Agenda Items: Those wishing to address the Commission on a scheduled agenda item should fill out a speaker card and give it to the Secretary. Speaker time limits for scheduled agenda items are five minutes for designated spokespersons for a group and three minutes for individuals.

Notice of Availability of Public Records: All public records relating to an open session item, which are not exempt from disclosure pursuant to the Public Records Act, that are distributed to a majority of the Planning Commission will be available for public inspection at City Hall, 555 Santa Clara St., 2nd Floor, or the Vallejo Public Library, 505 Santa Clara St. at the same time that the public records are distributed or made available to the Planning Commission. Such documents may also be available on the City of Vallejo website at www.ci.vallejo.ca.us subject to staff's ability to post the documents prior to the meeting.

Disclosure Requirements: Government Code Section 84308 (d) sets forth disclosure requirements which apply to persons who actively support or oppose projects in which they have a "financial interest", as that term is defined by the Political Reform Act of 1974. If you fall within that category, and if you (or your agent) have made a contribution of \$250 or more to any commissioner within the last twelve months to be used in a federal, state or local election, you must disclose the fact of that contribution in a statement to the Commission.

Appeal Rights: The applicant or any party adversely affected by the decision of the Planning Commission may, within ten days after the rendition of the decision of the Planning Commission, appeal in writing to the City Council by filing a written appeal with the City Clerk. Such written appeal shall state the reason or reasons for the appeal and why the applicant believes he or she is adversely affected by the decision of the Planning Commission. Such appeal shall not be timely filed unless it is actually received by the City Clerk or designee no later than the close of business on the tenth calendar day after the rendition of the decision of the Planning Commission. If such date falls on a weekend or City holiday, then the deadline shall be extended until the next regular business day.

Notice of the appeal, including the date and time of the City Council's consideration of the appeal, shall be sent by the City Clerk to all property owners within two hundred or five hundred feet of the project boundary, whichever was the original notification boundary.

The Council may affirm, reverse or modify any decision of the Planning Commission which is appealed. The Council may summarily reject any appeal upon determination that the appellant is not adversely affected by a decision under appeal.

If any party challenges the Planning Commission's actions on any of the following items, they may be limited to raising only those issues they or someone else raised at the public hearing described in this agenda or in written correspondence delivered to the Secretary of the Planning Commission.

11. PUBLIC HEARINGS

- A. Project Title: **Major Use Permit UP #12-0010**
 Applicant: Lawrenda Allen
 Location: 2401 Broadway Street
 Project Description: The applicant is requesting a conditional use permit to allow operation of a childcare facility with a maximum enrollment of 15 children and 5 rotating part time staff persons. The maximum number of children permissible onsite at any one time would be limited to 15. The childcare activities would utilize an 840 square foot room located on the first floor of the church and include an approximate 1,400 square foot outdoor play patio area. The former office building is currently being converted to the Power of Prayer and Praise Ministries, a local church with approximately 60 members. Hours of operation for the daycare are to be 7:00 a.m. until 5:30 p.m., Monday through Friday. Church activities such as meeting, bible study and worship services generally take place on evening and weekends, resulting in little overlap between the church and childcare activities.
- Environmental
 Determination: Pursuant to the California Environmental Quality Act (CEQA), the proposed project qualifies for a Class 1 Categorical Exemption (Section 15301) (e) (2), Title 14 of the California Code of Regulations, as it involves reuse of an existing building with negligible expansion.
