed value of each parcel. The word "parcel" refers to an individual property assigned its own Assessor Parcel Number by the Solano County Assessor's Office. The Solano County Auditor/Controller uses Assessor Parcel Numbers and specific Fund Numbers to identify assessed properties on the tax roll. The annual assessments outlined in this Report are proposed to cover the estimated costs to provide all necessary service, operation, administration, and maintenance required each year to keep these improvements in a healthy, vigorous, and satisfactory condition.

Discussion of Benefit

In summary, the assessments can only be levied based on the special benefit to property. This benefit is received by property over and above any general benefits.

Proposition 218, which added Article XIIID of the California Constitution, provides as follows:

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

Benefit categories have been established that represent the types of special benefit to residential, commercial, industrial and other lots and parcels resulting from the installation, maintenance and servicing lighting and landscaping improvements to be provided with the assessment proceeds. These categories of special benefit are summarized as follows:

A. Proximity to Improved Landscaped Areas and Other Public Improvements within the Assessment Districts.

B. Access to Improved landscaped areas and Other Public Improvements within the Assessment Districts.

C. Improved Views within the Assessment Districts.

D. Extension of a property's outdoor areas and green spaces for properties within close proximity to the Improvements.

E. Creation of individual lots for residential and commercial use that, in absence of the assessments, would not have been created.

Case law interpreting Proposition 218 provides enhanced clarity to the definitions of special benefits to properties in three distinct areas:

- Proximity
- Expanded or improved access
- Views

This case law also clarifies that a special benefit is a service or improvement that provides a direct advantage to a parcel and that indirect or derivative advantages resulting from the overall public benefits from a service or improvement are general benefits. The case law also provides specific guidance that park improvements are a direct advantage and special benefit to property that is proximate to a park that is improved by an assessment:

> *the characterization of a benefit may depend on whether the parcel receives a direct advantage from the improvement (e.g. proximity to a park) or receives an indirect, derivative advantage resulting from the overall public benefits of the improvement (e.g. general enhancement of the district's property values).*

Proximity, improved access and views, in addition to the other special benefits listed above further strengthen the basis of these assessments.

General versus Special Benefit

In absence of the assessments, the Improvements in the Districts would not be provided, so the Improvements are "over and above" what otherwise would be provided. Many of the parcels would not even exist if the assessments were not established because an assessment for the specific Improvements within the Districts was a condition of development approval.

All of the Assessment proceeds derived from the Districts will be utilized to fund the cost of providing a level of tangible "special benefits" in the form of landscaped parkways, landscaped medians, landscaped corridors, open space areas and other Improvements and costs incidental to providing the Improvements and collecting the Assessments.

Although these Improvements may be available to the general public at large, the permanent public Improvements in the Districts were specifically designed, located and created to provide additional and improved public resources for the direct advantage of property inside the Districts, and not the public at large. Other properties that are either outside the Districts or within the Districts and not assessed, do not enjoy the unique proximity, access, views and other special benefit factors described previously. Moreover, the homes in the Districts would not have been built if the Assessments were not established because an assessment for the Improvements was a condition of development approval.

Benefit Finding

In summary, real property located within the boundaries of the Districts distinctly and directly benefits from closer proximity, access and views of Improvements funded by the Assessments, the creation of developable parcels and from the extension of usable land area provided by the assessments. The Improvements are specifically designed to serve properties in the Districts, not other properties or the public at large. The Districts have been narrowly drawn to include those parcels that receive a direct advantage from the Improvements. The public at large and other properties outside the Districts receive only limited benefits from the Improvements because they do not have proximity, good access or views of the Improvements. These are special benefits to property in the Districts in much the same way that sewer and water facilities, sidewalks and paved streets enhance the utility and desirability of property and make them more functional to use, safer and easier to access.

Without the Assessments, the public improvements within the Districts would not be maintained and would turn into brown, unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility and value of property in the Districts. Most importantly, without the Assessments, the developed properties would not exist, because the subdivisions and development proposals would not have been approved. The Improvements are, therefore, clearly above what otherwise would be provided and the Improvements uniquely and specially benefit parcels in the Districts in a way that is not enjoyed by the general public or other property. We therefore conclude that all the Improvements funded by the Assessment are of special benefit to the identified benefiting properties located within the Districts and that the value of the special benefits from such Improvements to property in the Districts reasonably exceeds the cost of the Assessments for every assessed parcel in the Districts. (In other words, as required by Proposition 218; the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.) Any general benefits to surrounding properties outside of the Districts, if there were any, are collateral and conferred concomitantly.

The original determination of benefits to property and the method of special benefit apportionment to property were developed by Willdan Financial Services when the Districts were originally approved by property owners as noted in the Description of Districts section of this Report. The description of benefits and the determination and apportionment of benefits to property in this Report are consistent with the original benefit determination and apportionment. The original method of apportionment of assessment and other relevant elements of the original Reports for the Districts are hereby incorporated by reference.

Quantification of General Benefit

Although the analysis used to support these assessments concludes that the benefits are solely special, as described above, consideration is made for the suggestion that a portion of the benefits are general. General benefits cannot be funded by these assessments - the funding must come from other sources.

The maintenance and servicing of these improvements is also partially funded, directly and indirectly from other sources including the City of Vallejo, Solano County and the State of California. This funding comes in the form of grants, development fees, special programs, and general funds, as well as direct maintenance and servicing of facilities (e.g. curbs, gutters and streets, etc.) This funding from other sources more than compensates for general benefits, if any, received by the properties within the assessments district.

The General Benefits from these Assessments may be quantified as illustrated in the following table.

Benefit Factor	Relative Weight	General Benefit Contribution	Relative General Benefit
Creation of parcels	90	0%	0
Proximity and access to open space and landscape areas	5	10%	0.5
Improved views	5	10%	0.5
	100		1
		Total Calculated General Benefit =	1.0%

As a result, City of Vallejo will contribute at least 1% of the total budget from sources other than the assessment. This contribution offsets any general benefits from the assessment services.

This general benefit contribution is the sum of the following components:

The City of Vallejo owns, maintains, rehabilitates and replaces curb and gutter along the border of the Districts improvements. This curb and gutter serves to support, contain, retain, manage irrigation flow and growth, and provide a boundary for the improvements. The contribution from the City of Vallejo towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be 1%.

The City of Vallejo owns and maintains local public streets along the border of the Districts improvements. These public streets provide access to the improvements for its enjoyment as well as efficient maintenance. The contribution from the City of Vallejo towards general benefit from the maintenance of local public streets is conservatively estimated to be 1%.

The value of the construction of the improvements can be quantified and monetized as an annuity. Since this construction was performed and paid for by non-assessment funds, this "annuity" can be used to offset general benefit costs, and is conservatively estimated to contribute 25%.

Therefore, the total General Benefit is conservatively quantified at 1.0% which is more than offset by the total non-assessment contribution towards general benefit of 27%.

Budget Definitions

The following provides a summary of the services and costs that are included in the District Budgets:

Direct Costs:

Contract Maintenance Costs — Includes all contracted labor, material and equipment required to properly maintain the landscaping, irrigation systems, drainage systems, fencing, and entry monuments within the District. All improvements within the District are maintained and serviced on a regular basis.

Salaries & Benefits — Staff time devoted to managing and inspecting Districts. The Public Works LMD reimbursement is proportionally spread amongst twenty-seven (27) Districts based on each District's budgeted direct and maintenance expense, inspections as a percentage of total costs in these categories for all Districts. Inspection costs are budgeted directly to the District as Field Inspection based on the historical and projected time spent in the inspection efforts.

Services & Supplies - Vehicles, supplies and services devoted to managing and inspecting Districts.

Landscape Water — Utility costs for water required to irrigate landscaped areas.

Utilities — Includes the cost of the furnishing of electricity required for the irrigation systems and hardwire telephone connections at upgraded irrigation controllers, monitored by City Staff.

Landscape Rehabilitation & Vandalism — Landscape projects, which significantly benefit and upgrade a specific Landscape Maintenance District. These costs reflect only a proportional share of the entire cost of the project and are noted because the amount of design, planning, coordination and execution. This budget item represents a cost to the individual Landscape Maintenance District, which is representative and has been identified by the city as above normal routine landscape maintenance inspection.

Vandalism includes repairs and rehabilitation that are generally unforeseen and not normally included in the yearly maintenance contract costs. This may include repair of damaged amenities due to vandalism, storms, frost, etc. These upgrades could include replacing plant materials and/or renovation of irrigation or lighting systems.

Capital Projects – This item includes major repairs or capital improvement projects.

Administration Costs:

Administration & Overhead — The cost allocation of all particular departments and staff of the City, for providing general support, services and operations related to the various districts, enterprises and accounts of the City.

County Administration Fee — This is the estimated cost to the District for the County to collect District assessments on the property tax bills. This charge is based on a flat rate per fund number plus a charge per assessment levied.

Professional Services — This is the estimated cost to the District for the Assessment Engineer to prepare this report and to calculate and submit the assessments to the Solano County Auditor's office.

Levy Breakdown:

Operating Reserve Collection/(Transfer) — This budget item is provided to illustrate collection by the District of funds to operate the District from the time period of July 1 (beginning of the Fiscal Year) through January or when the County provides the City with the first installment of assessments collected from the property tax bills. Transfer amounts (Negative amounts) shown for this budget item represent transfers from the reserve fund that reduces the Balance to Levy. Maintaining an adequately funded reserve fund eliminates the need for the City to transfer funds from non-District accounts to pay for operational expenses during the first half of the fiscal year and also provides the District with sufficient funds to address any unforeseen or unusual expenditures that may occur during the year.

Rehabilitation Fund Collection/(Transfer) — This budget item is provided to illustrate collection by the District of funds to cover costs of repairs, landscape maintenance that may be unforeseen and are not normally included in the yearly maintenance contract costs or for planned capital improvement projects. These amounts are held in or paid from the refurbishment/rehabilitation fund. Negative amounts shown for this budget item are transfers from the refurbishment/rehabilitation fund to be used to reduce the Balance to Levy. Transfer amounts (Negative amounts) will only occur after the planned projects have been completed and excess funds are being credited back to the District's regular accounts. The refurbishment/rehabilitation fund eliminates the need for the City to transfer funds from non-District accounts. The Rehabilitation fund can be utilized to cover operating costs should the revenue and reserve fund be insufficient.

Other Revenue Source — This item includes additional funds designated for the District that are not annual assessments. These funds are applied to reduce assessments, and may be from non-District or District sources including City General Fund Contributions and/or interest earnings. Any funds indicated on this line will be shown as a negative number indicating a reduction in the amount to be levied and represent funds that do not have to be repaid.

Balance to Levy — This is the total amount to be collected for the current fiscal year through assessments. The Balance to Levy represents the sum of Total Direct and Administration Costs, Reserve collections or transfers, Rehabilitation collections or transfers, contributions from other sources and contribution repayments. Only those costs related to the improvements identified as special benefits are levied and collected on the tax roll.

Districts Statistics:

Total Parcels Levied — The total number of parcels levied within the District boundary.

Anticipated Total Assessed Values/$100 — The sum of all the assessed values of all parcels within the District as established by the Solano County Assessor's Office divided by $100.

Rate per $100 of AV — The established assessment rate to each one hundred dollars ($100) of assessed value of each parcel.

Minimum Cost Recovery Rate per $100 of AV— The estimated assessment rate to each one hundred dollars ($100) of assessed value of each parcel to recover sufficient revenue for the District Direct, Administration and Rehabilitation costs.

Fund Balance Information:

Beginning Operating Reserve Fund Balance — The projected reserve fund balance as provided by the City of Vallejo.

Operating Reserve Fund Adjustments — Positive amounts shown for this budget item represent additions to the reserve fund from levy revenue exceeding the total of all Direct, District Administration and Rehabilitation Costs. Surplus levy revenue is allocated to the reserve fund until the balance is equivalent to six months of levy revenue. The reserve fund negative amounts shown for this budget item represent transfers from the reserve fund to be used to reduce the Balance to Levy as a result of total Direct and District Administration Costs exceeding total levy revenue. Additionally, negative amounts shown for this budget item may represent a reduction of the reserve fund balance in excess of six months of levy revenue; excess balances may be used to increase the refurbishment/rehabilitation fund.

Anticipated Operating Reserve Balance — The projected ending balance in the reserve fund as based on activity provided by the City of Vallejo. A negative Operating Reserve Fund balance represents cumulative contributions from the General Fund.

Beginning Rehabilitation Reserve Fund Balance — The projected rehabilitation fund balance as provided by the City of Vallejo.

Rehabilitation Reserve Fund Adjustments — Positive amounts shown for this budget item represents additions to the rehabilitation fund from levy revenue. The rehabilitation fund negative amounts shown for this budget item represent transfers from the rehabilitation fund to be used to reduce the Balance to Levy as a result of excess funds on project completion.

Anticipated Rehabilitation Reserve Balance — The projected ending balance in the rehabilitation fund as based on activity provided by the City of Vallejo. A negative Rehabilitation Reserve Fund balance represents cumulative contributions from the General Fund.

Description of the Districts and Budgets

Cimarron Hills – Madigan Ranch

The Cimarron Hills – Madigan Ranch Landscape Maintenance District serves a residential neighborhood of ten developments located in northeast Vallejo. The District is fully developed.

Special District Features

- The District was formed in 1979.
- The District has 12 acres of native and ornamental ground cover, shrubbery and trees.
- The District has 13 acres of weed control and plantings.
- Weed control in open space areas assists in fire protection.
- Ad Valorem rate per $100 of assessed valuation: Current Rate: $0.162, Maximum Rate: $1.50.

Boundaries

The District lies within the City of Vallejo, generally located within the area bounded by Fairgrounds Drive, Napa County line, Borges Lane, and Griffin Drive including open space below Highway 80.

Improvements

The District maintains landscaping and weed control on the following areas:

Along Fairgrounds Drive near the intersection of Taper to the Napa County Line.

- Borges Lane to Griffin Drive.
- Open space below Highway 80 including the water tank site.

Financial Information

The Direct Costs of the District have increased from fiscal year 2021-2022 to fiscal year 2022-2023 due to planned landscape rehabilitation projects. The proposed assessment is below the maximum rate and is considered an exempt assessment pursuant to Californian Constitution Article XIIID Section 5(b).

The amounts identified as “Landscape Rehabilitation” or “Capital Projects” may be budgeted and spent each fiscal year as shown, or collected and held for the future in the Rehabilitation Fund. The program can also draw from the Operating Reserve Fund as necessary if funds are in excess of six months of levy revenue. Replacement, rehabilitation or refurbishment of the improvements is an essential part of maintenance, but these projects and expenses will often impact the long-term financial stability of the District. Prior to the implementation of any rehabilitation plan, the City should closely evaluate the merits of the project.

Recommendations

The Reserve Fund balance for the District is adequately funded.

The following are recommendations to the City:

- Ensure the District Reserve Fund remains adequately funded.
- Consider decreasing the assessment rate if direct costs are anticipated to remain at the current level.

College Hills

The College Hills Landscape Maintenance District (District) is a residential neighborhood consisting of two developments located in northeast Vallejo. The District is fully developed.

Special District Features

- The District was formed in 1977.
- The District has 2 acres of ornamental and native ground cover, shrubbery, and trees.
- The District has 0.5 acre of weed control and plantings.
- Weed control in open space areas assists in fire protection.

Recommendations

The Reserve Fund balance for the District is adequately funded. The following are recommendations to the City:

- Ensure the District Reserve Fund remains adequately funded.
- Consider decreasing the assessment rate if direct costs are anticipated to remain at the current level.

Sea View (Costa Del Rio)

The District lies within the City of Vallejo, generally located within the area bounded by Seaport Drive, Seawind Drive, Moonraker Drive, Sea Crest, and Schooner Way.

Special District Features

The District was formed in 1980.
The District has 5 acres of native and ornamental ground cover, shrubbery and trees.
The District has 1.5 acre of weed control and plantings.
Weed control in open space areas assists in fire protection.
Ad Valorem rate per $100 of assessed valuation: Current Rate: $0.287, Maximum Rate: $4.00.

Boundaries

The District lies within the City of Vallejo, generally located within the area bounded by Seaport Drive, Seawind Drive, Moonraker Drive, Sea Crest, and Schooner Way.

Improvements

The District maintains landscaping and weed control in the following areas:

- Landscaping and irrigation along Seaport Drive, Seawind Drive, Moonraker Drive, the upper most north facing slope of Sea Crest and Schooner Way.
- Open space weed control at the point on Seawind Drive.
- Street lights
- Sidewalks including curbs, gutters and striping
- Retaining walls
- Street signs
- Street maintenance

There are currently several rehabilitation projects in the District needed i.e. street paving, curb, gutter and sidewalk replacements, irrigation upgrades and vegetation replacement.

Financial Information

The Direct Costs of the District have not changed significantly from fiscal year 2021-2022 to fiscal year 2022-2023. As noted above there are several rehabilitation projects pending that the rehabilitation reserve fund is currently not adequate to fund. The assessment was increased fiscal year 2017-2018 in order to accumulate enough funds to complete these projects in the future. The proposed assessment is below the maximum rate and is considered an exempt assessment pursuant to Californian Constitution Article XIIID Section 5(b).

The amounts identified as “Landscape Rehabilitation” or “Capital Projects” may be budgeted and spent each fiscal year as shown, or collected and held for the future in the Rehabilitation Fund. The program can also draw from the Operating Reserve Fund as necessary if funds are in excess of six months of levy revenue. Replacement, rehabilitation or refurbishment of the improvements is an essential part of maintenance, but these projects and expenses will often impact the long-term financial stability of the District. Prior to the implementation of any rehabilitation plan, the City should closely evaluate the merits of the project.

Recommendations

The Reserve Fund balance for the District is not adequately funded due to pending rehabilitation projects in the District.

The following are recommendations to the City:

- Ensure the District Reserve Fund adequately funded.
- Increase the assessment in the future in order to provide adequate funding of capital improvement and rehabilitation projects.

Glen Cove I & II

The Glen Cove One and Two Landscape Maintenance District (District) serves a residential neighborhood located in southeast Vallejo. The District is fully developed.

Special District Features

- The District was formed in 1978 with three annexations occurring in 1979 and 1980.
- The District has 3 acre of ornamental and native landscaping which includes ground cover, shrubbery and trees.
- The District has 7 acres of weed control and plantings.
- Weed control in open space areas assists in fire protection.
- Ad Valorem rate per $100 of assessed valuation: Current Rate: $0.19, Maximum Rate: $1.50.

Boundaries

The District lies within the City of Vallejo, generally located within the area bounded by Honeydew Drive, Highway 780, Peppercorn & Wildberry Court, Wildflower Drive, Shady Lane and Silktree Lane.

Improvements

The District maintains landscaping and weed control in the following areas:

- South side of the street just across from the entrance to the shopping center and east to the rear fence line of lot 60 on Honeydew Drive.
- Stonewood Court cul-de-sac along the east side of the Highway 780 fence line and along the rear yard fences of Peppercorn and Wildberry Court.
- East and west sides of Shady Lane to Wildflower Drive including the v-ditches and fence line of Highway 780.

Financial Information

The Direct Costs of the District have not significantly changed from fiscal year 2021-2022 to fiscal year 2022-2023. The proposed assessment is below the maximum rate and is considered an exempt assessment pursuant to Californian Constitution Article XIIID Section 5(b).

The amounts identified as “Landscape Rehabilitation” or “Capital Projects” may be budgeted and spent each fiscal year as shown, or collected and held for the future in the Rehabilitation Fund. The program can also draw from the Operating Reserve Fund as necessary if funds are in excess of six months of levy revenue. Replacement, rehabilitation or refurbishment of the improvements is an essential part of maintenance, but these projects and expenses will often impact the long-term financial stability of the District. Prior to the implementation of any rehabilitation plan, the City should closely evaluate the merits of the project.

- The District has 3.5 acres of weed control.
- Weed control in open space areas assists in fire protection.
- Ad Valorem rate per $100 of assessed valuation: Current Rate: $.095, Maximum Rate: $1.50.

Boundaries

The District lies within the City of Vallejo, generally located within the area bounded by Hillview Drive, Sunrise Way and the P.G. & E. towers.

Improvements

The District maintains landscaping and weed control in the following areas:

Remove the hazardous tree conditions behind the homes on Hillview and Sunrise Drive.

Improve the fire protection grass control under the PGE power lines.

Financial Information

The Direct Costs of the District have not changed significantly from fiscal year 2021-2022 to fiscal year 2022-2023. The proposed assessment is below the maximum rate and is considered an exempt assessment pursuant to Californian Constitution Article XIIID Section 5(b).

The amounts identified as “Landscape Rehabilitation” or “Capital Projects” may be budgeted and spent each fiscal year as shown, or collected and held for the future in the Rehabilitation Fund. The program can also draw from the Operating Reserve Fund as necessary if funds are in excess of six months of levy revenue. Replacement, rehabilitation or refurbishment of the improvements is an essential part of maintenance, but these projects and expenses will often impact the long-term financial stability of the District. Prior to the implementation of any rehabilitation plan, the City should closely evaluate the merits of the project.

RESOLUTION NO. ___

RESOLUTION ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS ON PROPERTIES IN THE CIMARRON HILLS/MADIGAN, COLLEGE HILLS, COSTA DEL RIO (SEAVIEW), SOMERSET HIGHLANDS I/II, HUNTER RANCH I/II, GLEN COVE I/II, MONICA PLACE, RIDGECREST, SOMERSET HIGHLANDS III, SPRINGTREE/FLEMING HILL, SUMMIT II, TOWN AND COUNTRY I, WOODRIDGE, AND GREENMONT/SEAPORT HILLS MAINTENANCE DISTRICTS FOR FISCAL YEAR 2022-2023

WHEREAS, the City of Vallejo currently has 27 Landscape Maintenance Districts,14 of which were established pursuant to the Improvement Act of 1911 and which are as follows: Cimarron Hills/Madigan, College Hills, Costa Del Rio (Seaview), Glen Cove I/II, Somerset Highlands I/II, Summit II, Hunter Ranch I/II, Monica Place, Ridgecrest, Somerset Highlands III, Springtree/Fleming Hill, Town & Country I, Woodridge; and Greenmont/Seaport Hills (hereinafter referred to as the “Districts”); and

WHEREAS, the City Council has, by previous Resolutions, preliminarily approved the Overview Report (hereinafter referred to as the "Report") that describes the assessments against the parcels of land within the Districts for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023; and

WHEREAS, the provisions of the Improvement Act of 1911 (California Streets and Highways Code section 5000 et seq.) (hereafter referred to as the "Act") provides for the levy and collection of assessments by the County of Solano on behalf of the City of Vallejo to pay the costs and expenses of operating, maintaining, and servicing the landscaping and all appurtenant facilities and operations related thereto located within the Districts; and

WHEREAS, the City Council desires to levy and collect assessments against the parcels of land within the Districts for the fiscal year commencing July 1, 2022 and ending June 30, 2023, to pay the costs and expenses of operating, maintaining and servicing the landscaping and all appurtenant facilities and operations related thereto located within the Districts.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL AS FOLLOWS:

Section 1 Following notice duly given, the City Council has held a full and fair public hearing regarding the levy and collection of assessments in the Districts, the Engineer’s Report prepared in connection therewith, and has considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.

Section 2 Based upon its review of the Engineer’s Report, the City Council hereby approves the Report estimating the costs to operate, maintain and service the Districts for Fiscal Year 2022-2023 and finds and determines that the net amount to be assessed upon the lands within the Districts for the fiscal year commencing July 1, 2022 and ending June 30, 2023 shall be apportioned by a formula and method which fairly distributes the net amount among all eligible parcels in proportion to the estimated special benefits to be received by each parcel from the improvements and services.

Section 3 The City Council hereby levies against and upon all of the real property within the Districts a special assessment upon each $100.00 of assessed value thereof, for the maintenance and operating costs of the Districts for the fiscal year commencing July 1, 2022 and ending June 30, 2023, as follows:

DISTRICT	
Cimarron Hills-Madigan	$0.162/$100.00

Woodridge	$0.071/$100.00
Greenmont/Seaport Hills	$0.032/$100.00
Glen Cove I/II	$0.190/$100.00

Section 4 Immediately upon the adoption of this Resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of the assessments and a certified copy of this Resolution with the Auditor of the County of Solano. Upon such filing, the County Auditor shall enter on the County assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the assessment. The assessments shall be collected at the same time and in the same manner as County taxes are collected and all laws providing for the collection and enforcement of County taxes shall apply to the collection and enforcement of the assessments. After collection by the County, the net amount of the assessments, after deduction of any compensation due the County for collection, shall be paid to the City of Vallejo, City Treasurer.

Section 5 The Finance Director shall deposit all money representing assessments collected by the County for the Districts to the credit of a fund for each of the fourteen Landscape Maintenance Districts and such money shall be expended only for the maintenance, operation and servicing of each of the Landscape Maintenance Districts.

ACTION ITEM 9.D.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **HOLD A PUBLIC HEARING AND ADOPT A RESOLUTION APPROVING THE ENGINEER'S REPORT AND ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS ON PROPERTIES IN THE HIDDENBROOKE MAINTENANCE DISTRICT FOR FISCAL YEAR 2022-2023**

RECOMMENDATION

Hold a Public Hearing, receive public input, and adopt a Resolution that approves the Engineer's Report and orders the levy and collection of assessments on properties in the Hiddenbrooke Maintenance District for Fiscal Year (FY) 2022-2023.

REASONS FOR RECOMMENDATION

The City Council appointed SCI Consulting Group, Inc. as the Engineer of Work and directed it to prepare the Engineer's Report for the District. The Report identifies all assessable parcels within the District and was prepared in accordance with the Landscape and Lighting Act of 1972 and California Constitution Article XIIID (Proposition 218).

BACKGROUND AND DISCUSSION

The City of Vallejo has 27 Landscape Maintenance Districts, thirteen of which were established in accordance with the Landscape and Lighting Act of 1972 (1972 Act), and fourteen of which were established in accordance with the Improvement Act of 1911 (1911 Act). The City Council will be considering the 1911 Act districts and the 1972 Act districts under separate Council actions. Approval of this resolution formally establishes the assessments for the Hiddenbrooke Maintenance District for fiscal year 2022-2023 (FY 2022-2023).

An Engineer's Report (Report) is prepared annually for the Hiddenbrooke Maintenance District. The Report analyzes the District based on "equivalent benefit units" (EBU). One EBU is applied to a single-family residence. Proposed assessments for each parcel are based on the special benefit received by the parcels within the district. The proposed FY 2022-2023 budget for the Hiddenbrooke Maintenance District is included as part of the Report.

The FY 2022-2023 Report for the Hiddenbrooke Maintenance District is included as an attachment to this staff report and is also on file in the City Clerk's Office (3RD floor) and in the Department of Public Works (4th Floor), City Hall, 555 Santa Clara Street, Vallejo, California 94590.

FISCAL IMPACT

The proposed Hiddenbrooke Maintenance District annual assessment for FY 2022-2023 is $721,027 or $611.04 per EBU. This assessment rate is a decrease over last year's annual assessment rate in order to decrease the contribution to the rehabilitation reserve fund as it is currently adequately funded.

The General Fund will contribute $2,776 to the District to cover the general benefit received by parcels located

outside the District, as described in the Engineer's Report. These general benefit costs cannot be assessed to the District.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guidelines section 15378.

Introduction

Overview

On January 28, 1992, the City of Vallejo (the "City") City Council (the "Council"), adopted Resolution No. 92-46 N.C. approving the Engineer's Report, confirming diagram and assessment, ordering improvements and formation of the "Sky Valley Maintenance Assessment District." The City originally formed the Sky Valley Maintenance Assessment District to pay for certain public improvements, including but not limited to, storm water management, street system maintenance, open space maintenance, landscape maintenance, and geotechnical monitoring and maintenance.

On October 6, 1998, the Council by Resolution No. 98-373 approved the Engineer's Report for the levy and collection of an increased assessment within the District for Fiscal year 1999-2000. Prior to the adoption of the annual assessments and Engineer's Report, the City Council conducted mailed ballot proceedings in accordance with the requirements of the California Constitution Article XIIID. In addition to the property owner balloting for the assessments, the name of the District was changed from the "Sky Valley Maintenance Assessment District" to the "Hiddenbrooke Maintenance District" or "HMD" to reflect the name change of the former Sky Valley development. The approved Report identified the special benefits received by property within the HMD, addressed public and general benefits as required by Article XIIID and established the maximum assessment rate and the application of that rate to the various land uses within the District.

Prior to Fiscal Year 2000-2001, the property owners within the District requested the City maintain additional improvements including a "Welcome Center" and a Passive Park within the development. A second majority protest ballot proceeding for an increased maximum assessment and inflationary formula resulting from the addition of the Welcome Center and Passive Park was conducted. The tabulation of ballots returned indicated 100% approval of the new maximum assessment of $509.00 per Equivalent Dwelling Unit (Equivalent Benefit Unit) including an annual inflationary adjustment based on the annual percentage change in the Consumer Price Index (CPI). On February 15, 2000 the Council, by Resolution No. 00-72, approved a supplemental Report that added the maintenance of the additional improvements and established the maximum assessment rate and formula for the District.

In Fiscal Year 2002-2003, property owners within the Hiddenbrooke Maintenance District asked the City to reconstruct the District budget and assessment methodology to simplify the budgeting of expenditures and revenues, and to develop a more equitable methodology. The reconstruction resulted in the following changes:

1. The assessment methodology was changed to simplify the calculation of the annual levy and to reduce the potential for future errors. The trigger for property development status has changed from building permit issuance to development status according to the County of Solano Secured Roll as of January 1st of the fiscal year prior to the upcoming fiscal year in which the levy will take place. For example, development status according to the County secured roll as of January 1, 2003 would be used for the Fiscal Year 2003-2004 levy. Previously, the trigger date was based on the issuance of a building permit by March 1st of the fiscal year prior to the upcoming fiscal year in which the levy would have taken place.

2. An increased Maximum Assessment of $532.22 per Equivalent Dwelling Unit including an annual inflationary adjustment based on the annual percentage change in the Consumer Price Index (CPI) as calculated by the Bureau of Labor Statistics (BLS).

3. The Hiddenbrooke developer-funded reserve balance was intended to be spent for improvements. It will now be set aside as a reserve fund based on the original agreement with the City of Vallejo.

4. The Golf Course Property, including the parcel that has the Golf Course Clubhouse situated upon it, is not included within the boundaries of the District and, accordingly, is not subject to assessment by the HMD.

A third majority protest ballot proceeding for the changes described above was conducted. The tabulation of ballots returned indicated approval, and on July 22, 2003 the Council, by Resolution, approved an Engineer's Annual Levy Report that established the maximum assessment rate, formula and boundaries for the District.

In Fiscal Year 2004-2005, the City proposed to annex the Orchards development, at the south end of the original District, in order to provide funding for the operations and maintenance of improvements in this area. A fourth majority protest ballot proceeding for the annexation and maximum assessment of $534.88 per Equivalent Dwelling Unit including an annual inflationary adjustment based on the annual percentage change in the CPI. On June 8, 2004 the Council, by Resolution, approved a supplemental Report that annexed the Orchards development and established the maximum assessment rate and formula.

Assessment Process

This Engineer's Report ("Report") was prepared to establish the budgets for the continued capital improvement and services expenditures that would be funded by the proposed 2022-23 assessments, determine the benefits received from the lighting and landscaping maintenance and improvements by property within the HMD and the method of assessment apportionment to lots and parcels within the HMD. This Report and the proposed assessments have been made pursuant to the provisions of Chapter 14.30 of the Vallejo Municipal Code, the Landscaping and Lighting Act of 1972, and Article XIIID of the California Constitution (the "Article").

In each subsequent year for which the assessments will be continued, the Council must direct the preparation of an Engineer's Report, budgets and proposed assessments for the upcoming fiscal year. After the Engineer's Report is completed, the Council may preliminarily approve the Engineer's Report and proposed assessments and establish the date for a public hearing on the continuation of the assessments. This Report was prepared pursuant to the direction of the Council.

If the Council approves this Engineer's Report and the continuation of the assessments by resolution, a notice of assessment levies must be published in a local paper at least 10 days prior to the date of the public hearing. The resolution preliminarily approving the Engineer's Report and establishing the date for a public hearing is used for this notice.

Following the minimum 10-day time period after publishing the notice, a public hearing is held for the purpose of allowing public testimony about the proposed continuation of the assessments. This hearing is currently scheduled for June 14, 2022. At this hearing, the Council will consider approval of a resolution confirming the continuation of the assessments for fiscal year 2022-2023. If so confirmed and approved, the assessments would be submitted to the County Auditor/Controller for inclusion on the property tax rolls for Fiscal Year 2022-2023.

Engineer's Report

SCI Consulting Group has been retained by the City as the Assessment Engineer for this Assessment since 2011-2012. Language taken from the previous Engineer's Report is shown in Times New Roman, 10 pt. Font.

Plans & Specifications

The work and improvements (the "Improvements") are proposed to be undertaken by the City of Vallejo Hiddenbrooke Maintenance District and the cost thereof paid from the levy of the annual assessment provide special benefit to Assessor Parcels within the District as defined in the Method of Assessment herein. The improvements that may be provided to properties within or adjacent to the District may include any or all of the improvements described under Section 14.30.100 of the Vallejo Municipal Code. These improvements include, but are not limited to, the following services:

- Storm water management
- Street system maintenance
- Open space maintenance
- Trail maintenance
- Landscape and appurtenant facilities maintenance
- Tree maintenance
- Geotechnical monitoring and maintenance
- Welcome Center operation and maintenance
- Waterfall maintenance
- Monument maintenance
- Passive park maintenance

Installation, maintenance and servicing of public facilities, and incidental expenses, including but not limited to, street lights, public lighting facilities, landscaping, sprinkler systems, statuary, fountains, other ornamental structures and facilities, landscape corridors, ground cover, shrubs and trees, street frontages, drainage systems, fencing, entry monuments, graffiti removal and repainting, and labor, materials, supplies, utilities and equipment, as applicable, for property owned and maintained by the City of Vallejo. Any plans and specifications for these improvements will be filed with the Public Works Director of the City of Vallejo and are incorporated herein by reference.

Installation means the construction of lighting and landscaping improvements, including, but not limited to: land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks and drainage and lights.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of any improvement, including repair, removal or replacement of all or any part of any improvement; providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury; the removal of trimmings, rubbish, debris, and other solid waste, and the cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

Servicing means the furnishing of electric current or energy for the operation or lighting of any improvements, and water for irrigation of any landscaping or the maintenance of any other improvements.

Incidental expenses include all of the following: (a) The costs of preparation of the report, including plans, specifications, estimates, diagram, and assessment; (b) the costs of printing, advertising, and the giving of published, posted, and mailed notices; (c) compensation payable to the County for collection of assessments; (d) compensation of any engineer or attorney employed to render services in proceedings pursuant to this part; (e) any other expenses incidental to the construction, installation, or maintenance and servicing of the Improvements; (f) any expenses incidental to the issuance of bonds or notes pursuant to Streets & Highways Code Section 22662.5; and (g) costs associated with any elections held for the approval of a new or increased assessment. (Streets & Highways Code §22526).

The assessment proceeds will be exclusively used for Improvements within the Assessment District plus Incidental expenses.

The improvements provided through the District are essentially monitoring and maintenance services. The plans and specifications for the work consist of schematic maps, letters, agreements, conditions, cost estimates and related documents which describe the nature and scope of the monitoring and maintenance activities to be performed. These documents include but are not limited to the following:

1. Map entitled Hiddenbrooke Nature Trail by Phillippi Engineering, Inc. dated March 1997 as amended

2. Agreement dated February 2, 1989 concerning mitigation measures relating to Storm Drainage and Water Supply between Sky Valley Company and the City of Benicia

General Definitions

The terms hereinafter set forth have the following meanings in this Report and have been maintained, verbatim from the previous Engineer's Report:

"Acreage" means the gross acreage of any Assessor's Parcel of real property in the HMD calculated to two (2) decimal places, without any deduction for any intrusions or limitations of usage, including but not limited to, easements, public or private rights of way, utility installment or parking area improvements. The acreage of each Assessor's Parcel shall be as determined by the City Engineer. The City Engineer may rely upon a certification or certifications of one or more licensed civil engineers (or such other documentation as the City Engineer deems appropriate in the circumstances) in making the determination as to the acreage of any specific Assessor's Parcel.

"Assessor's Parcel" means a lot or parcel shown in an Assessor's Parcel Map with an assigned Assessor's Parcel Number (APN).

"Assessor's Parcel Map" means an official map of the County Assessor of the County of Solano designating parcels by Assessor's Parcel Number.

"Commercial Property" or **"COM"** means Developed Property used for commercial or industrial purposes other than property assigned to Land Use Designations SFR, SFV, MFR, MFV, CMV, SPC or EXE. This land use has improvement value according to the Solano County Secured roll. This land use type is assessed at 1.00 EBU per every 3,000 square feet of building square footage or portion thereof.

"Developed Property" means all Assessors' parcels within the Hiddenbrooke Maintenance Assessment District for which parcel data, from the most current Solano

County Secured Roll available as of January 1 of the calendar year in which the Report is being prepared, shows improvement value on that property.

"Equivalent Benefit Unit" or **"EBU"** means a basic measurement unit of benefit. A parcel with the SFR designation consists of one (1) EBU and is the baseline measure of benefit to which all other land use designations are compared within the HMD. EBUs are rounded to two (2) decimal places.

"Exempt Property" or **"EXE"** is a land use designation that identifies properties that are not assessed and are assigned 0.00 EBU. This land use classification may include, but is not limited to, lots or parcels identified as public streets and other roadways, dedicated public easements, open space areas and rights-of-way including greenbelts and parkways utility rights-of-way, common areas, sliver parcels and bifurcated lots or any other property that cannot be developed, park properties and other publicly owned properties that are part of the District improvements or that have little or no improvement value. These types of parcels are considered to receive incidental or no benefit from the improvements and are therefore exempted from assessment.

"Fiscal Year" is the City's fiscal year beginning July 1 and ending June 30.

"Golf Course Property" means any property planned under the Specific Plan to be used as a golf course and related or appurtenant facilities and improvements, including but not limited to a driving range and a clubhouse, which property is not assessed within the HMD.

"HMD" is the abbreviation for Hiddenbrooke Maintenance District.

"Hotel" or **"HOT"** means a structure or structures including Hotel Rooms and related facilities (including but not limited to restaurants and food service facilities, conference rooms and meeting halls) (i) operated for the accommodation of transient guests and including any hotel as defined in the California Civil Code or (ii) operated as a condominium hotel in accordance with the Specific Area Plan. This land use is assessed 0.15 EBU per Hotel Room on a developed lodging use-related parcel and 0.12 EBU per Hotel Room on an undeveloped, planned lodging use-related parcel.

"Hotel Room" means each individual condominium unit or room within a Hotel designed to provide accommodations for transient guests or other occupants of the Hotel.

"Improvement" means one or any combination of the following: (i) maintenance of regional park land, (ii) maintenance of parks and parkways, (iii) maintenance of open space, (iv) maintenance of streets (v) operation and maintenance of a welcome center (vi) provision of flood control and storm protection services, (vii) related facilities, along with appurtenances and appurtenant work deemed necessary for provision of services and maintenance and (viii) incidental expenses related thereto.

"Multi-Family Residential" or **"MFR"** means Developed Property and is defined as a fully subdivided and developed residential parcel that has more than one residential unit developed on the property and has improvement value according to the Solano County Secured Roll data. This land use is assessed 0.90 EBU per dwelling unit.

"Parcel" refers to an individual property assigned its own Assessment Number (Assessor's Parcel Number—APN) by the Solano County Assessor's Office. The Solano County Auditor/Controller uses Assessment Numbers and specific District Fund Numbers, to identify on the tax roll, properties assessed for special district benefit assessments.

"Planned Lot" is a land use defined as any property not subdivided with a specific number of proposed residential lots or dwelling units to be developed on the parcel where a final map has been recorded for the parcel.

"Publicly Owned Property" means any land within the Hiddenbrooke Maintenance Assessment District (i) conveyed or irrevocably offered for dedication to a public agency, (ii) which is encumbered by easements for the benefit of public entities or utilities which make impractical utilization of the real property for other than the purpose set forth in the easement.

"Single-Family Residential" or **"SFR"** means Developed Property and is defined as a fully subdivided and developed attached or detached residential, single-family property site with improvement value according to the Solano County Secured Roll data. This land use is assessed 1.00 EBU per lot or parcel. This is the base value that all other land use types are compared and weighted against (i.e. Equivalent Benefit Unit or EBU.)

"Situs" means the property location address.

"Special Designation Property" or **"SPC"** is a land use designation factor defining undeveloped property that has more than one type of planned land use associated with it. A common example of such a property is one in which the property includes planned, unsubdivided single-family residential lots and planned commercial structural development. This land use is assessed at 0.60 EBU per planned SFV lot and 0.60 EBU per 3,000 square feet (or portion thereof) of planned commercial building square footage. This category also includes undeveloped property that has been subdivided but on which construction has not yet begun.

"Specific Plan" means Hiddenbrooke Specific Plan adopted by the City Council on September 15, 1987 amended September 26, 1995.

"Undeveloped Commercial Property" or **"CMV"** means Undeveloped Property zoned exclusively for commercial or industrial purposes other than property assigned to Land Use Designations SFR, SFV, MFR, MFV, COM, SPC or EXE. This land use has no improvement value according to the Solano County Secured roll. This land use type is assessed at 1.50 EBU per acre. Parcels less than 1 acre in this category are assigned a minimum of 1.50 EBU. Parcels over 50 acres are assigned a maximum of 75.00 EBU.

"Undeveloped Multi-Family Residential" or **"MFV"** means Undeveloped Property that is an undeveloped residential, multi-family parcel without improvement value according to the Solano County Secured Roll data and includes a specific number of proposed dwelling units to be developed on the parcel (defined as a Planned Lot). This land use is assessed 0.60 EBU per proposed dwelling unit.

"**Undeveloped Property"** means all Assessor's parcels within the Hiddenbrooke Maintenance Assessment District for which parcel data, from the most current Solano County Secured Roll available as of January 1 of the calendar year in which the Report is being prepared, shows no improvement value on that property.

"Undeveloped Single-Family Residential" or **"SFV"** means Undeveloped Property and is defined as either 1) a fully subdivided yet undeveloped residential, single-family property lot or parcel without improvement value according to the Solano County Secured Roll data or 2) an unsubdivided, undeveloped residential, single-family parcel without improvement value according to the Solano County Secured Roll data which includes a specific number of proposed residential lots or dwelling units to be developed on the parcel

(defined as a Planned Lot). This land use is assessed 0.60 EBU per subdivided lot, per proposed residential lot, or per proposed dwelling unit.

Fiscal Year 2022-2023 Estimate of Cost and Budget

Cost Estimates

As defined in the Municipal Code, the cost estimates for the Improvements include the following:

a) The total costs for improvements to be made this fiscal year, being the total cost of constructing or installing all proposed improvements and of maintaining and servicing all existing and proposed improvements, including incidental expenses. This may include an operating reserve, which shall not reasonably exceed the estimated costs of maintenance and servicing to January of the fiscal year, or whenever the City expects to receive its apportionment of special assessments and tax collections from the County, whichever is later. These estimated costs of maintenance and servicing typically include fixed landscape, open space and infrastructure items, as well as water, electricity and telephone utility items. The operating reserve fund can also be used to offset any unforeseen expenses during a given fiscal year, including, but not limited to, emergency repairs.

b) The amount of any surplus or deficit in the improvement fund to be carried over from the previous fiscal year

c) The amount of any contributions to be made from sources other than assessments levied pursuant to this part

d) The amount of the annual installment for the fiscal year

Specifically, the budget includes, but is not limited to the following items:

Landscape Maintenance Contract – The landscaping contract is renewed annually and includes Landscape Maintenance, Open Space Management, Trail Maintenance, Tree Maintenance, Irrigation System Repairs, Waterfall Maintenance and Monuments as detailed below. Fiscal Year 2016-2017 the Landscape Maintenance Contract was put out to bid and awarded, as a result the costs for Landscape Maintenance services increased.

Landscape Maintenance - The ornamental landscape of Hiddenbrooke Parkway, Tot-lot on Bennington Drive Park and numerous irrigated landscape areas make up the maintenance component. The park is approximately one acre in size and has a mixture of lawn, paved areas and resting areas. A portion of the park (Parcel I) will remain in a natural state consistent with the mitigation measures for the Hiddenbrooke development.

Open Space Management – Open space management is overseen by the City. Fire prevention is included within the landscape maintenance contract. Adverse soil surface irregularities are repaired and funded by the Developer Deposit Fund. This Fund was a condition of development for any repairs of the open space.

Trail Maintenance – The City manages the trail maintenance service. Trail maintenance is scheduled annually through the maintenance contract.

Tree Maintenance – Tree pruning and care will be performed on a rotating schedule as necessary to keep trees healthy, maintain the urban canopy and avoid unexpected tree limb breakage. An occasional tree replacement is also covered by this budget line but a large number or replacements would be included in the Rehabilitation Reserves budget.

Irrigation Systems Repairs – This budget item provides for the ongoing maintenance and repair of the existing irrigation system to ensure that it is properly functioning at all times. As the systems age, larger scale preventative replacements and upgrading to systems that provide more efficient use of water may be done.

Waterfall Maintenance Contract - Beginning 2015-16 the waterfall maintenance contract is a part of the landscape maintenance contract.

Monuments – This budget item provides for the ongoing maintenance of monument landscape and irrigation throughout the district.

Salaries and Benefits – Staff time devoted to managing and inspecting Districts. The Public Works LMD reimbursement is proportionally spread amongst twenty-seven (27) Districts based on each District's budgeted direct and maintenance expense, inspections as a percentage of total costs in these categories for all Districts. Inspection costs are budgeted directly to the District as Field Inspection based on the historical and projected time spent in the inspection efforts.

Services & Supplies - Vehicles, supplies and services devoted to managing and inspecting Districts.

Capital Projects – This item includes major repairs or capital improvement projects.

Landscape Rehabilitation & Vandalism — Landscape Rehabilitation includes landscape projects, which significantly benefit and upgrade HMD. These cost reflect only a proportional share of the entire cost of the project and are noted because the amount of design, planning, coordination and execution. This budget item represents a cost which has been identified by the city as above normal routine landscape maintenance inspection.

Vandalism - Includes repairs and rehabilitation that are generally unforeseen and not normally included in the yearly maintenance contract costs. This may include repair of damaged amenities due to vandalism, storms, frost, etc. These upgrades could include replacing plant materials and/or renovation of irrigation or lighting systems.

Utility – Includes the cost of water, electricity, and telephone. Amounts are budgeted based on historical usage and costs, considering published or projected rate increases for Vallejo Water, Vallejo Sanitation and PG&E. Water costs for the HMD include irrigation, the waterfall and the Welcome Center bathroom. Electricity costs include support for the irrigation systems, lights at the entry, Welcome Center lighting, and holiday tree lighting for the olive grove at the entry.

Utility Corridor Maintenance – All wet utilities come through the utility corridor and it is HMD's emergency exit in the event Highway 80 closed. The utility corridor is maintained by the HMD and includes road surfacing and roadway improvements.

Welcome Center and Miscellaneous Repairs - The Welcome Center Agreement specifies the required expenses to staff the facility with "Greeters" and Security personnel and provide roving patrols as directed by the Hiddenbrooke Property Owners Association (HPOA), which has been charged with directing the activity/operations of the Welcome Center. The Agreement will be annually renewable, subject to the consent of the service provider and the City. An annual allowance is included in the general budget for touch up painting, security camera systems or other items necessary to operations of the Welcome Center. If for any reason the Welcome Center should no longer be funded or desired in the future, the HMD Developer Deposit Fund may be used to cover the cost of removal.

Napa County Street System Maintenance – Approximately ½ mile of the entrance roadway, Hiddenbrooke Parkway, is situated in Napa County. As a condition of the District development, maintenance of this portion of the road will not be undertaken by Napa County. The District can expect to request and receive a high level of street maintenance services, above what the City normally provides under the General Fund.

Storm Water Management – The District was mandated in the Conditions of Approval for runoff emptying into Lake Herman, the emergency back-up reservoir for the City of Benicia. This condition was initiated by the City of Benicia for water quality monitoring services, which is being provided by the Vallejo Sanitation and Flood Control District.

Professional Services – This is the estimated cost to the District for the Assessment Engineer to prepare this report and to calculate and submit the assessments to the Solano County Auditor's office.

County Administrative Services – This is the amount charged by the County for the cost of processing and collecting the annual levy on the property tax billings and remitting funds to the City of Vallejo. It is based on the total levy.

Administration & Overhead – The cost allocation of all particular departments and staff of the City, for providing general support, services and operations related to the various districts, enterprises and accounts of the City.

Number of District Parcels: This is the number of assessable parcels within a particular district. This number does not include exempt or non-taxable parcels.

District Direct Cost: This is the sum total of the regularly budgeted direct costs for the District. The total direct costs include the budgeted expenses for: Maintenance, Water, Utilities, Vandalism/Natural Damage, and Special Maintenance/Services. The amount budgeted for Improvements/Rehabilitation reserve is not included in this dollar amount.

Geotechnical Monitoring/Maintenance – As a Condition of Approval the District is required to monitor slope stability. Funds are reserved to monitor slope movement, remove or repair landslides and any condition for which the District should require the services of a geologist or soil engineer. The Hiddenbrooke project was approved with Resolution 87-613 Tentative Map 88-10 (dated 1-19-1988) and Specific Area Plan (dated 1987). These documents require only a determination of the adequacy of the landslide repair but do not state to what degree of effort is needed.

Fund Balances

The HMD has its own improvement fund to be accounted for separately from all other City funds. All moneys representing special assessments, installment payments, contributions and annual interest earned and surplus/deficits from prior years' expenses and revenues are deposited into this fund. The HMD divides the improvement fund into the following four (4) funds: the HMD Developer Deposit Fund, the HMD Rehabilitation Fund, the HMD Operating Reserve Fund, and the HMD Undesignated Reserve Fund. Annual revenues that exceed the cost of annual operations will be deposited into the reserve funds to be used for future City Council approved projects and expenditures. City staff is currently working with the Hiddenbrooke HPOA's HMD Advisory Committee to update the five (5) year Capital/Rehabilitation plan. The City can draw from the Rehabilitation Fund, as part of the improvement fund, only as necessary to cover the District improvements should the Undesignated Reserve Fund or current year budget be insufficient.

HMD Developer Deposit Fund

The developers of Hiddenbrooke deposited $600,000 into the HMD Developer Deposit Fund during the 1999-2000 Fiscal Year for any remediation work required within the Hiddenbrooke development or the Utility Corridor (UC) between Columbus Parkway and Hiddenbrooke. The fund will ensure the ability of the HMD to repair adverse land movement or impacts to improvements within the broader HMD areas and the Utility Corridor such as: debris flows, landslides, slope re-grading due to erosion or earth movement, Utility Corridor monitoring/maintenance or slope repair, and maintenance or resurfacing of the a/c village trail due to expansive soil.

The Utility Corridor links Hiddenbrooke with St John's Mine Road and is the responsibility of the Hiddenbrooke development. The corridor has suffered erosive damage due to the annual discharge of precipitation storm water from the Utility Corridor slopes and roadway. The UC lies within the Solano Land Trust Swett Ranch, formerly the PG & E properties and is entitled with a construction and maintenance easement which encumbers the UC. Approximately $168,000 has been spent since 2007 on engineers and consultants to develop a plan to remediate the corridor, but no actual work has been done.

The HMD Developer Deposit Fund balance can and does grow beyond the original $600,000 deposit. This deposit is subject to interest earnings. The City is allowed to invest this deposit in an interest bearing account and the resulting interest earnings are deposited directly to the HMD Developer Deposit Fund. The approximate interest earnings since the original deposit are represented in the Reserve Fund Information table located on the following pages.

The Welcome Center is planned to be remodeled in FY 2022-2023; this project will be funded from the Developer Deposit Fund.

HMD Rehabilitation Fund

The Rehabilitation Fund was originally designated for repairs to the Napa County Road, Debris Flow Cleaning, Slide Re-grading, and maintenance or slope repair of the Utility Corridor Access Road. In FY 2003-2004, the HMD Rehabilitation Fund was designated only for repairs to the Napa County portion of Hiddenbrooke Parkway and the other descriptive items were determined to be available for funding from the HMD Developer Deposit Fund. Beginning with FY 2010-2011, the purpose of the HMD Rehabilitation Fund has been expanded to include the Napa County Road section and all other renovation and rehabilitation to landscape and irrigation systems within the HMD; effectively anything that is not in the Open Space areas or Utility Access or Utility Easements in the hillsides.

The City Public Works Department has established $1 million as the cap for the sum total of the HMD Developer Deposit Fund, adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), as distributed by the Bureau of Labor Statistics (BLS) for the Consolidated Metropolitan Statistical Area (CMSA) covering San Francisco-Oakland-San Jose. The percentage increase will be from February 1 of the prior year to February 1 of the current year, or similar time period.

The adjusted Developer Deposit Fund cap for Fiscal Year 2021-2022 has been adjusted from $1,685,657 to $1,712,122 (1.57 Percent). In February 2022, this figure was adjusted accordingly to reflect the current percentage change in the Local CPI. According to the City Finance Department, the current total of the HMD Developer Deposit Fund has not reached this cap. The estimated FY 2021-2022 ending balance for both Funds is $3,298,199, including the $852,273 Developer Deposit Fund and $2,445,926 Rehabilitation Fund.

The percentage change in the Local CPI that was applied to the Funds cap for Fiscal Year 2022-2023 is 5.19 Percent. Therefore, the cap for FY 2022-2023 is $1,800,981. The estimated FY 2022-2023 ending balance for both Funds, including interest earnings, is $3,331,579. These figures are presented in the Reserve Fund Information table that follows this section.

HMD Operating Reserve Fund

The HMD Operating Reserve Fund provides for operating expenses through January of the fiscal year or until such time as the City receives its apportionment of special assessments from Solano County, whichever is later. It is also a fund that can be accessed should the District experience unforeseen damages or emergencies to improvements. Based on City data regarding the District fund balance information, the estimated ending Operating Reserve Fund balance as of June 30, 2022 will be $359,980. The target Operating Reserve Fund balance for June 30, 2023 is based on 50% of the total costs or $359,980.

Method of Apportionment

Method of Apportionment

This section of the Engineer's Report explains the special and general benefits to be derived from the installation, maintenance and servicing of Improvements located throughout the District, and the methodology used to apportion the total assessment to properties within the District.

The District consists of all Assessor Parcels within the boundaries of Sky Valley Unit I, Sky Valley Unit II and Orchards development. The parcels include all privately or publicly owned parcels within said boundaries. The method used for apportioning the assessment is based upon the proportional special benefits to be derived by the properties in the District over and above general benefits conferred on real property or to the public at large. The apportionment of special benefit is a two-step process: the first step is to identify the types of special benefit arising from the improvements, and the second step is to allocate the assessments to property based on the estimated relative special benefit for each type of property.

Discussion of Benefit

In summary, the assessments can only be levied based on the special benefit to property. This benefit is received by property over and above any general benefits. With reference to the requirements for assessments, Section 22573 of the Landscaping and Lighting Act of 1972 states:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."*

Proposition 218, which added Article XIIID of the California Constitution, provides as follows:

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

Benefit categories have been established that represent the types of special benefit to residential, commercial, industrial and other lots and parcels resulting from the installation, maintenance and servicing lighting and landscaping improvements to be provided with the assessment proceeds. These categories of special benefit are summarized as follows:

A. Proximity to Improved Landscaped Areas and Other Public Improvements within the Assessment Districts.

B. Access to Improved landscaped areas and Other Public Improvements within the Assessment Districts.

C. Improved Views within the Assessment Districts.

D. Extension of a property's outdoor areas and green spaces for properties within close proximity to the Improvements.

E. Creation of individual lots for residential and commercial use that, in absence of the assessments, would not have been created.

F. Drainage of water and runoff from property in the District.

G. Protection from flooding and standing water due to the improved drainage systems.

Case law interpreting Proposition 218 provides enhanced clarity to the definitions of special benefits to properties in three distinct areas:

- Proximity
- Expanded or improved access
- Views

This case law also clarifies that a special benefit is a service or improvement that provides a direct advantage to a parcel and that indirect or derivative advantages resulting from the overall public benefits from a service or improvement are general benefits. The case law also provides specific guidance that park improvements are a direct advantage and special benefit to property that is proximate to a park that is improved by an assessment:

> *The characterization of a benefit may depend on whether the parcel receives a direct advantage from the improvement (e.g. proximity to a park) or receives an indirect, derivative advantage resulting from the overall public benefits of the improvement (e.g. general enhancement of the district's property values).*

Proximity, improved access and views, in addition to the other special benefits listed above further strengthen the basis of these assessments.

General versus Special Benefit

In absence of the assessments, the Improvements in the District would not be provided, so the Improvements are "over and above" what otherwise would be provided. Many of the parcels would not even exist if the assessments were not established because an assessment for the specific Improvements within the Districts was a condition of development approval.

All of the Assessment proceeds derived from the District will be utilized to fund the cost of providing a level of tangible "special benefits" in the form of landscaped parkways, landscaped medians, landscaped corridors, trail systems, drainage facilities, other Improvements and costs incidental to providing the Improvements and collecting the Assessments.

Although these Improvements may be available to the general public at large, the permanent public Improvements in the District were specifically designed, located and created to provide additional and improved public resources for the direct advantage of property inside the District, and not the public at large. Other properties that are either outside the District or within the District and not assessed, do not enjoy the unique proximity, access, views and other special benefit factors described previously. Moreover, the homes in the District would not have been built if the Assessments were not established because an assessment for the Improvements was a condition of development approval.

Benefit Finding

In summary, real property located within the boundaries of the District distinctly and directly benefits from closer proximity, access and views of Improvements funded by the Assessments, the creation of developable parcels and the extension of usable land area provided by the assessments. The Improvements are specifically designed to serve properties in the District, not other properties or the public at large. The District has been narrowly drawn to include those parcels that receive a direct advantage from the Improvements. The public at large and other properties outside the District receive only limited benefits from the Improvements because they do not have proximity, good access or views of the Improvements. These are special benefits to property in the District in much the same way that sewer and water facilities, sidewalks and paved streets enhance the utility and desirability of property and make them more functional to use, safer and easier to access.

Without the Assessments, the public improvements within the District would not be maintained and would turn into brown, unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility and value of property in the District. Most importantly, without the Assessments, the developed properties would not exist, because the subdivisions and development proposals would not have been approved. The Improvements are, therefore, clearly above what otherwise would be provided and the Improvements uniquely and specially benefit parcels in the District in a way that is not enjoyed by the general public or other property. We therefore conclude that all the Improvements funded by the Assessment are of special benefit to the identified benefiting properties located within the District and that the value of the special benefits from such Improvements to property in the District reasonably exceeds the cost of the Assessments for every assessed parcel in the District. (In other words, as required by Proposition 218; the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.) Any general benefits to surrounding properties outside of the District, if there were any, are collateral and conferred concomitantly.

The Hiddenbrooke development has a single access/egress from Interstate 80. All of the improvements to be maintained within the development (with the exception of regional trail facilities which is 50% special benefit) have been constructed specifically for the benefit of the properties within the development and the maintenance of these improvements is by definition of special benefit to these properties. The location of a property within the District and its relative benefits from District improvements is addressed in the following:

> **Utility Corridor** – With exception of routine maintenance or repair of the water line or forced main sanitary sewer line by the Water Division or Vallejo Sanitation & Flood Control District, all other appurtenances within the Slope Grading, Maintenance and Drainage Easement enclosing the Corridor are the responsibility of the HMD. The Corridor is considered the emergency access out of the development should a catastrophic event make Hiddenbrooke Parkway impassible. Any slope monitoring, remedial earthwork for slide repairs, concrete ditch cleaning or repair, storm drains or drop inlets, weed control, erosion control, pavement and roadway maintenance or resurfacing, road settlement, gates or fencing, etc, as identified, within the Sky Valley Offsite Utilities Improvement Plans is the responsibility of the HMD. Amounts budgeted but not spent in any fiscal year will be added to the HMD Rehabilitation Fund balance.
>
> **Debris Basins** – V.M.C. Chapter 12.40.010 for Excavating, Grading and Filling required the elimination of hazards such as mudflows, erosion, flooding, etc. The Basins are designated for the safety of the residents residing in prone areas, should a flow event occur. Basins minimize the loss of life and property to the Hiddenbrooke residents. The four (4) Basins are identified on the Sky Valley Phase 2 Record Drawing Grading Plans and are the responsibility of the HMD.

Storm Water Management - The monitoring of the lakes is of special benefit to all properties within the HMD. This special benefit is independent of parcel location because all of the properties drain to the lakes.

Napa County Street System Maintenance - The maintenance of approximately ½ mile of the Hiddenbrooke Parkway (entrance roadway) is of special benefit to properties within the HMD because it is the single access/egress to the development. No gas tax is appropriated to the City of Vallejo for this section of roadway and the agreement with Napa County provides that Napa County will not pay for the maintenance of this street. Therefore, the burden of maintaining this street falls upon the HMD. The benefit to the properties within the HMD is the satisfaction of this obligation. That portion of Hiddenbrooke Parkway that lies outside of the HMD boundaries and in Napa County is considered a general benefit. This general benefit is estimated to be 25% of the total maintenance costs and the City will make a contribution in the amount necessary to offset this general benefit cost. Amounts budgeted but not spent in any fiscal year will be added to the HMD Rehabilitation Fund balance.

Open Space Maintenance - The maintenance services to be performed on open space include fence repairs, fire access road repairs, erosion control, noxious weed control, sign repairs, fire breaks, ditch cleaning and associated staff costs. These services are of special benefit to the properties within the HMD in as much as they provide for property safety, preserve the natural tranquility and beauty of the Hiddenbrooke environment and provide recreational opportunities such as hiking and walking for the benefit of the residents and employees in the community. Open space literally surrounds the Hiddenbrooke development and is equally accessible to all properties within the HMD. Whether a property faces or backs up to open space is a matter of personal preference. The benefits of owning property next to open space (views, serenity, direct access, etc.) are generally offset by the nuisance factors such as litter and increased foot traffic. Maintenance of firebreaks is of equal benefit to properties across the street as to those who back up to open space. The intense heat of wild fires causes them to jump streets as was seen in the Oakland Hills fire of 1991. Thus, the relative location of parcels within the HMD is seen not to impact the relative benefit received by the various properties.

Trail Maintenance - The trail system and trailhead are open and accessible to the general public as well as to the HMD property owners, but trail systems are predominately used by those who live near them and therefore provide special benefits to local property owners. However, based on discussions with East Bay Regional Parks personnel, it has been determined that these trails may be used by residents of HMD and outsiders in equal numbers. Therefore, at present only 50% of the cost of trail maintenance has been assessed to the properties within the HMD as special benefit. Cost estimates and allocation of special benefit may vary as the trail system and surrounding properties are developed. The reallocation of special benefit will be based on the location and extent of the trail system as it relates to the surrounding properties.

Landscape Maintenance - Parkway and neighborhood entrance maintenance services are of equal benefit to all properties within the HMD because all properties access the community via Hiddenbrooke Parkway. Landscaped areas and street trees are distributed throughout the development and provide equal environmental and aesthetic benefits to similar parcels. Although landscape improvements (by virtue of their location), may be visible to surrounding properties or to the public at large, any benefit to surrounding properties is

incidental and cannot be considered a direct and special benefit to those properties. Therefore, it has been determined that the landscape improvements associated with the District and the ongoing operation and maintenance of those improvements are clearly a direct and special benefit to properties within the District and provide no measurable general benefit to properties outside the District or to the public at large.

Geotechnical Monitoring & Maintenance - This service is not related to parcel location because areas subject to slides are within the open space parcels. Funds will be accumulated and applied as needed if and when an event occurs. In this sense, the funds are "insurance" for the benefit of all properties independent of location.

Welcome Center - The location of a property within the HMD relative to the Welcome Center is not considered to be a factor in determining special benefit because the Hiddenbrooke development has a single access and egress to and from Interstate 80. The Welcome Center is strategically located at the entrance to the HMD. The Welcome Center is of equal benefit to all properties. The operation and maintenance of the Welcome Center will provide for a friendly point of access and departure to the HMD. A well-maintained center with a well-trained staff will be a significant asset to the HMD. The greeters and security personnel will provide directions to visitors and will keep a watch out for the safety of residents, businesses and their respective visitors and guests. A well-trained staff will be available to provide reasonable assistance to property owners in times of emergency.

However, it is also recognized that the Welcome Center will be of benefit to those members of the public who use the trail system. No specific data regarding the use of the HMD trails by persons from outside the HMD is currently available, but it is reasonable to gauge the use of the trail system by the general public on the size of the staging area. Based on a staging area that will accommodate 25 vehicles an estimated 50 trips per day will be made by the general public. It is estimated that at build out there will be 1,200 EBUs within the HMD. Assuming an ADT (average daily traffic) of 9.55 trips per day per EBU, the development will generate 9,770 vehicle trips per day. Visitors passing through the Welcome Center will generate 50/9,700 or approximately 0.5% of the total ADT. It is reasonable to say that 0.5% of the overall benefit derived from the additional improvements is "General Benefit". This benefit is not special to the owners of the HMD and may not be assessed. A contribution by the City in the amount of 0.5% of the total cost of maintaining the Welcome Center will be allocated as general benefit and not assessed to property owners within the HMD.

Passive Park - The location of property within the HMD is not considered to be of consequence in determining special benefit because the park is centrally located and easily accessible to all properties within the HMD. Moreover, the increased benefit of owning property near to the park is generally offset by the nuisance factors such as litter and increased foot traffic that the park generates. A well maintained park is esthetically pleasing. It approves property appearance and will enhance the HMD community image. If the park is not well maintained it will have the opposite effect. The park will provide passive recreational opportunities such as walking and outdoor reading for the enjoyment and benefit of all residents and employees of the HMD.

Waterfall Maintenance - Waterfall maintenance services are of equal benefit to all properties within the HMD because all properties access the community via

Hiddenbrooke Parkway and have visible access to the waterfall. The waterfall amenity provides equal environmental and aesthetic benefits to all parcels within the HMD.

Although waterfall improvements may be visible to surrounding properties or to the public at large, any benefit to surrounding properties is incidental and cannot be considered a direct and special benefit to those properties. Therefore, it has been determined that the waterfall improvements associated with the District and the ongoing operation and maintenance of those improvements are clearly a direct and special benefit to properties within the District and provide no measurable general benefit to properties outside the District or to the public at large.

Incidental Expenses - The incidental expenses associated with the various maintenance services provided are distributed in proportion to the foregoing and are therefore unrelated to parcel location.

General benefit is identified as that benefit received by properties outside of the District. General benefit cannot be assessed to property within the District boundary. A summary of the general benefit contributions is illustrated in the following table.

Agency	Description	% of Budgeted Expenditures
City	Street System Maintenance	25.0%
GVRD	Trail System	50.0%
City	Welcome Center Cost	0.5%

The original determination of benefits to property and the method of special benefit apportionment to property were developed by Willdan Financial Services when the HMD was reconstructed in fiscal year 2002-2003. The description of benefits and the determination and apportionment of benefits to property in this Report are consistent with the original benefit determination and apportionment. The original method of apportionment of assessment and other relevant elements of the fiscal year 2002-2003 Engineer's Report for the HMD are hereby incorporated by reference.

The maintenance and servicing of these improvements is also partially funded, directly and indirectly from other sources including City of Vallejo, the County of Solano and the State of California. This funding comes in the form of grants, development fees, special programs, and general funds, as well as direct maintenance and servicing of facilities (e.g. transportation facilities, other infrastructure, etc.) Finally, this funding from other sources more than compensates for general benefits, if any, received by the properties within the assessment districts.

Method of Assessment

The method of apportionment for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels within the District. The net amount to be assessed upon parcels within the District is apportioned by a formula and method that fairly distributes the net amount to be assessed among all assessable parcels in proportion to the special benefits to be received by each parcel from the improvements. Additionally, in compliance with Article XIIID Section 4 of the State Constitution each parcel's assessment does not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels within the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

Equivalent Benefit Units

The special benefits received by each parcel within the District and each parcel's proportional annual assessment is calculated on the basis of a formula known as Equivalent Benefit Units. The Equivalent Benefit Unit (EBU) method of apportionment establishes a proportional benefit relationship between the various parcels within the District and the improvements provided by the District. The EBU assigned to each parcel utilizes a set formula and proportional weighting factors based on the land use, size and development status of each parcel within the District compared to other parcels within the District.

Equivalent Benefit Unit Application by Land Use

Developed Residential Land

In order to evaluate the special benefits received by the various types of land, it makes sense to look at the benefits received by residential land because this is by far the largest category. The benefit received by residential land does not vary significantly, if at all, in direct proportion to lot size. There is no direct correlation or readily available dwelling density data by residential lot size that illustrate that larger lots support an increased (or decreased, for that matter) number of persons per dwelling unit. Therefore, all developed single-family residential lots or parcels receive an equal amount of special benefit from the improvements financed through the HMD and are deemed to receive 1.00 EBU.

All developed multi-family residential parcels are deemed to receive 0.90 EBU per dwelling unit. This is because density per dwelling unit figures for multi-family units in the City of Vallejo are approximately ten percent (10%) less than density figures for single-family homes. According to the Census 2000 data for the City of Vallejo obtained from the Association of Bay Area Governments (ABAG), the average household size of an owner-occupied unit in Vallejo is 2.99 persons. The average household size of a renter-occupied unit is 2.76. Assuming that most owner-occupied units are single-family residential homes and most renter-occupied units are multi-family dwelling units, there is an eight percent

(8%) difference in densities between single family and multi-family dwelling units. For ease of levy administration, the City has decided to round the percentage difference to ten percent (10%). Therefore, the EBU count for developed multi-family dwelling units is 0.90 EBU.

Developed Commercial Property
Commercial property, developed or undeveloped, does receive measurable special benefit from the improvements maintained through this District. Well-maintained improvements add aesthetic value to the property and enhance the desirability of the property, which may attract patrons and prospective buyers. For this District, a commercial or industrial parcel that has an improved commercial or industrial use structure receives 1.00 EBU of special benefit for every 3,000 square feet (or fraction thereof) of improved structure. For undeveloped commercial properties, the special benefit is identified as 0.60 EBU per 3,000 square feet (or fraction thereof) of planned improved structure.

Undeveloped Land
Public improvements within the HMD have been constructed throughout. The maintenance of these public improvements is of special benefit to all of the land in this planned community. Some land will be developed immediately, buildings will be constructed and families will move in. Other land may remain undeveloped, i.e. without buildings, for a number of years. There is a difference between special benefit received by developed and undeveloped land. When land is undeveloped or vacant, the special benefit received is less than that received by a developed parcel (one with a building). This is because only a minimum level of service is necessary in order to save the HMD improvements from degradation and destruction. For example, watering and weed control is necessary for plant survival along the Hiddenbrooke Parkway. Trails must be maintained or they will be lost. There will be geotechnical costs for slope monitoring with or without development. A minimal effort to maintain open space including trails will be necessary for marketing purposes. Firebreaks, on the other hand, are not necessary until structures are built. This minimum level of maintenance activity will be essential to property owners in order to market (sell) lots. The benefit for undeveloped residential land is considered to be 60 percent of developed single-family residential land. Therefore, undeveloped single-family residential land is considered to receive 0.60 EBU per planned lot. After buildings are constructed and occupied, increased maintenance services will be required, e.g. increased litter removal, fire protection, trail maintenance, pruning, watering and weed abatement. However, for improvements such as the Welcome Center, the benefit to developed and undeveloped lots is the same.

Exempt Property
Public property, which is maintained for the benefit of the properties within the HMD, does not benefit from these services. For example, open space does not benefit from the maintenance of open space. Sanitary and water pumping stations are for the benefit of the HMD properties. These facilities exist only to service the HMD. If the property does not develop then the facilities will be abandoned. In summary, there are no public agency parcels in the HMD which are perceived to benefit from the improvements.

Public open space does not benefit from the services provided by the HMD and is therefore not assessed. Services performed on the land such as fire abatement are for the protection of the developed private parcels. Open space that is held in public trust may not be transferred or sold for profit and as such does not appreciate in value due to the HMD improvements. Open space maintenance services are performed because of the development. If there were no development, then minimal maintenance of open space would be required. Any revenue or in-kind services afforded to the open space by grazing leases will be credited to future open space budgets.

The Vallejo Sanitation and Flood Control District's sanitary sewer and storm drain facilities and the City's water system facilities are operated and maintained exclusively for the benefit of the Hiddenbrooke development. They exist only for the benefit of the Hiddenbrooke development and receive no special benefit from the HMD improvements.

The Golf Club Property was excluded from the HMD because they are responsible contractually for lake monitoring and cleaning, and for slide debris removal, resulting from slides within the open space onto the golf course. These services are to be performed by and at the sole discretion of the Golf Course Owners. The open space Golf Course properties do not benefit from the HMD improvements and consequently are not assessed. As such, the Golf Course properties and appurtenant facilities cannot benefit from District funds, maintenance and improvements until such time as they are brought within the District by assessing the properties for its appropriate share of District costs.

Public streets, public avenues, public utilities, public lanes, public roads, public drives, public courts, public alleys, all public easements and rights of way do not benefit and have not been assessed. Public parks, greenbelts and parkways and all public school property, other public property, and designated open space are assessed only to the extent that they benefit as discussed above. The benefit received by privately owned common areas is considered as included in the assessment for the various dwelling units. Common areas have therefore been assigned zero EBUs.

Assessment Range Formula

Any new or increase in assessments require certain noticing and meeting requirements by law. Prior to the passage of Proposition 218, legislative changes in the Brown Act defined the definition of "new or increased assessment" to exclude certain conditions. These conditions included "any assessment that does not exceed an assessment formula or range of assessments previously adopted by the agency or approved by the voters in the area where the assessment is imposed." This definition and conditions were later confirmed through SB919 (Proposition 218 implementing legislation).

The purpose of establishing an assessment range formula is to provide for reasonable increases and inflationary adjustment to annual assessments without requiring costly noticing and mailing procedures, which could add to the District costs and assessments. Property owner balloting for the proposed District assessment in Fiscal Year 2003-2004 and 2004-2005 for Annexation 1 included the approval of an assessment range formula. The assessment range formula shall be applied to all future assessments within the District.

Generally, if the proposed annual assessment (levy per unit or rate) for the current fiscal year is less than or equals the "Maximum Assessment" ("Adjusted Maximum Assessment"), then the proposed annual assessment is not considered an increased assessment. The Maximum Assessment is equal to the initial Assessment approved by property owners adjusted annually by the following criteria:

1. In the Report prepared for ballot proceedings conducted in July 2003, the maximum amount of assessment levied per EBU for Fiscal Year 2003-04 was established at $532.22, with the exact amount to be levied in any given year to be determined by the budget for that year. Beginning in the second fiscal year (Fiscal Year 2004-2005) and each fiscal year thereafter, the Maximum Assessment will be recalculated annually to adjust for the property owner approved inflation adjustment factor.

2. The new adjusted Maximum Assessment for the year represents the prior year's Maximum Assessment adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), as distributed by the Bureau of Labor Statistics (BLS) for the Consolidated Metropolitan Statistical Area (CMSA) covering San Francisco-Oakland-San Jose. The percentage increase will be from Feb 1 of the prior year to Feb 1 of the current year, or similar time period that is available when the Report is prepared.

3. The Maximum Assessment is adjusted each year independently from the annual assessment. While the actual amount assessed may fluctuate each year, the maximum will continue to be increased by CPI-U each year to establish the adjusted Maximum Assessment.

The Maximum Assessment is adjusted annually and is calculated independently of the District's annual budget and proposed annual assessment. Any proposed annual assessment (rate per equivalent benefit unit) less than or equal to this Maximum Assessment is not considered an increased assessment, even if the proposed assessment is greater than the assessment applied in the prior fiscal year. The City Council may reduce or freeze the Maximum Assessment at any time by amending the Engineer's Annual Report.

The Maximum Assessment adjustment is designed to establish a reasonable limit on District assessments. The Maximum Assessment calculated each year does not require or facilitate an increase to the annual assessment and neither does it restrict assessments to the adjustment maximum amount. If the budget and assessments for the fiscal year does not require an increase, or the increase is less than the adjusted Maximum Assessment, then the required budget and assessment may be applied without additional property owner balloting. If the budget and assessments calculated requires an increase greater than the adjusted Maximum Assessment then the assessment is considered an increased assessment. To impose an increased assessment, the City Council must comply with the provisions of Article XIIID Section 4(c) of the California Constitution, which requires a public hearing and certain protest procedures including mailed notice of the public hearing and property owner protest balloting. Property owners through the balloting process must approve the proposed assessment increase. If the proposed assessment is approved, then a new Maximum Assessment is established for the District. If the proposed assessment is not approved, the City Council may not levy an assessment greater than the adjusted Maximum Assessment previously established for the District.

Estimated Benefit Units for Fiscal Year 2022-23

The following table summarizes the Equivalent Benefit Units for the various Land Use designations within HMD for Fiscal Year 2022-23.

EBUs per LAND USE DESIGNATION

Land Use Category	Land Use Designation	Number of Parcels	Dwelling Units (Current & Proposed)	Building Sq Ft	EBU Factor	Total EBU
Single Family Residential	SFR	1,113	1,113	N/A	1.00	1,113.00
Undeveloped Single Family Residential	SFV	108	108	N/A	0.60	64.80
Multi Family Residential	MFR	0.00	0.00	N/A	0.90	0.00
Undeveloped Multi Family Residential	MFV	0.00	0.00	N/A	0.60	0.00
Commercial Property	COM	0.00	0.00	0.00	1.00 EBU per 3,000 building sq ft	0.00
Undeveloped Commercial Property	CMV	0.00	0.00	0.00	0.50 EBU per acre	0.00
Developed Hotel Property	HOT	0.00	0.00	N/A	0.15 EBU per developed room and 0.12 EBU per undeveloped room	0.00
Special Designation Property	SPC	1	1	11,000	0.60 EBU per proposed lot plus 0.60 EBU per 3,000 building sq ft	2.20

Duration of Assessment

It is proposed that the Assessment be levied for fiscal year 1992-93 and continued every year thereafter, so long as the Improvements need to be improved and maintained and the City of Vallejo requires funding from the Assessments for its Improvements in the HMD. As noted previously, the Assessment can continue to be levied annually after the City of Vallejo City Council approves an annually updated Engineer's Report, budget for the Assessment, Improvements to be provided, and other specifics of the Assessment. In addition, the City Council must hold an annual public hearing to continue the Assessment.

Appeals and Interpretation

Any property owner who feels that the assessment levied on the subject property is in error as a result of incorrect information being used to apply the foregoing method of assessment, may file a written appeal with the Director of Public Works or her or his designee. Any such appeal is limited to correction of an assessment during the then current or, if before July 1, the upcoming fiscal year. Upon the filing of any such appeal, the Director of Public Works or his or her designee will promptly review the appeal and any information provided by the property owner. If the Director of Public Works or her or his designee finds that the assessment should be modified, the appropriate changes shall be made to the assessment roll. If any such changes are approved after the assessment roll has been filed with the County for collection, the Director of Public Works or his or her designee is authorized to refund to the property owner the amount of any approved reduction. Any property owner who disagrees with the decision of the Director of Public Works or her or his designee, may refer their appeal to the City Council of the City of Vallejo and the decision of the City Council of the City of Vallejo shall be final.

Assessment

WHEREAS, the City of Vallejo City Council directed the undersigned Engineer of Work to prepare and file a report presenting an estimate of costs, a diagram for the District and an assessment of the estimated costs of the improvements upon all assessable parcels within the District, to which Resolution and the description of the Improvements therein contained, reference is hereby made for further particulars;

NOW, THEREFORE, the undersigned, by virtue of the power vested in me under the Act and the order of the City Council of said City of Vallejo, hereby make the following assessment to cover the portion of the estimated cost of the improvements, and the costs and expenses incidental thereto to be paid by the District.

As required by the Act, an Assessment Diagram is hereto attached and made a part hereof showing the exterior boundaries of said District. The distinctive number of each parcel or lot of land in the District is its Assessor Parcel Number appearing on the Assessment Roll.

I do hereby assess and apportion the net amount of the cost and expenses of the improvements, including the costs and expenses incident thereto, upon the parcels and lots of land within the District, in accordance with the special benefits to be received by each parcel or lot, from the improvements, and more particularly set forth in the Cost Estimate and Method of Assessment hereto attached and by reference made a part hereof.

The assessment is subject to an annual adjustment tied to the Consumer Price Index-U for the San Francisco Bay Area as of February 1 of each succeeding year (the "CPI"). The maximum authorized assessment rate is equal to the maximum assessment rate approved by property owners fiscal year 2003-2004 adjusted annually by the change in the CPI.

The change in the CPI from February 2021 to February 2022 was 5.19%. Therefore, the maximum authorized assessment rate for fiscal year 2022-2023 is increased by 5.19% which equates to $864.89 per equivalent benefit unit. The estimate of cost and budget in the Engineer's Report proposes assessments for fiscal year 2022-2023 at the rate of $611.04, which is less than the maximum authorized assessment rate.

The assessment is made upon the parcels or lots of land within the District in proportion to the special benefits to be received by the parcels or lots of land, from the improvements.

Each parcel or lot of land is described in the Assessment Roll by reference to its parcel number as shown on the Assessor's Maps of the County of Solano for the fiscal year 2022-2023. For a more particular description of the property, reference is hereby made to the deeds and maps on file and of record in the office of the County Recorder of the County.

I hereby place opposite the Assessor Parcel Number for each parcel or lot within the Assessment Roll, the amount of the assessment for the fiscal year 2022-2023 for each parcel or lot of land within the District.

RESOLUTION NO. 22-_____

A RESOLUTION APPROVING THE ENGINEER'S REPORT AND ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS FOR FISCAL YEAR 2022-23 IN THE HIDDENBROOKE MAINTENANCE DISTRICT

WHEREAS, the City Council of the City of Vallejo, by previous Resolution, ordered the preparation of the Engineer's Report for the Hiddenbrooke Maintenance District (the "District") pursuant to the provisions of the Landscape and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500 (the "Act"). The Act provides for the levy and collection of assessments by the County of Solano on behalf of the City of Vallejo to pay the costs and expenses of operating, maintaining and servicing the landscaping and all appurtenant facilities and operations related thereto located within the District; and

WHEREAS, the Engineer's Report for the District was duly made and filed with the City Clerk and duly considered by this Council and found to be sufficient in every particular, and that June 14, 2022 at the hour of 7:00 p.m. at the City Council Chambers located at 555 Santa Clara Street, Vallejo, California, were appointed as the time and place for a hearing by this Council on the question of the levy of the assessment, notice of which hearing was given as required by law; and

WHEREAS, at the appointed time and place the hearing was duly and regularly held, and all persons interested and desiring to be heard were given an opportunity to be heard, and all matters and things pertaining to the levy were fully heard and considered by this Council, and all oral statements and all written protests or communications were duly heard, considered and overruled, and this Council thereby acquired jurisdiction to order the levy and the confirmation of the diagram and assessment prepared by and made a part of the Engineer's Report to pay the costs and expenses thereof; and

WHEREAS, the City Council and its legal counsel have found that these assessments comply with applicable provisions of Article XIIID of the California State Constitution.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL AS FOLLOWS:

Section 1 The public interest, convenience and necessity require that the levy be made to pay for the costs and expenses of operating, maintaining, and servicing the landscaping and appurtenant facilities and operations.

Section 2 The District benefited by the improvements and assessed to pay the costs and expenses thereof, and the exterior boundaries thereof, are as shown by a map thereof filed in the office of the City Clerk, which map is made a part hereof by reference.

Section 3 The Engineer's Report as a whole and each part thereof, to wit:

i) the Engineer's estimate of the itemized and total costs and expenses of maintaining the improvements and of the incidental expenses in connection therewith;

ii) the diagram showing the District, plans and specifications for the improvements to be maintained and the boundaries and dimensions of the respective lots and parcels of land within the District; and

iii) the assessment of the total amount of the costs and expenses of the proposed maintenance of the improvements upon the several lots and parcels of land in the District in proportion to the estimated special benefits to be received by such lots and parcels, and of the expenses incidental thereto;

are hereby approved and confirmed.

Section 4 Final adoption and approval of the Engineer's Report as a whole, and of the plans and specifications, the estimates of the costs and expenses, the diagram, and the assessment, as contained in the Report as hereinabove determined and ordered, is intended to and shall refer and apply to the Report, or any portion thereof as amended, modified, revised or corrected by or, pursuant to and in accordance with, any resolution or order, if any, heretofore duly adopted or made by this Council.

Section 5 The assessment to pay the costs and expenses of the maintenance of the improvements for fiscal year 2022-23 is hereby ordered to be levied. For further particulars pursuant to the provisions of the Landscaping and Lighting Act of 1972, reference is hereby made to the Resolution Directing Preparation of Engineer's Report.

Section 6 Based on the oral and documentary evidence, including the Engineer's Report, offered and received at the hearing, this Council expressly finds and determines (a) that each of the several lots and parcels of land will be specially benefited by the maintenance of the improvements at least in the amount if not more than the amount, of the assessment apportioned against the lots and parcels of land, respectively, and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, the aforesaid finding and determination as to special benefits.

Section 7 The Engineer's Report as presented to the City Council and on file in the Office of the City Clerk is hereby confirmed as filed. The City Council hereby levies against and upon all of the real property within the District a special assessment per equivalent benefit unit for the Fiscal Year commencing on July 1, 2022 and ending June 30, 2023 as follows:

District	
Hiddenbrooke Maintenance District	$611.04

Section 8 The maintenance, operation and servicing of the improvements and appurtenant facilities shall be performed pursuant to the Act. The City Council hereby orders the following proposed improvements to be made: the maintenance and operation of, and the furnishing of services and materials for: turf, ground cover, shrubs and trees, irrigation systems, drainage systems, open space areas, public pedestrian paths, entry monuments, fencing, lighting systems and all appurtenant facilities related thereto.

Section 9 Immediately upon the adoption of this Resolution, but in no event later than the third Monday in August following such adoption, the City Clerk shall file a certified copy of the assessments and a certified copy of this Resolution with the Auditor of the County of Solano. Upon such filing, the County Auditor shall enter on the County assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the assessment. The assessments shall be collected at the same time and in the same manner as County taxes are collected and all laws providing for the collection and enforcement of County taxes shall apply to the collection and enforcement of the assessments. After collection by the County, the net amount of the assessments, after deduction of any compensation due the County for collection, shall be paid to the City of Vallejo, City Treasurer.

Section 10 The Finance Director shall deposit all money representing assessments collected by the County for the District to the credit of a fund for the Hiddenbrooke Maintenance District and such money shall be expended only for the maintenance, operation and servicing of each of the landscaping, lighting and appurtenant facilities as described in Section 8, above.

ACTION ITEM 9.E.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **HOLD A PUBLIC HEARING AND ADOPT A RESOLUTION CONFIRMING ASSESSMENTS OF DELINQUENT GARBAGE BILLS AND AUTHORIZING THE LEVY OF SAID ASSESSMENTS AGAINST THE RESPECTIVE PROPERTIES AND FURTHER AUTHORIZING THE CITY MANAGER TO FILE THE LIST OF ASSESSMENTS WITH THE COUNTY OF SOLANO TAX COLLECTOR**

RECOMMENDATION

Conduct a public hearing and adopt a resolution confirming and levying assessments against the properties listed in Attachment 1.b for unpaid garbage bills.

REASONS FOR RECOMMENDATION

Pursuant to the City of Vallejo Municipal Code (VMC), the City Council is required to conduct a Public Hearing to consider the Assessment List for unpaid garbage bills.

BACKGROUND AND DISCUSSION

Pursuant to section 7.44.020 of the Vallejo Municipal Code (VMC), with limited exceptions as provided in VMC Section 7.48.070, all occupied premises must subscribe to and pay for garbage collection service. The property owner may authorize a tenant to subscribe to and pay for garbage collection service; however, the property owner is ultimately responsible for paying the bill if it becomes delinquent.

Recology, the City's garbage franchise contractor, notifies the City and the property owner when an occupied premises has not subscribed for garbage collection service or when the subscribers fail to make their garbage payment as required. Notices are sent to those persons in accordance with VMC Section 7.48.060.

In the event the person to whom notice is mailed fails to subscribe to or make payment for garbage collection service, the Solano County Environmental Health Services Division or the City of Vallejo Public Works Director will authorize such service to be started or continued, as the case may be, and the charges will be assessed against the property owner.

Recology puts information in its quarterly newsletters informing property owners that it is their responsibility to ensure that tenant garbage bills are paid. Recology sent courtesy notices in January 2022 and April 2022 informing each property owner of the following:

1. The amount of the unpaid bill.
2. The potential for an imposition of a penalty of $50.00 or 10% of the unpaid portion of the bill, whichever is greater, if the bill is not paid by July 15, 2022.

3. A warning stating that, if the bills are not paid by July 15, 2022, the bills and penalties will be assessed to the property and collected with the property taxes.

A Notice of Public Hearing, as required by VMC section 7.48.100, was mailed to approximately 6,724 residential customers and 505 commercial customers with delinquent garbage service accounts in the period of April 1, 2021 to March 31, 2022. Recology Vallejo has provided City staff with an Assessment List that contains the Accounting and Cost Report of all unpaid garbage bills through March 31, 2022. `Pursuant to Section 7.48.110 of the VMC, the City Council shall receive and consider the Report at a public hearing, together with any protests or objections which may be raised by any interested person. Upon the conclusion of the hearing, the Council may make such corrections or modifications to any proposed assessment it deems excessive or otherwise incorrect. The Council shall then confirm the assessments by resolution.

Assessments that are not paid by July 15, 2022 will be entered on the 2022-2023 fiscal year tax roll as a lien on the properties.

The penalty portion of the assessment will be received by the City in December 2022 and in April 2023. The Accounting and Cost Report shows a total delinquent amount of approximately $2,262,896.45 as of May 9, 2022. This amount could be reduced as payments are made up until the July 15, 2022 deadline. It is the County of Solano's practice to recover assessments that remain unpaid after five years. The amount included in the FY 2022-23 Proposed Budget includes an adjustment for this practice. All estimated receipts from the County and subsequent disbursements to Recology that are related to this transaction are budgeted in the Solid Waste Fund.

FISCAL IMPACT

There are no negative financial impacts to the General Fund. The City will receive the penalty portion of the assessment, which is approximately $352,778, based on the current lien amount of $2,262,896.45. The penalties could be reduced as payments are made up until the July 15, 2022 deadline.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VALLEJO CONFIRMING ASSESSMENTS OF DELINQUENT GARBAGE BILLS AND AUTHORIZING THE LEVY OF SAID ASSESSMENTS AGAINST THE RESPECTIVE PROPERTIES AND FURTHER AUTHORZING THE CITY MANAGER TO FILE THE LIST OF ASSESSMENTS WITH THE COUNTY OF SOLANO TAX COLLECTOR

WHEREAS, Staff has presented to the City Council an assessment list that contains an account and cost report of residential and commercial properties with delinquent garbage bills as of March 31, 2022 ("Assessment List"), prepared pursuant to Section 7.48.090 of the Vallejo Municipal Code; and

WHEREAS, the Assessment List and its cost report and list is on file with the City Clerk; and

WHEREAS, upon the confirmation of the Assessment List by the City Council and pursuant to Section 7.48.120 of the Vallejo Municipal Code, the delinquent garbage bills that are not paid by July 15, 2022 shall constitute an assessment and a lien against the affected properties; and

WHEREAS, on June 14, 2022, the City Council held a duly noticed public hearing on objections or protests of property owners in the City of Vallejo liable to be assessed for delinquent garbage bills in accordance with Section 7.48.110 of the Vallejo Municipal Code; and

WHEREAS, after considering all objections or protests of the property owners and at the conclusion of the public hearing, the City Council adopted this Resolution in the manner provided by California law.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City Vallejo as follows:

1. The City Council hereby confirms the Assessment List subject to those changes, if any, directed by the City Council in connection with consideration of this item.

2. Assessments in the amounts described in the Assessment List, with any changes as directed by the City Council, are hereby authorized to be levied upon the properties listed in the Assessment List.

3. If any assessment is not paid before the final payment date of July 15, 2022, the City Manager or his designee is authorized and directed to file the assessments on the Assessment List with the Solano County Tax Collector to be placed on the 2022-2023 property tax rolls as a lien against said properties.

4. The City Manager or his designee is authorized to amend the Assessment List to remove properties in which there has been a change in ownership or to correct inaccuracies prior to the filing of the Assessment List with the Solano County Tax Collector.

ACTION ITEM 9.F.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: GIllian Hayes, Assistant City Manager
SUBJECT: **RECEIVE ALL HOME REGIONAL ACTION PLAN ON HOMELESSNESS PRESENTATION AND POSSIBLY ADOPT A RESOLUTION GENERALLY ENDORSING THE CONCEPTS**

RECOMMENDATION

1. Receive a presentation by All Home CA, a collective impact partnership, on the Regional Action Plan on homelessness.
2. Consider and possibly adopt a resolution generally endorsing the concepts of Regional Action Plan as a framework for reducing and preventing homelessness in the City of Vallejo.

REASONS FOR RECOMMENDATION

The City continues to work to address homelessness and identify partners and resources to assist us with this City Council priority. By endorsing the Regional Action Plan, the City will have access to stronger regional partnerships, be able to increase awareness, and align local, regional, and state resources to the regional goal of reducing unsheltered homelessness in the Bay Area, 75% by 2024.

BACKGROUND AND DISCUSSION

All Home is a regional collective impact partnership with ambitious goals for addressing homelessness in the Bay Area. It was founded in 2019 and funded by philanthropic investors such as the Tipping Point Community, San Francisco Foundation, Crankstart, and many others. In 2020, All Home established the Regional Impact Council (RIC) as part of their objective to convene key stakeholders to address the homelessness crisis. The RIC is a roundtable of stakeholders from all nine Bay Area counties convened to tackle the regional housing insecurity and homelessness crisis facing the Bay Area. RIC members are policymakers; affordable housing, social equity and economic mobility stakeholders; housing and homelessness service providers; and business and philanthropic partners. They are working to develop a unified approach to advance system-level changes for mitigating poverty-reducing housing insecurity and racial inequities, and addressing the homelessness crisis with regional solutions. The RIC believes that homelessness can be rare, brief, and non-recurring for those who experience it.

The Regional Action Plan (RAP)

All Home facilitated the RIC as it developed the RAP, hosting meetings and providing direction, and helped the RIC translate its year-long work into the final RAP. The RAP sets out the ambitious goal of reducing the number of people experiencing homelessness by 75% in three years. It sets out eight strategic priorities for achieving this goal, some of which are already underway. The RIC's strategic pillars are to House and Stabilize, Prevent, and enable the region's most vulnerable populations to Thrive. A key element of the RAP is its 1-2-4 framework. The 1-2-4 approach acknowledges that an effective and sustainable plan to transition people out of homelessness requires investment in multiple strategies at once. This includes: homelessness prevention; interim or emergency housing; permanent, deeply affordable, or permanent supportive housing;

and housing subsidies. It is not enough to provide emergency shelter if there are insufficient long-term housing options to move people from homelessness (i.e., outflow) and insufficient efforts on preventing homelessness in the first place (i.e., inflow). The 1-2-4 framework is a ratio that illustrates proportionate investment in three concurrent strategies (outlined in the table below). The framework and RAP require rethinking how existing resources are allocated and provide a practical approach for future federal and state investments. This framework, if adopted and implemented across the region, would change the current approach of resource distribution and will require a combination of new and existing sources of funding.

+ 1 Unit of Interim Housing	+ 2 Units of Permanent Housing	+4 Units of Homelessness Prevention
To bring unsheltered individuals indoors today by funding the necessary units needed	For every interim housing unit, provide 2 units of permanent housing through, for example, flexible subsidies and supportive housing, to allow for long term housing solutions	For every interim housing and permanent housing solutions, invest in 4 units of prevention interventions to keep individuals most vulnerable to homelessness housed and stable through interventions such as rental and financial assistance

The RAP will work to establish a “system flow” in which unsheltered populations move toward a permanent exit from homelessness through interim housing options. The approach addresses the near-term crisis, creates more permanent housing solutions, and proposes a broad array of preventative initiatives to mitigate the flow of people who experience homelessness for the first time. Cities and Counties are encouraged to plan for and invest in a wider range of deeply affordable housing options. This includes a mix of new construction, acquisition/rehab, and rental subsidies applied to immediately available rental units. Successful implementation of this approach will not only reduce the number of people experiencing homelessness, but will also reduce the number of people at imminent risk of becoming homeless.

Solano Engagement
Part of successfully implementing the plan includes partnering and engaging with jurisdictions across the region to align on plan and support for the RAP’s overall goals. Thus far, we have engaged with the Solano City County Coordinating Council, CAP Solano JPA, Housing First Solano, Regional 2x2 Homeless Committee, and Solano County Board of Supervisors.

Group	Date	Audience	Outcome
CAP JPA Solano + Housing First Solano	August 31, 2021	Representatives from the Cities of Benicia, Fairfield, Rio Vista, Suisun City, Vacaville, Vallejo, and County of Solano	General support and enthusiasm about the plan, questions regarding how the implementation of the RAP is and which other jurisdictions were endorsing the RAP
Solano City County Coordinating Council	November 18, 2021	Partnership between the County of Solano and the cities of Benicia, Dixon, Fairfield, Rio Vista, Suisun City, and Vacaville	General support and enthusiasm for the plan, questions regarding support for mental health and the “how” to implement the plan. Shared interest in presenting the RAP to the Board for potential endorsement. (presented to BoS on 2/1)

Regional 2x2 Homeless Committee	January 6, 2022	Representatives from Fairfield, Vacaville, Suisun City, City of Vallejo, Solano County	General support and interest in digging deeper into top down model estimating a 1-2-4 modeling and cost
Housing First Solano Continuum of Care	January 26, 2022	Representatives from Government, Law Enforcement, Business, Nonprofit Homeless Assistance Providers, and other At-Large Community Members.	Voted to endorse the RAP. Questions about how mental health is connected to the RAP and the role that County will play in terms of implementation of the RAP.
Solano County Board of Supervisors	February 1, 2022		Brought to the board by Supervisor Spering; board unanimously endorsed the RAP

Regional Action Plan Endorsement
Endorsing the RAP would allow more groups to join in collaborative efforts to lift up solutions that are working and design new ones to reach our goals. The 1-2-4 framework outlined in the RAP is not a one size fits all solution, it's a ratio emphasizing simultaneous investments in three areas to reduce unsheltered homelessness. While investing and participating in a 1-2-4 systems framework will look different across each jurisdiction depending on where past investments have been made and what the community needs are, all of our communities have a role in solving the problem. Jurisdictions are increasing awareness of and alignment regarding homelessness and local, regional and state resources available to reduce experiences of homelessness. This also creates opportunities for more advocacy regarding resources, funds, legislative priorities and access to technical resources from All Home and the Regional Impact Council such as participation in ongoing discussions around opportunities to recurring challenges, knowledge and resource sharing.

All Home recognizes and understands that capacity is a primary consideration to implementing the RAP and may be a concern when jurisdictions consider endorsing. All Home is ready to learn and engage with jurisdictional staff to better understand what level of support may be needed to implement the RAP and in particular what further engagement, advocacy and technical assistance may be needed to implement the RAP in the City of Vallejo. All Home and the Regional Impact Council are committed to supporting existing efforts and finding ways to collaborate to achieve the RAP's goal of a 75% reduction in unsheltered homelessness across the Bay Area.

Endorsements to date
Since the launch of the Regional Action Plan in April 2021, we have received the following endorsements from City Councils, Mayors and jurisdictions:
- Mayor of Oakland, Libby Schaaf
- Mayor of San Francisco, London Breed
- Mayor of San Jose, Sam Liccardo
- Contra Costa County
- San Mateo County
- Solano County
- City of Berkeley
- City of Hayward
- Sonoma County Continuum of Care
- Housing First Solano

RAP Implementation
To date, work towards implementation of the RAP has included presentations and collaboration with various stakeholders across the region and engaging with different sectors that can push forward some of the actions outlined in the RAP. All Home also launched two Action Teams to advance the 1-2-4 systems framework and legislative priorities around the eight strategic priorities bringing together representatives from each county to coordinate approaches to current challenges, share resources, identify where advocacy and support is needed and collaborate on regional priorities and solutions. All Home has also started providing some analytical and strategy support with jurisdictions providing support on 1-2-4 analysis and alignment.

FISCAL IMPACT
There is no direct impact on the general fund associated with adopting a resolution to endorse the Regional Action Plan.

ENVIRONMENTAL REVIEW
This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

REGIONAL ACTION PLAN: EXECUTIVE SUMMARY

A Call to Action from the Regional Impact Council

Full Report Release Date: April 13, 2021
All Home

Executive Summary

The Regional Action Plan (RAP) is an ambitious plan to reduce the number of people experiencing homelessness by 75% in three years.

The Challenge:

The Bay Area has been confronting a regional homelessness crisis for decades. In 2020, All Home established the Regional Impact Council (RIC), a nine-county effort, convened to devise a unified effort to address homelessness, establish a more prosperous region, and close racial disparities. The need to act is made more pressing by the COVID-19 pandemic. It devastated the job market and added to the population of 35,000 Bay Area residents who were already unhoused.

In addition, fifty percent of extremely low income (ELI) renters do not receive housing subsidies or rent protections, and 34% have controlled rents that are still unaffordable without assistance. The RIC worked to develop immediate solutions that lead with racial equity. The RIC also built solutions holding ourselves and our peers to housing standards, increasing accountability for outcomes, and targeting funding and interventions towards the most vulnerable communities.

The Solutions:

The RIC is putting forth this ambitious Regional Action Plan (RAP) to reduce the number of people experiencing homelessness by 75% in three years. In order to house and stabilize our unhoused neighbors while also initiating preventative measures, the RAP defines eight strategic priorities, some of which are already underway.

- Accelerate cash payments to people impacted by COVID-19
- Provide income-targeted rental assistance to those affected by COVID-19
- Accelerate targeted, data-informed regional prevention model
- Extend eviction moratoria
- Secure shelter-in-place (SIP) housing placements
- Streamline state funds and applications for housing
- Prioritize ELI for housing resources
- Extend covenants of affordability to preserve housing supply and funding for ELI tenancy

A vital component of the RAP is the 1-2-4 Framework. This approach acknowledges that an effective and sustainable plan to transition people out of homelessness requires investment in multiple strategies at once. This includes homelessness prevention, interim or emergency housing, permanent, deeply affordable, or permanent supportive housing, and housing subsidies. It is not enough to simply provide emergency shelter if there are insufficient long-term housing options to provide outflow and insufficient focus on reducing inflow. **1-2-4 is a ratio that illustrates proportionate investment in three strategies simultaneously.** In order to reduce unsheltered homelessness rapidly, most cities or counties will need to frontload investment into interim housing options. We understand that jurisdictions throughout the region may apply different proportions in their system based on their community, but these components must work together as system responses.

The Partnerships:

Taken together, successful implementation will require partnership with the State of California and federal government, county leaders, businesses, and philanthropies through co-funding and coordinated action. The RAP will work to establish a "system flow" in which unsheltered populations move toward a permanent exit from homelessness through interim housing options.

The Costs:

The total five-year cost of sheltering 75% of the unsheltered population; while also investing in preventative interventions and permanent housing solutions is estimated at $6.5 billion. It will require a combination of new and existing resources. Our approach addresses the near-term crisis. It also creates more permanent housing solutions and a broad array of preventative initiatives to mitigate the unsheltered population inflow.

Call to Action Items by Sector

Success will require action across every level of our Bay Area community. Local governments will need to unite where possible and customize solutions where required. State and the federal government can partner with philanthropies and the business sector. We call on these sectors to pursue the following actions:

California State Government

- **Establish a 1-2-4 Framework** and support a pilot project in the Bay Area in 2021 by conditioning both existing and new funding to the region. We also request the state provide **expanded technical assistance** to local jurisdictions to implement the 1-2-4 framework. Lastly, we recommend conditioning existing and new funds allocated to the region based on the implementation of, and progress toward, the 1-2-4 approach in the region's cities and counties.

- **Establish standards and best practices for measuring current racial equity levels** and for demonstrating progress; increase accountability for outcomes by tying funding to demonstrated progress toward closing disparities. This would include **revising the opportunity map methodology** to ensure that it does not de-prioritize BIPOC communities, which tend to be overwhelmingly represented as "low resource" in HCD's opportunity maps. While we support the concept of encouraging new development in high opportunity areas, communities that have suffered historic underinvestment should not be left behind as there are longstanding housing needs that must be met.

- **Retain as much of the Shelter in Place (SIP) housing established** in response to the COVID-19 pandemic as possible for post-pandemic use as interim housing for unsheltered individuals/households transitioning to permanent housing. The State must also work to pass legislation and support programs such as rental assistance to ensure people stay housed.

- **Consolidate and streamline all affordable housing and homelessness funding and application processes**, ensure that **a significant portion of affordable housing funding is inclusive of people with Extremely Low Incomes (ELI)**, and **issue guidance to prioritize local rental assistance funds to severely rent-burdened, ELI households** in census tracts of high housing insecurity.

Federal Government

- **Allocate $100 billion in emergency rental assistance, $11.5 billion in additional Emergency Solutions Grant, and $26 billion in new Housing Choice Vouchers** specifically for people who are experiencing or are at-risk of homelessness. We also call on federal legislators to **provide enhanced unemployment benefits** at the previous level of $600/week.

- **In addition to these immediate actions, we call on the Federal government, in close coordination with the State, to provide new funding needed to ensure all local jurisdictions are able to implement plans to house 75% of our unsheltered population by 2024** by implementing a full range of prevention and housing options.

- **We commit to working with Congress and the Biden-Harris Administration to identify and develop innovative, scalable solutions to homelessness and poverty.** We look forward to quickly turning our attention to "Housing as Infrastructure" and working with our California Congressional delegation to achieve the requisite scale of federal investment in affordable housing to truly make homelessness in the United States an experience that is rare and brief, not one that persists for decades.

Counties

- **Adopt the 1-2-4 Framework in counties.**

- **Operationalize equitable consideration of the most vulnerable communities in prioritization schemes**, service provision, and rental assistance programs.

- **Identify locations and make plans to implement interim housing** for individuals who cannot move directly into permanent housing, leveraging recent CEQA exemption for navigation centers.
- **Enact an eviction moratorium** that protects tenants until 60 days after the County lifts its COVID-19 public health emergency (Immediate).

- In the event that a local jurisdiction launches or expands a rental assistance program, **it should use a prioritization method that targets rental assistance to those most at risk of becoming homeless**.

Philanthropies

- **Fund urgently needed interventions** targeted to Black, Brown, and Indigenous people experiencing homelessness or are currently at risk of becoming homeless.

Business

• **Work to address the barriers faced by underbanked and unbanked populations** in accessing benefits by offering no-fee checking accounts or other distribution methods. Furthermore, we call on businesses to help fund interventions in local communities.

Coalition

• **Local jurisdictions will be provided with assistance** from All Home that recognizes the unique circumstances of local jurisdictions as they work to activate the 1-2-4 framework and support for inter-jurisdictional coordination within and between the region's counties. **If new funds are required,** this coalition will actively work to raise the necessary resources from the state and federal governments.

• All Home, in collaboration with regional partners and local jurisdictions, will identify a regional entity (e.g., BAHFA) **with the mandate, mission, and capacity to manage a regional homelessness prevention system** for the long-term. **All Home will also work to implement a three-county pilot regional homelessness prevention system** that is rolled out with an eye toward regional expansion to all nine Bay Area counties. **Lastly, All Home will work to estimate the scale of need for rental assistance in the Bay Area,** including levels needed to prevent expected increases in homelessness and total households unable to pay rent.

● Among selected locations that have existing homelessness prevention programs, the **RIC will facilitate consensus-building on what coordinated, data-informed service delivery and common evaluation framework** look like based on best practices in the field, including analysis of gaps and barriers. The **RIC will also convene local jurisdictions that offer rental assistance programs,** along with community groups representing tenants and people who have experienced homelessness, to inform decision-makers about the need to prioritize as recommended above, when resources are limited.

EMERGENCY STATEMENT

A PROBLEM WE CAN SOLVE

The Bay Area's homelessness crisis is a chronic problem, arguably the region's greatest and most serious challenge. The scale and complexity of this challenge is undeniably daunting. As a region we have fought to solve this crisis for decades, to limited avail. However, the problem can and will be solved. We need a new approach to homelessness, marked by new levels of regional cooperation. The Regional Impact Council (RIC) envisions a Bay Area that is united and coordinated against homelessness: a Bay Area that is organized to seamlessly share best practices, data systems, advocacy efforts, and resources. In the Bay Area we envision homelessness is a rare, brief, and non-recurring situation for those who experience it. In this future vision, we have closed racial and economic disparities and created an equitable, stable, and prosperous region. The path to this future will not be easy. It will require action and commitment from all levels of government and community. The RIC believes that we can and must do the work to make this vision real. The first step is to acknowledge that homelessness is an emergency requiring immediate action.

A REGION IN CRISIS

The longstanding homelessness crisis in the Bay Area— described by a global expert as "systemic cruelty"[1]— is particularly tragic because the crisis expanded during an economic boom in the wealthiest region in North America. In 2020, the homelessness crisis further deepened as a result of the COVID-19 pandemic: without sizable, coordinated action and investment, it will continue to destabilize our region as time, and the pandemic, goes on.

In our nine-county Bay Area today, **more than 35,000[2] of our neighbors, a population larger than many of the region's suburban cities and towns,** lack housing or even the prospect of securing it - despite many working full-time. Seniors, people with disabilities and many people working demanding jobs live out of their vehicles, in tents, and in other situations not fit for human habitation because they simply cannot afford housing in the region that they call home. For some, this problem continues for generations. Many "essential" workers (e.g., home health aides, grocery store clerks, cleaning staff at medical facilities) are literally homeless, with tens of thousands more of these workers at-risk of becoming homeless. In particular, extremely low income (ELI) renters face significant housing insecurity: 50% receive neither housing subsidies nor rent protection, and another 34% have controlled rents which are still unaffordable without subsidy.

Doing nothing to address the Bay Area homelessness crisis is enormously costly, in economic as well as moral terms. Many of these costs to our society are in plain sight, and many are hidden. Confronted by human suffering on a daily basis, residents and businesses are leaving the region. In a recent Silicon Valley Leadership survey, 47% of respondents said that they had considered leaving the region as a result of the homelessness situation. As a result of the impacts that homelessness has on individuals and the community as a whole, the indirect costs of homelessness on healthcare, criminal justice, and social services are nearly $2 billion annually, based on estimates using real costs from Santa Clara county. We must think holistically as a region about our response to this crisis, and

[1] Leilani Farha, United Nations Special Rapporteur, 2018.

[2] Given the lack of PIT count in 2021, we created an estimate of the total unsheltered homelessness in the Bay Area. If we apply the unsheltered homelessness growth rate from 2017-2019 in the Bay Area (~17%) to the unsheltered population in 2019, we estimate unsheltered homelessness to be ~30K. However, given the known impacts of COVID-19 on shelter capacity in the Bay Area and early evidence supporting a growth in homelessness, we estimated that unsheltered homelessness is likely closer to 35K in the Bay Area.

recognize that the investment required to address unsheltered homelessness is small compared to the long-term social and economic costs of our current course.

COVID-19 has made the region's limited supply of congregate shelter unusable due to its primarily communal living arrangements, placing our most vulnerable neighbors at heightened risk of exposure. Housing is healthcare, a fact further underscored by the COVID pandemic. A person is unable to "shelter in place" when there is an inadequate supply of shelter and housing. The homelessness and COVID crises disproportionately harm Black, brown and Indigenous people of color (BIPOC). For example, African Americans comprise only 6% of San Francisco's general population but make up 37% of the city's homeless population. As these groups are also more vulnerable to becoming seriously ill or dying from COVID-19, the current situation puts our region's low-income BIPOC population at 'double jeopardy' of becoming homeless and gravely ill as COVID cases surge across California and job losses continue to mount, disproportionately for BIPOC communities.

In our region of unparalleled ingenuity, creativity, and affluence for many, a failure to address the **homelessness crisis – a crisis that existed years before the COVID pandemic**, will weaken our communities, drive people and business away from the region, exacerbate existing labor market instabilities, and altogether undermine the prospects for a vibrant, prosperous future for the Bay Area.

Homelessness is no longer a challenge faced by a handful of Bay Area cities, it's a regional crisis. Similar to our pandemic response, we must act together as a region. We must lift up what works. We've witnessed communities rapidly and creatively providing interim and permanent housing options for unsheltered households in response to the COVID-19 outbreak. We know given the will and coordinated action displayed by County Public Health Directors in response to the pandemic, that rapid and meaningful regional action is possible, and we must harness that momentum to fix our systems—systems that are clearly broken and that have failed to stop the tidal wave of people who have had no option but to live on the streets.

WE, THE UNDERSIGNED MEMBERS OF THE REGIONAL IMPACT COUNCIL (RIC), URGE IMMEDIATE ACTION. THE BAY AREA'S EPIDEMIC OF UNSHELTERED HOMELESSNESS MUST BE ADDRESSED AS AN EMERGENCY.

WE CALL UPON THE STATE OF CALIFORNIA, OUR CITIES AND COUNTIES, THE REGION'S BUSINESS AND PHILANTHROPIC COMMUNITIES, AND OUR FEDERAL PARTNERS TO ACT WITH UNPRECEDENTED URGENCY AND COORDINATED ACTION, AS IF LIVES ARE AT STAKE – BECAUSE THEY ARE.

THE UNDERSIGNED MEMBERS OF THE REGIONAL IMPACT COUNCIL CALL FOR THE FOLLOWING EMERGENCY ACTIONS:

ADDRESS THE UNSHELTERED CRISIS

We must accelerate work to bring 75% of the unsheltered indoors by 2024 by improving existing systems & investing in the **1-2-4 system flow model,** described below (see the sidebar on page 9 for details):

(1) Fund the interim housing needed to bring unsheltered people indoors immediately and ensure that those who were temporarily housed during COVID-19 have a safe permanent housing option

(2) Fund 2 housing solutions for every interim housing unit added to the homelessness system

(4) Fund 4 preventative interventions for every interim housing unit added to the homelessness system

To deliver on this ambitious goal, we will need to improve our existing systems and policies and secure more funding. This model is underpinned by our strategic pillars, which will guide our implementation of the 1-2-4 system flow model

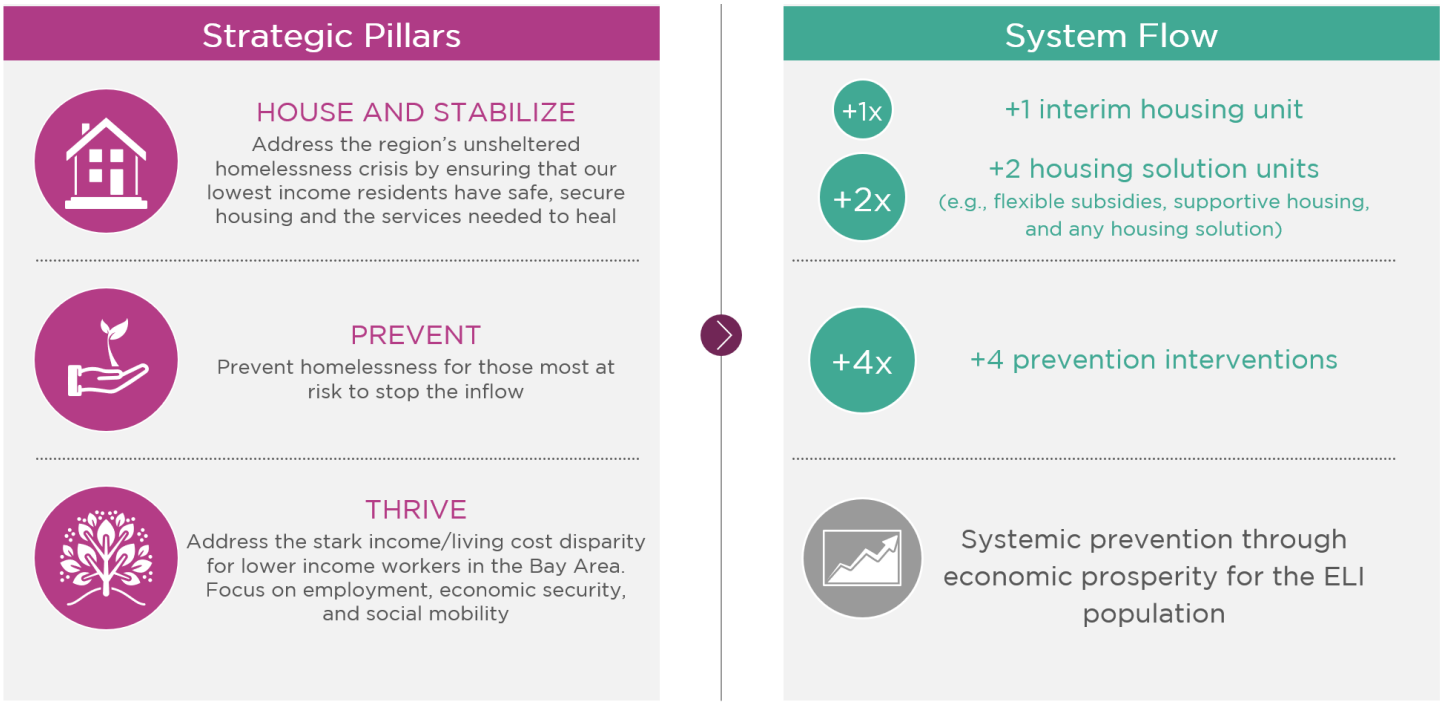

Figure 2: RIC strategic pillars underpins the 1-2-4 system flow model

LEAD WITH RACIAL EQUITY

This plan and its proposed actions - including the priorities for implementation outlined below - must be grounded in closing racial disparities - currently reflected by the disproportionately high percentage of Black, brown, and Indigenous peoples who are homeless or at-risk of becoming homeless. In particular:

- The State of California should establish standards and best practices for measuring current racial equity levels and for demonstrating progress; the State should increase accountability for outcomes by tying funding to demonstrated progress toward closing racial disparities.
- Private and philanthropic partners should actively prioritize funding interventions targeted to BIPOC experiencing homelessness or at risk of becoming homeless.
- All Counties should operationalize equity-based prioritization schemes, service provision, and rental assistance programs in the most vulnerable communities. Geographic targeting based on area deprivation index, high rates of poverty, lack of home ownership, high rates of eviction, rental burden, zip codes or some combination could be considered as possible ways to operationalize prioritized services.

CALL FOR FEDERAL PARTNERSHIP

These actions will require expanded Federal funding and partnership. The $1.9 trillion Biden-Harris Administration "American Rescue Act" coronavirus relief package was a positive first step. We call upon Congress to act immediately on the following:

- Pass the Biden-Harris "American Jobs Plan," an approximately $2 trillion infrastructure and recovery package that includes $213 billion "to produce, preserve, and retrofit more than two million affordable and sustainable places to live
- Provide HUD-Housing Choice Vouchers to every eligible household, prioritizing people who are experiencing or are at-risk of homelessness. Currently, only 1 out of 4 eligible households receive a Housing Choice Vouchers
- Allocate $44 billion annually to the Housing Trust Fund to help states and localities, which responded quickly and creatively to move individuals experiencing homelessness into non-congregate settings, to now acquire and convert available properties, including hotels, motels, and other opportunity sites, into permanent housing solutions so that no one is returned to living outdoors
- Invest $70 billion to repair and rehabilitate existing public housing
- Create innovative new funding strategies that facilitate cross-discipline investment and cross-jurisdictional collaboration
- Expand Medicaid funding to include stable housing as part of holistic treatment plans

In addition to these immediate actions, we call on the Federal government, in close coordination with the State, to provide new funding needed to ensure all local jurisdictions are able to implement plans to house 75% of our unsheltered population by 2024 by implementing a full range of prevention and housing options.

We commit to working with Congress and the Biden-Harris Administration to identify and develop innovative, scalable solutions to homelessness and poverty. We look forward to quickly turning our attention to "Housing as Infrastructure" and working with our California Congressional delegation to achieve the requisite scale of federal investment in affordable housing to truly make homelessness in the United States an experience that is rare and brief, not one that persists for decades.

OPERATIONALIZING THIS WORK

The total 5-year cost of sheltering 75% of the Bay Area's unsheltered population, while investing in the comprehensive system flow outlined by the 1-2-4 framework, is estimated at $6.5 billion, with $1.6 billion needed in 2021. Existing resources can (and are) being used to fund this approach. New resources may be required in jurisdictions where current plans are not consistent with the 1-2-4 approach; that is, where resources are insufficient to fund prevention, interim housing, and permanent housing solutions simultaneously and at scale.

- The State of California should condition existing and new funds on implementing the three-pronged 1-2-4 framework, starting with a pilot project in the Bay Area in 2021
- The State should provide expanded technical assistance to local jurisdictions, to enable seamless implementation of the 1-2-4 framework in our region
- Local jurisdictions will be provided with assistance from All Home that recognizes the unique local circumstances as they work to activate the 1-2-4 framework. All Home will also provide support for inter-jurisdictional coordination within and between the region's counties
- If new funds are required, this coalition will work to raise the necessary resources from the state and federal governments

Our funding estimates reflect the cost of adding intervention capacity in a 1:2:4 ratio across interim housing, permanent housing solutions, and homelessness prevention interventions over time. Based on our high-level analysis, approximately $6.5 billion in total investment is required over 5 years, split roughly evenly between capital and operating costs. The cost estimates are designed using Bay Area (9-county) averages, and assume limited interim capacity is available to shelter the currently 35,000 unhoused individuals living in the region. We put forward the estimate with an understanding that the number of unsheltered people— and the costs to serve them— will continue to grow until we significantly reduce the inflow of individuals and households to homelessness.

PRIORITIES FOR IMPLEMENTATION

We have identified eight priorities for focus as we implement this work, expanded on in the Additional Detail section:

House & Stabilize

Strategic Priority #1: Secure Shelter-In-Place (SIP) housing locations

Strategic Priority #2: Streamline State funds and applications for housing and homeless services

Strategic Priority #3: Prioritize extremely low income (ELI) households for housing resources

Strategic Priority #4: Extend covenants of affordability to preserve affordable housing supply and fund ELI tenancy

Prevent

Strategic Priority #5: Extend eviction moratoriums

Strategic Priority #6: Accelerate cash payments to people impacted by COVID-19

Strategic Priority #7: Provide targeted rental assistance to those impacted by COVID-19, who are most vulnerable to homelessness

Strategic Priority #8: Accelerate targeted, data-informed regional homelessness prevention model

PLAN DETAILS

THE COMPREHENSIVE 1-2-4 FRAMEWORK

To ensure we can realize on our ambitions to reduce unsheltered homelessness, we need a model to operationalize across the Bay Area. The model outlined below will enable the region to move expeditiously toward disrupting homelessness and reducing the current level of unsheltered homelessness by 75% before 2024. We call for actions that accelerate progress toward this goal, which includes an interim target of housing 30% of today's unsheltered population in 2021.

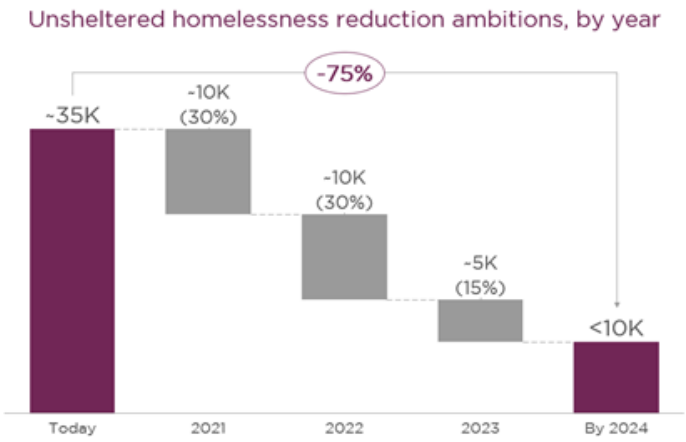

Figure 3: Unsheltered homelessness reduction ambitions by year, '21- '24

Successfully housing the unsheltered population and bringing them to a permanent exit from homelessness requires designing and investing commensurately in an expansion of permanent affordable housing or housing subsidy options to create "system flow," which is the movement of people off the streets and into stable housing (in particular, housing with requisite, needs-based services attached). A comprehensive "system flow" includes:

- homelessness prevention,
- interim housing options (as needed),
- supportive housing,
- and a broad set of flexible subsidies or deeply affordable housing options for those who do not need permanent supportive housing.

We propose a flow that calls for capacity additions in the following ratio: 1 additional interim housing unit, 2 permanent housing solutions, and 4 prevention interventions. This model will add the capacity necessary to address the crisis in the near term.

1-2-4 FRAMEWORK

Before the current pandemic conditions, several Bay Area counties were already exhibiting dramatic increases in their unsheltered homeless PIT counts from 2017-2019. Continuing on that trajectory is unacceptable. Our communities must do better at providing the dignity of a safe housing option, interim or permanent, for those who are living outdoors. The 1-2-4 Framework is an acknowledgement that an effective and sustainable plan to do better requires investment in multiple strategies at once – homelessness prevention, interim or emergency housing, permanent deeply affordable or permanent supportive housing, and housing subsidies. It is not enough to simply provide emergency shelter if there are (a) insufficient long-term housing options ("exits") to provide outflow, and (b) insufficient focus on reducing inflow.

We live in a region with a large population of highly rent-burdened low-income households, who lack access to an available supply of more affordable housing. We will never break the cycle of unsheltered homelessness without a significant investment in homelessness prevention (short-term interventions to assist households experiencing a crisis that may cause them to lose housing).

"1-2-4" is not a prescription or a one-size-fits-all solution. It's a ratio that illustrates proportionate investment in three strategies simultaneously. In order to reduce unsheltered homelessness rapidly, most cities or counties will need to frontload investment into interim housing options, such as leasing or purchasing motels, tiny homes, mobile homes or other temporary housing options.

The RIC workgroups have established a high-level cost assessment of the resources required to meet our goal of sheltering 75% of unsheltered people by 2024. We put forward the estimate with an understanding that the number of unsheltered people will continue to grow until we significantly reduce the inflow and increase the outflow, or exits. The estimate draws on cost and flow assumptions triangulated from various county-level sources and are taken as Bay Area (9-county) averages. These estimates reflect the cost of adding intervention capacity in a 1:2:4 ratio across interim shelter, permanent housing solutions, and homelessness prevention interventions over time. Based on these assumptions and analyses, approximately $6.5 billion in total investment is required across five years, split roughly evenly between capital and operating costs.

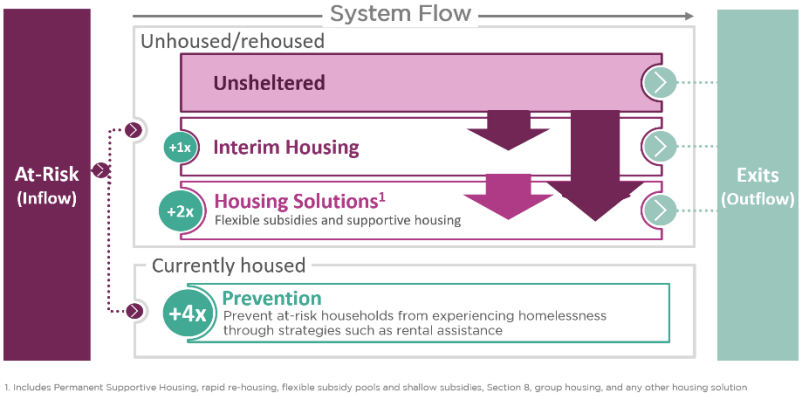

Figure 4: Comprehensive System Flow Model

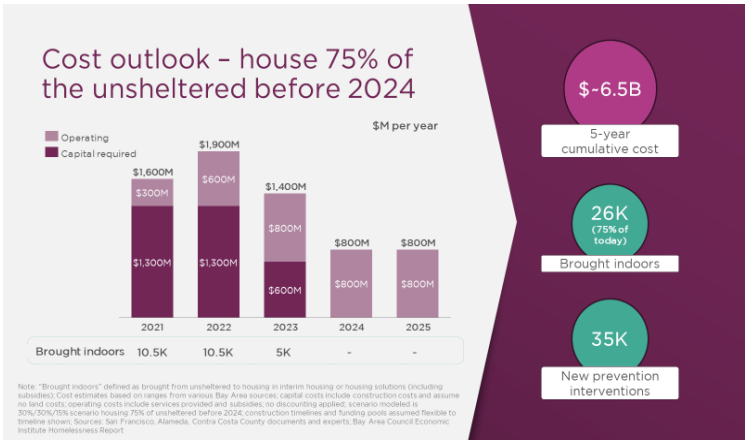

Figure 5: 1-2-4 Framework Cost Outlook (30%/30%/15% scenario shown)

Our recommendation is that for every unit of interim housing that is created ("1"), two permanent housing options ("2") such as a housing subsidy that can write down the cost of a market rate apartment or a newly acquired or created affordable unit must be planned, so that people don't linger for extended periods of time in interim housing. It is critical that people move from interim to permanent housing quickly, so that the interim options can be made available to others who still remain unhoused. Simultaneously, we recommend that each unit of interim housing should be matched with sufficient homelessness prevention investment to serve four households ("4").

Again, while we are rapidly moving people who are unsheltered either directly to permanent housing, perhaps with a subsidy, or first to interim and then as quickly as possible to permanent housing, the prevention investment will slow down the rate at which people are becoming homeless, and over time reach equilibrium once the correct balance of interim and permanent housing options is available in the community.

Some cities or counties, may need very little investment in interim housing, e.g., if their unsheltered population is relatively small or if they have already made marked investment in emergency housing options. Those communities could choose to focus on rental subsidies and permanent housing to house people quickly and homelessness prevention to stop people from becoming homeless. The bottom line is that each community can right-size the ratio to reach equilibrium, but investing in only one option will not be sufficient to reduce homelessness in any community in the short-term given the high cost of rental housing and the time and cost of construction and acquisition of affordable housing in the Bay Area.

STRATEGIC PILLARS FOR A COMPREHENSIVE RESPONSE

These efforts are grounded in the RIC's strategic pillars: to House and Stabilize, Prevent, and enable the region's most vulnerable populations to Thrive (see figure 2). COVID-19 has only highlighted the urgency and action needed to address this widening gap. The process of convening the RIC has already yielded results, forging connections and building alliances among our members. We will work to identify, recognize, and scale best practices and successful models across the region, and propose bold regional solutions. These priorities work in concert with the 1-2-4 framework to improve the foundations of a healthy, responsive Bay Area homeless services system—one that will continue to evolve after addressing the urgent crisis of more than 35,000 Bay Area residents living outdoors.

PRIORITIES FOR IMPLEMENTATION: HOUSE & STABILIZE

Strategic Priority #1: Secure Shelter-In-Place (SIP) housing locations

Counties across the Bay Area have put in place measures for temporarily housing their at-risk and unhoused populations in Shelter-in-Place (SIP) housing, to provide shelter and safety during the COVID-19 pandemic. There is broad agreement that individuals who found shelter through these programs should remain housed, be entered into Coordinated Entry Systems (CES), and guided first to non-congregate interim and then to permanent housing (in some cases these individuals may go directly from SIP hotels to permanent housing if it is available and situationally appropriate). Some counties have already begun this process, but others lack a plan for these residents to remain housed. In many counties, the lack of interim and permanent housing options will pose a major barrier in achieving this goal, pointing to the need to expand housing voucher availability.

Priority #1 aims to develop a framework for all Bay Area counties that provides a pathway for those who moved indoors during the pandemic to transition from interim housing into a range of suitable permanent housing solutions.

Detailed call to action

- The **State of California** and the region's **Cities and Counties**, with **Federal funding and partnership**, should seek to retain as much of the Shelter-in-Place (SIP) housing (established in response to COVID-19) as possible, to be converted post-pandemic into interim housing for unsheltered individuals/households, while assisting people to transition quickly to permanent housing (Immediate, Ongoing).
- The **State** must recognize that for Project Homekey (acquisition and conversion of hotels to house vulnerable populations) to be successful, bond financing for acquisition and rehabilitation projects is essential. Therefore, we call for a $10 billion state investment in affordable housing through passage of a new bond (SB 5).
- **All Home**, in collaboration with regional partners and local jurisdictions, will identify and advocate for funding for housing vouchers or other housing solutions at all levels of government, ensuring funds meet the demand from each county for interim housing options, flexible rental subsidies, and permanent housing solutions needed to prevent people from returning to the streets.
- **Counties** should identify locations or acquisition sites and make plans to implement interim housing options for individuals who cannot move directly into permanent housing, leveraging recent CEQA exemptions for emergency shelters and navigation centers, albeit non-congregate models.

Strategic Priority #2: Streamline State funds & applications for housing & homeless services

Four key state agencies contribute to the State's basic housing efforts, but there is not a well-coordinated plan to effectively use their collective financial resources to support affordable housing acquisition and development. Applicants for state funds for housing and homeless services are overburdened by duplicative application processes with varying timelines, eligibility criteria, and application requirements. The State Auditor commented on this complexity in November 2020, calling for the State to simplify its funding pools and award processes.

Detailed call to action

- The State of California should consolidate and streamline all affordable housing funding and application processes, coordinating between the California Debt Limit Allocation Committee (CDLAC), the Tax Credit Allocation Committee (TCAC), the Department of Housing and Community Development (HCD), and the California Housing Finance Authority (CalHFA) to eliminate waste and inefficiencies and to reduce the time needed to access funding (no later than July 2021).
- Existing state programs that fund services for people experiencing homelessness should, where possible, be consolidated into a joint funding pool with a single application process. This process should be jointly administered by California's Departments of Housing and Community Development (HCD) and Social Services (DSS). In cases where consolidation into a single pool is not possible, agencies should align standards and funding processes as much as possible, in coordination with HCD and DSS.
- CDLAC should avoid over-emphasizing cost containment in formulas affecting new construction projects especially through its inclusion in both the tiebreaker and as its own category, as it disadvantages Permanent Supportive Housing (PSH) housing projects, ELI housing projects, and projects located in areas with higher construction costs, such as the Bay Area. While we fully support cost-containment and urge the State to creatively incentivize lower cost construction, this formula disadvantages housing production in parts of the state with some of the highest rates of homelessness.
- The State should revise the opportunity map methodology to ensure that it does not de-prioritize BIPOC communities which tend to be overwhelmingly represented as "low resource" in HCD's opportunity maps, that map high opportunity communities, defined by income, school performance and other factors. While we support the concept of encouraging new development in high opportunity areas, communities that have suffered historic underinvestment should not be left behind as there are longstanding housing needs that must be met.

Strategic Priority #3: Prioritize ELI for housing resources

In its well-intended efforts to serve all Californians, the state's agencies, with increasing momentum, are targeting higher AMI categories, resulting in less funding for housing that is desperately needed to house ELI households. As a state and a region where all housing has been under-produced for decades, we must stop pitting the needs of one income group against another. What we do know is this – our 9-county Bay Area has produced only 9% of the housing units needed for very low income (VLI) households (below 50% AMI) based upon the current Regional Housing Needs Allocation (RHNA). This coalition calls for a reversal of this trend and a prioritization of ELI households (below 30%

AMI) in funding for housing. We support appropriate market reforms to increase production at other affordability levels including expanding the supply of "missing middle" housing.

Detailed call to action

- The **State of California** should ensure that a significant portion of all publicly funded affordable housing projects are inclusive of people with extremely low incomes given that they are at the highest risk of becoming homeless, particularly in the San Francisco Bay Area. The State should reverse its trend emphasizing an average of 60% of AMI in projects using State funds and ensure that at least 20% of new units are reserved for 30% of AMI or below and 20% are reserved for 50% of AMI or below. (Ongoing).
- In particular, **CDLAC** should make new housing construction for extremely (ELI) and very-low income (VLI) households a priority. It should adjust its current stated preference of 60% of AMI and instead require that at least 20% of the units are 30% of AMI or below and 20% are at 50% of AMI or below.
- Within the Homeless Set-Aside (provision of allocated units) - **CDLAC** should require that 25% of total units (minimum of 15) meet the homeless definition, not just the tax credit units.

Strategic Priority #4: Extend covenants of affordability to preserve affordable housing supply and fund ELI tenancy

A significant portion of the Bay Area's affordable housing units are not permanently affordable. Instead these units have covenants, that if not extended, expire and the housing resets to market rate. This phenomenon displaces lower income tenants and puts them at risk of homelessness. Thousands of once affordable units have been lost in the Bay Area because affordable covenants were not renewed.

In addition to the loss of existing affordable housing units, most affordable housing is not designed to be affordable by Bay Area residents with extremely low incomes (below 30% AMI). Given our region's exorbitant housing costs, affordable housing developments typically house tenants with household incomes at higher levels (e.g. a development's tenants have incomes that average 60% AMI). Because their incomes are lower, households at or below 30% of AMI require deeper subsidies. Similarly, formerly homeless individuals or families may have extremely low incomes and may also need supportive services (either short-term or longer-term) to remain housed and successfully thrive after having endured the hardship of being homeless for an extended time.

Detailed call to action

- The **State of California** should, with **Federal funding and partnership**, provide funding to secure affordable housing properties for which covenants of affordability are expiring and provide funding for existing complexes to more deeply subsidize rents and fund supportive services to serve ELI and formerly homeless individuals and families (no later than July 2021).

PRIORITIES FOR IMPLEMENTATION: PREVENT

Strategic Priority #5: Extend eviction protections

In 2020, the COVID-19 crisis devastated the region, with a disproportionate impact on the lowest income individuals and families, particularly BIPOC households. The rent burden – already high –on the low income (< 50% AMI) and extremely low income (<30% AMI) populations was exacerbated by COVID-related job losses and financial hardship this year. To prevent a massive eviction crisis, eviction moratoriums were enacted at the local and state levels, including California's AB 3088 in September 2020. In late January 2021, the California Legislature passed SB 91 to extend the state-wide eviction protection until June 30, 2021. Keeping people in their existing homes is critical to reducing spread of the coronavirus. Research led by Dr. Kathryn Leifheit of UCLA estimates that **our current statewide emergency eviction protection law has already prevented 186,000 COVID-19 cases and 6,000 deaths**, so we recommend minimally that eviction protections remain in place until at least 60 days after the end of the public health emergency is lifted. However, we also know that higher rates of COVID-19 related income and job loss have disproportionately impacted ELI households, particularly African American and Latinx households. These impacts are likely to linger for some time after the pandemic subsides and the economy begins to stabilize. If history is an example, homelessness began to increase three years after the 2008 Great Recession "ended" as unemployment remained stubbornly high for Blacks and Latinos.

Detailed call to action

- **The State extended eviction protections for California's renters and enacted a framework for its rental assistance program with SB 91.** The State Legislature should monitor COVID-19 infection rates and rates of unemployment for the highest impacted groups. If both remain high that should be taken into account before allowing the current state-wide eviction protection to expire on June 30, 2021. The State should also take action to close loopholes in the current eviction protections and prevent landlords from evicting tenants for lease expirations or minor lease violations until the pandemic health emergency ends.
- **The Biden-Harris Administration** acted by Executive Order to direct the Centers for Disease Control (CDC) to extend the national eviction moratorium, which it did until March 31, 2021. The CDC later extended that eviction protection until June 30, 2021. We call on the CDC to further extend and improve the national eviction moratorium. The moratorium must be extended through the duration of the public health emergency, and it should be improved to address the shortcomings that have prevented some renters from making use of its protections. The moratorium should provide an automatic, universal protection to keep more renters throughout the U.S. in their homes and it should apply to all stages of eviction. Federal agencies must also actively enforce its protections. An extension to the CDC order could prove to be vital to Californians if the CA Legislature fails to extend the state-enacted eviction protections beyond June 30, 2021.
- **All Counties** should enact a universal eviction protections that last until at least 60 days after the County lifts its COVID-19 public health emergency (Immediate). Tenants should not be evicted during the pandemic for any reason, except for the protection of health and safety. Evictions for lease expirations, minor lease violations, move-in or Ellis Act evictions, or anything short of personal safety should not be permitted during the pandemic.
- **Counties and cities** should consider imposing fines or penalties on property owners that continue to send Notices to Pay or Quit or 3-Day eviction notices to tenants for non-payment of rent, if the property owner

is knowingly using notices to intimidate or confuse tenants in an effort to encourage them to move out, despite the fact that non-payment of rent is not currently permissible as a grounds for eviction at this time.

Strategic Priority #6: Accelerate cash payments to people impacted by COVID-19

While high-wage workers have experienced a 4.3 percent decrease in employment during the pandemic, low-wage workers have suffered a 26.9 percent decrease, a historically unprecedented divide during a recession. With the pandemic wearing on and economic recovery slow, ELI and minority households are being hit hardest, many with insufficient income to cover their basic needs as a result of pandemic-related job loss. Substantial evidence shows that direct cash assistance is the most effective, responsive, and targeted way to support ELI households and prevent them from becoming homeless. Priority #6 advocates for recurring cash payments and enhanced unemployment benefits for ELI households at the federal level. In the absence of further federal intervention, Priority #6 intends to highlight a path for California to expand and enhance refundable tax credits to provide additional income to ELI households. This priority also acknowledges the major intersection between ELI households and the unbanked population (individuals not served by banks due to financial or identity barriers) in California and aspires to address barriers to households claiming their benefits, so they have the resources needed to weather the pandemic.

Detailed call to action

- RIC Coalition joins income security advocates, in coalition with the Economic Security Project (initiative aimed at bolstering economic security for all Americans), calling for federal recurring cash payments of $2,000 quarterly through 2021 or until the employment rate stabilizes.
- The State of California should approve the Governor's proposed Golden Gate Stimulus of $600 for California residents who qualify for the state Earned Income Tax Credit on their 2019 tax returns.
- Federal government should extend emergency unemployment insurance programs through September 2021 while providing a $600 per week unemployment insurance supplement.
- If the Federal effort described above is unsuccessful, state legislators should pass legislation to extend and expand refundable tax programs to maximize income for ELI households. Refundable tax programs are specifically highlighted because they do not impact household income eligibility for public benefit programs. This may include:
    - Removing the earnings requirement and age parameters for the Child Tax Credit (tax credit for parents with dependent children)
    - Doubling the California Earned Income Tax Credit (refundable cash back credit for qualified low-to-moderate income working Californians) for workers without children
- Address the barriers faced by under- and un-banked populations in accessing benefits by offering no-fee checking accounts or other distribution methods.

Strategic Priority #7: Provide targeted rental assistance to those impacted by COVID-19, who are most vulnerable to homelessness

Priority #7 aims to prevent the impending wave of evictions that could occur when the moratoriums eventually are lifted. We must ensure that the number of people becoming homeless in the Bay Area does not accelerate due to pandemic-related income loss and the inability to keep up with rent. SB 91 averted an immediate crisis by extending eviction protections until June 30, 2021. California also received $2.6 billion in federal rental assistance from the in the form of U.S. Treasury Emergency Rental Assistance Program (ERAP) funds. Counties and cities with populations of >200,000 received roughly $1.1 billion and the State received roughly $1.5 billion. But still, millions of California renters will be burdened by amassed rental arrearages, small claims court judgments and lingering unemployment that will hobble them financially for an extended period of time.

Detailed call to action

- The State of California created a block grant program to distribute its $1.5 billion portion in new COVID-response rental assistance. Although the framework for the State's program is complex, for tenants who have cooperative landlords it offers an opportunity not only to have the program pay the landlord 80% of the rent arrearage, but to have the other 20% forgiven if the landlord wishes to participate. However, for tenants whose landlords refuse to participate, it permits only 25% of their arrearage to be paid. The State has made an effort to prioritize based on equity and to households earning at or below 50% AMI. The recent Biden-Harris "American Rescue Act" package included an additional $30 billion in ERAP funds. We urge the State to improve upon its current framework for rental assistance (enacted in SB 91) to ensure equal outcomes for all tenants and to implement the targeting strategies outlined below.
- The statutory language that authorized the ERAP allocation allows assistance to be provided to households earning up to 80%AMI, but indicates that households at or below 50% of AMI as well as those which have a household member who has been unemployed for 90 days or more should be prioritized. With hundreds of thousands of Californians behind on rent, there will be a gravitational pull to assist people at the full range of allowable income levels. However, in order to prevent a massive surge in homelessness later in 2021-2022, rental assistance must be targeted to those most at risk of homelessness. Local rental assistance programs should prioritize the following:
    - ELI households (<30% AMI)
    - Households with severe rent burden (>50% of income spent on rent)
    - Households or individuals who have had a previous experience of homelessness
    - Census tracts or zip codes with high rates of housing insecurity or homelessness, high rates of eviction, high rates of COVID-19 infection, high rates of poverty and/or a high area deprivation index
    - Hard to reach communities (e.g., those who have language barriers and people who are in informal living arrangements); and
    - Groups that don't have access to other benefit programs (e.g., undocumented immigrants)
- Any new or expanded rental assistance program should include the following elements:
    - Low-barrier flexible cash assistance, including acceptance of self-certifications regarding income, housing and, employment status. Programs should permit payment directly to the household if the

landlord refuses to accept rental payment from the program or fails to respond within the prescribed time period

- Access to landlord mediation or legal services as needed
- Effective and culturally relevant outreach:
  - Partner with, and build capacity of, BIPOC led community organizations located in and serving impacted communities while expanding the ecosystem of organizations providing program services
  - Co-design outreach processes with CBOs that serve the hardest hit communities and offer access at common intersections with people at-risk of homelessness including food pantries, schools/day care, housing court, community health clinics, institutional discharging or correctional system release. Coordinate with COVID-19 vaccination outreach efforts to maximize efficiency.
  - Work with community groups representing tenants and people who have experienced homelessness, to inform prioritization and policies.

- Tackle racial disparity
  - Collect and publicly report disaggregated data on households served by race, ethnicity, and zip code.
  - Remove barriers that disproportionately impact BIPOC: accept applications by all methods - online, phone, in-person; do not limit assistance to one-time only; be explicit on all materials that information regarding immigration status will not be asked for nor shared at any time during the process.
- Fill gaps caused by ERAP funding constraints with other sources of public (e.g., CDBG-CV or ESG-CV) or private funds to offer more holistic housing stabilization plans to families and individuals.

See "Local Strategies to Protect Tenants and Prevent Homelessness in Bay Area COVID-19 Emergency Rental Assistance Programs (ERAPs)" for more detailed recommendations.

Strategic Priority #8: Accelerate targeted, data-informed regional prevention model

Prior to the pandemic, the Bay Area had the distinction of having more than 35,000 people who were homeless. With massive job and income loss among low wage workers due to the pandemic, many of whom were severely rent-burdened, we can expect that poverty and homelessness will rise in 2021. In 2019, two to three people were becoming homeless for every one person who was successfully assisted to move from homelessness to housing in the Bay Area. We desperately need a regional homelessness prevention system to slow down the rate at which people are becoming homeless; this starts by coordinating resources and services within the region. Priority #8 aims to build upon prevention efforts and infrastructure that already exist and to create a program for coordinated service delivery. All Home has launched a pilot in three cities - Oakland, Fremont and San Francisco - to facilitate a research and data-informed approach that focuses on using new federal ERAP funding to target those who are most vulnerable to homelessness. The pilot is intended to extend into Contra Costa County later in 2021, in advance of full implementation and coverage of all nine Bay Area counties within three years. Ultimately, the goal is to blend public and private funds and bring about a higher degree of coordination among anti-eviction/displacement, rental subsidy, homelessness prevention, diversion, and rapid-rehousing programs in the region.

Detailed call to action

- Since September 2021, All Home in partnership with RIC members and others has embarked on a consensus-building design process to launch its homelessness prevention pilot. In order to maximize the opportunity to align federal ERAP funding with homelessness prevention efforts, All Home accelerated its regional homelessness prevention efforts to launch by April 2021. The pilot is a work in progress to build consistency in best practices for risk assessment and service delivery, using a common data platform and evaluation framework. Initially the regional homelessness prevention program model will include the following services:
    - Financial assistance – flexible cash assistance, rental arrears, rental assistance, security deposit, move-in expenses, reunification or relocation expenses, transportation expenses
    - Eviction prevention/legal assistance
    - Utility assistance
    - Housing problem-solving
    - Landlord mediation and connecting residents to advocacy organizations
    - Linkages to other community resources and public benefit programs
- As the program reaches its full implementation, the following services will also be provided:
    - Assistance with housing search, placement, and stabilization, including limited term rental subsidies and case management
    - Financial counseling
    - Income stabilization through workforce development partnerships
- Implement a three-county pilot regional homelessness prevention system that is rolled out with an eye toward regional expansion to all nine Bay Area counties. The pilot offers the following elements:
    - Emphasis on reducing racial and ethnic disparities among households that are experiencing homelessness for the first time through targeted financial assistance and program design:
        - Targeting resources to racial/ethnic groups facing high rates of homelessness (in the Bay Area, Black, Indigenous, Latinx and Pacific Islander communities) and groups that don't have access to other benefit programs.
        - Meeting non-traditional needs, for instance offering interventions that stabilize support networks or kinship networks, as defined by marginalized communities, to include chosen families.
        - Addressing funding/program gaps that exist for undocumented immigrants.
        - Ensure effective and culturally relevant outreach as described above in Strategic Priority #7.
        - Reducing barriers to long-term success by connecting households to economic mobility programs and eliminating limitations on "one-time only" assistance because an ELI household may encounter one or more periods of economic shock on the way to getting back on their feet.
    - Common program elements as discussed above.
    - New, web-based data platform for applicants and service providers which includes:
        - Online financial assistance application portal

        - Evidence-based risk assessment tool that promotes effective and efficient targeting of services to those who are at highest risk[3] of homelessness.
    - Back-end service provider module for case management, management approvals and fund disbursements.
    - Consistency in staff training in housing problem-solving/diversion techniques and learning collaboratives to promote cross- county collaboration and sharing of useful resolution ideas.
- Evaluate program efficacy of the initial three-county level programs and adapt as necessary to expand to the regional scale within three years.
- All Home, in collaboration with regional partners and local jurisdictions, will work to identify and collaborate with a regional entity with the capacity to manage a regional homelessness prevention system for the long-term. In 2020, the Bay Area Housing and Financing Authority (BAHFA) was established by the Association of Bay Area Governments (ABAG) and the Metropolitan Transportation Commission (MTC. BAHFA is positioned to provide a powerful new set of financing and policy tools to improve housing affordability and may be well suited to play this role in the future.
- Combine public and private funding streams to maximize the prevention system's function and flexibility At the federal, state and local levels, there are many programs that support homelessness prevention, each having slightly different eligibility and other requirements – Emergency Solutions Grants (ESG and ESG-CV), Community Development Block Grants (CDBG and CDBG-CV), new U.S. Treasury Emergency Rental Assistance Program (ERAP), State Homeless, Housing, Assistance and Prevention (HHAP), CalWorks Homeless Assistance Program, local tax measure funds that are required to be spent on homelessness prevention. These funding streams should be streamlined so that they can be used more flexibly and holistically to keep people housed. Currently, private and philanthropic funds are used to fill gaps and provide the flexibility for the program to meet each household's needs. The goal of a regional homelessness prevention program is to leverage these funds in the creation of a public-private partnership that weaves together a stronger, more viable safety net that is truly available and capable of preventing a household from becoming homeless or quickly assisting with the resources necessary to find alternative housing, regardless of where one lives in the Bay Area.

[3] Female Head of Household, pregnancy, child younger than two, history of public assistance, eviction threat, high mobility in last year, history of protective services, high conflict in household, disruptions as a child (e.g. foster care, shelter history as youth), shelter history as an adult, recent shelter application, seeking to reintegrate into community from an institution, high number of shelter applications.

IMPACT METRICS & TRACKING

We have developed a series of impact metrics to track progress against our 8 strategic priorities, while systematically advancing All Home's vision and informing forthcoming work. These metrics will be reviewed on a regular cadence and progress will be shared back to counties, stakeholders, and RIC members.

- Overall- Reduce unsheltered homelessness by 75% by 2024, overall homelessness by 75% by 2030
- System flow– % of new episodes, PIT count, eviction rate, # of days between shelter and permanent exits
- Availability- # of interim housing units, # of permanent housing solution units, # of prevention interventions by 2024 and 2030, utilization rate over time (match of resources available to interventions needed in each category
- Diversity- Homelessness population segmentation and population comparison by race/gender/age to reduce disparity
- Employment- ELI unemployment rate, income levels
- Data- Consistency in format and metrics across region, clear indicators of coordinated efforts among Bay Area counties
- Revenue- Match of funding available with needs to implement priorities

Furthermore, we will track stakeholder perceptions of progress through an annual survey to RIC members to measure the extent to which they believe goals are being met. We will also convene counties on a quarterly basis, and other stakeholder groups on an ad hoc basis, to review progress and identify barriers to be mitigated. We will also draw on those with lived experience to understand their perceptions of system efficacy (access to resources, employment opportunities, etc.) and provide real-time tracking.

HomeBase research finds that a regional data sharing system would enhance the ability of jurisdictions and care providers to conduct local planning, measure outcomes and investment impacts, and support care and support coordination. Data enrichment options that allow identifiable client-level data sharing across jurisdictions would have an even greater impact by creating opportunities to coordinate across systems of care—ensuring individuals have continuity without having to restart the process of seeking help every time they transition to a new location.

Therefore, it may be helpful to establish a regional data sharing system utilizing existing research and tools developed by Homebase to enhance the ability of jurisdictions and care providers to conduct local planning, measure outcomes and investment impacts, and support care and support coordination across cities and counties.

Cumulatively, advancement across these metrics will enable the broader social change we are committed to enacting: increasing racial equity, inclusivity of all communities, greater economic and social mobility, shifting our paradigm to recognize ELI people's value, and highlighting regionalism as imperative to driving progress.

INTRODUCTION TO THE REGIONAL IMPACT COUNCIL

LETTER FROM THE CO-CHAIRS

The Regional Impact Council (RIC) convened in 2020, when our members - from across the Bay Area - organized around the belief that homelessness can be rare, brief, and non-recurring for those that experience it. We believe a coordinated regional response is needed to advance system level changes to solve poverty, housing insecurity, racial inequity and homelessness crisis facing our region and state.

The COVID-19 pandemic has exacerbated the already large chasm in economic equality and mobility in the Bay Area, impacting vulnerable communities that are disproportionately Black, brown, Indigenous and low income. As a region our experience of COVID-19 is unequal. For affluent professional workers, the recession's direct economic impact has been minimal. Indeed, the wealth of some in the professional class has gone up since the pandemic. For Black, brown and Indigenous communities and extremely low-income populations, this recession is worse than the Great Financial Crisis of 2008-2010. The true impact of historic unemployment, racial injustice, and the continued economic pressure on small businesses will be an uphill challenge. The magnitude of these changes has forced us to explore systemic solutions previously deemed too bold. We must seek new solutions and advance them more quickly than what the Bay Area's jurisdictions have tried before.

The RIC complements existing efforts around homelessness and housing by bringing together key stakeholders, and policymakers across a diversity of communities and sectors including representatives from the state legislature, local government, non-profit organizations 's the business community and private philanthropy with their collective assets to achieve population-level regional outcomes.

The urgency has never been greater, and we are eager to get to work. We view the Bay Area's regional response to the COVID-19 pandemic as an example of what our region can accomplish when we join together to address a shared challenge. After the current public health crisis, we will remain committed to our goals: house and stabilize those experiencing or at risk of homelessness, prevent future episodes of homelessness, and create economic prosperity across the region so that ELI individuals and families can thrive in the Bay Area.

GLOSSARY

AB – 15 - COVID-19 relief: Tenancy: Tenant Stabilization Act of 2021

This bill would extend the definition of "COVID-19 rental debt" as unpaid rent or any other unpaid financial obligation of a tenant that came due between March 1, 2020, and December 31, 2021. The bill would also extend the repeal date of the act to January 1, 2026. The bill would make other conforming changes to align with these extended dates. By extending the repeal date of the act, the bill would expand the crime of perjury and create a state-mandated local program. (CA legislature)

AB – 16 - Tenant, Small Landlord, and Affordable Housing Provider Stabilization Act of 2021

This bill would state the intent of the Legislature to enact the Tenant, Small Landlord, and Affordable Housing Provider Stabilization Act of 2021 to address the long-term financial impacts of the COVID-19 pandemic on renters, small landlords, and affordable housing providers, ensure ongoing housing stability for tenants at risk of eviction, and stabilize rental properties at risk of foreclosure. This bill would include legislative findings and declarations in support of the intended legislation. (CA legislature)

AB – 3088 - Tenancy: rental payment default: Mortgage forbearance: state of emergency: COVID-19

This bill, the Tenant, Homeowner, and Small Landlord Relief and Stabilization Act of 2020, would, among other things, until January 1, 2023, additionally apply those protections to a first lien mortgage or deed of trust that is secured by residential real property that is occupied by a tenant, contains no more than four dwelling units, and meets certain criteria, including that a tenant occupying the property is unable to pay rent due to a reduction in income resulting from the novel coronavirus. (CA legislature)

AMI - Average Monthly Income

Most federal and State housing assistance programs set maximum incomes for eligibility to live in assisted housing, and maximum rents and housing costs that may be charged to eligible residents, usually based on their incomes. HUD's limits are based on surveys of local area median income (AMI)

CA BCSHA - California Business, Consumer Services and Housing Agency

The Business, Consumer Services and Housing Agency assists and educates consumers regarding the licensing, regulation, and enforcement of professionals and businesses in California.

CalHFA - California Housing Finance Agency

Established in 1975, CalHFA was chartered as the state's affordable housing lender. The Agency's Multifamily Division finances affordable rental housing through partnerships with jurisdictions, developers and more, while its Single Family Division provides first mortgage loans and down payment assistance to first-time homebuyers.

CEQA – CEQA – California Env. Quality Act

CEQA, or the California Environmental Quality Act, is a statute that requires state and local agencies to identify the significant environmental impacts of their actions and to avoid or mitigate those impacts, if feasible.

The purpose of CEQA is to: Disclose to the public the significant environmental effects of a proposed discretionary project, through the preparation of an Initial Study (IS), Negative Declaration (ND), or Environmental Impact Report (EIR).

(CA Office of Planning and Research)

CDBG-CV – CARES Relief Community Development Block Grants

Congress provided $5 billion in the CARES Act for the Community Development Block Grant (CDBG) program to states, metropolitan cities, urban counties, and insular areas. (HUD)

CDLAC – California Debt Limit Allocation Committee

CDLAC's programs are used to finance affordable housing developments for low-income Californians, build solid waste disposal and waste recycling facilities, and to finance industrial development projects (CA State Treasurer's Office)

ESG-CV – CARES Relief Emergency Solutions Grants

These special ESG-CV funds are to be used to prevent, prepare for, and respond to the coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance. The funds will also support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19. (HUD)

HCD – California Department of Housing and Community Development

The California Department of Housing and Community Development awards loans and grants to public and private housing developers, nonprofit agencies, cities, counties, state and federal partners. This money supports the construction, acquisition, rehabilitation, and preservation of affordable rental and ownership homes, provides permanent supportive housing options as well as stable, safe shelter for those experiencing homelessness. (HCD)

HUD – US Department of Housing and Urban Development

LI, VLI, ELI – Low Income, Very Low Income and Extremely Low Income

Low-income applicants earn less than 80% of the area median

Very low-income applicants earn less than 50% of the area median

Extremely low-income earn less than 30% of the area median

NGO – Non-government Organization

PHA – Public Housing Authority

The U.S. Department of Housing and Urban Development (HUD) administers Federal aid to local housing agencies (HAs) that manage the housing for low-income residents at rents they can afford. HUD furnishes technical and professional assistance in planning, developing and managing these developments. (HUD)

PSH – Permanent Supportive Housing

Permanent Supportive Housing (PSH) is a model that combines low-barrier affordable housing, health care, and supportive services to help individuals and families lead more stable lives. PSH typically targets people who are

homeless or otherwise unstably housed, experience multiple barriers to housing, and are unable to maintain housing stability without supportive services. (National Health Care for the Homeless Center)

TCAC – California Tax Credit Allocation Committee

The California Tax Credit Allocation Committee (CTCAC) administers the federal and state Low-Income Housing Tax Credit Programs. Both programs were created to promote private investment in affordable rental housing for low-income Californians. (CA State Treasurer's Office)

Section 8 / HCV – Section 8 Housing Vouchers

The housing choice voucher program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses and apartments. Expanded rental assistance like the Housing Choice Voucher (HCV) program is a substantial component of any strategy to address the severe housing shortage and instability faced by ELI renters. Seventy-three percent of current HCV recipients are extremely low-income (HUD, 2018).

FREQUENTLY ASKED QUESTIONS

Who does the RAP target?

The RAP is focused on reducing the number of people experiencing homelessness in the Bay Area, initially targeting those who live outdoors. The RAP also targets extremely low income households - those who make less than 30 percent of Area Median Income (AMI). This population is highly vulnerable to homelessness and therefore must also be considered to reach our goal of reducing unsheltered homelessness by 75%.

Why focus on unsheltered homelessness?

It should come as no surprise that a recent study by UCLA's California Policy Lab found that unsheltered individuals have more significant health challenges than those who are homeless, but sheltered. For example, 84 percent of unsheltered individuals report physical health conditions compared to just 19 percent of sheltered individuals. Significant gaps between the two groups also exist in the areas of mental health and substance abuse. We put our emphasis on this population because it is the right thing to do - morally, compassionately, and for sound public policy.

How many individuals are experiencing unsheltered homelessness in the Bay Area?

Homelessness and a lack of affordable housing has been a persistent and urgent problem in the Bay Area for several decades, significantly worsening since 2017. In 2019, according to the HUD Point in Time Count, more than 35,000 residents in the nine-county Bay Area lacked housing or lived outdoors in conditions unfit for human habitation. Many more were living from paycheck to paycheck, at extreme risk of becoming homeless. Although no formal Point in Time counts have been made since 2019, observationally it is clear that the situation has been exacerbated by the COVID-19 pandemic.

How was the goal of a 75% reduction in unsheltered homelessness arrived at? Why not a 100% reduction?

Achieving a 75 percent reduction in unsheltered homelessness would result in a dramatic and visible improvement over the current conditions. This goal is intended to be both ambitious and achievable.

In the next three years, the RAP recommends a significant investment in new interim housing and homelessness prevention strategies - offering temporary housing options where people can stabilize and heal, and stemming the flow of people becoming newly homeless. Over the longer term, more permanent housing solutions must be created and funded. These three strategies, taken together, make the 75% reduction goal achievable.

But, interim housing may not be the right fit for everyone. We know that most people who are offered a low-barrier place to stay that is safe, clean, private and meets their personal needs (e.g., accommodating possessions, pets and allowing them to share a space with a partner or child, 24/7 access), will take it. There will also be a very small number of people who are reluctant, afraid or unwilling to take the first step of shelter after being homeless for long periods of time. This can stem from many causes, such as fear, past trauma, or unwillingness to move further away from family or friends. There may also be some individuals who will prefer to stay outdoors or in their vehicles, but we predict this to be a very small percentage of the homeless population. The reduction goal hinges on having a range of available interim housing options, some of which may convert to permanent housing in the future.

How will this plan change the current approach to addressing homelessness in the Bay Area?

Homelessness in the Bay Area is a regional crisis, and this plan takes a regional approach to policies and programs to help solve it. Until now, cities and counties have been doing what they can with limited funds to manage homelessness, but this crisis is not contained by county and city boundaries - and it continues to worsen every year. Our systems do not interact with each other, making it confusing and burdensome for people to get help. The State has mostly deferred to local governments and until very recently, exercised very little in the way of leadership, resources or held local governments accountable to bring about reductions in homelessness.

We know that rapid and meaningful action is possible when public officials join together to adopt and enforce shared policies and performance measures.

County public health officials took swift and powerful action together to reduce the spread of COVID-19 during the pandemic. With Project Roomkey, the State allocated $112 million and temporarily helped house 23,000 people in 42 counties in a matter of months. Yet our existing safety net has failed to stop the tidal wave of people who have had no option but to live on the streets. The RAP was created to reach consensus in the region on a shared set of strategies -- and to execute on them with the shared sense of urgency that befits this crisis. The RAP creates a comprehensive set of strategic priorities and a method that leaders from across the region can agree on and execute.

How were the strategic priorities chosen?

Strategic priorities were decided over the course of a year through a series of monthly meetings of the Regional Impact Council. The Regional Impact Council is a roundtable of policymakers, key affordable housing stakeholders, people with lived experience, social equity and economic mobility stakeholders, housing and homelessness service providers, and business and philanthropic partners. The Council is convened and staffed by All Home, a non-profit organization headquartered in San Francisco.

Who serves on the Regional Impact Council?

The Council is divided into Steering and Technical Committees. The Steering Committee consists of 25-30 high-profile policymakers, business, equity, and labor leaders. The Technical Committee consists of 30-45 subject matter experts in the fields of affordable housing, service provision, and economic mobility, as well as people with lived experience of homelessness.
Learn more about the Regional Impact Council, and see a full list of members, here.

Will this plan advance racial equity? How?

Yes. This plan is grounded in closing the racial disparities that we see today: Black, brown and indigenous people are disproportionately represented among those currently experiencing homelessness or at high risk for becoming homeless.

This plan explicitly calls for action from the State of California, private and philanthropic partners, and all Bay Area counties to reduce these racial disparities by:

- Increasing accountability to demonstrate progress toward closing racial disparities
- Prioritizing funding interventions targeted to BIPOC experiencing homelessness or at risk of becoming homeless
- Implementing equity-based prioritization schemes, service provision, and rental assistance programs that target the most vulnerable communities

What is the 1-2-4 framework? Why is it important?

The 1-2-4 framework enables the region to move quickly to reduce unsheltered homelessness by 75% by 2024.

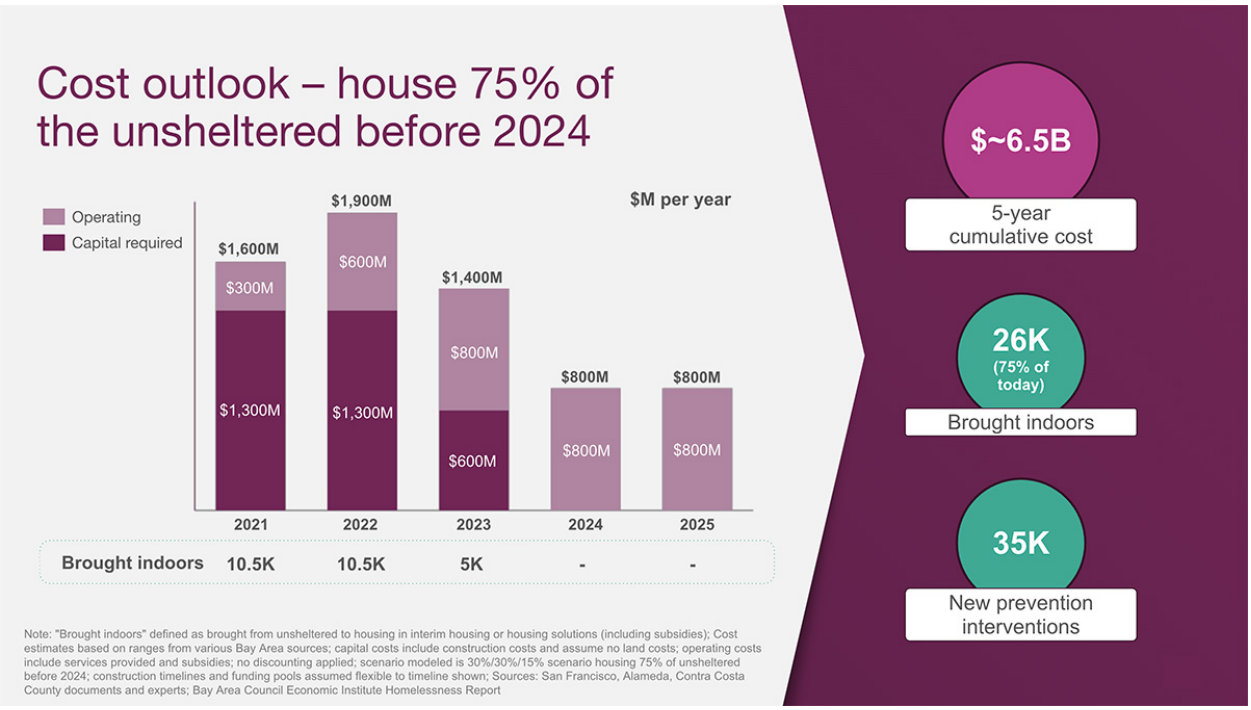
The framework calls for simultaneous investment in three forms of housing solutions: interim housing, permanent housing and homelessness prevention:

- **Interim Housing:** Provide interim housing to unsheltered people immediately by funding the interim housing options to stabilize and heal. (+1 unit of interim housing)
- **Permanent Housing:** Allow families and individuals to retain stability and plan for the future by providing long-term, flexible housing solutions, such as rental subsidies and supportive housing. For every one unit of interim housing, a community should plan for or provide two permanent housing solutions. (+2 units of permanent housing)
- **Homelessness Prevention:** Keep at-risk families housed through interventions like financial assistance coupled with housing problem-solving and legal services. For every one unit of interim housing, communities should provide four units of these types of interventions to keep people housed. (+4 units of homelessness prevention)

The ratio of 1-2-4 is not a cookie-cutter approach, but an investment strategy to reach a balanced system that can respond to people facing a housing crisis before it becomes a catastrophe. The ratio may vary by county depending on where past investments have been made and specific community needs. All three strategies are necessary and interdependent, but our current system is not succeeding at this approach, which is why a new model is needed.

The RAP estimates it will cost ~$6.5B to reduce unsheltered homelessness in the Bay Area-- how would this money be spent? Where would this funding come from?

This cost estimate reflects our understanding that the number of unsheltered people in the Bay Area will continue to grow until we invest significantly in reducing the number of people who become homeless and increasing the number of people who are no longer homeless, because they now have a place to call home. The $6.5B would be spent over 5 years, roughly divided between capital and operating costs. The estimate includes the cost of constructing, converting or otherwise securing new interim and permanent housing at a scale commensurate with the need, and providing interventions to prevent at-risk people from becoming homeless. We believe that we have an unprecedented opportunity to develop a strong federal partnership with the Biden-Harris Administration. In the first 100 days after taking office, the new administration moved to significantly expand the number of rental subsidies (vouchers), rental assistance and is developing policy that recognizes affordable housing as much needed infrastructure. The State has recognized its role by creating Project Roomkey and Project Homekey, and there is significant political momentum to move away from one-time budget-year funding requests toward a $2 billion ongoing source of State funds for housing and homelessness in the future. Many local governments control significant amounts of federal pass-through funds and locally generated parcel, sales, and special tax revenues that are required to be spent on homelessness. The RAP calls for marshalling and focusing those funds on the shared priority of dramatic, measurable reduction in unsheltered homelessness.



What happens next? How will the plan be implemented?

The Regional Impact Council (RIC), supported by All Home, has already begun work to implement the Plan. Some of the key next steps include:

- Working with our partners in each of the nine Bay Area counties to determine how best to achieve the 1-2-4 framework in each place, recognizing the unique context and challenges each county faces;
- Continuing to build support for the RAP across the region.
- Building a strong, consensus-based Bay Area coalition that pushes the State of California and federal governments to align their investment and policy priorities with the vision outlined in the RAP.
- Driving advocacy efforts to advance for strategic priorities, e.g., advocacy for new types of state and federal funding, specific inclusion of ELI housing in legislation, regulatory changes and housing financing.

Over the next year, the Regional Impact Council will also begin to focus on structural reforms to expand economic and social mobility for the extremely low

income population (ELI)and to continue to advance racial equity in the Bay Area.

Who will be involved in implementing the RAP?

Just as developing the RAP was a regional effort, implementing the RAP will be a regional effort. We are working with public officials and staff in the 9 Bay Area counties to provide the needed support and guidance to implement the RAP as well as with stakeholders working in business, philanthropy, and community-based and advocacy organizations.

How were community members involved in forming this plan?

The RAP was created by the Regional Impact Council, which consists entirely of members of the Bay Area community. The RIC involved individuals with lived experience through All Home's Community Advisory Council throughout the process of creating the RAP to ensure their voices were centered in the creation of this plan.

What makes this plan different from other plans that have been done before?

The Regional Action Plan was developed by an unprecedented coalition of Bay Area mayors, housing experts, researchers, non-profit, philanthropic and business leaders, and people with lived experience serving together on the Regional Impact Council. This plan is focused on population reductions of street homelessness. We know that homelessness is a regional problem, and it will take a regional approach to significantly move the needle on homelessness and get our neighbors into secure housing.

How do I stay updated on the RAP and its implementation? What can I do to help advance the RAP?

We are grateful for community support for the RAP and welcome your assistance. You can sign up to stay informed here. If you are interested in scheduling a presentation of the RAP please reach out to Nahema Washington at nwashington@allhomecalifornia.org

In the 75% goal, who does the 25% represent? Is it the mentally ill and serious drug addicted, or the chronically homeless? Is the 75% due to the remaining 25% being a group that cannot be assisted within the two year timeframe of the RAP or the scope of the plan?

The 75% goal is a regional goal to reduce unsheltered homelessness by 2024. The remaining 25% isn't specific to any particular group or population, it's just that we reached a goal of 75% because it's intended to be both ambitious and achievable. The RAP recommends a significant investment in new interim housing and homelessness prevention strategies, offering temporary housing options where people can stabilize and heal, and stemming the flow of people becoming newly homeless. Over the longer term, more permanent housing solutions should be created and funded. These three strategies, taken together, make the 75% reduction goal achievable. Interim housing may not be the right fit for everyone. The 75% reduction goal centers on having a range of available interim housing options, some of which may convert to permanent housing in the future and a focus on holistic prevention intervention strategies.

How does the Regional Action Plan address the mentally ill homeless, chronic (or toughest) homeless cases?

Additional stats from the Solano County Mental Health Services site as well at the Solano County 2019 PIT count report are presented during the presentation. Understanding the homeless population and community needs is a first step in scaling solutions that have worked and identifying new approaches to the problem. The RAP's focus on prevention efforts are key to reaching the hardest to reach homeless and the need to target resources, create more partnerships and develop holistic support systems.

What are things we can do in the short term to implement the Regional Action Plan? / How will this plan actually happen?

The plan puts forth many strategies and calls to actions to support our communities today. It is an immediate response to the crisis and the plan should be used to bolster existing efforts tailoring to jurisdictional needs and resources. In the short term some of the main actions we can collaboratively take are 1. Evaluating existing resources and the gap that needs to be filled 2. Creating partnerships with jurisdictional groups and aligning on resources while also identifying additional barriers, community needs and local opportunities, and 3. Advocating for more resources and scaling intervention that have worked.

What's the timeline for endorsements? Do you need endorsement by all 9 counties for the RAP to take place?

Counties and jurisdictions have endorsed the plan already and our goal is to get all 9 counties to endorse as this is a regional plan and we aim to create regional solutions understanding unique community needs. However, this also takes time and part of implementing the RAP and part of successfully implementing the plan includes partnering and engaging with jurisdictions across the region to align on plan and support for the RAP's overall goals

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VALLEJO GENERALLY ENDORSING THE CONCEPTS OF THE REGIONAL ACTION PLAN DEVELOPED BY THE REGIONAL IMPACT COUNCIL AND FACILITATED BY ALL HOME CALIFORNIA

WHEREAS, Solano County and the larger Bay Area region continues to face a severe housing shortage, increasing rents, and homelessness experienced disproportionately by certain communities, and these trends are exacerbated by the COVID-19 pandemic; and

WHEREAS, the scale and complexity of the Bay Area's homelessness crisis requires new levels of regional cooperation to effectively address the issue; and

WHEREAS, All Home is a Bay Area non-profit organization that advances regional solutions to disrupt the cycles of poverty and homelessness and create more economic mobility opportunities for extremely low-income people; and

WHEREAS, in 2020, All Home established the Regional Impact Council (RIC), a roundtable of policymakers, housing and homelessness service providers, business and philanthropic partners, and key affordable housing, social equity and economic mobility stakeholders from all nine Bay Area counties, with the premise that a regional approach will enable Solano and the surrounding counties to accelerate finding new solutions to the homelessness crisis; and

WHEREAS, in 2021, the Regional Impact Council launched the Regional Action Plan (RAP) which pushes for a broad-based coalition to advocate for policies, programs, and funding; and introduced the 1-2-4 investment framework, a funding formula that illustrates proportionate investment of two units of new permanent housing and four units of preventative interventions per every new unit of interim housing;

WHEREAS, the RIC recognizes that local needs and conditions may differ from the standards set by the 1-2-4 formula, as well as other proposed strategies, and encourages jurisdictions to adjust accordingly; and

WHEREAS, recognizing the need for affordable housing in the County, the Board has previously approved projects and dedicated resources towards interim housing, permanent housing, and preventative interventions, the same solutions outlined in the 1-2-4 framework; and

WHEREAS, by accepting the Regional Action Plan, the County will have access to stronger regional partnerships, be able to increase awareness, and align local, regional and state resources to the regional goal of reducing unsheltered homelessness in the Bay Area, 75% by 2024; and

WHEREAS, the Solano County Board of Supervisors unanimously endorsed the Regional Action Plan on February 1, 2022 developed by the Regional Impact Committee as a framework to reduce and prevent homelessness in Solano County.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Vallejo generally supports the concepts outlined in the Bay Area's Regional Impact Council's Regional Action Plan.

ACTION ITEM 9.G.

DATE: June 14, 2022
TO: Mayor and Members of the City Council
FROM: Melissa Tigbao, Public Works Director
SUBJECT: **ADOPT A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A THREE-YEAR CONSULTANT AND PROFESSIONAL SERVICES AGREEMENT WITH ADMIRAL SECURITY SERVICES, INC. TO PROVIDE UNARMED SECURITY SERVICES FOR CITY FACILITIES AND PARKING LOTS**

RECOMMENDATION

Adopt a resolution authorizing the City Manager to execute a professional services agreement for citywide unarmed security services with Admiral Security Services, Inc., in the amount of $3,750,000 for the term of July 1, 2022 through June 30, 2025, with two one-year options to extend.

REASONS FOR RECOMMENDATION

The City's current contract for unarmed security services, originally with First Security Services - later acquired by Allied Universal Security, is set to expire June 30, 2022.

This Fiscal Year, staff released a Request for Proposals (RFP) for citywide unarmed security services. As a result of the RFP process, staff are recommending executing an agreement with Admiral Security Services, Inc. to provide security services.

BACKGROUND AND DISCUSSION

In 2018, the City entered into an agreement with First Security Services to provide unarmed security services to City-owned buildings and parking lots, and for as needed and/or special events. During the 2019-2020 Fiscal Year, First Security Services was acquired by Allied Universal Security, which integrated the services and contracts held by First Security into its business, including the contract with the City. That existing contract and amendments are set to expire June 30, 2022.

The existing contract provides services at the following locations: Vallejo City Hall (lobby interior); the City Hall/JFK Library Campus (exterior); Vallejo Municipal Marina/Harbor; as well as the ParkVallejo parking program security services at the Vallejo Station parking Structure (parking garage) and Vallejo Waterfront & Downtown Parking Lots. The new contract adds patrol service at the Fleming Hill Water Treatment Plant, 400 Mare Island Way, and the Vallejo Housing Authority Building.

As-needed security services are also used at events such as: the Mad Hatter Festival; First Friday or Art Walk events; and in emergency situations such as the PSPS power-outages. Service locations are subject to change as needs or building uses change.

City staff began the RFP process this Fiscal Year to review and select a firm to provide these important services throughout the City. At the close of the proposal period, the City had received sixteen (16) individual proposals from outside firms to provide security services. The proposals from those sixteen firms were reviewed and the top four finalists were invited to be interviewed by the selection committee on Monday, May 23, 2022.

At the conclusion of the interview phase, the selection committee ranked the overall responses based on the following criteria: Experience & Past Performance; Capabilities of Proving Service; Personnel Selection & Retention Plan; References; and Cost.

The firm which scored the highest during the evaluation process, Admiral Security Services, Inc., was selected as the review committee's recommended vendor.

Admiral Security Services has been providing security services to the Bay Area for 17 years. Serving in the Port of Oakland since 2018, Admiral has proven experience working within a busy transit hub providing support for public buildings and parking infrastructure. Admiral offers technological solutions to the City's security needs and concerns, offering GPS tracking and video monitoring within its vehicles, electronic incident reporting, data collection and data sharing.

FISCAL IMPACT

Hourly rate quotes charged for the services are as follows:
- Standard service: $29.85
- Mobile patrol service: $35.00
- General overtime rate: $41.19
- Mobile patrol overtime rate: $48.30

The hourly cost increase from the Fiscal Year 18-22 hourly rates, to that of the new contract's hourly rates:
- FY18-22 standard rate: $24.62; new standard rate: $29.85. An increase of 21.24%.
- FY18-22 patrol rate: $30.00; new standard rate: $35.00. An increase of 16.67%.

The approximate annual total cost of service can be broken down as follows, if all advertised posts are filled:

Coverage Area	Annual Service Cost (Estimated)
Parking Enterprise Fund	
Downtown & Waterfront Security	$ 611,520.00
Vallejo Municipal Marina	$ 101,920.00
Water Department	
Fleming Hill Water Treatment Plant	$ 130,384.80
Housing Authority	$ 62,088.00
Public Works: City Hall Buildings	
City Hall Campus	$ 202,332.00
400 Mare Island Way	$ 72,800.00
Total Estimated Annual:	**$ 1,181,044.80**
	x 3 Years
Total Estimated Contract (3year):	**$ 3,543,134.40**

Admiral Security Services, Inc.'s annual bid for comprehensive proposed services totals $1,181,044.80 annually. Staff recommend the inclusion of additional funds as a contingency to cover security at evening meetings, special events or any additional services as needed. Those additional funds are reflected in the

rounding of the total three-year contract to $3,750,000.

While the current annual budget for fiscal year 2022-23 includes costs and budgetary authority to continue security services, those budget estimates were made prior to the selection of a firm to continue service in the new Fiscal Year. Any adjustments to the budget that need to be made due to cost increases in this contract compared to budgeted estimates will need to be brought back to the Council during the Mid-Year budget adjustment period.

ENVIRONMENTAL REVIEW

This action is exempt from the California Environmental Quality Act (CEQA) because it is not a project which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, pursuant to CEQA Guideline section 15378.

CITY OF VALLEJO
REQUEST FOR PROPOSALS
SECURITY SERVICES

I. INTRODUCTION

PURPOSE OF THIS NOTICE

This Request for Proposals (RFP) by the City of Vallejo, California invites proposals to deliver **SECURITY SERVICES** in strict accordance with the specifications described herein.

The City is seeking to contract with a firm with significant public agency experience to provide security services at various City-owned buildings, properties, and public spaces. Required services include providing customer assistance when they enter the buildings, providing active patrol of exterior locations and parking lots, escorting employees and/or customers to their vehicles, screening and providing security during City Council and commission meetings (as needed), and providing security during special events (as needed).

PLEASE READ THIS RFP CAREFULLY

A. It is necessary for Proposers to read this Request for Proposals ("RFP") carefully to understand how to submit the Proposal, what documents must accompany the Proposal and what legal obligations the Proposer is agreeing to by providing a successful Proposal. Any Proposer that wishes to be considered for this work must submit the information requested in this RFP, attend the Site Walkthrough (if mandatory) and participate in an interview process, if invited.

B. The term "Proposer" means individuals, teams, firms, consultant(s), sub-consultants, or any combination thereof, who timely submit a Proposal for consideration in response to this RFP. The term "Proposal" means all documents, maps, photographs, and any other written materials plus any information communicated orally during the interview or during the negotiation process from the Proposer to the City in support of the Proposer's candidacy for selection.

SETTING/LOCATION - CITY OF VALLEJO

The City of Vallejo (population ~123,000) is located at the northeastern edge of the San Francisco Bay Region. Vallejo is Solano County's most diverse city, as well as one of the most diverse in the nation. The City of Vallejo, a charter city, operates under a City Council – City Manager form of government.

Vallejo is within an easy commute distance of major employment centers, such as San Francisco, Oakland, and Berkeley, as well as Walnut Creek and Concord, and is within acceptable commute range of the State's Capitol, Sacramento. A strong economy and affordable housing has meant new prosperity for Vallejo, as new businesses and new residents come to the city, helping make Vallejo the vibrant community it is today.

II. SOLICITATION

The City of Vallejo is seeking proposals for security services at the following Vallejo facilities/locations (for maps of City areas, see Appendix A):

- Vallejo City Hall (interior)
- The City Hall/Library campus Parking Lots (exterior)
- Vallejo Housing Authority Building
- 400 Mare Island Way
- Fleming Hill Water Treatment Plant
- Vallejo Station Parking Structure (Parking Garage)
- Vallejo Waterfront and Downtown Parking Lots
- Vallejo Marina Harbor

The City plans to establish a three-year contract with two, one-year options to renew at the City's discretion.

III. SCOPE OF SERVICES

Anticipated security services consist of the following:

A. Consultant as Subject Matter Expert: The City seeks to partner with a Contractor with subject matter expertise, including knowledge of industry best practices and applicable laws, rules and regulations. who can and will advise City on the optimal and safest ways to carry out the mission of providing safe and secure facilities for staff and visitors.

B. Contractor Personnel: The Contractor shall provide an adequate number of well-trained, experienced, and qualified personnel capable of performing the Services in accordance with the Contract. At a minimum, the Contractor shall provide a Project Manager, an appropriate number of Security Supervisors, and Security Officers. The Managers and Supervisors are not expected to be dedicated to this project alone although assigned Supervisor(s) are expected to be available to respond to on-site issues as needed. Specific tasks for each of these personnel are listed below. These tasks are expected to be performed but are not all inclusive.

Project Manager

1. Act on behalf of the Contractor on all matters related to the Contract.
2. Report to and coordinate with City Representative(s) on a regular basis.
3. Maintain an effective quality control and complaint resolution system.
4. Respond to Contract discrepancy reports on an as-needed basis.
5. Establish operational procedures in consultation with City Representative(s).
6. Develop post orders as needed in conjunction with City policy.
7. Meet with City designated City representative on a regular basis.
8. Ensure compliance with contractual staffing, training, and equipment requirements.
9. Be knowledgeable about and adhere to Contractor's standards regarding safety and ensure compliance of subordinates through regular reviews and inspections.

Security Supervisor(s)

1. Respond to on-site incidents involving subordinates or respond to requests from the City Representative(s) within one (1) hour following an occurrence/ request.
2. Conduct on-site supervision, inspection, and guidance to on-duty security officers.
3. Assure proper assignment and relief coverage. Notify the City

Representative(s) of uncovered posts immediately and be prepared to step in.
4. Review, correct, and approve subordinates' logs and reports.
5. Maintain knowledge of City operational areas, facilities, and property as well as adjoining areas. Apply security expertise to issues that arise and propose best-practices and solutions to Project Manager, City Representatives and on-site security officers.
6. Support Project Manager's efforts to deliver high quality security services.
7. Ensure subordinates' compliance to all terms of the Contract, post orders, and City policy, rules, and regulations.
8. Provide written results of investigations at the request of the City Representative.

Security Officers (Uniformed)

The primary responsibility of Security Officers will be to regularly patrol each of the identified Vallejo facilities in Appendix A and to provide the visual presence of a professional security service to deter crime and threats to the properties, equipment, parking lots and facilities, etc. Activities to discourage include: drug dealing, gang activities, alcohol consumption, theft and property damage, vandalism, other unpermitted activities, and parking violations. Loud or disruptive noise that may disturb employees, visitors or customers will not be allowed. This includes, but is not limited to, foul language, abusive speech, or disorderly conduct. People engaged in this behavior shall be asked to leave the premises. Security officers shall accompany parking patrons to and from their vehicles upon request. Security officers may be asked to accompany City staff, or authorized agents on the City's behalf, before, during, and after cash deposits are collected at set locations. Security Officers may be required to screen visitors entering City buildings, clear a location, secure and lock, or unlock gates/barricades at work locations to control public entry as part of their duties at the site.

Security officers shall advise the public of the rules and regulations related to their use of the parking lot/area when violations are encountered. Violations and problems shall be reported to the City of Vallejo Police Department or other City departments as instructed by staff. Security officers shall document interactions or incidents encountered in the field as required.

Security Officers shall represent the City positively, focusing on good customer service and positive interactions with all persons that Security Officers come into contact with. Ultimately, this contracted service is to provide additional support to stakeholders in these areas given the increased vehicle and pedestrian traffic. Security Officers should create a sense of safety and acceptance through their mannerisms, observant behaviors, and polite and friendly demeanors.

Additional Considerations: The City Hall post currently includes regular, and at times heavy, customer service interaction with members of the public. The officer posted at City Hall currently interacts with the public in various ways including but not limited to: asking them to sign-in before moving into the facility; advising them of facility COVID-19 protocols such as mask wearing; answering basic questions to assist in directing the public to the proper Department to address issues; calling/alerting City Staff to meet with visitors; directing visitors to various drop-boxes and/or locations for forms required to conduct business with the City.

The City is currently reviewing overall security protocols at City Hall, and in the future may make changes to the processes and equipment at the City Hall location to include the installation and usage of a walk-through metal detector, and an additional officer at the post if this is needed.

C. Employee Eligibility Criteria: All security personnel employed by the Contractor under the resulting Contract are required to meet certain minimum qualifications or standards regarding background, training, experience, and health as established in this section unless a waiver is requested and approved prior to submission of a proposal. The final decision as to the suitability of security personnel, both Security Officer(s) and Security Supervisor(s), rests with the City Representative.

Security Officers

1. Must be a graduate of a state certified security officer/guard training program and possess current, valid Consumer Affairs guard cards;
2. Must be a citizen of the United States of America, or an alien who has been lawfully admitted for permanent residence as evidenced by an Alien Registration Receipt Card for 1-151, or other evidence from the Immigrations and Naturalization Service that the candidate is able to work legally in the United States;
3. May not be employed under the Contract if they currently, or in the past, have been involved in:
    a. Any felony or sex conviction; or
    b. Military conduct resulting in dishonorable or undesirable discharge; or
    c. Any pattern of irresponsible behavior or moral turpitude, including, but not limited to reckless driving, drunk driving, theft, illegal drug use, etc..

4. Must be fully literate in the English language (i.e. be able to read, write, speak, and understand the language clearly). All personnel shall be capable of properly writing reports and maintaining a daily activity log. Oral command of English must be sufficient to permit full and effective communication even in times of stress; and

5. Must acquire, keep active, and possess at all times while on duty, all technical licenses and permits required by law for employment as a security officer; and

6. Must meet the following requirements regarding professional behavior and ability:
    d. Ability to meet and deal tactfully with police and fire department personnel, City employees and the general public; ability to understand, explain, interpret, and apply rules, regulations, directives and procedures in a tactful manner;
    e. Possess poise, self-confidence and an ability to make sound decisions and react quickly under stressful situations;
    f. Ability to prepare clear and concise reports;
    g. Ability to learn and adapt to changing situations; and
    h. Ability to accept and respond to instruction and direction.
    i. Ability to interact with members of the public as a figure of authority in a confident but respectful way, in order to gain compliance on matters of security.

Security Supervisor

Security Supervisors must meet all eligibility criteria applicable to the Security Officer

classification. They must also demonstrate the ability to provide direction and guidance to subordinate personnel.

D. Locations: Please see Appendix A for maps that include patrol location areas.

E. Maintenance Problem Reporting: Security officers will report maintenance problems observed, such as inoperative lighting fixtures and parking lot pay stations, broken water lines, and hazardous situations to City of Vallejo staff on a daily basis, and/or as needed.

F. Security Log: Security officers shall maintain a daily log and prepare incident reports identifying the date, time and specific location of the incident. Contractor shall submit incident reports to the City of Vallejo on a daily basis. Major incidents are to be reported to the City of Vallejo immediately. The observation of any in progress or suspicious criminal activity is to be reported immediately to the Vallejo Police Department.

Contractor shall also submit activity reports of events that happen during patrol shifts recorded via an electronic reporting system (i.e. Electronic Guard Tour, SPSnet, Guard1 Plus), which includes Radio Frequency Identification (RFID) tags, on a weekly basis.

A quarterly report shall be submitted to City of Vallejo identifying security related trends, plans to address spikes in incidents, and interactions with residents, businesses and visitors.

G. Equipment: Contractor shall provide uniforms, cellular smart phones, and all other equipment necessary to perform the required services, at the contractor's expense. Furthermore, contractor shall provide and use an electronic reporting system RFID system (i.e. Electronic Guard Tour, SPSnet, Guard1 Plus), that monitors and confirms the presence and location of security officers, and security officer activity, in real-time. The City may make available one security guardhouse, located in the Vallejo Station Parking Structure. The City may equip the guardhouse in the Parking Structure with live-feed video surveillance monitors of the Parking Structure and other areas, for real-time monitoring by Security Officers, if required.

The contractor is expected to provide and/or ensure that the following equipment and uniform requirements are enforced while personnel are on duty:

1. All personnel assigned to this contract, including supervisors, shall be uniformed and required to wear a badge/identification.

2. Uniforms shall not appear in color similar to any local law enforcement agencies, including, but not limited to, the Vallejo Police Department and the Solano County Sherriff's Office, and shall be subject to approval by the City of Vallejo.

3. Security company uniform logos shall clearly identify the company's name.

4. Security officers are expected to maintain a clean and professional appearance at all times. The Contractor is responsible for assuring that the security officers uniforms are clean, pressed, and maintained in a serviceable manner.

Uniforms shall not have rips, tears, visible repairs, missing buttons, excessive tightness, or bagginess. Uniforms shall be in unity with the time of season.

5. Cellular devices shall be issued to each security officers and supervisor, at the expense of the Contractor, and shall not be visible or in the hands of Security Officers unless necessary for work-related duties. Provide City Representative(s) with up to date phone numbers at all times.

6. If a vehicle is deemed required for a post or duty, Contractor shall provide a vehicle with Contractor's logo/branding.

7. All other equipment necessary to successfully execute the contractual duties, at the expense of the contractor.

8. Verifiable time records and GPS tracking must be kept for personnel while on duty. All records must be available for audit purposes at the request of the City, and for three years after the period of the contract.

9. Any new technologies that emerge in the field of security.

H. Security officers shall not endanger themselves. When safely possible, they are to interact and inform the public of unacceptable behavior and direct them to cease and desist, and to leave the premises. They are to observe and report all criminal acts and/or fire and medical emergencies to 911, and all non-criminal or non-emergency incidents to the City by submission of incident reports on a daily basis. If absolutely necessary, and if forced to intervene in a potentially hostile confrontation, guards should use the minimum amount of force necessary to de-escalate a threat or to detain a perpetrator.

I. On-duty security officers shall have 24-hour dispatch and 24-hour on-duty supervision. Supervisors shall submit weekly log reports to the City of the dates and times of random monitoring of personnel. The dates and times indicated in the supervisor's log will be periodically confirmed by the City's independent monitoring.

J. Supervisor meetings and shift debriefs shall not be completed in areas observable by patrons to minimize the perception of Security Officers not performing their duties.

K. Initial Training: Each security officer must participate in on the job training prior to them being assigned a work shift at a City of Vallejo property. This training shall consist of initial training on general security procedures at the Contractor's training facility, followed by training at the City of Vallejo's facilities, concentrating on procedures specific to each post.

This training shall be performed by, and under close supervision of, qualified Contractor personnel, with the approval of the City of Vallejo. This training shall insure that the Security Officer understands the post orders for each post they may be assigned, and shall specifically include, but not be limited to, instruction of the following procedures based on security posts:

1. Structure/location overview, key areas within the structure/location, and surrounding area(s).
2. Patrol procedures.
3. Admittance procedures, including after hours.
4. Keys, equipment, alarms and security codes (if applicable).
5. Specific incident and routine reporting.
6. Emergency notification procedures, including after hours.
7. Policy on Police and Fire Department notification.

L. Ongoing Training: The Contractor shall provide ongoing training to Security Officers after their initial security post training as necessary to ensure top level service. The Contractor shall explain in detail their programs of ongoing training, including new material updates, and any extension courses offered.

Mandatory ongoing training provided by the Vallejo Police Department will also be required by all security officers assigned to Vallejo properties, on a quarterly and/or as needed basis. Trainings provided by the Vallejo Police Department will be held at a City of Vallejo facility.

M. Staffing restrictions: The City of Vallejo has the right to request removal of a contract employee from the property at any time, with or without reason. The Contractor shall immediately comply, and shall not reassign that employee to the property under any circumstances. It is understood that the removal from the City's facility in no way affects the employment status with the Contractor.

Time for performance: Seven day, twenty-four hours per week, including holidays (current schedule of security services to be released upon request by certified security vendor). The City is open to proposed modifications to the current schedule, should the proposer deem an alternative plan more effective based on the locations, number of staffing, and needs of the City, however all locations must still be included in the proposed schedule. The City will not be adding additional officers, above current levels, at this time.

Proposals shall include recommendations on schedule which shall be subject to change, based on the needs of the City of Vallejo. Additional security may be required from time to time during special events sponsored by the City of Vallejo.

IV. NON-MANDATORY SITE VISITS & WALKTHROUGHS

There may be non-mandatory but highly recommended site visits and walkthroughs for prospective Proposers at a date and time listed on the schedule below (as amended by written addendum, if any).

VI. PROPOSAL REQUIREMENTS AND FORMAT

The City is utilizing PlanetBids for the purpose of posting and sharing information regarding this RFP. PlanetBids will be the location used to post follow up communications such as addendums or to answer questions submitted by interested parties.

All questions regarding this Request for Proposals (RFP) must be submitted on or before Monday, January 31, 2022, no later than 4:00 p.m. PST.

Bidders are advised that oral or written communications from the City, not in the form of an official addendum, do not alter the bid or specifications.

All submittals must follow the format described in this RFP.

Submitted proposals will become the property of the City and may be used by the City in any way deemed appropriate.

To be considered for selection, submittals must be received by the date and time specified. Proposers who mail packages should allow ample delivery time to ensure timely arrival. Mailed submittals shall be placed in a clearly marked envelope, titled Unarmed Security Services and should be mailed to:

City of Vallejo
Public Works Department
Attention: Jason Ackley
555 Santa Clara Street
Vallejo, CA 94590

It is the sole responsibility of the proposer to ensure timely response to this RFP. Late proposals shall not be considered. Proposals will not be accepted at any other location other than as specified above.

Submittals must include the following components in the order listed below:

Part 1: Introduction and Executive Summary
Part 2: Experience and Qualifications
Part 3: Personnel Recruitment and Training Procedures
Part 4: Services Provided
Part 5: Current and Past Contracts within the City of Vallejo
Part 6: Current and Past Contracts with Similar Scope
Part 7: Statement of Acknowledgement
Part 8: Bid Prices
Part 9: Insurance

Part 1 | Introduction and Executive Summary
Please submit a letter of introduction of your firm. The letter must be signed by a person authorized by your firm to obligate your firm to perform the commitment contained in the proposal.

Part 2 | Experience and Qualifications
Provide a list of the contractor's principals and employees with resumes of qualifications, as well as each key person and/or subcontractor that the contractor anticipates assigning to the project and/or contract. Additionally, include a summary of the qualifications, licenses and experience of each individual and the type of services to be performed by each individual with a position of higher authority in your firm at the supervisory level or higher that will interact with staff or have responsibility for the contract/agreement should your proposal be selected.

Part 3 | Personnel Recruitment and Training Procedures
Describe in detail how new and replacement personnel will be recruited, hired, and trained. Attach your firms hiring and training procedures and plan that will be required for all employees and the method by which adherence will be ensured (e.g., interviewing, drug testing, background check and reference checks). The City will retain under its agreement with the successful Contractor the right of approval of all persons performing under the Agreement.

Part 4 | Services Provided
Describe the security services and the components of security service your firm proposes to provide to the City. Include the following:

- Overall security scope of work tasks which detail the use of personnel to diffuse potential volatile situations.
- Schedule hours and days of service delivery and the ability to meet the City's proposed start date.
- Proposed staffing by site and assignment of work within your firm's work team.
- The use of technology and security equipment.
- Proposed response time for requests for security services.
- Proposed performance standards that are being pledged if awarded a contract.

Part 5 | Current and Past Contracts within the City of Vallejo
Provide a list of current or past contracts for security services provided within the City of Vallejo within the past three years (public and private entities). This list shall include the name, address, email address, and phone number of each of the contracting parties as well

as a description of services performed, and total contracted compensation.

Part 6 | Current and Past Contracts with Similar Scope
Provide a list of four (4) current or past contracts for municipalities for which your firm has performed, or is performing, work of similar type, scope, and complexity within the past five years. This list must include the name, address, email address, and phone number of the contracting party, as well as a description of the services performed and total contracted compensation. If previous work has not included municipalities, please provide four (4) current or past contracts which include work of similar type, scope, and complexity in the last five years, as well as the name, address, email address, and phone number for references. Upon further consideration of the proposal, the City may request additional information.

Bidder must provide current phone number(s), physical and mailing addresses, and email address of references. If references cannot be verified, the proposal shall be disqualified.

Part 7 | Statement of Acknowledgement
Include a brief statement acknowledging the consultant's willingness to accept the attached City of Vallejo standard Consultant and Professional Services Agreement (Appendix B) as is, without modifications. If the consultant (firm) is not willing to acknowledge the agreement, please do not submit the RFP for consideration.

The selected consultant (firm) shall demonstrate it can meet the City of Vallejo's insurance requirements, including errors and omissions coverage. Please refer to the attached City of Vallejo standard Consultant and Professional Services Agreement (Appendix B).

Part 8 | Bid Prices
Bid prices are to be included for the provision of services that are "all inclusive" of all costs. The City intends to pay Contractor for all services required under the contract, based on a single all-inclusive hourly rate that will encompass all of the Contractor's labor costs, overhead and profit, including but not limited to; supervision, equipment, overhead, training, and all required insurances as specified in this Request for Proposal.

The City reserves the right to award to another vendor, other than the lowest bidder, at its sole discretion. Bid prices shall be submitted for the following:

Base Services	On-Call Services
- Hourly rate per Security Officer	- Hourly rate per Security Officer
- Hourly rate per Security Supervisor	- Hourly rate per Security Supervisor
- Total monthly cost	- Total monthly cost
- Overtime hourly rate per Security Officer	- Overtime hourly rate per Security Officer
- Overtime hourly rate per Security Supervisor	
- Holiday hourly rate per Security Officer	- Holiday hourly rate per Security Officer
- Holiday hourly rate per Security Supervisor	

Provide documentation of the financial capacity to perform and meet the financial obligations associated with the RFP. Documentation can include the following:

- Last two years' audited financials and current year unaudited financials
- Bank line of credit or proof of financial commitment from other sources

Part 9 | Insurance

A copy of the insurance certificate from the issuing company naming the City of Vallejo, its officers, officials, employees, agents and volunteers as additional insured shall be provided thirty (30) days prior to the start of contract. Insurance requirements are outlined in Appendix B.

VII. PROPOSAL EVALUATION CRITERIA

Proposals will be evaluated on the following criteria:

Experience and Past Performance

Experience and past performance of the firm and its employees, agents, and subcontractors specifically assigned to this project.

Capabilities of Providing Service

Ability to provide electronic daily activity report, incident reports and maintenance reports; ability to provide patrols on bicycles, by foot or by vehicle depending on the requirements of the location to be patrolled.

Personnel Selection and Retention Plan

Adequate staffing levels with appropriate skills and qualifications to provide the proposed services, with a retention plan in place to ensure stability with regard to the contract and guards assigned to each location.

Cost

Hourly rates and overall costs based on proposed coverage.

References

Reference checks for contracts currently held or previously completed.

These criteria have been chosen to provide tools for the selection committee to select the most qualified bidder by assessing the firm overall; the capabilities of providing the best service with the most comprehensive reporting; the specific individuals proposed for this project and the firm's retention plan to ensure stability in the workforce; the cost to the City; and each firm's ability to provide physical oversight and responsive backup, if necessary. Award shall be made to the qualified proposer whose proposal will be the most advantageous to the City with price and other factors considered.

These criteria are fair and reasonable and should not eliminate or benefit any specific bidders. This is intended to create an even and competitive field.

VIII. PROPOSAL TERMS AND CONDITIONS

Designated Contact

For the purposes of this RFP, the City's designated contract manager is Jason Ackley, Administrative Analyst II. Any questions concerning the scope of work and the selection process shall be directed to Mr. Ackley, at Jason.Ackley@cityofvallejo.net. Any and all questions and responses concerning this RFP will only be accepted in writing, through PlanetBids or via email. All questions must be received by Monday, January 31, 2022 by 4:00PM.

Public Records
This RFP document and all submittals in response thereto are public records. Prospective companies are cautioned not to include any material into the proposal that is strictly proprietary in nature. Marking materials as *Confidential* is advised when appropriate but doing so does not guarantee the confidentiality of materials submitted if the submittals are subjected to Public Records Act requests.

Review of Proposals
The City shall review and evaluate all proposals received by the submission deadline. Proposals will be evaluated for completeness and responsiveness to the RFP in order to determine if the contractor possesses the professional qualifications necessary to provide satisfactory performance of services as required by the City. Additionally, the City shall verify the qualifications of all RFP bidders. The City reserves the right to reject any or all proposals submitted at its sole discretion.

Product Ownership
Any documents resulting from the contract will be the property of the City.

Nondiscrimination
The City hereby affirmatively ensures that minority or women business enterprises will be afforded full opportunity to submit proposals in response to this RFP and will not be discriminated against on the basis of race, religion, creed, color, national origin, ancestry, physical handicap, medical condition, marital status, or sex.

Pre-Contractual Expenses
The City shall not be liable for any pre-contractual expenses incurred by the contractor in the preparation of its proposal and prior to the date of an award. Contractor shall not include any such expense as part of its proposal.

Reservation of Rights
The City reserves the right to withdraw this request for proposals, reject or negotiate any and all proposals, and to waive any irregularity. In negotiating a final contract, the City may increase or decrease the Scope of Work, including increasing or decreasing the work for any or all identified tasks within the Scope of Work. The City reserves the right to postpone opening for its own convenience.

The City intends to award this contract to the firm that it believes will provide the best overall security patrol and program services. Per Vallejo Municipal Code section 3.20.085, the City reserves the right to reject the lowest priced offer based on the proposal evaluation criteria listed in Section IV, and to reject any proposal that it views as not being responsive to this request.

Term
The term of the contract will be for three years from the starting date of the initial contract term. The City may cancel the contract or any portion thereof at any time during the term of service and such cancelations shall be effective upon giving thirty (30) days' written notice to the contractor.

The City in its sole absolute discretion may renew this contract two times, each for a period of one year. This option will be exercised only if the contractor has demonstrated exceptional performance in the provision of services to the City.

CONSULTANT AND PROFESSIONAL SERVICES AGREEMENT

This Consultant and Professional Services Agreement ("Agreement") is made at Vallejo, California, dated for reference this ___ day of June 2022, by and between the City of Vallejo, a municipal corporation ("City"), and Admiral Security Services, Inc., hereinafter referred to as “Consultant”, who agree as follows:

1. Services. Subject to the terms and conditions set forth in this Agreement, Consultant shall provide the City professional services as specified in Exhibit A, entitled “Scope of Work.”

2. Payment. City shall pay Consultant for services rendered pursuant to this Agreement at the times and in the manner set forth in Exhibit B, entitled “Compensation.” The payments specified in Exhibit B shall be the only payments to be made to Consultant for services rendered pursuant to this Agreement.

3. Facilities and Equipment. Consultant shall, at its sole cost and expense, furnish all facilities and equipment which may be required for furnishing services pursuant to this Agreement.

4. Indemnification. Consultant shall indemnify, hold harmless, and defend City, its officers, officials, directors, employees, agents, volunteers and affiliates and each of them from any and all claims, demands, causes of action, damages, costs, expenses, actual attorney’s fees, consultant’s fees, expert fees, losses or liability, in law or in equity, of every kind and nature whatsoever arising out of or in connection with Consultant’s operations, or any subcontractor’s operations, to be performed under this agreement for Consultant’s or subcontractor’s tort negligence including active or passive, or strict negligence, including but not limited to personal injury including, but not limited to bodily injury, emotional injury, sickness or disease, or death to persons and/or damage to property of anyone, including loss of use thereof, caused or alleged to be caused by any act or omission of Consultant, or any subcontractor, or anyone directly or indirectly employed by any of them or anyone for the full period of time allowed by the law, regardless to any limitation by insurance, with the exception of the sole negligence or willful misconduct of the City.

The provisions of this section shall survive the expiration or termination of this Agreement.

5. Insurance Requirements. Consultant agrees to comply with all of the Insurance Requirements set forth in Exhibit C, entitled "Insurance Requirements for Consultant." Failure to maintain required insurance at all times shall constitute a default and material breach.

6. Accident Reports. Consultant shall immediately report (as soon as feasible, but not more than 24 hours) to the City Risk Manager any accident or other occurrence causing injury to persons or property during the performance of this Agreement. The report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses, and telephone numbers of any known witnesses, (c) the date, time, and description of the accident or other occurrence.

7. Conflict of Interest. Consultant warrants and represents that to the best of its knowledge, there exists no actual or potential conflict between Consultant's family, business, real property or financial interests and the services to be provided under this Agreement. Consultant shall comply with the City of Vallejo Conflict of Interest Code and not enter into any contract or agreement during the performance of this Agreement which will create a conflict of interest with its duties to City under this Agreement. In the event of a change in Consultant's family, business, real property, or financial interests occurs during the term of this Agreement that creates an actual or potential conflict of interest, then Consultant shall disclose such conflict in writing to City. Every individual who performs services on behalf of Consultant pursuant to this Agreement must file a full Statement of Economic Interests (also known as Form 700) with the City Clerk if the work of the individual involves making a governmental decision whether to issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement; authorizes the City to enter into, modify, or renew a contract; grants City approval of specifications for a contract; adopts or approves for the City any policy, standard or guideline; lobbies on behalf of the City, or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

8. Independent Contractor. Consultant is an independent contractor. Neither Consultant nor any of Consultant's officers, employees, agents, or subcontractors, if any, is an employee of City by virtue of this Agreement or performance of any services pursuant to this Agreement. City shall have the right to control Consultant only insofar as the results of Consultant's services rendered pursuant to this Agreement; however, City shall not have the right to control the means by which Consultant accomplishes services pursuant to this Agreement.

9. Licences, Permits, Etc. Consultant represents and warrants to City that all consultant services shall be provided by a person or persons duly licensed by the State of California to provide the type of services to be performed under this Agreement and that Consultant has all the permits, qualifications and approvals of

whatsoever nature which are legally required for Consultant to practice its profession. Consultant represents and warrants to City that it shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals which are legally required for Consultant to practice its profession.

10. Business License. Consultant, and its subcontractors, has obtained or agrees to apply prior to performing any services under this Agreement to City's Finance Department for a business license, pay the applicable business license tax and maintain said business license during the term of this Agreement. The failure to obtain such license shall be a material breach of this Agreement and grounds for termination by City. No payments shall be made to Consultant until such business license(s) has been obtained.

11. Standard of Performance. Consultant shall provide products and perform all services required pursuant to this Agreement in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised under similar conditions by a member of Consultant's profession currently practicing in California.

Consultant is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work, including without limitation applicable federal, state, and local laws and regulations, and all other contingencies or considerations.

Consultant's responsibilities under this section shall not be delegated. Consultant shall be responsible to City for acts, errors, or omissions of Consultant's subcontractors.

Consultant is responsible for making an independent evaluation and judgment of all conditions affecting performance of the work and shall prepare plans, reports, and/or other work products in such a way that additional costs will not be incurred beyond a project budget approved or amended by the City Manager or his or her designee.

Whenever the scope of work requires or permits review, approval, conditional approval or disapproval by City, it is understood that such review, approval, conditional approval or disapproval is solely for the purposes of administering this Agreement and determining whether the Consultant is entitled to payment for such work, and not be construed as a waiver of any breach or acceptance by the City of any responsibility, professional or otherwise, for the work, and shall not relieve the Consultant of responsibility for complying with the standard of performance or laws, regulations, industry standards, or from liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of Consultant.

12. Force Majeure. Neither party shall be considered in default of this Agreement to the extent performances are prevented or delayed by causes or circumstances beyond either party's reasonable control, such as war, riots, strikes, lockouts, work slowdown or stoppage, acts of God, such as floods or earthquakes, and electrical blackouts or brownouts.

In the event that the Consultant is unable to meet the completion date or schedule of services, Consultant shall immediately inform the City Representative of this in writing. If additional time is required to perform the work, the City Representative may adjust the schedule.

13. Time is of the Essence. Time is of the essence in this Agreement. Any reference to days means calendar days, unless otherwise specifically stated.

14. Personnel. Consultant agrees to assign only competent personnel according to the reasonable and customary standards of training and experience in the relevant field to perform services under this Agreement. Failure to assign such competent personnel shall constitute grounds for termination of this Agreement.

The payment made to Consultant pursuant to this Agreement shall be the full and complete compensation to which Consultant and Consultant's officers, employees, agents, and subcontractors are entitled for performance of any work under this Agreement. Neither Consultant nor Consultant's officers or employees are entitled to any salary or wages, or retirement, health, leave or other fringe benefits applicable to employees of the City. The City will not make any federal or state tax withholdings on behalf of Consultant. The City shall not be required to pay any workers' compensation insurance on behalf of Consultant.

Consultant shall pay, when and as due, any and all taxes incurred as a result of Consultant's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

15. Consultant Not Agent. Except as authorized under this Agreement or as City may authorize in a letter of authorization signed by the City Manager or his or her designee, Consultant shall have no authority, express or implied to act on behalf of City in any capacity whatsoever as an agent. Consultant shall have no authority, express or implied, under this Agreement, to bind City to any obligation whatsoever.

16. Term. The term of this Agreement shall commence on July 1, 2022 and shall continue in full force and effect until June 30, 2025.

City shall, at its discretion, have the right to extend the term of this Agreement, in intervals of one year, by written notice to Consultant. The total duration of this Agreement, including the exercise of any options under this section, shall not

exceed five years.

If the term of this Agreement extends into fiscal years subsequent to that in which it is approved, such continuation of the Agreement is contingent on the appropriation of funds for such purpose by the City Council of the City of Vallejo. If funds to effect such continued payment are not appropriated, Consultant agrees to terminate any services supplied to City of Vallejo under this Agreement, and relieve City of any further obligation therefore.

17. Termination or Abandonment by City. The City has the right, at any time and in its sole discretion, to immediately terminate or abandon any portion or all of the services to be provided under this Agreement by giving notice to Consultant. Upon receipt of a notice of termination, Consultant shall perform no further work except as specified in the notice. Before the date of termination, Consultant shall deliver to City all City records and documents, all work product, whether completed or not, as of the date of termination and not otherwise previously delivered.

The City shall pay Consultant for services performed in accordance with this Agreement before the date of termination. If this contract provides for payment of a lump sum for all services or by task and termination occurs before completion of the work or any defined task which according to the performance schedule was commenced before the notice of termination, the fee for services performed shall be based on an amount mutually agreed to by City and Consultant for the portion of work completed in conformance with this Agreement before the date of termination. In addition, the City will reimburse Consultant for authorized expenses incurred and not previously reimbursed. The City shall not be liable for any fees or costs associated for the termination or abandonment except for the fees, and reimbursement of authorized expenses, payable pursuant to this section.

18. Products of Consulting Services. The work product, including without limitation, all writings, work sheets, reports, recordings, drawings, files, detailed calculations and other work products, whether complete or incomplete, of Consultant resulting from services rendered pursuant to this Agreement, shall become the property of City. Consultant agrees that all copyrights which arise from creation of the work under this Agreement shall be vested in the City and waives and relinquishes all claims to copyright or other intellectual property rights in favor of the City. City acknowledges that its use of the work product is limited to the purposes contemplated by the scope of work and that the Consultant makes no representation of the suitability of the work product for use in or application to circumstances not contemplated by the scope of work.

Documents submitted to the City in electronic format shall be formatted according to specifications provided by the City, or if not otherwise specified, in Microsoft Word, Excel, PowerPoint or other Microsoft Office Suite (2002) format as appropriate for the particular work product or, if directed by the City Representative in Adobe Acrobat PDF format.

19. Cooperation by City. City shall, to the extent reasonable and practicable, assist and cooperate with Consultant in the performance of Consultant's services hereunder.

20. Assignment and Subcontracting. Consultant shall not subcontract, assign or transfer voluntarily or involuntarily any of its rights, duties or obligation under this Agreement without the express written consent of the City Manager or his or her designee in each instance. Any attempted or purported assignment of any right, duty or obligation under this Agreement without said consent shall be void and of no effect.

If subcontracting of work is permitted, Consultant shall pay its subcontractor within ten (10) days of receipt of payment by City for work performed by a subcontractor and billed by the Consultant. Use of the term subcontractor in any other provision of this contract shall not be construed to imply authorization for Consultant to use subcontractors for performance of any service under this Agreement.

The City is an intended beneficiary of any work performed by Consultant's subcontractor for purposes of establishing a duty of care between the subcontractor and City.

Any subcontractor or assignee consented to by City shall be bound by all terms and conditions of this agreement and the same shall be incorporated into and made a part of any assignment or subcontractor agreement.

21. Successors and Assigns. All terms, conditions, and provisions of this Agreement shall apply to and bind the respective heirs, executors, administrators, successors, and assigns of the parties. Nothing in this section is intended to affect the limitation on assignment.

22. Non-Discrimination/Fair Employment Practices.

(a) Consultant shall not, because of race, religious creed, color, sex, national original, ancestry, disability, medical condition, age, marital status or sexual orientation of any person, refuse to hire or employ, or to bar or discharge from employment, or to discriminate in compensation, or in terms, conditions or privileges any person, and every employee will receive equal opportunity for employment and shall be granted equal treatment with respect to compensation, terms, conditions or other privileges of employment, without regard to his race, religious creed, color, sex, national origin, ancestry, or disability, medical condition, age, marital status or sexual orientation.

Consultant warrants and represents it is an equal opportunity employer and agrees it shall not discriminate on the basis of race, religious creed, color, sex, national origin, ancestry, disability, medical condition, age, marital status or sexual

orientation in the selection and retention of employees, subcontractors or procurement of materials or equipment.

In all solicitations either by competitive bidding or negotiations made by Consultant for work to be performed under any subcontract, including procurement of materials or equipment, each potential subcontractor or supplier shall be notified by Consultant of Consultant's obligation under this Agreement relative to nondiscrimination and fair employment practices.

Consultant shall include the above provisions of this section in every subcontract, including procurement of materials or equipment.

(b) Consultant agrees to comply with Title VII of the Civil Rights Act of 1964, as amended, the California Fair Employment Practices Act, the Americans with Disabilities Act of 1990, any other applicable federal and state laws and regulations and City ordinances and regulations hereinafter enacted.

23. Notices. All notices or instruments required to be given or delivered by law or this Agreement shall be in writing and shall be effective upon receipt thereof and shall be by personal service or delivered by depositing the same in any United States Post Office, registered or certified mail, postage prepaid, addressed to:

If to City:	Melissa Tigbao Public Works Director City of Vallejo 555 Santa Clara Street Vallejo, CA 94590
If to Consultant:	Mohamed S. Ahmed Chief Executive Officer Admiral Security Services, Inc. 2151 Salvio St. – Suite 260 Concord, CA 94520

Any party may change its address for receiving notices by giving written notice of such change to the other party in accordance with this section.

Routine administrative communications shall be made pursuant to section 1 of Exhibit A.

24. Integration Clause. This Agreement, including all Exhibits, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had prior to the execution of this Agreement. This Agreement shall not be amended or modified except by a written agreement executed by each of the parties hereto.

25. Severability Clause. Should any provision of this Agreement ever be deemed to be legally void or unenforceable, all remaining provisions shall survive and be enforceable.

26. Law Governing. This Agreement shall in all respects be governed by the law of the State of California without regard to its conflicts of law rules. Litigation arising out of or connected with this Agreement shall be instituted and maintained in the courts of Solano County in the State of California or in the United States District Court, Eastern District of California, Sacramento, California, and the parties consent to jurisdiction over their person and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

27. Waiver. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent or any other right hereunder.

28. Ambiguity. The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

29. Gender. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

30. Headings. The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

31. Compliance with Laws. Consultant will comply with all statutes, regulations and ordinances in the performance of all services under this Agreement.

32. Confidentiality of City Information. During the performance of services under this Agreement, Consultant may gain access to and use City information regarding, but not limited to, procedures, policies, training, operational practices, and other vital information (hereafter collectively referred to as "City Information") which are valuable, special and unique assets of the City. Consultant agrees that it will not use any information obtained as a consequence of the performance of services under this Agreement for any purpose other than fulfillment of Consultant's scope of work , to protect all City Information and treat it as strictly confidential and proprietary to City, and that it will not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party, other than its own employees, agents or subcontractors who have

a need for the City Information for the performance of services under this Agreement, without the prior written consent of City, or as required by law.

Consultant shall treat all records and work product prepared or maintained by Consultant in the performance of this Agreement as confidential.

A violation by Consultant of this section shall be a material violation of this Agreement and will justify legal and/or equitable relief.

Consultant's obligations under this section shall survive the completion of services, expiration or termination of this Agreement.

33. News and Information Release. Consultant agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Representative.

34. City Representative. The City Representative specified in Exhibit A, or the representative's designee, shall administer this Agreement for the City.

35. Counterparts. The parties may execute this Agreement in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

36. Facsimile Signature; Electronic Signature. This Agreement shall be binding upon the receipt of facsimile signatures or e-mailed by PDF or otherwise. Any person transmitting his or her signature by facsimile or electronically shall promptly send an original signature to the other party pursuant to the notice provision of this Agreement. The failure to send an original shall not affect the binding nature of this Agreement.

37. Authority. The person signing this Agreement for Consultant hereby represents and warrants that he/she is fully authorized to sign this Agreement on behalf of Consultant.

38. Exhibits. The following exhibits are attached hereto and incorporated herein by reference:

1. Representatives. The City Representative for this Agreement is:

Melissa Tigbao
Public Works Director
Public Works
555 Santa Clara Street
Vallejo CA 94590
(707) 648-4433

The Consultant's Representative for this Agreement is:

Mohamed S. Ahmed
Chief Executive Officer
Admiral Security Services, Inc.
2151 Salvio St. – Suite 260
Concord, CA 94520

All routine administrative communications between the parties will be between the above named representatives and may be by personal delivery, mail, facsimile transmission, or electronic mail as agreed between the Consultant Representative and City's Representative.

2. Services to be Provided. The services provided shall be as set forth in Attachment 1 of Exhibit A, attached hereto and incorporated herein by this reference.

3. Key Personnel. All of the individuals identified below are necessary for the successful prosecution of the services due to their unique expertise and depth and breadth of experience. There shall be no change in the personnel listed below, without written approval of the City Representative. Consultant recognizes that the composition of this team was instrumental in the City's decision to award the work to Consultant and that compelling reasons for substituting these individuals must be demonstrated for the City's consent to be granted. Any substitutes shall be persons of comparable or superior expertise and experience. Failure to comply with the provisions of this section shall constitute a material breach of Consultant's obligations under this Agreement and shall be grounds for termination.

Key personnel are as follows: // Not Applicable //

EXHIBIT A - ATTACHMENT 1

SERVICES TO BE PROVIDED

A. **Security Services:** Security services will consist of regular patrols of each of the identified Vallejo facilities (Attachment 2) to discourage drug dealing, gang activities, alcohol consumption, gambling, jaywalking, theft and property damage, parking violations and other criminal or nuisance activity. Loud or disruptive noise that may disturb customers will not be allowed. This includes, but is not limited to, foul language, abusive speech, or disorderly conduct. People engaged in this behavior will be asked to leave. Security officers shall accompany parking patrons to and from their vehicles upon request. Security officers may be asked to accompany City staff, or authorized agents on the City's behalf, before, during, and after cash deposits are collected at various locations.

   Security personnel stationed inside City buildings may be required to interact regularly with members of the public and provide minor customer support functions such as directing persons to locations within the building(s), to commonly used forms, drop-boxes, or to City staff that can assist them further. Internal security personnel may be required to use proper/approved de-escalation tactics to safely keep the peace with members of the public that may be upset, irate, or unruly within City building(s) and escort them from the premises. Interior security personnel may be required to interact with security alarm technology within City buildings (activating/deactivating alarms), and to provide walk-throughs at the start and/or ends of shifts to ensure sites are clear of unauthorized persons.

   Security services will be provided for City public meetings, including City Council Meetings. These services will include utilizing technology such as metal detectors (walkthrough/archway and/or handheld), performing personal bag checks of visitors and/or "pat downs" (if appropriate) to ensure the safety of the public, City staff, and City elected officials.

   Security officers shall advise the public of the rules and regulations related to their use of the parking lot/area when violations are encountered. Violations and problems shall be reported to the City of Vallejo Police Department or other City departments as instructed by staff. Security Officers shall represent the City, focusing on good customer service and positive interactions with all persons Security Officers may come into contact with. Ultimately, this contracted service is to provide additional support to stakeholders in these areas given the increased compaction of vehicle and pedestrian traffic. Security Officers should create a sense of

safety and acceptance through their mannerisms, observant behaviors, and polite and friendly demeanors.

B. **Locations:** Please see Attachment 2 for maps of areas to be patrolled.

C. **Maintenance Issues Reporting:** Security officers will report maintenance issues observed, such as inoperative lighting fixtures and parking lot pay stations, broken water lines, and openly hazardous situations to City of Vallejo staff on a daily basis, and/or as needed.

D. **Security log:** Security officers shall maintain a daily log and prepare incident reports identifying the date, time and specific location of the incident. Contractor shall submit incident reports to the City of Vallejo on a daily basis. Major incidents are to be reported to the City of Vallejo immediately. The observation of any in progress criminal activity is to be reported to the Vallejo Police Department.

   Contractor shall also submit activity reports of events that happen during patrol shifts recorded via an electronic reporting system.

   Reports shall be submitted (at least quarterly) to City of Vallejo identifying security related trends, plans to address spikes in incidents, and interactions with residents, businesses and visitors.

E. **Equipment:** Contractor shall provide all necessary equipment required for security staff to do their duties including: uniforms, communication devices (for example: radios, cellular smart phones) at the contractor's expense. Furthermore, contractor shall provide and use an electronic reporting system that monitors and confirms the presence and location of security officers, and security officer activity, in real-time. The City shall make available one security booth, located in the Vallejo Station Parking Structure, equipped with live-feed video surveillance monitors of the Parking Structure and other areas, for real-time monitoring by Security Officers as part of this agreement. Contractor will be required to understand and acknowledge, in writing, the City's Video Surveillance Policy for closed circuit television monitoring and recording of public areas by private security, prior to utilization.

   The contractor is expected to provide and/or ensure that the following equipment and uniform requirements are enforced only while personnel are on duty:

   1. All personnel assigned to this contract, including supervisors, shall be uniformed and required to wear identification (example: a badge).

2. Uniforms shall not appear in color similar to any local law enforcement agencies, including, but not limited to, the Vallejo Police Department and the Solano County Sherriff's Office, and shall be subject to approval by the City of Vallejo.

3. Security company uniform logos shall clearly identify the company's name.

4. Security officers are expected to maintain a clean and professional appearance at all times. The contractor is responsible for assuring that the security officers uniforms are clean, presentable, and maintained in a serviceable manner. Uniforms shall not have rips, tears, visible repairs, missing buttons, excessive tightness, or bagginess. Uniforms shall be in accord with the time of season.

5. Communication devices shall be issued to each security officer and supervisor, at the expense of the contractor, and shall not be visible or in the hands of Security Officers unless necessary for work-related duties.

6. All other equipment necessary to successfully execute the contractual duties, at the expense of the contractor.

7. Verifiable time records and GPS tracking must be kept for personnel while on duty. All records must be available for audit purposes at the request of the City, and for three years after the period of the contract.

F. Security officers are not to endanger themselves. They are to primarily observe and report all criminal acts and/or fire and medical emergencies to 911, and all non-criminal or non-emergency incidents to the City by submission of incident reports on a daily basis. If absolutely necessary, and if forced to intervene in a potentially hostile confrontation, guards should use the minimum amount of force necessary to de-escalate a threat or to detain a perpetrator.

G. On-duty security officers shall have 24-hour dispatch and 24-hour on-duty supervision. Supervisors shall submit weekly log reports to the City of the dates and times of random monitoring of personnel. The dates and times indicated in the supervisor's log will be periodically confirmed by the City's independent monitoring.

H. Supervisor meetings and shift debriefs shall not be completed in areas observable by patrons in order to minimize the perception of Security Officers not performing their duties.

I. Initial Training: Each security officer must participate in on the job training

prior to his or her being assigned a work shift at a City of Vallejo property. This training shall consist of initial training on general security procedures at the contractor's training facility, followed by training at the City of Vallejo's facilities, concentrating on additional procedures specific to each post.

This training shall be performed by, and under close supervision of, qualified contractor personnel, with the approval of the City of Vallejo. This training shall insure that the Security Officer understands the post orders for each post he/she may be assigned, and shall specifically include, but not be limited to, instruction of the following procedures based on security posts:

1. Structure/location overview, key areas within the structure/location, and surrounding area(s).
2. Patrol procedures.
3. Admittance procedures, including after hours.
4. Keys, equipment and security codes (if applicable).
5. Specific incident and routine reporting.
6. Emergency notification procedures, including after hours.
7. Policy on Police and Fire Department notification.

J. Ongoing Training: The contractor shall provide ongoing training to Security Officers after their initial security post training as necessary to ensure top level service. The contractor shall explain in detail their programs of ongoing training, including new material updates, and any extension courses offered.

K. Staffing restrictions: The City of Vallejo has the right to request removal of a contract employee from the property at any time, with or without reason. The contractor shall immediately comply, and shall not reassign that employee to property under any circumstances. It is understood that the removal from the City's facility in no way affects the employment status with the contractor.

L. Time for performance: This is a seven day, twenty-four hours per week contract, including holidays. Work shall be performed according to schedule, and shall be subject to change, based on the needs of the City of Vallejo. Additional security may be required from time to time during special events sponsored by the City of Vallejo.

EXHIBIT B

COMPENSATION

1. Consultant's Compensation.

A. Services: City agrees to pay Consultant, at the rate(s) specified below, for those services set forth in Exhibit A of this Agreement and for all authorized reimbursable expenses, for a total not to exceed three million seven hundred and fifty thousand dollars ($3,750,000.00).

Consultant shall notify City in writing no later than thirty (30) days prior to the estimated date when Consultant will have billed City the maximum payment amount permitted under this Agreement, and Consultant shall provide City with an estimate of the additional compensation required to complete the project.

B. Additional Services:

1. Additional Services are those services related to the scope of Services of Consultant as set forth in Exhibit A but not anticipated at the time of execution of this Agreement. Additional Services shall be provided only when a Supplemental Agreement authorizing such Additional Services is approved by the City Manager, or his or her designee. City reserves the right to perform any Additional Services with its own staff or to retain other Consultants to perform said Additional Services.

2. Consultant's compensation for Additional Services shall be based on the total number of hours spent on Additional Services multiplied by the employees' appropriate billable hourly rate as established below. City, at its option, may negotiate a fixed fee for some or all Additional Services as the need arises. Where a fixed fee for Additional Services is established by mutual Agreement between City and Consultant, compensation to Consultant shall not exceed the fixed fee amount.

2. Appropriate Billable Hourly Rates for Services and Additional Services. Consultant's billable hourly rates shall be:

Item or Service	Hourly Rate
STANDARD RATES	
Stationary Rate	$ 29.85
Mobile/Patrol Rate	$ 35.00
ADDITONAL RATES	
Stationary Rate (On-Call)	
w/ 24 or more hours advanced notice	$ 29.85
w/o 24 hour advanced notice; First 6 hours billing rate = (minimum billed 6 hour shift)	$ 41.19
General Overtime Rate (Not Patrol)	$ 41.19
General Holiday Rate (Not Patrol)	$ 41.19
Patrol Overtime Rate	$ 48.30
Patrol Holiday Rate	$ 48.30

3. Consultant's Reimbursable Expenses. Reimbursable Expenses shall be limited to actual reasonable expenditures of Consultant for expenses that are necessary for the proper completion of the Services and shall only be payable if specifically authorized in advance by City.

4. Payments to Consultant.

A. Payments to Consultant shall be made within a reasonable time after receipt of Consultant's invoice, said payments to be made in proportion to services performed. Consultant may request payment on a monthly basis. Consultant shall be responsible for the cost of supplying all documentation necessary to verify the monthly billings to the satisfaction of City.

B. All invoices submitted by Consultant shall contain the following information:

1. Description of services billed under this invoice
2. Date of Invoice Issuance
3. Sequential Invoice Number
4. City's Purchase Order Number (if issued)
5. Social Security Number or Taxpayer Identification Number
6. Amount of this Invoice (Itemize all Reimbursable Expenses")
7. Total Billed to Date

C. Items shall be separated into Services and Reimbursable Expenses. Billings that do not conform to the format outlined above shall be returned to Consultant for correction. City shall not be responsible for delays in payment to

Consultant resulting from Consultant's failure to comply with the invoice format described above.

D. Request for payment shall be sent to:

AP Public Works
City of Vallejo – Public Works Department
555 Santa Clara Street
Vallejo CA 94590

Email: ap.publicworks@cityofvallejo.net

5. Accounting Records of Consultant. Consultant shall maintain for three (3) years after completion of all services hereunder, all records under this Agreement, including, but not limited to, records of Consultant's direct salary costs for all Services and Additional Services performed under this Agreement and records of Consultant's Reimbursable Expenses, in accordance with generally accepted accounting practices. Consultant shall keep such records available for audit, inspection and copying by representatives of the City's Finance Department or other government agencies during regular business hours upon twenty four (24) hours' notice.

The obligations of Consultant under this section shall survive this Agreement.

6. Taxes. Consultant shall pay, when and as due, any and all taxes incurred as a result of Consultant's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

7. Taxpayer Identification Number. Consultant shall provide City with Consultant's complete Request for Taxpayer Identification Number and Certification, Form W-9, as issued by the Internal Revenue Service, and any other State or local tax identification number requested by City.

EXHIBIT C

INSURANCE REQUIREMENTS

Consultant shall procure and maintain for the duration of this Agreement, including any extensions thereto, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by the Consultant, their agents, representatives, or employees or subcontractors.

1. Minimum Scope of Insurance. Coverage shall be at least as broad as:

A. Insurance Services Office form number GL 0002 covering Comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability; or Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001).

B. Insurance Services Office form number CA 0001 covering Automobile Liability, code 1 any auto and endorsement CA 0025.

C. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

D. Professional Liability insurance appropriate to the Consultant's profession (Errors and Omission).

2. Minimum Limits of Insurance. Consultant shall maintain limits no less than:

A. General Liability: $2,000,000 per occurrence for bodily injury, personal injury, and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

B. Automobile Liability: $1,000,000 per accident for bodily injury and property damage.

C. Workers' Compensation and Employer's Liability: $1,000,000 per accident for bodily injury or disease. If Consultant is not subject to California Workers' Compensation requirements, Consultant shall file a completed certificate of exemption form which may be obtained from the City prior to commencing any activity authorized hereunder.

D. Professional Liability (Errors and Omission): $1,000,000 combined single limit per occurrence, and annual aggregate.

3. Deductible and Self-Insured Retention. Any deductibles or self-insured retention must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City of Vallejo, its officers, officials, employees and volunteers; or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

4. Other Insurance Provisions. The general liability and automobile liability policies, as can be provided, are to contain, or be endorsed to contain, the following provisions:

A. The City of Vallejo, its officers, officials, employees, agents and volunteers are to be covered as additional insureds as respects; liability, including defense costs, arising out of activities performed by or on behalf of the Consultant; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; or automobiles owned, leased hired or borrowed by the Consultant. The coverage shall contain no special limitations on the scope of protection afforded to the City of Vallejo, its officers, officials, employees, agents or volunteers. The insurance is to be issued by companies licensed to do business in the State of California.

B. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance as respects the City of Vallejo, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the City of Vallejo, its officers, officials, employees, agents, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

C. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees, agents, or volunteers.

D. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

E. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

F. The workers' compensation and employer's liability policy required hereunder shall be endorsed to state that the workers' compensation carrier

waives its right of subrogation against City, its officers, officials, employees, agents and volunteers, which might arise by reason of payment under such policy in connection with Consultant's performance under this Agreement.

5. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII.

6. Verification of Coverage. Consultant shall furnish the City with certificates of insurance and original endorsements effecting general and automobile liability insurance coverage required by this clause. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the City before work commences.

7. Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

8. Payment Withhold. City will withhold payments to Consultant if the certificates of insurance and endorsements required in Paragraph F, above, are canceled or Consultant otherwise ceases to be insured as required herein.
