PRESENTATION – Izzy Drumgoole, One Tribe Urban Consulting Group, joined by Andrea Abbott and Loba Yates. Discussed the graffiti abatement and community building work they are doing thru painting large scale murals. Of note, 75% parent participation is the program and their average cost to install is \$40/sq ft. Chair Weyrich recommended this same presentation and project proposal be given to the Commission on Arts and Culture.

ACTION ITEM: 2023-24 Workplan template shared with commissioners for review and update.

REPORT OF PRESIDING OFFICER – See attached report

NEW BUSINESS/REPORT OF THE SECRETARY:

- Downtown Merchants requesting tree light installation in a broader footprint. Chair Weyrich noted that CCRC is considering options that include lighting that is controlled by computer, adding color and timers.
- Citywide Graffiti/Tagging abatement – Refer to Presentation
- Planning & Building – Update only, Code Enforcement team has moved from VPD to Planning & Building, they are interviewing and hiring additional staff.
- Updated commission on progress made on illegal dumping by the Recology staff. Statistics will be available at a later date.
